Good day,

Under the Georgia Open Records Act § 50.18.70 et seq., I am requesting an opportunity to inspect or obtain copies of public records on the following individuals, Gerardo Sanchez, Robert Wilson, Gerardo Sanchez., Kimberly Lee and Brenda Maith.

1.Personnel file

2.Disciplinary file

4.All public complaints.

3.Photo on file with agency

4.Body cam and interior jail footage of the assault Sanchez and Jackson carried out on an inmate inside of the jail recently.

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$25.00. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of the dangerous actions of the Richmond County police officers and any potential threat they pose to the general public.

The Georgia Open Records Act requires a response time within three business days. If access to the records I am requesting will take longer than three days, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Sincerely,

Billy Blume
