Good day,

According to the news Jared Jones announced the case against the 4 officers Richrad Russell, Leslie Gaiter, Parker Leathers and Chris Brown has been closed. If this is incorrect please advise.

I am now requesting the following for Richrad Russell, Leslie Gaiter, Parker Leathers and Chris Brown 10.11.21

A summary of investigative materials the Sheriffs office is in possession of in regards to the Jermaine Jones case.

All bodycam , in car cam and dash cam of all 4 officers for that entire day.
Let me know the time frame and cost. I know the records are available.

I am also requesting the names of all officers and supervisors who were on scene that day. No matter their involvement.

Follow the law, you have 3 business days to fill my request. We already know the request can be filled.

§ 50-18-71(b) (1) (A) Agencies shall produce for inspection all records responsive to a request within a reasonable amount of time not to exceed three business days of receipt of a request

I expect this request to be received and read on 1.2.23 and filled no later than 1.5.23

Please advise on the exact cost. Also referenced in § 50-18-71(b) (1) (A)

Thank you
Billy

Good day,
Who has an open investigation into the Jermaine Jones case? When you state an exemption you need to specify the exemption
I know there is video, the exemption you are making is (j) No public officer or agency shall be required to prepare new reports, summaries, or compilations not in existence at the time of the request is bogus. *It has been reported there is video.* That exemption is for non existing materials. Body cam from 1985 would be a great example, it simple does not exist.

Sir, you need to comply with the open records act. Your agency, the GBI nor the DA has an open investigation into the Jermaine Jones case. I have verified this with the GBI. If there is an active investigation provide the agency to contact. Otherwise read the following closely.
§ 50-18-72. (a)(8) Records consisting of material obtained in investigations related to the suspension, firing, or investigation of complaints against public officers or employees until ten days after the same has been presented to the agency or an officer for action or the investigation is otherwise concluded or terminated, provided that this paragraph shall not be interpreted to make such investigatory records privileged;
