MEMORANDUM

TO: Lt. W. C. Stalcup

FROM: Sgt. T. L. Padgett T.L.P.

DATE: 01-20-98

RE: Annual Evaluation for Officer Nathan Lucas

I have rated Officer Lucas Outstanding in the following area.

Work Quantity - Officer Lucas exceeds the watch average by 53 % for general cases and 15 % for traffic cases.

I have evaluated Officer Lucas highly satisfactory in the following areas.

Attendance - Officer Lucas only used 2 sick days and had no un-excused absences during the evaluation period.

Use of Time - Officer Lucas is constantly working. When he is not on a call he is backing up other officers or actively patrolling his beat.

Initiative - Officer Lucas has the knowledge and ability to take the required action. Officer Lucas has taken the initiative to address the drug activity at M. L. King Jr. Dr. at Bolton Rd. Since I have put Officer Lucas in this beat car I have noticed a tremendous decrease in complaints from citizens regarding this area.

Reporting - Officer Lucas advises supervisors as required by the department. Equally important, Officer Lucas does not tie up supervisors with needless information.

Reliability - Officer Lucas can be relied on to complete any assignment he is given. I have never had to go behind and second guess a decision he has made.

MEMORANDUM

TO: **MAJOR H. R. DUNOVANT**

FROM: **LIEUTENANT V. BOWSER**

DATE: **NOVEMBER 4, 2002**

RE: **INVESTIGATION AND DISPOSITION OF COMPLAINT NUMBER 02-C-0093-UAF**

An investigation of the allegations of this complaint and any other allegations, which arose during the investigation, has been completed. **The following represents the findings of this investigation:**

I. INVESTIGATIVE DISPOSITION

a. of the Complaint against — Officer Kelly Lambert

[X] **Not-Sustained** for Rule: — **2.50 (Maltreatment or Unnecessary Force)**

b. of the Complaint against — Officer Nathan Lucas

[X] **Not-Sustained** for Rule: — **2.50 (Maltreatment or Unnecessary Force)**

c. of the Complaint against — Officer Jason Bilak

[X] **Not-Sustained** for Rule: — **2.50 (Maltreatment or Unnecessary Force)**

II. POLICY OR PRODECURAL CHANGES, TRAINING, RECOMMENDATIONS, AND/OR COMMENTS

Mr. Eisenhower Lewis alleges Officer Kelly Lambert, Officer Jason Bilak and Officer Nathan Lucas used unnecessary force against him on March 2, 2002.

A review of the complaint file indicates the following. Officers Lucas, Bilak and Lucas were working approved extra jobs at Club NV. Mr. E. Lewis stated his friends were escorted out of the club due to a fight inside. Mr. E. Lewis stated his brother, Mr. David Lewis, and Mr. Giovani Willingham were with him. The officers stated after the patron gathered into the parking lot, they began to curse and block the sidewalk. The officers agree the crowd was asked to move, but Mr. E. Lewis attempted to incite the crowd. According to the radio tapes, Sergeant Joyner arrived, observed the angry crowd and requested additional units. Mr. E. Lewis claims when Mr. Willingham was arrested, he asked Officer Bilak the location of where Mr. Willingham going to be transported, and Officer Bilak began to curse and grabbed his arm. According to Officers Lucas and Bilak, Mr. E. Lewis charged Officer Bilak, attempted to knock him to the ground, and used his fist to strike Officer Bilak several times in the side and stomach. Mr. E. Lewis admitted he resisted several times by snatching away and bracing himself to prevent Officer Bilak from 'slamming' him on the ground. Mr. E. Lewis and Officer Lucas agree, while Mr. E. Lewis and Officer Bilak were engaged in a struggle, Officer Lucas used his baton to strike Mr. E. Lewis several times in the area of his legs before handcuffing him. Mr. E. Lewis claims when his brother (Mr. D. Lewis) complained about the officers hitting him (Mr. E. Lewis), Officer Lambert placed his brother (Mr. D. Lewis) in a chokehold, punched him in the face and slammed him. Officer Lambert stated Mr. D. Lewis grabbed his jacket and attempted to strike him by throwing punches. Officer Lambert maintains he took Mr. D. Lewis to the ground and handcuffed him, but he did not place him in a chokehold. The officers maintain they did not use profanity at any time. Mr. Willingham was arrested for refusal to leave the premises. OPS made numerous attempts to obtain statements from the security guards, Mr. Willingham, Mr. D. Lewis and Mr. E. Lewis' other witnesses, to no avail. Mr. E. Lewis refused to sign a medical waiver, but claims he sustained bruised to his legs and lower back which are not discernible in the OPS video or as indicated by Sergeant Joyner. Mr. E. Lewis claims he was refused medial treatment at Grady Hospital. The cell phone Mr. E. Lewis claims is missing was turned into Property. There is insufficient evidence, at this time, to prove or disprove Mr. E. Lewis' allegations, and that **2.50** (Maltreatment or Unnecessary Force) be **Not-Sustained**.

E. INVESTIGATIVE FINDINGS:

This investigation finds that:

On March 2, 2002, Officer Bilak, Officer Lambert and Officer Nathan said they were working an extra job at Club NV, which is located at 720 Spring Street.

The complaint, Mr. Eisenhower Lewis, said he was at the club when a fight occurred, and security officers were escorting people out of the club. Mr. Lewis indicated that two of his friends were put out the club.

Mr. Eisenhower Lewis reported when he was out of the club, he and his friends informed the security officers that they were not involved in the fight, but the security officers started cursing his friend, Mr. Giovani Willingham. According to Mr. Eisenhower Lewis, Mr. Willingham informed one of the security officers that he had left his jacket and one of the security officers said he would get his jacket, while the other security officers was still cursing and telling Mr. Willingham to leave.

Mr. Eisenhower Lewis reported one of the police officers came over and said, "When he fucking tells you to do something, you do it, I am not going to tell you twice." Mr. Eisenhower Lewis said Officer Bilak came over and slammed Mr. Willingham to the ground and said, "You fucking punk, you want to be a hard head."

Mr. Eisenhower Lewis stated he told Officer Bilak that was not right, and he asked Officer Bilak where Mr. Willingham was being transported to, but Officer Bilak stated, "None of your fucking business." Mr. Eisenhower Lewis said Officer Bilak started walking toward him saying, "I will kick your little black ass, you fucker."

Mr. Eisenhower Lewis indicated Officer Bilak grabbed him, but he snatched away and Officer Bilak attempted to slam him. Mr. Eisenhower Lewis said a black officer came and struck him from behind about 10 to 15 times on his knees and ankle with a stick. Mr. Eisenhower Lewis reported he was handcuffed, but his brother, Mr. Demetrius Lewis, complained to the officers about hitting him. Mr. Eisenhower Lewis indicated Officer Lambert placed Mr. Demetrius Lewis in a chokehold, punched him in the face and slammed him.

Officer Bilak, Officer Lucas and Officer Lambert stated they were working an extra job at Club NV when a fight occurred and security officers were escorting people out of the club. Officer Bilak, Officer Lucas and Officer Lambert reported the crowd was loud and some of the patrons were yelling, "Fuck this place, fuck security and fuck this

shit." Officers Bilak, Lambert and Lucas reported the patrons were blocking the sidewalk, and they asked the crowd to move.

Officer Lucas said one of the males yelled, "Fuck them mother-fuckers, we are from East Point."

Officer Bilak stated Mr. Eisenhower Lewis seemed extremely intoxicated because his speech was slurred and he was walking from side to side. Officer Bilak said Mr. Eisenhower Lewis was provoking other patrons to be belligerent toward them.

Officer Lambert reported he and Officer Lucas went to arrest Mr. Eisenhower Lewis when Mr. Demetrius Lewis grabbed his jacket and attempted to strike him by throwing punches. Officer Lambert said he took Mr. Demetrius Lewis to the ground and placed him in handcuffs.

Officers Lucas and Bilak stated that Mr. Eisenhower Lewis charged Officer Bilak and attempted to knock Officer Bilak to the ground. Officer Bilak stated Mr. Eisenhower Lewis struck him several times in the side and stomach with his fist. Officer Lucas indicated he feared that Officer Bilak would be injured as a result of Mr. Lewis' assault, he struck Mr. Lewis on his leg three times and Mr. Lewis was handcuffed.

Sergeant Joyner stated when he first arrived, the off duty officers were attempting to arrest someone in the crowd, but within minutes, the suspects were arrested.

On April 17, 2002, I spoke with Mr. Eisenhower Lewis regarding addresses for his witnesses and those witnesses are Mr. Willingham, Mr. James Leverette, Mr. Demetrius Lewis and Mr. Jimmy Valerie. Mr. Eisenhowser Lewis did not know the witnesses address, but he gave me their telephone numbers. I attempted to obtain statements from these witnesses by leaving messages on their recorder or with a person, but I was unable to obtain a single statement from those witnesses.

I also attempted to get an interview with the owner of Blackshear or Blackshield Security company, Mr. Ron Tripplet. Mr. Tripplet stated he was present the night of this incident and he agreed to a telephone interview on October 7, 2002. I called Mr. Tripplet, but I got a recording. I left a message on Mr. Tripplet's recorder asking him to contact me.

After I did not hear from Mr. Tripplet on October 7, 2002, I called him again on October 8, 2002, but I got another recording. I left a second message on his voice recorder. Mr. Tripplet did not contact me, therefore, I was unable to obtain a statements from him or his security personnel. The names of the security officers are unknown.

When Sergeant W. Trivelpiece interviewed Mr. Lewis, Mr. Lewis stated he was going to seek medical attention, but he would not sign a medical release for the Atlanta Police Department to obtain a copy of his medical records.

way of the people they were putting out, they put you out to. Two of the people that were with me got put out. We were okay with that. So we left the club. We got outside the club and we explained to security that he was not fighting. They started cussing at him, saying he don't give a damn. He is not going to let him back into the club. So we said okay, can he just get his jacket. One of the security guards said yes, and the other one was still cussing us out. That is at the side door, it is at the front of the building. About 75 to 100 feet from the front door, where the police were standing. The police started walking toward us, telling Giovani Willingham, the guy who left his jacket, to leave. He told him the one security guard was going to get it while the other security guard was still cussing him out. So the officer told him, when he fucking tells him to do something, you do it, I am not going to tell you twice. The officer said "you think I am fucking play with you" and he grabbed him. Giovani was telling the officer the other guy was going to get his jacket and he would leave. So Officer Bilak comes over and slams him to the ground, starting punching him, saying "you fucking punk, you want to be a hard head". They arrested him and put the cuffs on him. I told Officer Bilak that was not right, he did not do anything. I asked him what station they were taking him to and he told me none of your fucking business. I told Giavoni not to worry about that we will get a lawyer for that. I was walking away and talking at the same time. They told us to leave, he still did not get his jacket. As I was leaving Officer Bilak started approaching me, saying you are going to need a fucking lawyer to get you out. I said for what, I did not doing anything, and I am not scared of you. He started walking towards me, saying I will kick your little black ass, you fucker. I am walking away and he runs up on me and reaches my arm, I had my back turned. I snatched away. As I snatched away he grabbed both of my shoulders, trying to slam me. But I braced down, grabbed his jacket so he would not slam me. He is twisting my arms, still trying to slam me, and this went on a good minute, tussling. The other officer, the third one, he is a black guy, he came and hit me from behind, 10 to 15 times with the stick. He hit me in my knee, both knees, ankle, all over really. They put the cuffs on me and they kept kicking me. My brother, Demetrius Lewis, was complaining to the officer about hitting me with the stick and Officer Lambert came from behind, put him in a chokehold, and slammed him. I think one of the officers assisted with putting the cuffs on and then Officer Lambert punched him in the face. They put us in a cop car. One of the older cops told me to come to Internal Affairs. I don't know his name. The officer said he couldn't make a statement, it would be a conflict of interest, because he has to work with these guys everyday. They took my cell phone and have not returned it since, they haven't

Lambert approached Mr. Lewis first. As they approached Mr. Lewis, the patrons began to come up behind Officer Lucas and Officer Lambert in a threatening manner. I stepped in between the patrons and the two officers to protect them and to deescalate the situation. As I was speaking with the patrons, they were speaking over me. I can't recall what they were saying because there were too many of them. At that time, Officer Lucas and Officer Lambert turned their attention away from Mr. Lewis and to the larger group that was threatening our safety. As Officer Lucas and Officer Lambert turned their heads, I observed Mr. Lewis out of the corner of my eye approaching us from the rear in an aggressive manner with clinched fists and yelling, "I ain't no punk muthafucker, I got a lawyer." He kept repeating it. I remember that clearly. I turned to Mr. Lewis and I told him to stay back. Mr. Lewis still approached with clinched fists and yelling, "I ain't no punk muthafucker, I have a lawyer." Mr. Lewis at that time lowered his shoulders and came at me as if he wanted to tackle me. I put my hand on Mr. Lewis' shoulders to keep him away from my lower body section. Mr. Lewis reached up and knocked my hand off his shoulder. I was trying to subdue Mr. Lewis when a black male approached me from the back. I had to continue my struggle with Mr. Lewis until other officers arrived. Mr. Lewis would not allow me to place handcuffs on him and did not comply with my lawful commands. Officer Lucas came over momentarily to keep me from getting hurt. Officer Lucas used verbal commands telling Mr. Lewis to stop resisting. Mr. Lewis continued to assault me by striking me in the side and stomach area with his fists. time also attempted to strike me in the face with his fist. Officer Lucas using his ASP baton, struck Mr. Lewis again in the leg one to two more times before Mr. Lewis placed his hands behind his back. At that time, I handcuffed Mr. Lewis. On March 2, 2002, about 0200 hours, I was working a city approved extra-job at 720 Spring Street when I observed security officers from Blackshield Security company put out a large group of males. When I asked the security officer what was going on, he stated the male was inside the location fighting. It was a large group, maybe 10 to 12 people. They were in the street and on the sidewalk, yelling and screaming, "We will be back, we are going to fuck you all up." Myself, Officer Lambert and Officer Bilak walked to the large crowd and asked the gentlemen to move on. This was met with hostility toward us. We informed the large group of males that they could not block the city street or the city sidewalk and they continued to yell at us stating, "Fuck the police." At that particular time, we informed them that they will be arrested if they did not move on. One of the males, a can't remember which one, stated, "Man, fuck them mother fucker, we are from East Point, they don't want none of us." As the crowd became more hostile, we decided to arrest the agitators. Myself and Officer Lambert turned our back because there was a group of males that had gotten behind us. While we were dealing with those males, I turned to see Mr. E. Lewis charging at Officer Bilak. Mr. Lewis grabbed Officer Bilak around his legs and attempted to knock him off balance. Officer Bilak was giving loud verbal commands for Mr. E. Lewis to let go of him, but Mr. Lewis refused. Fearing that Officer Bilak would be injured as a result of Mr. Lewis' assault, I

went to assist him. I attempted to get Mr. E. Lewis to let go of Officer Bilak. This was done by verbal commands, but he did not obey my commands. I went to utilize my city issued OC spray, however, deployment of this weapon system would have affected Officer Bilak, as well as the other people in the area. So, I deployed my city issued ASP baton. I issued a straight strike at a 45-degree angle to Mr. Lewis' leg. I don't remember which leg. As I struck him, I yelled, get back. He still refused to let Officer Bilak go. I issued two more strikes to the same leg, which stopped Mr. Lewis' assault on Officer Bilak. We were finally able to handcuff Mr. Lewis. After these events, I arrested Giovanni Willingham because he refused to leave the location. He stated he wanted to go to jail with his friends.

Q: What are the names of the security officers present during his incident?
A: I can't recall the names of the security officers, but I know the owner names. His name is Ron Tripplet. I don't have his phone number at this time but I will provide it.

