Good day,

I requested the Kevin Guerrier case files on June 21, 2023. That was a Wednesday, your agency has had 11 business days at this point to respond.

This is my second request. If you can't do your job by the law, find another job!

Your agency is in violation of the open records act. § 50-18-71 (b) (1) (A) Agencies shall produce for inspection all records responsive to a request within a reasonable amount of time not to exceed three business days of receipt of a request

Thanks

Billy
