Additional Information

I requested the selected materials before and was told by LT Gaurn, hope I got that right. The CDC is in the city of Atlanta. The time was 12:35 on the CDC incident report on Tuesday July 14 2020, last year, not this year. Can you PLEASE check to see if there were any dispatch calls made from the cdc and if so who responded, I just want the body cam and dash cam and if you have it the traffic cam footage along with any incident reports.

I really hope you can help in this matter.