On March 2, 2002, at approximately 0200 hours, I was working an extra job at 720 Spring Street, Club Envy, when a fight involving about 10 males happened in the club. Security escorted the males out of the side door of the club. Officer Bilak, Officer Lucas and I went to assist security. When we approached the males, they were telling security of fuck off. We asked the males to leave the club. They were standing in the middle of Spring Street, and they were blocking the sidewalk and preventing patrons from entering the club. We asked the subjects to move out the middle of the street. Eisenhower Lewis started yelling, "Fuck the police." We asked him to move again out the middle of the street and he said, "Fuck the police again." Officer Lucas and I then approached Eisenhower Lewis to place him under arrest. A large group of males came at Officer Bilak, Officer Lucas and I . Demetruis Lewis grabbed my jacket from behind and twisted my body around. He stated to me, "You don't want none." Demetrius Lewis got in a fighting stance. He raised his fists and he told me to come on. I grabbed Demetrius and he threw about three punches at me. He hit me a couple of times. I was able to take Demetrius to the ground. While I had him on the ground trying to handcuff him, he was telling his friends to get me. On March 2, 2002, at approximately 0200 hours, I responded to a help call at Club NV. Once I arrived there, I noticed a large crowd and they were out of hand. There were fights among the crowd and I think there were three off duty APD officers putting a young black male into the paddy wagon. Another black male came up to the area and started yelling, " Y'all fuck my brother up, that's fucked up." Then he started raising his hands up like gang symbols. He was challenging the other officers by saying, "Come and get some of this shit." He stated to me, "I ain't got nothing against you big man." So I walked to the young man slowly and I asked him what was the problem. He said those police fuck my brother up. I said to him, " if you want to help your brother out, you stay calm, cool and walk away from here. I told him there is an office that we have called OPS, take your complaint there. I turned away from him and I turned to another crowd that was fussing and fighting. The young man then started back challenging the officers. He was in the middle of Spring Street with his hand raised in the air saying very loud, "Fuck y'all, come and get some of this." He was talking to the three off duty officers. He was told several times by me and the off duty unit to get out the street. When the off duty officers got ready to approach him, he started swinging at the officers with his fist. The officer then put him on the ground. I can't tell you who put him on the

On March 2, 2002, at approximately 0200hours, while on patrol, and I believe, I rode upon a fight in process at 720 Spring Street. As I exited my vehicle, I observed a very large crowd surrounding two or three police officers. I observed that the crowd was yelling and screaming at the officers, but I can not remember what was being yelled. It appeared to me that the crowd was about to attack the officers. I immediately called for additional units and placed myself between the crowd and the officers. At this time, I observed that the officers were attempting to arrest several suspects. I continually looked back and checking on the officers, and within a minute, the suspects were in handcuffs and in custody. A few zone five officers arrived and assisted in placing the suspects in the back of their patrol cars. At that point in time, I checked on all the officers and suspects. There were no report of injuries from the officers and the suspects. I did not see any injuries. I then turned the scene over to the off duty units.

Q: When you arrived, did you hear the crowd yelling obscenities at the officers?
A: I don't recall exactly what was yelled, but I do know that the crowd was very hostile toward the officers.

66. I, Off Black on 03/02/02 at approximately 2:00 a.m observed patrons being removed from club "NV" while working a city approved extra job. After patrons were escorted to sidewalk by security the patrons began to yell obscenities "Fuck this place" "Fuck this shit". Officers Lambert, Lucas and myself approached the patrons and asked them to move down the street. The patrons became agitated and began to flail these arms in the air and yell profanities towards us and security and other patrons. I approached one individual that kept yelling "I am not fucking going any where" "I have a lawyer" "You can't arrest me". I again asked the individual to move down the

Lucas and Lambert approached the patron because he began to arouse anger in his friends and his friends began to clinch there fists and approach officers from behind. Off Lucas and Lambert turned there heads to approaching patrons and the black male, Eisleaver Lewis came up from behind officer with clinched fists in attempt to, which I perceived as a threat to the officers safety. I reached over and grabbed Mr. E. Lewis by his shoulder at which time he told me "I have a lawyer" "I ain't no punk mutha fucka" and knocked my hand off his shoulder. Mr E Lewis at that time lowered his shoulder and ran into me trying to wrestle me and knock me off balance. Mr. E. Lewis then began to hit me with clinched fists in the leg. I at that time was able to turn Mr E Lewis and OFF. Lucas used city approved open straight strike with his [illegible] to Mr E. Lewis's legs at which Mr E. Lewis began to try to strike me in the face and again OFF. Lucas used the city approved open straight strike in the leg with expel and at that time Mr. E. Lewis complied and put his hands behind his back after repeatedly being asked to and refusing. Mr. E. Lewis was asked if he needed medical attention and he refused. Mr E. Lewis was taken to pretrial detention by police wagon. SGT Jaynes was called and was present throughout some of the struggle.

NARRATIVE

5. On 3-2-02 at or about 0300 hours while working a city approved extra-JOB at 720 Spring St N.W. I encountered the listed subjects when they were escorted out of the club by security (for fighting). Once outside all the subjects were acting in a agitated manner and were blocking the public side walk and using profanity and blocking the city street. Myself officer Lambert and bilak attempted to get the males to clear the streets and side walks area leave, however the males referred to listen to us and they cursed us. Once we advised them that if they don't clear the area and disburse they would be arrested. They still refused to listen. As myself and officer Lambert turned our backs to one of the assailants he (Mr. E. Lewis) supposedly attempted to attack me and officer bilak Grabbed him to prevent his assault on me. When officer bilak Grabbed the suspect he began to fight officer bilak. The suspect provided officer bilak and attempted to tackle him, Mr. E. Lewis refused to listen to any verbal commands that we issued and he continued to attempt to get officer bilak off balance by grabbing his legs. I attempted to deploy my city issued O.C. spray however deployment of this system would have effected officer bilak. I instead used my city issued A.S.P baton. I issued several strikes to E. Lewis legs which stopped his assault on officer bilak. While attempting to arrest Mr. E. Lewis I encountered Mr. Willingham who refused to leave the side walk as well. Mr. Willingham also interfered with our attempts to arrest the two co-defendants Mr. Willingham was arrest as well. all subjects were transported to Jail. After the zone wagon transported the Suspect to Jail. The listed cell phone was given to me by the wagon driver. He advised that it belonged to Mr. E. Lewis. It was turned in to police property.

RE: OPS File#02-C-0093-UAF

I attempted to get a telephone number for Blackshear Security, which is owned by Mr. Ron Tripplet. The 411-information operator did not have a listing for Blackshear or Blackshield Security company. I also attempted to reach a Mr. Alex Guidion at (404) 872-3776. This telephone number was on Officer Bilak's extra job permit, but this number was not a working number.

RE: **INVESTIGATION AND DISPOSITION OF COMPLAINT NUMBER 04-C-0129-UAF**

An investigation of the allegations of this complaint and any other allegations, which arose during the investigation, has been completed. **The following represents the findings of this investigation:**

I. INVESTIGATIVE DISPOSITION

a. of the Complaint against — Investigator Nathan Lucas

[X] **Exonerated:** — **2.50 (Maltreatment Or Unnecessary Force)**

b. of the Complaint against — Officer Brandy Dolson

[X] **Exonerated:** — **2.50 (Maltreatment Or Unnecessary Force)**

c. of the Complaint against — Unknown Officer

[X] **Exceptionally Closed:** — **2.50 (Maltreatment Or Unnecessary Force)**

II. POLICY OR PROCEDURAL CHANGES, TRAINING, RECOMMENDATIONS, AND/OR COMMENTS

Ms. Lisa Lampkin alleges three Unknown Officers used unnecessary force against her during an incident that occurred on March 1, 2004.

A review of the complaint file indicates the following. The incident occurred at Club Vision. Investigator Nathan Lucas and Officer Brandy Dolson were working approved extra jobs at that location. Ms. Lampkin stated she ran towards her sister when she recognized her sister's shirt among a physical fight between some females in the parking lot. Ms. Lampkin stated when she got into the middle, three Unknown Officers grabbed her. Ms. Lampkin stated one of the officers released her while another officer held her against a patrol vehicle while the third officer choked her. Ms. Lampkin also claims one of the other females sustained a sprained ankle and a knot on her head and a third female had her extension braids pulled out by police. Ms. Lampkin stated there were no other witnesses, she did not seek treatment for her injuries and could not identify the officers. Command was unable to identify the officers in the marked unit. Officer Dolson was unable to recall the incident without assistance of a police report she made regarding Ms. Calhoun whom she arrested for disorderly conduct and obstruction. Investigator Lucas recalled proceeding to the parking lot area to investigate a fight. Upon his arrival, Investigator Lucas stated the crowd was dispersing and there was some artificial hair on the ground. Investigator Lucas stated no one came forward to provide him with any information and he was unable to locate any victims. Both officers could not recall speaking with Ms. Lampkin. Command recommended **2.50** be Exonerated against Investigator Lucas and Officer Dolson; and **Exceptionally Closed** against the Unknown Officer for rule **2.50** (Maltreatment Or Unnecessary Force).

Dear Ms. Lampkin:

Thank you for taking the time to express your concerns regarding the actions of Officer B. Dolson, Investigator N. Lucas and an unidentifiable officer.

Your allegation of misconduct has been investigated. Sufficient information was gathered to prove the actions taken by Investigator Lucas and Officer Dolson were lawful, proper and within the guidelines regarding employee work rule 2.50 (Maltreatment or Unnecessary Force). Additionally, you were unable to provide any additional information to assist in identifying the alleged third officer. Therefore, this concludes our investigation.

If you have any questions concerning this complaint, please contact Lieutenant V. Bowser at (404) 658-6830. The complaint file will be available for your inspection for a period of twenty-five (25) days. If after reviewing the file, you are dissatisfied with the findings, you may appeal by writing to the Chief of Police, 675 Ponce De Leon Avenue NE, Atlanta, GA 30308-1807.

This complaint could possibly qualify for presentation to the Civilian Review Board. In that event, you may contact Ms. Katherine McCladdie at (404) 330-6023.

RE: OPS Package 04-C-0129-UAF

Sir, on June 10, 2004 at about 1230 hours I spoke with Ms. Lampkin about her complaint made on March 3, 2004 and asked if she had completed the citizens statement form, and if she had responded to the questions provided to her on June 9, 2004.

Ms. Lampkin advised that she did not wish to make any further statements and requested to withdraw her complaint made on March 3, 2004.

After speaking with Ms. Lampkin, I attempted to persuade Ms. Lampkin to complete the statement form and to respond to the questions asked on the citizens statement form, however, Ms. Lampkin declined.

On June 9, 2004 at about 1030 hours I met with Ms. Lampkin at her employment to accommodate her in gathering additional information related to her complaint. Ms. Lampkin stated that during the incident complained of, there were no police vehicles at Club Vision and that she was never put in a patrol vehicle. Ms. Lampkin restated that she could not identify the officers mentioned in her original complaint.

Upon reviewing Ms. Lampkin's complaint and after speaking with Ms. Lampkin, it would be difficult to sustain this complaint against Investigator Lucas or Officer Dolson.

It is my recommendation that no further investigation be conducted.

RE: OPS Package 04-C-0129-UAF

Sir, on May 26, 2004 I spoke with Ms. Lisa Lampkin about her complaint made on March 3, 2004. Ms. Lampkin advised that she would provide a statement related to her complaint on June 7, 2004, however, Ms. Lampkin failed to keep her appointment.

On June 9, 2004 at about 1030 hours I met with Ms. Lampkin at her employment and provided her with a 'citizens statement' form to be completed with questions included. Ms. Lampkin advised that she would provide a written statement and respond to the questions asked related to her complaint.

Sir, I will attempt to retrieve Ms. Lampkin's statement from her on June 10, 2004 after making contact with her at her employment.

If you have any questions or concerns, please advise.

RE: ***OPS Complaint Involving Officers Dolson and Lucas 04-C-0129-UAF***

Sir,

There appears to be more questions that need to be answered within this complaint file. I respectfully request an additional 7-day extension to follow up on these issues.

Sgt. Holder, please answer the following questions:

1) Did we pull the 911 Tapes around the time this incident occurred? (If not we need to do that)
2) Officer Dolson Advised in one statement that he does not recall the incident; however, in another statement when asked the question " Did you call for an ambulance" he replied "No". Does he now have a recollection of this incident
3) In Officer Dolson's statement did you make a police report pertaining to a person injured on 03/02/04, his response was "not to my knowledge" either he made the report or he didn't.
4) Contact Club Visions and find out what officers were working on that night. Also contact field inspections and find out what APD Officers work Visions as an Extra-Job.
5) Officer Dolson says in his first statement that he did not arrest anyone while working his extra job on that night; however, I pulled a copy of his report arresting Ms. Ford-Calhoun. Her arrest occurred around the time Ms. Lampkin alleges excessive force.
6) Officer Lucas is extremely vague in his recollection of the facts. Find out from him what Officer was near him when he approached the physical altercation.

RE: OPS Complaint #04-C0129-UAF

Sir, on May 17, 2004 I received the complaint package #04-C-0129-UAF with your memorandum attached, with concerns pertaining to Officer Dolson's statement.

On May 19, 2004 I met with Officer Dolson to clarify his original statement dated April 26, 2004. Upon presenting Officer Dolson with a police report #040620173, dated March 2, 2004, Officer Dolson's memory was refreshed, and provided clarification to his original statement.

The police report was unrelated to the charge made by Ms. Lampkin, however, after speaking with Officer Dolson, I believe that it was not his intention to mislead me in this investigation.

In response to your memorandum, since the statement made by Officer Dolson has been clarified, I feel that the communications tape would not be necessary, however, if you would like a copy, I will obtain a copy.

After speaking with Ms. Lampkin, stating that she would be unable to identify the alleged officers who this complaint is made, it would be fruitless at this point to obtain statements from other officers working an extra job at Club Vision.

In conclusion, at this point I would recommend not sustaining this complaint without specifics. If you have any further instructions or concerns, please advise.

Re: **OPS Package 04-C-0129-UAF (Unknown Officers)**

Sir, on April 20, 2004 I received 'OPS Package 04-C-0129-UAF' pertaining to a complaint made by Ms. Lisa A. Lampkin. Due to the complexity of this complaint, I requested an extension to properly investigate this complaint.

On May 3, 2004 at approximately 1400 hours, I spoke with Ms. Lampkin, and requested she be made available for a statement. Ms. Lampkin advised that due to an illness, she would not be available until Wednesday, May 12, 2004 at 1300 hours to make a statement.

However, after speaking with Ms. Lampkin, Ms.Lampkin stated that she would be unable to identify the officers whom this complaint is made. Ms. Lampkin advised that she did not seek medical treatment for her alleged injuries, nor did she call 911 on the mentioned date of the incident.

Also, I am attempting to clarify the communications print-out received on May 9 2004. Officer Dolson will return to work on Tuesday, May 11, 2004. I would like to request an extension until May 13, 2004.

Upon reviewing this complaint, without specifics, it appears that I will be unable to sustain this complaint, however, I would like clarification on the print-out.

NARRATIVE

Topic: Information About Incident

While working a city approved extra job at 1068 Peachtree St NE. I came into contact with a black female named Ms Roslyn A L Ford-Calhoun. Ms Calhoun was attempting to enter into the location through an exit only door in the rear of the location. Security personnel located at the exit had instructed Ms Calhoun that she needed to vacate the area because it was only used an exit and Ms Calhoun refused. I instructed Ms Calhoun to leave the location, and she refused stating; "fuck that I paid fifty dollars to get in here." Ms Calhoun was then informed that if she did not leave the location that she would be taken into custody and taken to jail. Ms Calhoun responded by saying; "so what take me to jail." At that point Ms Calhoun again made an attempt to enter the location through the exit. I placed Ms Calhoun in custody without incident. A strong odor of an alcoholic beverage could be smelled coming from Ms Calhoun's person. She was taken into custody and charged with Disorderly While Under the Influence and Physical Interference by Acts of Obstruction. she was transported to Atlanta Pre Trial detention center.

I am Sgt. R. L. Holder Atlanta Police Department. The Department is questioning you as a witness in an official investigation. Also present is: N/A.

All employees must answer questions and make available relevant materials or sworn statements concerning an investigation of allegations of employee misconduct when directed to do so by a disciplinary authority or duly appointed investigator. Employees may obtain representation but cannot delay questioning for more than three hours beyond the time he or she was notified of the questioning. Except as authorized or required, an employee shall not interfere with nor contact persons involved in an internal investigation nor disclose or discuss with anyone except the designated Departmental authority the existence or facts of an internal investigation. This restriction will not be construed to prohibit an employee from discussing any aspect of the investigation with his or her representative. Administrative statements made by employees and evidence gained by reasons of such statements may not be used against the employee in criminal proceedings involving the employee except in cases of perjury.

On March 01 2004 I was working a city approved extra job at 1068 Peachtree street (club vision). I have read the complaint by Ms. Lisa Lampkin and I must say that this allegation is ridiculous. On that night as I stood at the back entrance to the club I was advised by passing citizens that there was a fight between a large group in the parking lot. I proceeded to the parking area to investigate the fight and found that a large crowd was dispersing. I also noticed that there was weave (artificial hair) on the ground. I asked the crowd what was going on and no one would say I asked again in a louder voice and no one came forward to say that they were a victim of a crime or had been involved in an altercation. Because there was no witnessed crime by me or any reported crimes by a victim I allowed the crowed to disperse. I could not locate the persons whose hair was on the ground and that person never came forward to me.

Q: On March 1, 2004 were you working a city approved extra job?

A: Yes.

Q: Was Officer Dolson working with you at Club Vision on March 1, 2004?

A: Yes.

Q: Was there any other Atlanta Police Officers at Club Vision during this incident?

A: Not that I recall.

