Good day,

I am requesting a few materials. They are in relation to Officer Alphonso Forrest of the Richmond County Sheriff's Office located in Augusta Georgia any investigational materials your agency is in possession of. I am not just randomly asking. He states this in a video polygraph interview that the GBI investigated him for an incident involving inappropriate touching of a minor, his cousin. I am not interested in any documents with the cousin just Forrest, any video interviews, interrogations, audio or video. This also could include the murder investigation of Feelycy (Antuan) Harris. There are 2 incidents reported involving his cousin and daughter also. Any statements he has made.

A statement from your agency in regards to how in the hell he was allowed to be a cop after all of that? Any correspondence from any outside entity in regards to any of the cases mentioned.

Please abide by the Open Records Laws. 50-18-71. I am tired of the constant violations and it takes too long to file a report with the AG. I am trying to do your job for you so time is tight!

Thanks
Billy
