RE/ Investigator Jerry Howell

Mr. RoundTree I send this letter to you because I was unjustly charged with four felonies that I did not commit. Your investigator Jerry Howell violated my miranda rights, he did not read me my miranda rights. On 14 May, 2013 I left work early came down to the jail to meet with him. About a stolen purse that happen at cheddars resturant. When I got to the jail house I told him and wrote on a waiver of counsel form that I wanted to speak with my attorney present. You have access to the video of the interview room I was in.

Now I voted for you I'am deeply concerned about you having this rogue investigator in your administration. If he has done this to me how many more citizens of richmond county have he done this to? Why was I not allowed to leave and hire and attorney? Then return to be interviewed the next day? I'am requesting that you investigate this investigator completely. These charges on me are bogus God will exonerate me. This is a witch hunt by him because your investigator Jerry Howell had agreed with my step son Kerwin Evans to allow him to be a informant. When it came to my attention I immediately visited sergant marr at the narcotics division prior to me being charged with these bogus charges. Sergant marr said he would handle it. I will seek compensation for false incarceration, defamation of character thank you for your attention concerning this serious matter.

Sincerely, Robert Henderson