Q: Did you ever speak to Ms. Lisa Lumpkin?

A: No.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

MEMORANDUM

Comment:

TO: MAJOR L. A. HAGIN

FROM: LT. W. E. CHARLES WEC

DATE: MARCH 26, 2004

RE: OPS 04-C-0129-UAF

The attached OPS package (04-C-0129-UAF) was forwarded to me for investigation. The alleged incident occurred on March 1, 2004 (March 2nd for Morning Watch) at 0230 hours at 1068 Peachtree Street, CLUB VISION. The complainant is alleging that three "unknown officers" used excessive force against her. I reviewed the morning watch activity sheets from this date (copies of the M/W activity sheets are attached to this memo). The activity sheets show that no morning watch officers responded to any calls at this location on this date.

I have contacted radio and found that two Zone 1 officers were working a S-88 at this location on this date and time. Units 9105 and 9173. The radio numbers indicate that these are both off-duty Zone 1 Evening Watch officers.

Radio further advised that there was a S-47-4 at this location on this date at 0208 hours. The "responding officer" to this call was unit 9173. Unit 9173 pulled in from this call at 0224 hours.

Due to the fact that no Zone 5 officers had any involvement with the complainant or the incident, I am respectively requesting for this OPS package to be sent back to OPS to be forwarded to the supervisor of the two Zone 1 officers that were working a S-88 at this location when this "alleged" incident occurred.

RE: **INVESTIGATION AND DISPOSITION OF COMPLAINT NUMBER 03-C-0311-MISC**

An investigation of the allegations of this complaint and any other allegations, which arose during the investigation, has been completed. **The following represents the findings of this investigation:**

I. INVESTIGATIVE DISPOSITION

a. of the Complaint against Officer Nathan Lucas

[X] **Not-Sustained:** **1.01 (Appropriate Action Required)**

II. POLICY OR PROCEDURAL CHANGES, TRAINING, RECOMMENDATIONS, AND/OR COMMENTS

Mr. Darrell Bobo alleges Officer Nathan Lucas' actions were inappropriate towards him on July 7, 2003.

A review of the complaint file indicates the following. Mr. Bobo stated Officer Lucas detained and falsely accused him of prostitution on Ashby Street. According to Major Turner's memorandum, Officer Lucas and other officers were assigned to work in the area due to numerous citizen complaints regarding prostitution. Officer Lucas stated he observed Mr. Bobo dressed in female attire standing at a bus stop. However, as the transit buses approached the stop, Mr. Bobo motioned for the buses to continue on. Officer Lucas stated he did detain Mr. Bobo for an interview, but then released him after completing a Field Interview form contained in the file. Mr. Bobo also alleges Officer Lucas used profanity while conversing with him and failed to contact a supervisor as requested, which Officer Lucas refutes. Command recommended **1.01** (Appropriate Action Required) be **Not-Sustained** against Officer Lucas.

RE: **OPS-C-0311-MISC RESPONSE**

After careful review of the attached file, I concur with Sergeant R. Holder's findings and recommendations to not sustain this complaint. In addition, I also recommend no further action. These officers were working in an area that I have received numerous complaints from citizens concerning the acts of prostitution. They are doing a very good job.

I am Sgt R.L. Holder of the Atlanta Police Department. By your making this statement you are providing information in an investigation being conducted by the Atlanta Police Department. Please be advised that your statement and/or your testimony may be needed at a future time for use in a civil service hearing or court of law.

On July 7, 2003 at approximately 1:00 P.M., I was on Ashby Street (Joseph E. Lowery) between Camilla and Ashby Grove. I had visited a friend who resides on Camilla Street, I first saw Officer Lucas and Officer Mc Walters when I was walking down Ashby Street towards the superette on the corner of Ashby and Parsons Street (to get change for the bus). They were riding their motorcycles up Ashby Street, when I returned from getting my change, I was on Ashby Street. (between Ashby Grove and Camilla Street) trying to determine which bus stop had the better shade in which to wait for the bus, when they came back again; this time coming up from Camilla Street. (I imagine they circled around by way of Fair Street). As I was about to pass them, Officer Lucas rode his bike up on the sidewalk to block my passage forward, and Officer McWalters brought his bike around and up on the sidewalk behind me. Officer Lucas got off his bike. He asked me, "Do you have I.D?" My Reply: "Of course I do."

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

CITIZEN STATEMENT

EMPLOYEE: OFF. LUCAS, Nathan, CITIZEN: Bo Bo, Darrell OPS # 03-C-0311-MISC

Having removed my wallet, before I could take out my I.D. he had grabbed my right arm and put cuffs on that wrist. Officer McWalters the grabbed my left arm and they proceeded to cuff my hands behind my back. Of course I was continuously asking what this was all about. Officer Lucas claimed I fit the description of someone they were looking for. I asked, "Who? And for what?" He said, "Someone had called and said, " Someone fitting my description was walking up and down the street prostituting." My reply was, "That's not so, I am not prostituting." He asked me, " Had I been arrested before?" (he had called my name and address in and was waiting for a reply.) I told him, "Years ago, it was a violation of pedestrian duties and an I and L" He said, "Yeah, I remember you; don't you go by the nick name 'Sunshine' or some shit?" I told him, "No, I'm satisfied with my name." He said, "Yes, you did, I remember pulling you out of car from sucking this guys dick, I pepper sprayed you and you ran away. " I told him he had to be mistaken, that had not been me."

He told me to shut up he didn't want hear another word or he would lock me up for: 1) violation of pedestrian duties (I was on the sidewalk), 2) Idling and Loitering (at the bus stop?) and 3) soliciting for sodomy.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

CITIZEN STATEMENT

He said, "These people are tired of you boys dressing like women running up and down the streets trying to prostitute." I told him that was not my concern since I wasn't with that. After some more badgering, his radio check had come back clean. He told me, "I'm gonna give you a "get out of jail free card" right now, but you better get back to 1214 Avon Avenue (address on my ID.) and hang out there, because if I see you around here again, I'm gonna lock your ass up!" As soon as I was un-cuffed, I started walking away down the street and trying to get a hold of the watch Commander of Zone #1 on my cell phone.

Q: What is your complaint?

A: It would seem that my complaint is sef-explanatory. As a free citizen in a free country, I should not have been subjected to what amounted to harassment and verbal abuse without cause.

Q: Did you call and request a supervisor?

A: As soon as I was released from the handcuffs I called Sgt. Holder at Zone #1.

Q: Are there any witnesses to this incident?

A: None that acquainted with me-only the traffic that was passing on the street.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

Q: Is there anything else you would like to add to your statement?

A: Due to his general attitude and derogatory (and unnecessary)comments he made to me, I feel strongly that his actions, may be even his stopping of me at all, was prompted by issues he has personally with the "alternative life style" community in general.

Q: What is the Officer's name who you feel made derogatory comments towards you?

A: Officer Lucas.

Q: Are there any complaints against Officer Mc Walters?

A: No, he did not sat anything.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

individual still walking back and forth on Ashby Street. We circled the block a second time and seeing this female stopped to interview her. After parking our motorcycles on the sidewalk, we spoke to this individual and explained to her our reasons for being in this immediate area. We explained we were conducting a voluntary interview, and asked for identification. Identification was produced, identifying this individual as Darrell Bo Bo, 07-12-52, a black male. Officer Lucas check Mr. Bo Bo's information on ACIC. Mr. Bo Bo did state he had previously been arrested for violation of pedestrian duties. ACIC responded, back with a 28B, status on Mr. Bo Bo. At this time Mr. Bo Bo was dressed as a woman and we now referred to this individual by name, Mr. Bo Bo. Mr. Bo Bo was asked if he was in possession of any weapons or drugs. His reply was, no. At this time we concluded our interview and Mr. Bo Bo left walking toward M.L.K. Jr. Drive. At no time did Officer Lucas or myself use any abusive language toward Mr. Bo Bo nor was he in anyway restrained. This was a voluntary interview. An FIF card was turned in on this date regarding this signal 54.

RE: INVESTIGATION AND DISPOSITION OF COMPLAINT NUMBER 03-I-0070-PE

An investigation of the allegations of this complaint and any other allegations, which arose during the investigation, has been completed. **The following represents the findings of this investigation:**

I. INVESTIGATIVE DISPOSITION

a.	of the Complaint against	Officer Nathan Lucas
[X]	**Sustained** Rule:	2.30 (Recovered Property)
[X]	**Sustained** Rule:	2.33 (Conformance To Directives)
[X]	**Sustained** Rule:	2.65 (Control Of Contraband)

II. POLICY OR PRODECURAL CHANGES, TRAINING, RECOMMENDATIONS, AND/OR COMMENTS

The Department alleges Officer Nathan Lucas failed to turn in suspected marijuana on August 18, 2001. The matter was brought to the Department's attention on February 14, 2003, as a result of a request from the Fulton County Solicitor General's office.

A review of the complaint file indicates the following. Officer Lucas stated he believes he was working an extra job at 489 Courtland Street (Club ESSO) on August 18, 2001, when he arrested Mr. Bennett for disorderly conduct and possession of marijuana, less than an ounce. Officer Bennett's police report indicated he recovered a clear bag of suspected marijuana from Mr. Bennett's front pocket. A copy of the certified arrest citation indicates the marijuana charge was bound over to Fulton County State Court on August 20, 2001. Officer Lucas reported he could not recall the incident, but he has always turned his evidence into Property. On February 14, 2003, Investigator Cook, Fulton County Solicitor General's office, contacted the Atlanta Police Department requesting drug evidence. According to Ms. Gail Taylor (SIS) there was no record of the suspected marijuana logged into the drug book. Officer Bell reported he could not locate the contraband in the City's marijuana box or a Property/Evidence form documenting the location of where the contraband was seized. The preponderance of evidence indicates Officer Lucas failed to be responsible for all property coming into his possession; and was negligent in the control of contraband. Therefore, I recommend **2.30** (Recovered Property) and **2.65** (Control of Contraband) be **Sustained**. Additionally, Officer Lucas indicated the discrepancies in the report date and incident date was due to the fact that since he made the arrest on City Ordinance charges and they were "victimless" crimes, he was only required to complete an arrest ticket during that timeframe, which is contrary to the applicable portions of Chapter 9 of the Field Manual (Revised 1998), and Written Directive APD.FM.R.03, Evidence and Property Control. Therefore, I recommend **2.33** (Written Directive: Field Manual, Chapter 9, Sub-sections 9.3.2, item #3 and 9.5.1) be **Sustained.** It is also recommended that Officer Lucas' chain of command review the file for any training needs that may be warranted.

EVIDENCE AND PROPERTY CONTROL

4.5.0 POLICY

The Atlanta Police Department is responsible for the security and proper disposition of all property coming into its custody. The Department will maintain property in the same condition as received and preserve the evidentiary integrity of property that is contraband or held for presentation in court. Every reasonable effort will be made to return property to its rightful owner.

4.5.1 Police officers will, as soon as possible before the end of their watch:

1. Turn into the Property Control Unit:

   a. All evidence; properly packaged and labeled.

   b. All weapons, evidence or non-evidence, and other items that might be used as a weapon.

   c. Certain property belonging to an arrested person. Personal property such as money, jewelry, wallets, pocketbooks, and the contents thereof will remain with the arrested person. Pocketbooks will be searched for weapons. All weapons, property which might be used as weapons, and property other than described as personal will be turned into the Property Control Unit.

   d. All property and contraband seized or found, including property from an impounded vehicle.

2. List all property and evidence taken into custody on the Property Evidence Form (see Section 9.5). Be sure to indicate in the offense report who found the property or evidence and specifically where each item was found.

3. Be responsible for properly packaging and tagging all property and evidence when turning them over to Property Control. Officers will use the following methods for identifying evidence and property:

   a. Red Evidence Tags - will be used for all items which can be considered evidence that are too large or bulky for a property envelope.

b. White Property Tags - will be used for non-evidence firearms and all other non-evidence property too large or bulky for property envelopes.

c. Property Envelopes - will be used for evidence and non-evidence property except firearms. Evidence and non-evidence property must not be mixed in the same property envelope. Officers will seal the property envelope and initial the seal before turning it over to Property Control.

d. Property/Evidence Form - will be completed by the officer on all evidence and property turned in to Property Control, to include the owners name, address, and phone number.

e. Itemized Property Receipts - will be completed by the reporting or arresting officer and given to the owner of the property or evidence when the property is taken into police custody.

4. If an officer needs to take evidence to the State Crime Lab for processing, he or she must first take it to Property Control and record it there. When checking evidence into the State Crime Lab, be sure that the officer's name and assignment and the incident number are clearly marked on the lab's logbook and on the label or packaging of the evidence.

5. Complete in duplicate an "Evidence to Court Form" when evidence is needed for prosecution purposes. Officers will sign a receipt for the evidence and will retain the copy of the "Evidence to Court Form". Evidence will be returned in original packages with tags attached. Should the court retain the evidence, officers will return the "Evidence to Court Form" signed by the appropriate district attorney or court officer. Officers must release the property or evidence to Property Control within 24 hours after disposal of the case in court if the property is no longer necessary to the prosecution of the case.

6. The Property Control Unit will notify the owner that the property must be claimed within 60 days.

4.5.2 Securing Narcotics Evidence

1. A locked mailbox, located in the Property Control Unit, is to be used for storing narcotics evidence.

2. Each item of narcotics evidence placed in the mailbox will be logged in the narcotics evidence logbook, with the following information:

a. Name of the defendant
b. Location of the seizure
c. Officer's name
d. County in which the seizure was made
e. Suspected identity of the evidence

f. Date of arrest

g. Quantity of narcotics i.e. number of pills or approximate weight of narcotics.

3. Each item of evidence placed in the mailbox will be placed in an evidence envelope or secured with an evidence tag listing all of the above information.

4. In a case in which the defendant is unknown and there is no hope of identifying a suspect, complete the information required in paragraphs 2 and 3 above. Write "unknown" for the defendant's name and "to be destroyed" instead of a date of arrest.

5. In a case in which the defendant is unknown, but the officer wants the drugs analyzed, give an alias for the suspect. The Crime Lab will analyze the drugs, but the officer must give the Crime Lab the defendant's real name in order to get the report.

4.5.3 Items may be removed from evidence in three ways:

1. Release to Property - When it is no longer needed for prosecution.

2. Court Order - Evidence will be released by court order from a court having competent jurisdiction.

3. Destroying - Contraband, except drugs, no longer needed for prosecution of a case will be destroyed by Property personnel. Drug evidence is held at the State Crime Lab until the case is adjudicated and then destroyed at the lab.

4.5.4 Homeless Persons' Property

1. The Atlanta Police Department shall respect the personal property of all homeless persons. Officers shall follow existing policies for taking custody of personal property. Officers shall make every effort to preserve all property that is practicable. In no event shall an officer destroy any personal property known to belong to a homeless person, or personal property reasonably recognizable as the property of a homeless person (i.e., clothing and other belongings organized and packaged together in a way indicating it has not be abandoned), except as permissible by law and in accordance with the Department's procedures (i.e., contraband).

2. The disposition of personal property shall never prevent a law enforcement officer from effectuating a lawful arrest. However, the following safeguards shall be undertaken by the arresting officer to preserve the property of a homeless person, to the extent feasible:

a. Police officers and other City of Atlanta employees are not responsible for taking custody of mattresses; shopping carts; open containers food or beverages or other perishable items; lice-ridden or contaminated articles; or combustibles.

b. The arresting officer shall always attempt to secure personal items such as identification, medicines, eyeglasses, coats, wallets, pocketbooks and other small items of importance identified by the homeless person, which are small enough to be transported in a patrol car. In accordance with procedures of the Police Department and the Corrections Department, such items shall be transported with a detainee to the detention center. Pocketbooks and coats will be searched for weapons.

c. The arresting or transporting officer shall turn into the Property Control Unit of the Atlanta Police Department property belonging to a homeless person which is larger than a pocketbook but small enough to be transported in a patrol car. Examples of such property include bookbags, knapsacks, duffle bags, bedrolls, bags containing clothing or personal items, etc. This shall take place in accordance with Section 4.5.1, above.

1. PURPOSE

This revision notice revises Section 4.5 of the Field Manual to reemphasize that evidence must be checked in at Property Control before it is taken to the State Crime Lab.

2. ACTION

Remove the old pages 17 and 18 (dated 1994) from Chapter 4 of the Field Manual and insert the new pages 17 and 18.

The change is in the new paragraph 4 in Section 4.5.1.

CHAPTER 9

SECTION 9.3

VEHICLE IMPOUND REPORT/ARREST CITATION USED IN LIEU OF INCIDENT REPORT

9.3.0 Purpose

The Vehicle Impound Report (form APD005) and Arrest Citation will be used in place of the incident report in certain situations in order to reduce the amount of paperwork which must be completed and to decrease duplication of information.

