Good Evening Mr. Blume,

My Records Custodian and I have reached out to all departments within this agency that would have access to Officer information to inquire about obtaining a photo of Ex-Officer Corey Murray. We have not been able to locate any photos or images within his personnel file. I have been advised that Images are not kept in the current system that creates identification badges at Human Resources and the old system that was kept here at Headquarters is no longer accessible. We have explored all avenues pertaining to this request and accordingly will have no records responsive to this request.

Best Regards,

Good Afternoon Mr. Blume,

I have sent an inquiry to our Records Commander to see if he had any knowledge of possible location on ex-officer photos dating back to 2007-2010 as the Records Unit does not keep Officer files.

I have been advised that an inquiry has already been sent upstairs to our Administrative Secretary and she found no results.

The Captain advised me to contact Human Resources. I have sent an inquiry to that division and I am awaiting a response.

I will exhaust all avenues to search for the information that you seek.

I will advise as soon as I have received a response.

Best Regards,

Good day,

I am getting frustrated by your agency and the Clayton County Sheriffs office not wanting to comply with state laws. He was an officer in a serious widespread sexual harassment case and neither agency has an image on file? These are not bound to retention schedules. I call BS!

I want to appeal and escalate to your supervisor.

A cop with no image on file for 2 departments? ok then.. I have completed over a hundred ORR's in Georgia, you are the first to NOT have an image of an officer.

Welcome to youtube tyrant!

Good Afternoon,

We are in receipt of your request. Upon review of your request, in response to number 1. Image on file with your agency- CCPD has no responsive records Pursuant to 50-18-71(j)

In response to number 2 of your request- arrest history to show arrest made while working with the agency- We cannot disseminate just arrest made by the officer and accordingly CCPD has no responsive records.

In response to number 3 of your request- Personnel and IA files I will forward this request to the Internal Affairs Division for review and advisement. I will advise on an estimated completion time and cost when I receive a response from that division.

Good day,

On 06/25/23 I requested the following information through the CLAYTON COUNTY web portal [https://claytoncountyga.govqa.us/WEBAPP/_rs/\(S\(ojefgxpkmk1aapsypmae03gtd\)\)/RequestEdit.aspx?sSessionID=732023325QNYGOSWNQU\[TLEUFJORJRMCRKMBHXKH&rid=10941&coid=](https://claytoncountyga.govqa.us/WEBAPP/_rs/(S(ojefgxpkmk1aapsypmae03gtd))/RequestEdit.aspx?sSessionID=732023325QNYGOSWNQU[TLEUFJORJRMCRKMBHXKH&rid=10941&coid=)

I requested the following on Corey Donte Murray

Image on file with agency

Arrest history show all arrests made while working for agency, to include date, case number and charge against suspects

Personal and IA files along with any public or employee complaints against Murray

On 06/29/23 an email was received from the Clayton County Public records portal stating the following: We are unable to process this type of request through this portal. The information provided through this website is for incident reports and crime grids. Any requests outside of that type of information may be submitted to the Clayton County Police Department Open Records Email address at ccpd.openrecords@claytoncountyga.gov and we will process accordingly.

The 72 hour deadline has been exceeded due to the obvious frustrations of this request and being sent through hoops to get simple records.

Please read 50-18-74

Your agency is in violation of the open records act

50-18-71. Right of access; timing; fees; denial of requests; impact of electronic records

(b) (1) (A)

Additionally my request has been given to your agency per § 50-18-71 (b) (1) (B) A request made pursuant to this article may be made to the custodian of a public record orally or in writing. That request was given per your agencies preferred open records portal. This was sent on 06/25/23

I am asking all fee's be waived and my request be expedited to avoid further delays and violations of the law.

Thank you

Billy
