Chief of Police**RE: Open Records Request # 22-4002, Assigned to C. Speller**

The following is in response to your Open Records Act request, received by the Atlanta Police Department. Please read this email in its entirety as it contains important information about your request.

We will notify you when your records are available. By default, records will be sent to you by email.

Estimated Time Frame

We are conducting a diligent search for records responsive to your request. If there are any records responsive to your request, it could take us up to 30 business days (not including holidays/weekends) to make them available, depending on the number and complexity of the documents.

For requests regarding calls for service, crime statistics, a crime grid, or other document types related to our Crime Analysis unit, we estimate that it will take a minimum of 12 weeks to make those specific records available.

It is important to note that the estimated time frame and charges are subject to revision up or down depending upon the actual time spent searching for, retrieving, and redacting the records (as well as the cost of any physical copies). Exempt material will be redacted pursuant to O.C.G.A 50-18-72.

Fee Estimate

Please be advised requests may incur different charges based on the number of hours worked. Our base line estimate for a single request is approximately \$15 based on one hour of labor (not including material fees). Specialized requests such as, but not limited to, bulk incident reports, license and permits records, and code enforcement files will most likely exceed \$100 due to the amount of labor involved with fulfilling those request types. Please see below for specific estimated fees.

Common Fees

Paper Copies	\$0.10 per page
Certified Copies	\$3.00 per document
Record Retrieval, Review, and Copying Fee	The hourly wage of the lowest-paid person who can retrieve, review and copy records multiplied by the number of hours it takes to retrieve, review and copy those records (typically between \$14/hour to \$21/hour with no charge for the first 15 minutes).

Commonly Requested Record & Redaction Times

Incident/Accident Reports	Approx. 3-5 minutes / report
911 Audio	Approx. 15 minutes / audio file
CADs	Approx. 3-5 minutes / CAD
Body Worn Camera	Approx. 5 minutes – 1 hour / video file
Traffic Camera Footage	Approx. 15 minutes / video file
OPS Files	Approx. 1-2 hours / file
Personnel Files	Approx. 1-2 hours / file
Investigative Files	Approx. 1-2 hours / file
Code Enforcement Records	Approx. 30 minutes / record
Training History	Approx. 30 minutes / file

Open Cases

Please be advised that pursuant O.C.G.A 50-18-72(a)(4), anything other than the initial incident report is exempt from release for cases that are pending investigation and/or adjudication. In order to obtain documents other than the incident report and 911-related records (i.e. audio and CAD), you will be required to obtain a subpoena from the City of Atlanta municipal court.