9.3.1 Substituting the Vehicle Impound Report for an Incident Report

1. The Atlanta Police Department vehicle impound report will be used instead of an incident report when a vehicle is impounded due to:

   a. Illegal Parking

   b. Excessive Parking Tickets

   c. Abandoned Autos

   d. Traffic copy of charges

2. To pull in service with the radio dispatcher from an impound listed above, the pull-in code will be Code 10 and 17. The vehicle impound report will serve as the incident report. If more space is needed to relate more information than the vehicle impound report can convey, use and attach a supplemental report to the vehicle impound report.

3. An incident or accident report is still required in stolen auto impounds, accidents, arrest cases, and vehicle-used-in-a-crime situations.

9.3.2 Substituting the Arrest Citation for an Incident Report

1. The Atlanta Police arrest citation will be used in place of an incident report when the arrest is made for a crime that is considered "victimless" or those crimes in which the State of Georgia or the City of Atlanta is the only victim. Examples of these crimes are as follows:

   a. 16-6-8 Public Indecency
   b. 16-6-9 Prostitution
   c. 16-6-11 Pimping

d.	16-6-12	Pandering
e.	16-6-18	Fornication
f.	16-11-31	Inciting to Riot
g.	16-11-32	Fighting in a Public Place
h.	16-11-41	Public Drunkenness
i.	16-11-103	Discharge of Gun or Pistol Near Public Highway/Street
j.	16-11-122	Possession of Sawed-off Shotgun, Machine Gun, Silencer, Etc., Generally
k.	16-11-126	Carrying a Concealed Weapon
l.	16-11-128	Carrying a Pistol Without a License
m.	16-12-21	Gambling
n.	10-7	Alcohol Consumption Near Package Stores
o.	10-8	Drinking in Public
p.	10-9	Disorderly While Under the Influence
q.	106-81	Disorderly Conduct (Sections 3,4, & 12)
r.	106-129	Indecency
s.	106-130	Defecating or Urinating in Public
t.	106-301	Discharging Firearms
u.	106-306	Knives, Razors, Similar Weapons (VKO)

2. Use the procedure for other State laws and City ordinances that are "victimless" crimes.

3. There are exceptions in this procedure where some types of cases are "victimless" crimes but an incident report must still be made. Those exceptions are:

   a. All cases involving drug charges.

   b. All juvenile arrests.

   c. All traffic-related charges where the offender is physically arrested.

4. In some instances, it may be appropriate to complete an incident report in addition to the arrest citation even when it is not required. An example of this would be when the officer has additional information which needs to be documented and this information is not included on the arrest citation. If this is the case, officers should enter an "X" after the incident number on the arrest citation to make Central Records personnel aware that an incident report will follow the arrest citation. Supplemental reports can also be used in conjunction with the front of the arrest citation by following the same procedure.

5. A supervisor's signature must appear on the prosecutor/warrant (pink) copy of the arrest citation when the arrest citation is used in lieu of the incident report. Whenever possible, the supervisor's signature should appear on all copies of the arrest citation that are delivered to the Pre-Trial Detention Center with the arrested person.

CHAPTER 9

SECTION 9.5

PROPERTY/EVIDENCE INVENTORY

9.5.0 Purpose

1. The property/evidence inventory (form APD006) is designed to aid in the formal accounting of property and evidence held by the Department. Use it to document evidence, and lost, damaged, seized, or stolen property.

2. The proper completion of the form will contribute to the proper security and disposition of the property or evidence. A copy of the form follows these instructions, which are numbered to correspond with the illustration. Refer to Section 4.5 of the Field Manual for additional information on handling evidence and property. When used to document evidence or property turned in to Property Control, this form takes the place of the property data part of the incident report.

9.5.1 When to Prepare the Property/Evidence Inventory

1. The property/evidence inventory will be completed whenever property or evidence is taken into custody and held by the Department.

2. If additional space is needed to list property or evidence being turned in to Property Control, use another property/evidence inventory form, with the same incident number. Number the pages.

3. When used to report the recovery of property, it will be a supplement to the original incident report, with the incident number from the original incident report.

4. List property and evidence on separate copies of the form. Use a separate copy to list narcotics. Use a separate form for each person identified as an owner.

9.5.2 Distribution

1. The officer will turn in the property/evidence inventory to Property Control with the property or evidence. Property Control will turn the form in to Central Records.

2. The Property / Evidence Inventory is printed on No Carbon Required (NCR) paper. The copies are distributed as indicated on the bottom of the form:

- Central Records (white): The original, it is turned in with the rest of the report to the officer's supervisor for approval and forwarding to the Central Records Unit as a part of the incident report.

- Property Control (yellow): This copy is turned in to the Property Control Unit along with any actual property or evidence.

- Reporting Officer (pink): This copy is retained by the officer for his or her records.

- Owner (gold): This copy is given to the owner of the property listed on the form.

2. The property/evidence inventory must have an incident number and an accompanying incident report, with the exception of property seized from persons charged with a "victimless" type crime, in which case the arrest citation must have an incident number.

D. INVESTIGATIVE FINDINGS:

This investigation finds that on August 18, 2001, Officer N. Lucas was working an extra job at 489 Courtland Street, N. E. (Club ESSO), when he arrested Mr. Kidane Lorenzo Bennett. Officer N. Lucas arrested Mr. Bennett for Disorderly Conduct and Possession of Marijuana less than ounce.

On February 14, 2003, Investigator C. Cook of the Fulton County Solicitor General's office contacted the Atlanta Police Department requesting drug evidence. Ms. Gail Taylor, the crime analysts for Special Investigation Section notified Sgt. Keeble (SIS) upon discovering there was no record of the drug exhibit being logged into the drug book.

Officer A. D. Bell could not located the drug evidence in the City Marijuana box nor was there a property sheet documenting the seizure located.

A certified arrest citation was obtained from Municipal court which list Possession of Marijuana less than an ounce as the charge that was bound over to Fulton County State Court on August 20, 2001. The Disorderly Conduct charges were dismissed.

INVESTIGATIVE SUMMARY: 03-I-0070-PE
ACCUSED: Officer N. Lucas
DATE: March 25, 2003
PAGE 3

Officer N. Lucas stated he did not recall the incident, but stated he always turned in his evidence when an arrest was made. Officer Lucas indicated the discrepancies in the report date and incident date was due to the fact that since he made the arrest on City Ordnance charges and they were victimless he was only required to complete an arrest ticket during that timeframe.

I am **Sergeant K. B. Rainey** of the Atlanta Police Department. You are being questioned as a Accused in an official investigation by the Department. Also present is:

All employees must answer questions and make available relevant materials or sworn statements concerning an investigation of allegations of employee misconduct when directed to do so by a disciplinary authority or duly appointed investigator. Employees may obtain representation but cannot delay questioning for more than three hours beyond the time he or she was notified of the questioning. Except as authorized or required, an employee shall not interfere with nor contact persons involved in an internal investigation nor disclose or discuss with anyone except the designated Departmental authority the existence or facts of an internal investigation. Q: Do you recall arresting a suspect by the name of Kidane Bennett?

A: No, not really

Q: I am showing you a copy of an incident report filed by you, according to this report, you arrested a suspect named, Kidane Bennett for Blocking the sidewalk and Possession of Suspected Marijuana, Please explain what happened to the suspected Marijuana?

A: I don't recall this case at all. If I arrested him for it, I have never had this happen before, I always turn my evidence into property.

Q: Can you explain why the report date of the incident is different than the date of the incident?

A: I can't recall unless I received a Bart request for this report and it looks like I only had him charged with City charges and before this new administration, we were not required to make out an incident report if it was a victimless crime which was the case in this arrest.

Q: Do you recall the name of the extra job that you were working at?

A: I think it was Club ESSO

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

RE: Missing Drug Evidence

On February 14, 2003, I received an inquiry from Investigator Chuck Cook of the Fulton County Solicitor General's Office regarding drug evidence (suspected marijuana) in the case of Kidane Lorenzo Bennett, complaint number 012300294. I was unable to locate this evidence in our drug transport data base, and it was not logged in the drug log book. I checked with Officer A. D. I have attached a copy of the incident report, which I obtained from UniSearch. There was no property sheet for the suspected marijuana on UniSearch.

I am Sergeant G. Earls of the Atlanta Police Department. By your making this statement you are providing information in an investigation being conducted by the Atlanta Police Department. Please be advised that your statement and/or your testimony may be needed at a future time for use in a civil service hearing or court of law.

On January 3, 2003, approximately 3:20 AM I was at the Level Three club at Peachtree and International Blvd. I was walking down the stairs from the second level to the first level. A bouncer grabbed me and escorted me outside and said its time to go. When I got outside I begin to ask why was I put out of the club. I was never given and answer. Then I began to ask if I couldn't go in then could someone go get my ATM card on the third level because I had a tab at the bar. After getting no response then I asked for a supervisor and then they asked the police officer standing there to come over. Then I began asking him for my ATM check card because that's all I wanted. He gave me the same response, as the bouncers that I just need to go home. I persisted asking him for the card and he told me that if I don't want to leave he pulled out his handcuffs and put them on me. Once cuffed I continued asking for my ATM card and that when the officers told me to shut up and move out of the walkway. All I did was ask for the ATM card and then he sweeped my legs causing me to fall down hurting my back and arm and causing me to hit the back of my head. At that point I was in a daze for a minute or two. Then he continuously telling me to move out of the walkway. At this point I was extremely upset. I asked him what was I being charged with and what did I do. I was never told with what I was charged with. By this time my friend came out of the club and he even tried to explain to the officer that we were there every Thursday. I never got my ATM card and he never told me what I was charged with and they put me in a wagon and I was carried to jail.

A: Black male, medium weight, 5' 10" or so around 30 years of age.

Mr. Miguel Ayoob,the club operator also came out and said"Officer Lucas, I never want him in this club again." The manager also explained this to Mr. McCall that he was no longer allowed on his property. Mr. McCall was extremely intoxicated,he had bloodshot red eyes,and he staggered on his feet. Mr. McCall also had the strong odor of alcohol emitting from his breath. Mr. McCall refused to leave the front door of the club. Mr. McCall was also blocking the city sidewalk and failed to clear it when I asked him.

Mr. McCall was told four times by me to go ahead and move on the city sidewalk,Mr. McCall replied"Fuck you,motherfucker,I ain't leaving." I explained to Mr. McCall that if he failed to clear the pedestrian way he would be arrested and he stated"Fuck you." I then advised Mr. McCall verbally that he was under arrest. When I reached to arrest Mr. McCall,he began to resist. Mr. McCall grabbed my arm to prevent being arrested. He also swung his arms and pushed me. After a brief struggle,Mr. McCall's arrest was effected. Mr. McCall cursed and used profanity at me and anyone that passed by. I was attempting to write the necessary reports. Mr. McCall was trying to get away from me and he was staggering towards the street. Fearing that he would be hit by a car,I grabbed his arms and asked him to have a seat. When he refused several commands to have a seat,I used his unsteadiness and his arm to guide him on to the ground(seating him on his backside)until transport could arrive. Mr. McCall was so intoxicated that he cursed at his female friend that accompanied him to the club.He called her a stupid bitch and he continued to yell obscene statements to her. Once Zone 5 wagon arrived,I secured Mr. McCall and he was taken to city jail. I advised unit 1593 of the aforementioned events.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

RE: Officer N.L. Lucas,
Case number 1200020,
Incident number 030030230

To Whom It May Concern:

I would like to take this opportunity to address a complaint that I made on January 6, 2003. On January 3, 2003, I was arrested at Level 3 Nightclub, at 218 Peachtree Street, Atlanta, GA 30313. Officer Lucas had been called over to mitigate a problem I was having with the bouncers at the club. In retrospect, I look at the situation and realize that my problem should have been with the bouncers or employees of the nightclub for giving false information to the officer. Officer Lucas' response to the situation was appropriate if the situation had occurred the way it was explained to him. Therefore, I would like to formally apologize to Officer Lucas for the hostility that I reflected towards him and would like to rescind the complaint that I made toward s him with Atlanta Police Department, Office of Internal Affairs. Should you have any questions about this incident please do not hesitate to contact me.

Sincerely,

Eyasu McCall

TO: **MAJOR H. R. DUNOVANT**

FROM: **LIEUTENANT V. BOWSER**

DATE: **MAY 5, 2003**

RE: **INVESTIGATION AND DISPOSITION OF COMPLAINT NUMBER 02-C-0551-UAF**

An investigation of the allegations of this complaint and any other allegations, which arose during the investigation, has been completed. **The following represents the findings of this investigation:**

I. INVESTIGATIVE DISPOSITION

a. of the Complaint against Officer Nathan Lucas

[X] **Not-Sustained**: 2.50 (Maltreatment or Unnecessary Force)

II. POLICY OR PRODECURAL CHANGES, TRAINING, RECOMMENDATIONS, AND/OR COMMENTS

Mr. Jermaine Berry stated he and his friends were escorted out of the Velvet Room Club by security due to mistaken identity. While attempting to leave the premises, Mr. Berry claims Officer Nathan Lucas failed to take action after Mr. Poindexter punched him in the face. Mr. Berry further claims he did not offer any resistance, but Officer Lucas used profanity, handcuffed and slammed him to the ground causing him to sustain a fractured right wrist, and abrasions to the right sides of his face, shoulder and knee, as indicated in the video and medical record.

A review of the complaint file indicates the following. On or about December 28, 2002, while working an approved extra job, Officer Lucas and Officer Lambert encountered and arrested Mr. Poindexter, Mr. Berry, Mr. Phillips and his other friends. According to Officer Lucas, as Mr. Berry and his friends attempted to get into a vehicle to leave, Mr. Poindexter identified Mr. Berry as being the person who punched him in the face inside and left. Officer Lucas stated Mr. Poindexter punched Mr. Berry in the face after he ordered Mr. Berry and his friends to exit the vehicle. Officer Lucas restrained Mr. Berry and Officer Lambert restrained Mr. Poindexter. Mr. Berry was intoxicated, belligerent and combative as he spat into Mr. Poindexter's face and the faces of other innocent bystanders while being escorted to the front of the club. Officer Lucas feared Mr. Berry's saliva contained a contagious pathogen so he placed him on the ground and physically held him there to prevent him from escaping after Mr. Berry attempted to crawl into the street. While waiting for the wagon, the radio tape transcription indicates Officer Lucas requested a backup unit when several of Mr. Berry friends relocated and stood over him and Mr. Berry on the ground. A supervisor was advised of the call. OPS attempted to obtain statements from several witnesses, to no avail. Officers Lucas and Lambert deny using profanity or unnecessary force, as alleged. There is insufficient evidence, at this time, to prove or disprove the allegations; and that **2.50** (Maltreatment or Unnecessary Force) be **Not-Sustained**.

III: INVESTIGATIVE SUMMARY:

A. COMPLAINT ALLEGATION:

Mr. Jermaine Berry alleges Officer Nathan L. Lucas used unnecessary force in his arrest on December 28, 2002. Mr. Berry states his thumb was broken as a result of being slammed to the ground by Officer Lucas.

B. ACCUSED EMPLOYEE'S RESPONSE:

Officer Nathan L. Lucas

Officer Lucas states while working an extra job at the Velvet Room Club, Mr. Berry was escorted out of the club by security due to his involvement in an altercation with Mr. Poindexter inside of the club. Officer Lucas states while he and Officer Lambert were attempting to gather information on what occurred inside of the club, Mr. Poindexter reported that Mr. Berry punched him in the face, then left the area. Officer Lucas states he and Officer Lambert along with Mr. Poindexter located Mr. Berry in the parking lot of the club attempting to leave in a vehicle. Officer Lucas states he approached the vehicle and asked Mr. Berry to step out of the vehicle, and Mr. Berry complied. Officer Lucas states once outside of the vehicle, Mr. Berry then punched Mr. Poindexter in the face. Officer Lucas states he then restrained Mr. Berry and Officer Lambert restrained Mr. Poindexter. Officer Lucas states he then made the decision to arrest both Mr. Berry and Mr. Poindexter, and both men were handcuffed separately. Officer Lucas states while he and Officer Lambert walked both subjects to the front of the club, Mr. Berry became very belligerent and began yelling and cursing at he and Officer Lambert. Officer Lucas states Mr. Berry was extremely intoxicated and threatened to kill him and Officer Lambert if he was arrested. Officer

Lucas states while standing in front of the club waiting for the transport wagon, Mr. Berry kicked, then spit into the face of Mr. Poindexter. Officer Lucas states Mr. Berry then began yelling and cursing at other patrons exiting the club, then spit into the faces of Ms. Vontrice Howard and Ms. Ingrid Lucas as they exited the club. Officer Lucas states Mr. Berry refused to comply with his commands to stop assaulting innocent bystanders, and he then placed Mr. Berry on the ground to prevent anyone else from being assaulted by Mr. Berry. Officer Lucas states Mr. Berry continued acting irrationally and attempted to crawl into the street. Officer Lucas states to prevent Mr. Berry from escaping or causing injury to himself, he had to physically hold Mr. Berry on the ground until the transport wagon arrived. Officer Lucas states while waiting for the wagon, two of Mr. Berry's friends whom were also intoxicated, approached and stood over him and refused to leave after being given commands to do so by Officer Lambert. Officer Lucas states he then called for assistance from Zone 5, after which Mr. Berry's friends were also arrested. Officer Lucas states Zone 5 morning watch supervisor (unit 1596) responded to the scene, and that Mr. Berry did not complain of any injuries prior to being transported from the scene. Officer Lucas states due to Mr. Berry's intoxicated state, he advised Officer Ware to transport Mr. Berry to Grady Hospital rather than to the City Jail.

