Good day,

I requested the following materials on 12.3.22. I have not received any communication on that request. This is a direct violation of the open records act, this violation could come with a misdemeanor and a \$1,000 fine upon conviction.

I am writing once more to request the following.

The officers names are **Inv. Richard Russell, Deputy Leslie Gaiter, Deputy Parker Leathers and Deputy Christopher Brown**

§ 50-18-71. Right of access; timing; fees; denial of requests; impact of electronic records

Thank you.

Who is investigating ?? so when I file my complaint with the attorney general later today I can be specific to the exemption because right now you are just making a statement, please validate your claim.

The officers have been placed back on duty and one of the officers has no entry on his Ga Post council certification.

Thank you  
Billy

Tameka,

I just realized you are a private citizen.

My email was addressed to RCSO.

They violated the open records act by not responding within 72 hours.. They will be held accountable but for now I have reached out to the DA to validate your claims.

I will send my requests to whoever I want, YOU are NOT law enforcement! Don't give me directives. I ignore them!!

Take care