C. WITNESS (ES):

Mr. Dwight Phillips

Mr. Phillips states after he, Jermaine Berry, Jamar Stone and Antonio Gaither arrived at the Velvet Room Club, a fight started inside of the club. Mr. Phillips states Jermaine Berry and Jamar Stone were put out of the club due to mistaken identity. Mr. Phillips states as they walked to their car, they were approached by Officer Lucas and another officer along with a male subject that was involved in the altercation inside of the club. Mr. Phillips states the male with the officers then stated "that's the guy" and punched Jermaine Berry in the face in front of the officers. Mr. Phillips states Officer Lucas then placed Jermaine in handcuffs as well as the other male subject. Mr. Phillips states as Officer Lucas proceeded to walk Jermaine and the other male to the police car, he approached Officer Lucas in an attempt to talk to Officer Lucas to avoid

anyone from being arrested. Mr. Phillips states Officer Lucas told him to " get the fuck out of his face". Mr. Phillips states he then went back to his car and began following the officers and Jermaine in his car. I am Sgt. K. B. Rainey of the Atlanta Police Department. By your making this statement you are providing Information in an investigation being conducted by the Atlanta Police Department. Please be advised that your statement and/or your testimony may be needed at a future time for use in a civil service hearing or court of law.

Q: Please explain the exact nature of your complaint?

A: On December 28, 2002 myself and my mentor and friends were put out of the Valet Room club on Peachtree Road. As we left and made it to the car, Atlanta Police stopped us with their weapons pulled out and made us get out of the car. We complied and got out of the car, the officers then began to question us, this guy who was with the officer, he punched me in front of the officer. The officer then put handcuffs on me, I tried to explain to him that I was on probation at the time and that maybe it could be a better way to handle the situation. Officer Lucas asked me had I ever been to prison and I told him yes. He told me that he (Officer Lucas) that he would make sure that I would be going back for a long time. Officer Lucas then grabbed me and slammed me on my face; I got bruises and a broken thumb. The back up units came and took me to Grady, then to pretrial. Officer Ware stated to me that I should come down to Internal Affairs and that Officer Lucas has a long history of these types of altercations and this came from Officer Ware. My whole complaint is that this is a case of mistaken identity, I didn't fight anyone in the first place and I don't know anything about a fight. Second of all, it is a same to the whole system, I didn't resist, get physical or get belligerent and he used extreme force.

Q: Can you name any witnesses to this incident?

A: Antonio Gaither, Dwight Phillips, Jamar Stone and Officer Ware.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

Q: What caused you to have to arrest Mr. Berry on December 28, 2002?

A: While working a City approved extra job at 1021 Peachstreet Street, the Velvet Room, Mr. Berry was escorted out of the club by security. Mr. Berry was involved in an altercation inside the club with Mr. Poindexter. Apparently Mr. Berry and Mr. Poindexter have become involved in a fight. While myself and Officer Lambert were gathering information from the security officer, Mr. Berry punched Mr. Poindexter in the face and left the area. After Mr. Poindexter reported that Mr. Berry had punched him in the face myself and Officer Lambert walked to the parking area to see if we could locate Mr. Berry. We found Mr. Berry attempting to get into a black SUV. We asked Mr. Berry to step out and he complied. Once outside of the SUV Mr. Poindexter punched Mr. Berry in the face. Officer Lambert restrained Mr. Poindexter and I restrained Mr. Berry. After investigating the incident we determined both subjects were going to be arrested. I handcuffed Mr. Berry and Officer Lambert handcuffed Mr. Poindexter. We walked both subjects back to the front of the club to wait for a transporting unit. While we were in route back to the front of the club Mr. Berry became very, very belligerent. Mr. Berry was extremely intoxicated, he yelled and cursed at myself and Officer Lambert. Mr. Berry stated to us that we didn't know who we were fucking with. He also informed us that he was a "Mother fucking gangster thug." Mr. Berry also stated that if I locked him us that he was going to get out of jail and kill our bitch asses. While in the front of the club, I began to fill out the necessary paperwork to process Mr. Berry into the

jail. Mr. Berry and Mr. Poindexter was standing next to myself. Mr. Berry reached up and kicked Mr. Poindexter. Mr. Berry also spit into Mr. Poindexter's face. I separated them to prevent Mr. Berry from assaulting Mr. Poindexter again. While standing there Mr. Berry began to curse and yell at innocent people who were walking by. When Mrs. Latrice Howard exited the Velvet Room, Mr. Berry spit in her face. I at that time attempted to isolate Mr. Berry as best as I could. At that particular time another female, Mr. Ingrid Lucas, also was outside of the Velvet Room and Mr. Berry spit in her face as well. Mr. Berry refused to listen to any verbal commands to stop spitting and verbally abusing people. Fearing that Mr. Berry would transmit a bodily fluid born pathogen by his reckless behavior, I placed Mr. Berry on the ground. Mr. Berry was still very irrational and he attempted to crawl into the street. To prevent Mr. Berry's escape and injury I had to physically hold Mr. Berry down. While I was waiting for the wagon driver to arrive two of Mr. Berry's friends came and stood over me. Officer Lambert gave them several verbal commands to move away from me and they refused. I was fearing that they were attempting to free Mr. Berry. I radioed for back up. As back up arrived, Mr. Berry's friends were arrested for obstruction. Both of those subjects were also extremely intoxicated. I advised Unit 1594, Zone 5 morning watch sergeant, of the aforementioned events. The victims, Mrs. Lucas and Mrs. Howard were given subpoenas to appear in court.

Q: Did you or Officer Lambert have your weapons drawn when you approached Mr. Berry in the parking lot?

A: No, not that I can recall.

Q: Why was Dwight Phillips arrested?

A: Mr. Phillips was arrested for failure to adhere to our verbal commands and his physical presence placed us in fear of receiving harm and hindered us in our arresting of Mr. Berry.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge an- belief.

I am Sergeant V. Hudson-Baker of the Atlanta Police Department. By your making this statement you are providing information in an investigation being conducted by the Atlanta Police Department. Please be advised that your statement and/or your testimony may be needed at a future time for use in a civil service hearing or court of law.

On December 28, 2002 at approximately 2:55 a.m. we were inside the Velvet Room Night Club, we (Jermaine Berry, Jamar Stone and Antonio Gaither) had just arrived at the club about 2:30 and a fight broke out. It was definitely a mistaken identity and one of my friends Jermaine Berry and Jamar Stone were put out the club after that we proceeded to walk to the car. As we were walking to the car one of the guys in the altercation in the club was with the police officers and he started saying that's the guy. After that the police officer N. Lucas and another officer, I don't know his name proceeded to the car that we were about to get into. In the process, the guy that was in the conflict inside the club with somebody else hit Jermaine Berry in the face in the presence of the officers. Officer Lucas then put Jermaine Berry in handcuffs and the other perpetrator. Officer Lucas proceeded to take Jermaine Berry and the other guy to the police car. Me and the perpetrator's friend were trying to talk to Officer N. Lucas to avoid any arrests. Then Officer Lucas told me to get the fuck out of my face. The other guy serving as a bargainer proceeded to talk to the officer with no problems. After Officer Lucas instructed me to leave, I left immediately to got to my car. We were following Officer Lucas, Jermaine Berry and the other perpetrator via our car and they were walking. As we were following them, Officer Lucas lifted Jermaine Berry off the ground and slammed him on his face. Officer Lucas trusted his knee in the back of Jermaine Berry while he was handcuffed. Jermaine was gasping for air. Jermaine Berry proceeded to say that I'm already on probation and Officer Lucas said we are going to make sure we put your ass in jail and make you do some time. I got out of the car and tried to mediate the situation so that my mentee wouldn't be arrested. I went to Officer Lucas and I told the officer that I was a college graduate and I was just trying to mediate the situation so that my friend would not get arrested. Officer Lucas then told me to shut the fuck up and get out of the way. I told one of my colleagues (Antonio Gaither) to get the officer's badge number. Officer Lucas jumped over the gate outside the Velvet room and handcuffed me without reading

A: While working an extra job at 1021 Peachtree St. the Velvet Room Officer Lucas and I saw a male bleeding from the mouth outside of the nightclub. When we asked him what happened he stated that a male he had an altercation with inside the club hit him in the face and then ran around the corner. Officer Lucas and I escorted the male around the corner to see if he could identify the male that hit him, he pointed out a male getting into a black SUV along with two other males as the one that hit him. We approached the truck and asked the males to step out of the truck so that we could speak with them, they stepped out of the vehicle and Mr. Poindexter pointed out Mr. Berry as the one that struck him in the face. While interviewing the two males Mr. Poindexter punched Mr. Berry in the face, at which time I told Mr. Poindexter to put his hands behind his back and he did without any resistance. Officer Lucas was the primary officer and he stated he was going to lock up both individuals. The two individuals with Mr. Berry began cursing at us and acting in a violent manner towards us. Officer Lucas and myself gave several commands for the subjects to back away and leave the Velvet Room property. The two males got in the black SUV and appeared to have left the scene. Officer Lucas and I then

walked the two subjects in front of the Velvet Room to wait for a Zone 5 wagon. While walking around front Mr. Berry advised Officer Lucas that he was a gangster and that he didn't know who he was fucking with. While in the front of the club we had Mr. Berry and Mr. Poindexter in handcuffs beside each other. Mr. Berry kicked Mr. Poindexter and spit in his face. He then spit in a female's face that was walking by them. Officer Lucas told the subject to sit on the ground several times and he refused. The black SUV that his two friends were in then drove up on the side grass of the Velvet Room they came running over towards Officer Lucas and myself. I told the subjects to back away several times. I then turned around and saw Officer Lucas struggling with Mr. Berry on the ground. Mr. Berry was trying to crawl into Peachtree St. The other two males refused to back away after my verbal command. I then told the two other suspects to put their hand behind their backs at which time I handcuffed them for the safety of Officer Lucas and myself. The zone 5 wagon then arrived on the scene no parties complained of injury except Mr. Poindexter, he had a cracked tooth in the back of his mouth from being struck by Mr. Berry.

Q: Did you or Officer Lucas have your weapons drawn when you approached Mr. Berry in the parking lot?

A: No

Q: What was Mr. Phillips and Mr. Berry's demeanor at the time they were arrested?

A: Both parties were intoxicated they smelled of alcohol on their person and refused any of our verbal command that myself and Officer Lucas gave them.

Q: Did you see Officer Lucas place Mr. Berry on the ground?

A: No, at the time I was dealing with the other two males.

Q: Did you see Officer Lucas slam Mr. Berry to the ground causing his thumb to be broken?

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge an- belief.

Q: Did you or Officer Lambert advise Officer Ware to transport Mr. Berry to Grady Hospital?

A: Not that I can recall, but the only reason I can think of, would be because Mr. Berry was so intoxicated that I thought the jail would not have taken him, so I may have told Ware to just take him on to Grady.

NARRATIVE

Topic: Information About Incident

ON 12-28-02 WHILE WORKING A CITY APPROVED EXTRA JOB AT 1021 PEACHTREE STREET(VELVET ROOM) I ENCOUNTERED MR. BERRY WHEN HE WAS ESCORTED OUT OF THE CLUB BY SECURITY. MR. POINDEXTER WAS ALSO ESCORTED OUTSIDE OF THE CLUB BY SECURITY. WHILE I WAS TRYING FIND OUT WHAT WAS GOING ON FROM THE SECURITY GUARD MR. BERRY PUNCHED MR. POINDEXTER IN THE FACE AND RAN AROUND THE CORNER. MYSELF AND OFFICER LAMBERT ALONG WITH MR. POINDEXTER WALKED AROUND THE CORNER TO THE PARKING AREA WHERE WE FOUND MR. BERRY ATTEMPTING TO GET INSIDE OF A BLACK VEHICLE. I CALLED TO MR. BERRY TO COME TO ME AND AS HE DID MR. PIONDEXTER PUNCHED MR. BERRY IN THE FACE. OFFICER LAMBERT THEN DETAIN MR. PIONDEXTER AND I DETAINED MR. BERRY. AFTER FURTHER INVESTIGATION IT WAS DETERMINED THAT MR. POINDEXTER AND MR. BERRY WOULD BE ARRESTED FOR FIGHTING IN PUBLIC. WHEN I ADVISED THEM OF THIS MR. BERRY BECAME ENRAGED I COULD SMELL THE STRONG ODOR OF ALCOHOL EMITTING FROM MR. BERRY'S BREATH. MR. BERRY BEGAN TO STATE TO ME THAT "YOU DONT KNOW WHO YOU ARE FUCKING WITH, I AM A MOTHER FUCKING GANGSTER, THUG" HE ALSO STATED THAT "IF YOU LOCK ME UP I AM GOING TO GET OUT OF JAIL AND KILL YOUR BITCH ASS" MR. BERRY ALSO REFERRED TO ME AND MY PARTNER AS PUSSY AS PUNKS. I BEGAN TO TAKE MR. BERRY BACK TO THE FRONT OF 1021 PEACHTREE STREET TO AWAIT FOR TRANSPORT. WHILE STANDING THERE I BEGAN TO FILL OUT THE APPROPRIATE PAPER WORK AND AS I DID SO I TURNED TO SEE MR. BERRY SPIT INTO THE FACE OF MR. POINDEXTER, HE ALSO ATTEMPTED TO KICK MR. POINDEXTER. IN AN ATTEMPT TO PREVENT MR. BERRY FROM ASSAULTING MR.PIONDEXTER AGAIN I SEPARATED THE TWO AND STOOD BETWEEN THEM. WHILE I WAS CONTINUING TO COMPLETE MY PAPER WORK MS. HOWARD AND MS. LUCAS WALKED OUT OF THE CLUB AS THEY DID MR. BERRY BEGAN SPITTING SALIVA IN THEIR FACES FROM HIS MOUTH. MR BERRY WAS VERY IRRATIONAL, HE FAIL TO LISTEN TO ANY OF MY VERBAL COMMANDS AND HE REFUSE TO STOP SPITTING AT PEOPLE. FEARING THAT HE WAS GOING TO TRANSMIT A BODILY FLUID BORNE PATHOGEN TO THE PUBLIC BY HIS RECKLESS BEHAVIOR I PLACE MR.BERRY ON TO THE GROUND SO THAT HE COULD NOT SPIT AT PEOPLE. WHILE ON THE GROUND MR. BERRY BEGAN TO THRASH AROUND ON THE GROUND AND HE MADE SEVERAL ATTEMPTS TO CRAWL INTO THE STREET. TO PREVENTS HIS ESCAPE AND INJURY I HAD TO PHYSICALLY HOLD MR, BERRY DOWN. WHILE DOING THIS MR. BERRY'S TWO ASSOCIATES WALKED UP AND STOOD OVER ME, THEY BEGAN TO SCREAM AND YELL AT MYSELF AND OFFICER LAMBERT. I GAVE THEM SEVERAL COMMANDS TO BACK AWAY FROM US AND ALLOW US TO DO OUR JOBS AND THEY REFUSE. OFFICER LAMBERT ALSO GAVE THEM SEVERAL COMMANDS TO MOVE AWAY FROM US AND THEY REFUSED. FEARING THAT THEY WOULD ATTEMPT TO FREE MR. BERRY AND CAUSE HARM TO US I RADIOED FOR BACK UP. AS BACK UP ARRIVED I ARRESTED MR. BERRY'S FRIENDS WHO HAD DISOBEYED MY LAWFUL ORDER TO STOP HINDERING US FROM DOING OUR JOBS. BOTH OF THOSE SUBJECTS WHERE ALSO INTOXICATED. I ADVISED UNIT 1594 OF THE AFOREMENTIONED EVENTS AND THE SUBJECTS WERE TRANSPORTED TO JAIL. THE VICTIMS WERE ADVISED OF THEIR RIGHTS AND GIVEN SUBPOENAS TO APPEAR IN COURT.

Q. Were you involved in an on duty accident on ~~4/27/02~~ at approximately 1710 hrs in city vehicle No. 25092?

A. Yes I was.

Q. Please describe what happened.

A. I was traveling west bound on Perry Blvd NW and due to the nature of the call, I was responding code 3. I was responding to assist investigator Carstaffin from the robbery squad as he requested units to assist him in apprehending two robbery suspects. As I responded code 3, I came upon the 2200 block of Perry Blvd., I was utilizing my audible and visual emergency equipment when several vehicles pulled to the right to yield to me, I noticed a green chevy pickup truck that appeared to be slowing and moving to the right side of the road. As the vehicle moved to the right side of the road, I proceeded with due regard and in a cautious manner. As I was passing the vehicle, the driver suddenly turned left into me causing a collision. After the collision, I made sure there were no injuries. The driver of the green pickup truck stated to me that she heard my emergency equipment, but she did not see me. There were also several people standing outside of the adult learning center which is located at 2250 Perry Blvd. and they all stated that they heard my sirens as well as saw my blue lights. The investigating Officer, Officer Remic responded to the scene and investigated the accident. Sgt. Smith also responded to the scene. It was determined that the driver of the green pickup truck would be charged with failure to yield to an

emergency vehicle. The court date was set for the 22nd of April at 1:00 pm. The driver of the green pickup truck were present at court and she plead guilty to the charge.

Q. Did you advise an on duty supervisor that you were responding to the call for assistance code 3?

A. No I did not, however the norm for the Zone is Officer discretion and no-one ever advises a supervisor that they are responding Code 3.

Q. Was the investigator you were enroute to assist in a foot chase or vehicle chase?

A. Yes there was a foot chase. It was apparent by the investigator's tone of voice that he needed immediate assistance for the apprehension of these two robbery suspects.

Q. Was there a 59 right away or signal 63 put up?

A. I am not really sure, but at some point a help call was put up because the investigator was not answering his radio. And the location where he was is Hollywood Court Apartments. Through my past experience, when there is a police action going on, large crowds gather and they are generally hostile towards the police, so therefore, I felt a need to respond as urgent as possible to assist the robbery detective who was by himself.

Q. At what point in your response did the foot chase begin?

A. While I was enroute.

Q. Did the footchase begin before or after you began responding Code 3?

A. I can't recall at exactly what point the foot chase started.

Q. How close were you to the investigator needing assistance when he asked for assistance?

A. I was at Marietta Blvd. and W. Marietta Blvd. So that's approximately a mile and 1/2.

Q. What damage occurred on the pickup?

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

A. The damage was to the front left fender.

Q. Where was your vehicle when the impact took place?

A. Partially in the driveway that she attempted to turn into at 2250 Perry Blvd. I attempted to avoid her by using an evasive manuver, however, she continued to turn into me. If she had already been making her turn, the damage on her vehicle would have been more towards the center left side of her vehicle and more of the front of my vehicle in a T-bone fashion, instead of more of the side swipe that the evidence shows. It is apparent that I had nearly cleared her vehicle when she turned into me. This is apparent by the physical evidence.

Q. What was your speed at the time of the accident?

A. I would estimate approximately 20-25 mph.

Q. Did you have a field training officer with you when the accident ocurred?

A. Yes, I was field training Recruit Officer W. Steadham.

Q. Is there anything else you would like to add to your statement?

A. Yes, I operated the city vehicle in a manner which would safeguard life and property. At no time did I operate the vehicle outside of the training I received at the Atlanta Police Academy. I also did everything humanly possible to avoid the accident and while I was responding Code 3, I exercised extra caution and due regard.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

A. Yes.

Q. Can you describe the chain of events that ocurred leading up to the accident?

A. We were traveling down, I believe it's Perry Blvd. to back up an undercover unit who was watching some suspects. He was running his blue lights and sirens on, and as we passed a line of 6 or 7 or so cars, the lead vehicle which was a pickup truck, it made a left hand turn in front of us into a parking lot.

Q. At what point did Officer Lucas begin running code 3?

A. As soon as we started responding to the Officer.

A. It wasn't a 63.

MEMORANDUM

TO: Major V. Moore

FROM: Lieutenant S. L. Jones

DATE: July 8, 2002

RE: City Vehicle 25092/Accident—Nathan Lucas

I have reviewed this accident package, and I conclude that it was avoidable. Disciplinary action should be imposed.

On 03-25-02, at 1710 hours, Officer Nathan Lucas—Unit 3109-- was involved in a vehicle accident while operating ***City vehicle 25092***. He was traveling "Code 3" (emergency) en route to assist a Robbery Detective, who was attempting to serve a warrant, when the accident occurred. Listening to the audiotape, a ***signal 59 Right Away or a Signal 63*** was not associated with the call.

According to the Officer Nathan Lucas, motorists were yielding to the emergency by driving to the right side of the road allowing him to pass. Officer Lucas said that he passed about four vehicles and when he tried to pass the fifth vehicle the motorist turned in front of him. Officer Nathan Lucas was on the left-hand side of the roadway while overtaking and passing the vehicles. Officer Nathan Lucas said that he took an evasive maneuver but was unable to avoid the collision.

Gloria Jean Smith, described as the driver of vehicle #2 on the accident report, told police that she heard the siren but did not see a police vehicle. According to the police report, Ms. Gloria Jean Smith said, while making the left turn at 2250 Perry Boulevard, her vehicle was struck by the police car driven by Officer Nathan Lucas. She was cited for failure to yield. Officer Nathan Lucas was not cited.

Based on my findings, this accident was avoidable. Therefore, I concur with his commander's recommendation to ***impose disciplinary action***.

Re: Accident Investigation #: 02-084-1472 (Ofc. N.L. Lucas)

After reviewing the sergeant's investigation, I can not concur. The officer did go left of center utilizing his blue lights and siren in an attempt to come to the assistance of a robbery detective. I can understand his concerns, but it does not justify his use of emergency equipment, and use of E.V.O.C. tactics. Officer Lucas was not charged in the wreck, but the other driver was. I find him in violation of Work Rule 4.04 (Operation of City Vehicles.) I find that this accident was avoidable, being that Officer Lucas had a duty to use due regard when passing automobiles, while utilizing the opposing lane of travel.

I will await your response before initiating an OPS package.

Re: Supervisor's Statement / Vehicular Accident with City Vehicle # 25092

On today's date at approximately 1710 hours, Unit 3109 Officer N. Lucas was responding to Hollywood Court Apartments. He was enroute to assist Robbery Inv. 4323 in the apprehension of a fleeing felon that had fled on foot. While traveling westbound on Perry Blvd., he proceeded with his emergency equipment activated (blue lights and siren). Proceeding westbound, motorists pulled over to the right to allow for his passing. Vehicle # 1 which was being driven by Ms. Gloria Smith, was also proceeding westbound on Perry Blvd. Ms. Smith veered over to the right, then suddenly attempted to make a left turn into 2250 Perry Blvd. In an attempt to avoid a collision, Officer Lucas swerved to his left. However, he could not avoid impact with vehicle #1.

I responded to the scene and spoke with Ms. Smith. She advised that while traveling westbound on Perry Blvd. she could hear sirens, however, she never observed the officer as he approached. She then attempted to turn left into the parking lot of 2250 Perry Blvd. when she was struck by vehicle # 2.

Ms. Smith complained of soreness to her left knee, arm and neck. Officer Lucas complained of upper back pain. Grady EMT # 198 responded, however, both drivers refused to be transported. Atlanta I.D.Tech # 7330 responded and processed the scene.

I find that while operating city vehicle # 25092, Officer Lucas exercised Due Regard. I recommend no further action.

RE: **INVESTIGATION AND DISPOSITION OF COMPLAINT NUMBER 02-C-0292-UAF**

An investigation of the allegations of this complaint and any other allegations, which arose during the investigation, has been completed. **The following represents the findings of this investigation:**

I. INVESTIGATIVE DISPOSITION

a. of the Complaint against Officer Nathan L. Lucas

[X] **Not Sustained** for Rule: **2.50** (Use of Force)

II. POLICY OR PROCEDURAL CHANGE, TRAINING, RECOMMENDATIONS, AND/OR COMMENTS

Mr. Jay Johnson said Officer Lucas grabbed him behind the neck choking him while giving verbal commands to get down on the floor. Mr. Johnson said Officer Lucas also sprayed him with O. C. Gas, threw him on the floor and kicked him four to five times. Mr. Johnson alleges Officer Lucas stomped him on his head and knocked him out.

A review of the complaint file indicates the following. Mr. Johnson said he was very upset and had torn up the house with his crutch when Officer Lucas arrived. Mr. Johnson said he has six children by his girl friend (Jennifer Ahman) and he just found out she was pregnant by another man. Mr. Johnson said Officer Lucas asked him to talk about his problem and when the additional officers arrived, Officer Lucas choked him while giving verbal commands to get down. Mr. Johnson said after being sprayed with OC gas he was thrown on the floor and kicked four or five times. Mr. Johnson said Officer Lucas also stomped him on his head knocking him out. Officer Lucas stated when he arrived at the location he had Mr. Johnson to talk about his problems to calm him down. Officer Lucas said Mr. Johnson ignored his verbal commands and lunged toward him. Officer Lucas said he pushed Mr. Johnson back to create a safe distance between the two. Officer Lucas said he sprayed Mr. Johnson with OC gas, but the OC gas had no effect on Mr. Johnson. Officer Lucas said he hit Mr. Johnson several times with openhanded strikes to his torso and facial area. Officer Lucas said Mr. Johnson fell on the floor where Officer C. Murray handcuffed him. Officer Murray nor Officer Lucas was aware of Mr. Johnson loosing consciousness. Officer Lucas and Officer Murray deny kicking or stomping Mr. Johnson. Mr. Johnson stated he tried to get up off the floor but his leg gave out and he went back down. Officer Murray and Officer Lucas stated they pulled Mr. Johnson from the contaminated room because he appeared to have problems getting up off the floor. The medical report indicates Mr. Johnson was treated for a laceration to his liver, fractured elbow. The 911 Caller Anita Wright indicates Mr. Johnson was involved in a fight with his girlfriend (Jennifer Ahman) prior to the arrival of Officer Lucas. Several attempts were made to request a statement from Ms. Ahman to no avail. There is insufficient evidence at this time to prove or disprove that Mr. Johnson received his injuries while being apprehended by Officer Lucas. There is sufficient evidence to indicate that Officer Lucas used only the amount of force deemed reasonably necessary by a prudent police officer to accomplish a lawful purpose; and that 2.50 (Maltreatment or Unnecessary Force) be **Not Sustained** against Officer Lucas.

On May 14, 2002, around 9:30-9:40 PM, I found out my girl Jennifer Ahmad was pregnant by another guy. We been together twelve years. We got six kids of our own. When I found out I didn't bother her. I got made and I took my crutches and I tore that living room up. Crash was all over the floor. The first officer that came asked me what was going on and I told him what had happened and this officer left. Jennifer also told the first officer that everything was alright. I don't know the first officer's name, but he was a white officer. The first officer didn't go inside the house. We were standing outside talking. I told him we had a little misunderstanding and he told me to have a good night and he left. When the first officer left I went back inside and started watching the basketball game. Two of friends came over and they were asking me if I was okay and said I was okay. One of my friends said why don't you come outside and get some fresh air and I said I'm cool now, it ain't nothing else. We sat there for a few minutes, about five or six minutes, and watched the basketball game. That's when one of my neighbors flagged down Officer Lucas and another neighbor had already called police. When Officer Lucas pulled in the parking lot, that's when me and two of my friends came down the stairs from my apartment. As we were coming down the steps. That's when somebody said, "Oh hell JJ you better be cool. They might kill your ass up in there." So we got to the bottom of the steps and Officer Lucas was standing in the living room. I said me for what, "If they going to kill me for tearing my own shit up, then they going to have to kill me tonight because I show done messed up." Officer Lucas asked my two friends who were they and I told Officer Lucas they didn't have anything to do with this. I'm the one who done this. So Officer Lucas told them they can step outside. So they went outside. Officer Lucas said we then come here to kill you and I said I'm just talking. Then Officer Lucas asked me what happened. He said you tore your and house up and said yeah I know I done messed up. He then asked me my name and he

asked me why I did it and I explained to him why I did it. We were there talking and about eight or nine police cars pulled up. I was standing near the couch and Officer Lucas was standing was standing two feet from me, next to me, facing me and we were talking to each other. Then Officer Lucas again said you done messed your living room up. Then about six or seven police officers came through the front door. Officer Lucas changed and he grabbed me around my neck and started saying get down, got damn, get your mutherfucking ass down, and he started spaying me with the mace and choking me at the same time. I told him I got a bullet through my spine and I'm partially paralyzed and by that time he threw me to the floor. When he threw me to the floor, he kicked me in my right rib cage about four or five times. The other police officers were trying to get up out of there because it was so much pepper spray in there. The other police officers were coughing. Officer Lucas took me by my left shoulder and pulled me up off the floor, and he hit me a couple of times up side my head with his fist. Then Officer Lucas handcuffed me behind my back. Then Officer Lucas threw me back to the floor. I told Officer Lucas what you just did to me is some dirty shit. Then Officer Lucas said fuck you mutherfucker and he stomped side my head and he knocked me out. When I came through I was on the front porch and the paramedics were pouring water on me. The paramedics told me to get up and I told them I couldn't get up because my ribs hurt, my arm hurt, my right leg was partially paralyzed, and I was handcuffed in the back. The paramedics told me if I wasn't going to get up they were leaving because they had better things to do and they left. I told them again I couldn't get up. One of my friends said Officer Floyd told the paramedics to go on, "We got this son-of-a-bitch." One of the officers said come on we going to help you up, are you going to walk for us. I said, if I can, I will. My right leg gave out and I went back down. One of the officer said fuck this shit, somebody grab his goddamn feet. So one officer grabbed me by my feet and one and my right arm and one officer had my left arm, and they took me to the patrol car, and then they took me to the Zone 1 precinct. When they got to the precinct they opened the door and said are you going to walk or are we going to have to drag your ass in there? I told them I not going to be able to walk, I ain't going to be able to do it man. The officers carried me by the upper portion of my body and my heels and legs dragged. I was telling the officers I had a pain in my right arm and I need to see a doctor. They officers told me they would take me to Grady as soon we write your ass up. I asked about they charges and they told me the charges. Some other officers came in saying things like, "You the man Luke, yeah you the man." Officer

Mr. Johnson then jumped down the stairs and began punch a solid concrete wall with his fist. Fearing for my safety I requested for radio to start me a back up unit. As I did this Mr. Johnson lunged toward me, pushing me. When this happen I pushed Mr. Johnson away from me and yell, "Get back," Mr. Johnson fell backwards onto the over turned sofa. I then yelled for him to stay on the ground and not to get up. As I reached to get my handcuffs out Mr. Johnson got up and lunged toward me again, swinging his fists and attempting to strike me. I then removed my city issued O. C. Spray and issused one blast to Mr. Johnson's face. The O. C. had no effect on him. Mr. Johnson refused to listen to My verbal commands and continued to strike me with a close fist. In an effort to gain control of the situation I used several closed and open hands strikes to get Mr. Johnson off of me. This is when Officer Murray arrived on the scene and attempted to help me subdue Mr. Johnson. After a struggle we were finally able to handcuff Mr. Johnson. I then notify my supervisors of my use of force and O.C. spray and they responded to the scene. I also called for an ambulance to treat the suspect and myself for the effect of the O. C. spray. I then gather information from the victim, Ms. Amahd and she advised me that this had happened more then eleven times. Mr. Johnson was then transported to Grady Detention.

Re: **Officer Lucas/OPS package**

On 04/14/02 at 2140 hrs, I did arrive on the help call (signal 63) involving Officer Lucas. The defendant that was arrested was still fighting, screaming and cursing the officers and everyone else in the complex. When the individual was removed from the scene by the police and the ambulance, the entire project began to applaud. Some of the bystanders were actually thanking the police for arresting the individual.

I did not witness the initial contact between Officer Lucas and the defendant. I did not witness anyone being abused or mistreated at the scene of the help call. If you have any questions, contact Lieutenant Biello at Zone One (404-799-2488).

Topic: Information About Incident

ON 05-14-02 AT OR ABOUT 2120 HOUR I WAS DISPATCHED ON A DISTURBANCE CALL AT 3418 BANKHEAD HIGHWAY APARTMENT# 198. UPON ARRIVAL I SPOKE WITH THE VICTIM(MS. AHMAD). WHILE I SPOKE WITH MS. AHMAD I NOTICED THAT SHE WAS DEATHLY AFRAID, SHE SPOKE WITH A QUIET WHISPER AND CONTINUED TO LOOK AT HE APARTMENT DOOR FEARFULLY. I ASKED MS. AHMAD WHAT HAD TAKEN PLACE AND SHE RELAYED TO ME THAT HER CHILDRENS FATHER WAS ENRAGED. SHE STATED THAT WHILE HER AND HER SIX CHILDREN (RANGING FROM AGES 2-10) WHERE INSIDE THEIR APARTMENT THE SUSPECT (MR. JAY JOHNSON) STARTED TEARING THE HOUSE UP. SHE STATED THAT HE WAS MADE BECAUSE HE BELIEVED THAT THE BABY SHE JUST HAD BELONGED TO ANOTHER MAN. MS AHMAD STATED THAT SHE WAS AFRAID OF THE SUSPECT BECAUSE HE HAD BEAT HER IN THE PAST. SHE ALSO STATED THAT SHE FEARED FOR THE SAFETY OF HER KIDS. MYSELF AND THE VICTIM WENT UP TO THE APARTMENT AND WENT INSIDE TO SPEAK WITH THE SUSPECT. ONCE IN THE APARTMENT. I NOTICED THAT THE ENTIRE HOUSE WAS DESTROYED EVERY PIECE OF FURNITURE WAS BROKEN. I COULD ALSO HER LOUD TALKING COMING FROM UPSTAIRS. I THEN SAW TWO MALES WALK FROM UPSTAIRS APPARENTLY THEY WERE FRIENDS OF THE SUSPECT. ONE OF THE MALES STATED TO ME "OFFICER WE ARE TRYING TO GET HIM TO CALM DOWN" JUST AS THAT HAPPENED THE SUSPECT APPEARED FROM UPSTAIRS AND STATED "YOU ARE GOING TO HAVE TO KILL ME MOTHER FUCKER". WHEN THE SUSPECT SAID THIS HE CLICHED HIS FIST AND STARED AT ME WITH A FURIOUS LOOK ON HIS FACE. THE SUSPECT THEN BEGAN TO PUNCH THE SOLID CONCRETE WALLS INSIDE THE APARTMENT WITH REPEATED BLOWS. THE SUSPECT ALSO CONTINUED TO ACT IN A VIOLENT MANNER AND STATE "YOU ARE GOING TO HAVE TO KILL ME MOTHER FUCKER". FEARING FOR MY SAFETY I ASKED RADIO TO START ME ANOTHER UNIT FOR BACK UP. AS I DID THIS THE SUSPECT JUMPED OF THE STAIRS AND PUSHED ME. WHEN THIS HAPPENED I PUSHED THE SUSPECT OFF OF ME ONTO THE OVER TURNED COUCH. I ALSO GAVE A VERBAL COMMAND FOR HIM TO GET ON THE FLOOR AND HE REFUSED TO LISTEN INSTEAD HE GOT UP AND CHARGED ME. I WAS ABLE TO REMOVE MY CITY ISSUED O.C. SPRAY AND ISSUED ONE BLAST TO THE SUSPECTS FACE. THIS HAD NO EFFECT ON HIM AS HE CONTINUED TO CHARGE ME. I THEN TOLD HIM TO GET BACK AND HE SWUNG AT ME. I THE USED SEVERAL CLOSED AND OPEN HAND STRIKES TO THE SUSPECT TORSO AND FACE TO GET HIM AWAY FROM ME. AT THAT POINT MY BACK UP UNIT OFFICER MURRAY ARRIVED AND HELPED ME TAKE THE SUSPECT INTO CUSTODY. ONCE HE WAS SECURED I NOTIFIED LT. BIELLO, AND SGT. MOLNAR BOTH SUPERVISORS RESPONDED TO THE SCENE. Officer's Narrative: While attempting to investigate a domestic disturbance, I (Ofc. Lucas) was attacked by the male suspect. The perpetrator (Jay Johnson) suddenly appeared on the stairwell leading to the living area of the apartment. When he came into my view, suspect Johnson clinched his fist and stated in a boisterous tone "You're going to have to kill me mother fucker." This action lead me to believe that I was in danger of an immediate attack, which was confirmed when the suspect lunged at me and pushed me in the chest. Once I was able to push the suspect away from me, I delivered one burst from my city issued OC canister. The suspect did not appear to be effected as he continued his assault towards me, by swinging his fists wildly. Other officers arrived to my call for assistance and the suspect was apprehended. Water was provided to the suspect and an ambulance was called. Sgt. Molnar and Lt. Biello were notified.

Investigating Supervisor's findings: I find that Officer Lucas' use of OC gas to be justified in accordance with our SOP. Officer Lucas feared an imminent attack, which did occur. Officer Lucas demonstrated remarkable restraint by resorting to the OC gas force option first, even after he had been assaulted. After the subject was placed into custody, water was provided to the suspect in an effort to milden the effects of the OC that were beginning to occur. An ambulance also arrived on the scene and a precursory check of the suspect's vital signs was performed.

officer told me to "go home or go to jail"
I Then proceeded to ask him for his Badge
I When I asked him for the Badge he told me
that I was under arrest. I told him that I was
an attorney and all I requested was his Badge number
He Then stated to me that I violated a
code and that since I was an attorney he was
going to make an example out of me. The officer
put his handcuffs on me an walked me to a
Black or Blue Honda Accord. He Then opened his
trunk and told me that he can strip search
me at anytime. At that point I was scared
for my life and thought he was not a real police
officer. I Then yelled to another police offi
and told him to come over to the car. When the
police officer came I told him that all I
requested from the officer was his Badge #

Sergeant Smith:

I am writing you today in reference to the matter of Officer L. Lucas's conduct on July 3, 2002. Considering that I initially submitted this matter to Internal Affairs, I now understand that it has been removed from that department, and assigned for your review. I also understand that you are the superior officer to Officer Lucas, and that you are currently employed with the Atlanta Police Department.

Per our conversation, and your statements, on July 23, 2002, around 6:30 p.m., I was made aware of the following:

1. That you spoke briefly with Officer Lucas in regards to his involvement with me on the evening of July 3, 2002.
2. That from that conversation with Officer Lucas, you felt that he had a feeling of dejection about the complaint that I filed against him.
3. That you, in turn, stated to me that he could have taken me to jail, but he chose not to.
4. At that point, you told me that a similar situation happened to you—referring to someone who filed a complaint against you, whom you did not arrest.
5. You then made reference to the fact that Officer Lucas showed me a copy of the disorderly conduct statute.
6. You then stated that it is unfortunate that you could not talk to me face to face so that we could resolve this situation.
7. I then made the comment that Officer Lucas was wrong when he did not give me his badge number. By simply requesting his badge number, I concurred with the policies of the Atlanta Police Department, which recognize the right of a citizen to request and receive an officer's badge number. You agreed with this comment, and recognized the policy.

You asked me to answer the following questions which you will find below:

1. **Why did the officer tell you to go home?**
   a. I am not sure. I was visiting Atlanta, and a friend was showing me around the downtown area. I was simply walking by, and Officer Lucas yelled to me "Go home, or go to jail!".
2. **Did he verbally tell me that I was under arrest?**
   a. Yes he did. He told me that I violated a code, and that "since I was an attorney, he was going to make an example out of me." He then cuffed me, told me that "you are under arrest," and then took me to his black or blue Honda Accord. At that point, he opened his trunk and told me that he could "strip search me at any time." He then showed me the disorderly conduct statute (which in my opinion was very broad), and told me that this statute gives him the power to do "anything." He never stated that I violated that specific code. I then yelled to another police officer, and asked him to come over to the car. When the police officer came over, I explained to him that I simply requested Officer Lucas's badge number. The second officer then stated that he could arrest me for requesting his badge number. The second officer then made the statement that he and Officer Lucas should take me before a judge, who's name I can't remember. At that time, Officer Lucas

46-1-2.

said that the judge "will put me in jail for a long time." Officer Lucas then stated that they have arrested many attorneys. The second officer and Officer Lucas were in agreement with all the statements made after the second officer's arrival.

3. **Why did you doubt he was a police officer?**
   a. Because he took me to his Honda Accord, and opened the trunk.
4. **Were you influenced by any intoxicants?**
   a. No.

I am a law abiding citizen. I have never been arrested, or in trouble with the law. I do not believe that my record should have been threatened by this officer's abuse of discretion. I made a lawful request to receive his badge number. If this situation goes without punishment, the following signal will be sent to Atlanta police officers: that an officer may arrest a law-abiding citizen, while that citizen is carrying out his lawful rights, without reasonable suspicion or probable cause (as in my case).

It is my understanding that you are trying to persuade me to allow this situation to dissolve, but I can't. Just as I, and others, witnessed on the following night, July 4th, Officer Lucas was seen walking around with his handcuffs in hand stating "I'm going to tell them to move once, and if they don't, they are going to jail." *I was able to obtain Officer Lucas's name on this day. The next morning I spoke with William E. Trivelpiece in Internal Affairs regarding this incident.* This is highly evident that this behavior will not cease without administrative action.

On the evening of July 3, 2002, Officer Lucas violated my 4th amendment rights, falsely imprisoned me, and committed assault. From our conversation, I believe that there was a loss of objectivity. I understand that Officer Lucas represents the Atlanta Police Department, for which you are employed, and also that his actions could be considered as its own. Even though you are conducting this investigation as his superior officer, and an employee of the Atlanta Police Department, I would hope that you would conduct this investigation thoroughly, fairly, and impartially.

If you have any further questions, please contact me at (405) 773-8315.

Respectfully submitted,

Jason E. Lowe

The officer said, "Mr. Attorney, I'll make an example out of you." That is when he handcuffed him and took him back into the parking lot, to a regular parked car. I believe it was a dark colored Honda Accord, it was an Accord.

Q: How long did Mr. Lowe remain in the parking lot?

Question and Answer Session Continued.....Officer Lambert

Q). Tell me what you know about the incident?

A). It was the July 4th weekend and there was a large amount of patrons coming and going from Club Kya. There was a large group of people standing on the sidewalk causing pedestrians to walk in the street. to get around them. Officer Lucas and I were telling the pedestrians to keep moving. Everyone moved except for Mr. Lowe. Officer Lucas told him that it was against the law to block the sidewalk and that he had to keep moving. He advised Officer Lucas that he was a lawyer and that he did not have to move. Mr. Lowe refused each time. Officer Lucas placed the subject in handcuffs to detain him. He advised Officer Lucas he was a lawyer again. Officer Lucas took him over to his vehicle and showed him the code section for blocking the sidewalk in the City of Atlanta. Mr. Lowe then said he was wrong. Officer Lucas and him had a brief conversation with both of them laughing. Officer Lucas then removed the handcuffs from him and they shook hands and Mr. Lowe left the scene. He did not ask to speak to a supervisor at no time while I was around him.

Q). What was the sobriety status of Mr. Lowe?

I am Sgt. H M. Smith of the Atlanta Police Department. You are being questioned as an ACCUSED in an official investigation by the Department. Also present is: N/A

All employees must answer questions and make available relevant materials or sworn statements concerning an investigation of allegations of employee misconduct when directed to do so by a disciplinary authority or duly appointed investigator. Employees may obtain representation but cannot delay questioning for more than three hours beyond the time he or she was notified of the questioning. Except as authorized or required, an employee shall not interfere with nor contact persons involved in an internal investigation nor disclose or discuss with anyone except the designated Departmental authority the existence or facts of an internal investigation. This restriction will not be construed to prohibit an employee from discussing any aspect of the investigation with his or her representative. Administrative statements made by employees and evidence gained by reasons of such statements may not be used against the employee in criminal proceedings involving the employee except in cases of perjury.

On July 04, 2002 at or about 0200 I was working a city approved extra job at 1068 Peachtree St. (Club Kaya) while working there I encountered Mr. Lowe when myself and officer Lambert were attempting to keep pedestrian traffic moving. There was a large number of people entering and exiting the club, I also noticed that Mr. Lowe along with several other persons were preventing the travel upon the sidewalk and pedestrian were walking into the lane of vehicle traffic to get around them , seeing that there was a clear danger in them blocking the side walk and having other pedestrians walk into the street to get around them I asked Mr. Lowe and the people who he was talking to if they would move along and not block the city sidewalk so as to interfere with the flow of pedestrian traffic. The people that were with Mr. Lowe walked away however, Mr. Lowe stated to me that he was a lawyer and he knew his rights. He stated that this is America and if I don't want to move I don't have to. I then advised Mr. Lowe that I was a city of Atlanta police officer and he can not block the sidewalk which was in violation of city ordinance 106-81.10 I also attempted to make an ethical appeal to him and Mr. Lowe then met this request with non-compliance. I asked Mr. Lowe on several occasions after the initial request to move and he refused all of those request. I exercised extreme patients with Mr. Lowe. After all attempts for Mr. Lowe to voluntarily comply with me failed. I arrested him, while I had Mr. Lowe detained I explained to him that he had violated the law by not complying with me and clearing the sidewalk when I requested him to do so. I removed Mr. Lowe from the sidewalk to clear the pedestrian way. I also went to my vehicle to get the proper paperwork.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

EMPLOYEE: Lucas, Nathan, L. OPS # 02-C-0280-MISC

While at my vehicle I began to explain to Mr. Lowe the city ordinance. Mr. Lowe did not believe that the city law was written as such , so I retrieved my copy of the Atlanta City Ordinances and showed Mr. Lowe the code-section that he was violating. (106-81). After seeing the city ordinance mr. Lowe started to apoligize repeatedly. Mr. Lowe stated to me that he did not realize what he had done. Mr Lowe also advised me that he was visiting from out of town and that this was the fourth of July weekend and this would ruin his visit to Atlanta. After accepting his apology I asked Mr. Lowe if he would comply with me if I released him and he stated yes. I then released Mr. Lowe with a better understanding of the city ordinace in which he had violated. After releasing mr. Lowe he shook my hand and thanked me. Mr. Lowe then turned and walked away.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

Question and Answer Continued.....Officer Lucas

Q). Once you effected the arrest, did you search Mr. Lowe , be specific .

A). Yes. Incident to his lawful arrest I searched him for any weapons or contraband.

Q). Did you or any other officer advise Mr. Lowe that he would be stripped searched?

A). No

Q). There is no record of Mr. Lowe ever arriving at Atlanta Pre-trial Detention, please explain.

A). While writing the citation I had a conversation with Mr. Lowe and while speaking with him Mr. Lowe was very apologetic. He was a visitor from out of town and seeing that he was Only charged with a city violation I used officer discretion and allowed him to be released.

Q). Did you notify an on duty supervisor of what you had?

A). No, because I was not aware that this situation called for supervisor notification

Q). Is there anything else you would like to add that might assist with this investigation?

A). Yes. I had probable cause to arrest Mr. Lowe, his actions prior to his arrest dictated this. I was attempting to afford Mr. Lowe the opportunity to correct his actions. I went above and beyond the normal that any Law enforcement officer would have done by allowing Mr. Lowe the opportunity to read for him self the city ordinance. I further exercised discretion by allowing Mr. Lowe to be released. Mr. Lowe at no time during our encounter stated that he wanted to speak to a supervisor. I conducted myself in a professional manner and used extreme self-control and patients in dealing with Mr. Lowe.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

Re: OPS Package, Officer N. Lucas, 02-C-0280-MISC

On the 4th day of July 2002, Officer Lucas was working a city approved Extra Job at 1068 Peachtree St. N.E. At approximately 0200 hours, the clubs on Peachtree St. were letting out, thus creating an influx of pedestrian and vehicular traffic on Peachtree St. Officer Lucas along with other officers were attempting to keep the traffic flowing so as to ensure the safety of all persons. While performing his duties, Officer Lucas observed Mr. Lowe along with several other males standing still on the sidewalk. They were blocking the public way and caused for pedestrians to walk out into the street to get around them. Officer Lucas gave the males a lawful command to keep moving. All of the males complied except for Mr. Lowe. Again, Officer Lucas told Mr. Lowe to keep moving, and again Mr. Lowe did not move. Officer Lucas placed Mr. Lowe under arrest and charged him accordingly.

The arrest of Mr. Lowe was proper and lawful. Mr. Lowe was handcuffed and then searched. Officer Lucas then removed Mr. Lowe from the sidewalk and relocated to his personal vehicle which was parked in the parking lot. While at his personal vehicle, Officer Lucas opened his trunk to retrieve the appropriate paperwork and his copy of the Atlanta City Ordinances. He informed Mr. Lowe of the offense that he had committed, then allowed Mr. Lowe to read the ordinance for him self. Once the ordinance was explained to Mr. Lowe, the officer felt there was no need to interrupt Mr. Lowe's visit to Atlanta by following through with the arrest. Officer Lucas let him go.

Continued on next page.....

Continued from page # 2.....

I find that the initial charge of Inappropriate Actions is **Not Sustained.**

However during the course of my investigation, I did find that the officer did not conform to directives as it relates to Arrest Procedures. The arrest of Mr. Lowe was not adjudicated before a magistrate or bond officer. Officer Lucas failed to follow procedure as it relates to Arrested Persons. He did not surrender Mr. Lowe to the appropriate holding facility or if certain conditions were met, released him on a copy of charges.

Although I believe the officer to be well intentioned, he did not adhere to the guidelines as set out by the department. I made Officer Lucas aware of the violation. He accepts total responsibility and now has a better understanding of departmental procedures.

I find the charge of Unsatisfactory Performance is **Sustained.** Once Officer Lucas effected the arrest, he should have completed an arrest citation, called for a wagon and had Mr. Lowe transported to the City Jail. Whereby Mr. Lowe would have either bonded out or had his case presented for prosecution before a Municipal Court Judge.

A: I was dispatched on a signal 40 (investigate a dog/animal).

out into the yard, where the canine was and he was backed into the corner of the yard. As I approached the dog, he growled and became aggressive. I notified radio to start animal control and she did. While waiting for animal control, I sat in my patrol car in order to prevent myself from being attacked by the dog. I asked radio on several occasions for an estimated time of arrival for animal control. After waiting for two hours to no avail, I exited my patrol car to see if the dog had calmed down. As I approached the area where the dog was, he lunged from his position towards me, while snarling and he attempted to bite me. That is when I removed my city issued weapon and fired two controlled shots at the canine, which stopped his aggression.

Q: When you fired your city issued weapon, did you have a clear shot?

A: Yes, I did.

Q: Were there any bystanders around you?

A: No.

Q: What was your target?

A: My target was the aggressive canine.

Q: What was beyond your target?

A: An unpopulated wooded area.

Q: Were there any people visible?

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

On 6/8/02 at approximately 2130 hrs, I received a supervisor request to 142 Hutton Place regarding an Officer discharging his firearm at a dog. Upon my arrival at the scene, I was met by Officer Lucas who advised me that he had received a call to the location at approximately 1915 hrs regarding a vicious dog. Officer Lucas advised that he interviewed the residents at 142 Hutton Place who told him that the dog was in their carport under their vehicle and that it was growling and would not leave. Officer Lucas further advised that the residents chased the dog with a broomstick out of the carport and that it went onto the driveway and again went under another vehicle. Finally they advised Officer Lucas that the dog ran into the corner of their yard and remained there until he arrived. Officer Lucas advised that he called animal control to the scene. Approximately 2 hours had passed and animal control was still not on the scene. Officer Lucas advised me that he wanted to see if he could chase the dog away himself. He stated that he went up to the dog and threw several rocks or brick pieces at the dog, but the dog didn't move. He then said that when he approached the dog a little closer that the dog began to charge at him, growling. Officer Lucas stated that he drew his weapon on the dog and fired approximately two times at the dog. He advised that he had killed the dog there on the scene. I inspected Officer Lucas's weapon at the scene and found there to be two 9mm rounds discharged. Officer Lucas had city issued 9mm ammunition remaining in his magazine. The on call OPS investigator (Sgt. Glass) was called and refused to come to the scene. Therefore, I conducted the investigation. I worked the crime scene. I located two spent 9mm shell casings. The casings were that of city issue ammunition. The shell casings were photographed by ID Tech 7348 as well as the scene including the dead K-9. I searched the area for witnesses, and interviewed the callers. No one witnessed the shooting incident. There were no by-standers nor any witnesses to the

Officer's act. However, I did interview the witnesses regarding the K-9's vicious behavior prior to the shooting. The K-9 was in an aggressive manner toward the witnesses on their property. I found no property damage and the K-9 was definitely hit by the projectiles. After my investigation was complete, animal control transported the K-9 remains to the Fulton County Facility. I opened the crime scene up and went back into service.

Questions asked by Lt. Biello:

I. FINDING OF FACT: *(LIST FACTS IN SIMPLE SENTENCES; DO NOT INCLUDE DISCIPLINARY ACTION RECOMMENDATIONS.*

Officer Lucas was dispatched to an aggressive K-9 call. He arrived on scene and found the aggressive K-9 and called for Fulton County Animal Control. Fulton County Animal Control took over two hours to arrive on the scene. Officer Lucas kept a visual on the dog, when it moved to the far corner of the front yard. He went to check on the dog still waiting for animal control to arrive the K-9 became aggressive and attempted to charge him and bite him. Officer Lucas discharged his city issued firearm two times striking the K-9 and killing it. Fulton County Animal Control did arrive on the scene and removed the carcass of the animal. I find the officer was justified in utilizing his issued weapon to defend himself.

Officer Lucas used his firearm to defend himself from being bit by a vicious animal.

Officer Lucas was well within the confines of firearms useage. He had city issued ammunition and a city issued weapon.

There were no witnesses to the actual shooting.

All of this could have been avoided with an appropriate response time from Fulton County Animal Control.

Re: OPS Package, Officer N. Lucas, 02-I-0239-FA

On 6/8/02, Officer Lucas was dispatched to 142 Hutton Pl. The call came up around 1915 hours. Officer Lucas arrived on the scene and interviewed the callers where an aggressive K-9 was refusing to leave a carport/driveway of the location. The dog was aggressive and not responding holding it's ground growling and showing its teeth. Officer Lucas called for Fulton County Animal Control. Fulton County Animal Control took an extended period of time to arrive on the scene. (Approximately 2 hours) Officer Lucas sat in his car and kept a visual on the K-9. The dog moved out of the driveway to the far corner of the yard. Officer Lucas walked over to the far corner of the yard to check on the K-9 while still waiting for animal control to arrive. According to Lucas, the dog became aggressive and charged at him in an attempt to bite him. Lucas drew his service weapon and fired twice, hitting the dog both times. The dog expired on the scene and his aggressive action was stopped. Lucas contacted a supervisor of the shooting. Sgt. Brady arrived on the scene and held a preliminary investigation. Sgt. Brady contacted OPS, Sgt. Glass, who advised that he would not come to the scene. Animal control arrived on the scene and removed the carcass to be destroyed. Sgt. Brady canvassed the area and there were no witnesses to the shooting. The only witness to the shooting is Officer Lucas. Two shell casings were found on the scene. The scene was processed and photographed, and Officer Lucas went back into service. Sgt. Brady's preliminary investigation found no witnesses but she did do a crime scene sketch of the crime scene. There were no phone calls to the precinct nor complaints over the incident. No owner of the dog was located, nor did the dog have proper identification tags. The 911 tape as well as the crime scene photos are included in the package. I found no violation of standard operating procedures and no violation of the firearm usage. The entire incident (use of firearm) could have been avoided with a reasonable response time from Fulton County Animal Control. I find the officer justified in his actions and present this package to you for your review. Investigation concluded.

I am **Sgt. S. Sheffield** of the Atlanta Police Department. By your making this statement you are providing information in an investigation being conducted by the Atlanta Police Department. Please be advised that your statement and/or your testimony may be needed at a future time for use in a civil service hearing or court of law.

On May 17, 2002, I was at Club Kaya and had been physically thrown out of the club by security for no reason. I asked Officer Lucas for assistance to file a report against the security officers and Officer Lucas refused to help me. I then called 911, and while I was talking to 911, Officer Lucas told me that if I called another patrol car to this location that he would arrest me for abuse of the 911 system. The 911 operator then told me that if I already had a police officer there that he should help me, and I explained that the officer had refused to help me. About that time, my sister, Limesha Wright, came out of the club crying and complaining about her neck was hurting and she couldn't find her shoes. At this time, the 911 dispatcher told me to look for a police car driving by since I didn't know the address to the club. Someone then told me the address and I called back to 911 to let them know the address. Officer Lucas then called me back to where he was at the VIP entrance and he asked for my identification. I gave this to him and he then told me to turn around and he handcuffed me and told me I was being arrested for Criminal Trespass and Abuse of 911. I thought this was wrong since I was at the location waiting for an officer to arrive and he told me I could tell it to a judge. At this time, the dispatcher said something over the officer's radio and Officer Lucas intervened and told the dispatcher that he was handling it, and at that point I was being arrested. My sister was there and was still crying about her neck, and asking why I was being arrested and the officer told her not to say another word or there was a possibility she would go to jail too. The police van then showed up and people were laughing and stuff, and saying it wasn't right for me to be locked up. I was then placed in the van for about 30 minutes and then they put a man in there and this man had a crack pipe that he tried to give to me, and then he urinated on himself and some got on me. Once I got to jail, I couldn't get a bond because the officer charged me with Felony Obstruction. I had to stay in jail until the court time, when I talked to the public defender. The public defender told me that I could plead guilty to Disorderly Conduct and the other charges

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

would be dismissed. He told me this was the best option, but I told him I didn't do anything and that I didn't want to plead guilty to anything. He told me I could just plead to the Disorderly Conduct with a "nolo" where I would just pay a fine of $118 and would be done with it without admitting to any wrongdoing. He told me I would still be able to file a complaint, and after thinking about it for a while, this is what I did (pleading nolo to disorderly conduct).

Q: Do you know why you were escorted out of the club?

A: No. But I wasn't just escorted out, I was forcefully removed.

Q: Did you sustain any injuries during this incident?

A: No injuries, I was a little sore, but I was not injured. I was sore from being pushed down the steps by a female security officer at the club.

Q: Do you have the names of any witnesses other than your sister that saw Officer Lucas arrest you?

A: No. But there were others there.

Q: Did you speak to a police supervisor at the time of this incident?

A: No.

Q: When calling 911, did you request for a supervisor to come to the scene?

A: No, not specifically, but I did specify that I wanted to file a report.

Q: Did you speak to the club manager concerning why you were escorted out of the club?

A: No. When I requested that from Officer Lucas, he threatened to arrest me if I continued to ask for the manager or another officer, so I felt trapped.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

EMPLOYEE: Officer N. Lucas CITIZEN: Ms. Loretta Allen OPS #

Q: Had you been drinking on the night of this incident?

A: Yes, I had one drink around 11:30, and all this happened after 2:00 a.m.

Q: Did you resist Officer Lucas in any way when you were handcuffed?

A: Not at all, in fact I did everything he asked me to do. He asked me to go to the end of the street and stand and wait for the officer and I did. After I walked to the end of the street, he called me back to him and I came back, then he arrested me for Criminal Trespassing. He asked me to shut up talking and I did. He asked me for some identification and I gave it to him.

Q: How many times did you call 911?

A: I had a total of 3 calls.

Q: What is your cell phone number that you made these 911 calls from?

A: 404-449-1971.

Q: Is there anything else you would like to add to this statement

A: My complaint is that Officer Lucas used excessive force, and knew he was using too much force at a time that was not appropriate. My complaint is also that he has charged me with 3 different complaints and charged me with something I didn't do. He caused me to lose time at work and caused me embarrassment. My total experience with this is that it is not acceptable. He is a police officer, but that doesn't give him the right to harass me and embarrass me in public when all I needed was assistance. I want to stress the fact that this has caused me stress, humiliation, I am a single parent of 3, and this has caused me to use funds I don't have to pay for this. I am a bus driver for MARTA, so I am a decent person and do not act disorderly. I was willing to cooperate with the officer, but all I wanted was to file a complaint about what the security officers had done.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

Officer Lucas violated my rights by not assisting me. I was not drunk, I was not resisting, I had on a skirt that had been ripped. This was not fair and it was not just.

Q: What do you mean by saying that Officer Lucas used excessive force?

A: By excessive force, a police officer can arrest you for being on private property. An officer can arrest someone for anything, whether the person did something against the law or not. I told Officer Lucas that he was arresting me for nothing, and he told me he was a police officer and he could do that. That is my definition of excessive force.

Please be advised that your statement and/or your testimony may be needed at a future time for use in a civil service hearing or court of law.

Q: Can you describe what you witnessed in regards to Ms. Loretta Allen's arrest by Officer Lucas at Club Kaya on May 17, 2002?

A: We had just been forced out of the club, and when we got out there, we were trying to report to the police officers how we had been treated by club security. Then the police officer was laughing and said he didn't want to hear it, and that he wasn't going to make a report. My sister, Loretta, then called 911 to get another officer out there, and the police officer told her that if she called one more time he would arrest her for abuse of 911. I then asked what was wrong with calling 911, and they said for us not to do it, and that if I did it I could be locked up too. I then said that I wanted to make a report and they told me not to say anything else or I might be locked up too. After that, I still kept trying to talk to them because I didn't want to see my sister going to jail. The officers were laughing and joking, and I was hurting because of the way I had been dragged by security, and the officers didn't seem to care. The officers then pulled out some books to see what they could charge my sister with.

Q: Do you know why you and your sister were removed from the club?

A: Honestly I don't know, but I think it was that someone had told the bouncers that they wanted us to move, but the bouncers didn't allow us time to move before I started getting dragged out. We hadn't started anything or caused any problems, nothing at all.

Q: Did you sustain any injuries as you were removed from the club?

A: Just scratches on different parts of my body, no big injuries.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

A: A little on my leg.

Q: Have you received any medical attention for your injuries?

All employees must answer questions and make available relevant materials or sworn statements concerning an investigation of allegations of employee misconduct when directed to do so by a disciplinary authority or duly appointed investigator. Employees may obtain representation but cannot delay questioning for more than three hours beyond the time he or she was notified of the questioning. Except as authorized or required, an employee shall not interfere with nor contact persons involved in an internal investigation nor disclose or discuss with anyone except the designated Departmental authority the existence or facts of an internal investigation. This restriction will not be construed to prohibit an employee from discussing any aspect of the investigation with his or her representative. Administrative statements made by employees and evidence gained by reasons of such statements may not be used against the employee in criminal proceedings involving the employee except in cases of perjury.

Q. On 5/17/2002 did you have occasion to come in contact with Ms. Loretta Allen and if so please explain.

A. Yes. While working a city approved extra job at 1068 Peachtree St., which is Club Kaya, I encountered Mrs. Allen as she was escoreted out of the club by the club security staff. In speaking with the security officer Beasley, he explained to me that Mrs. Allen had gained unauthorized entrance into the club's VIP Section. He advised that she physically forced her way into the VIP Section. Once there, she began to harass celebrity entertainers that were there. She was asked on several occasions to leave out of the VIP Section and she refused. The security officers had to physically remove her due to her behavior. While there, she began to turn over tables and knock over very expensive bottles of champaigne. Then she physically fought with the secutity officers until she was brought out of the front door. Originally I asked security officer Beasley if he wanted to press charges against her and he stated no, I just need her to leave our property. After speaking with security officer Beasley, I went over to speak with Mrs. Allen . In speaking with Ms. Allen, I could tell immediately that she was intoxicated. Mrs. Allen was on the phone. I was then notified by radio that there was an irate caller on 911. I asked Mrs. Allen to hang up with the 911 operator and that I would be able to assist her. I notified radio that I would be handling the call. Mrs. Allen was very irate and not cooperative. It was explained to her that her behavior was the reason that she was escorted out of the club. It was also explained that the club did not want to press charges for her actions inside the club and toward club personnel, but that they just wanted her to leave their property. Mrs. Allen then stated to me that she was not going to leave because she felt like she hadn't did anything.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

Mrs. Allen then began to dial 911 again. I explained to her that she could not continue to call the 911 operations center because this would hinder or harass the communications dispatcher. I also explained to her that she needed to go ahead and leave the club's property. Mrs. Allen continued to refuse to leave and continued to resist any lawful order that I gave her. After making several ethical appeals I asked Mrs. Allen, Is there anything else that I can say or do to get you to comply with me. And she stated no. I at that point verbally advised her that she was under arrest. I asked her to place her hands behind her back and she refused. I reached to use a wrist lock so that I could affect her arrest and Mrs. Allen physically resisted arrest by swinging her arms and pushing against me. After a brief struggle, I was able to handcuff her. I also notified radio to fax to the Zone 1 precinct the number of times Mrs. Allen had dialed 911. At no point did I use unnecessary force on Mrs. Allen, I even afforded her more than several opportunities to leave the property and she just would not comply.

Q. Was Ms. Allen escorted out of the club?

A. Yes.

Q. By whom?

A. Security Officer Beasley and Security Officer Stacy Jones.

Q. Did Ms. Allen ever ask for a supervisor?

A. No she did not.

Q. Did Ms. Allen ever ask for a report to be made?

A. Not that I can recall. She only wanted to go back inside the club.

Q. Did Anyone tell you not to allow her back into the club?

A. Yes, the security officers Beasley and Jones.

Q. Did Ms. Allen ever ask to see the manager of the club?

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

FROM: **Sgt. J.R. Brady** JRB

DATE: **7/11/02**

RE: **Witnesses statements/Nathan Lucas OPS Package 02-C-0213-MISC**

All attempts to take statements from the security guards Beasely and Jones of Club Kaya regarding this complaint have failed. However, I was able to talk to Officer Beasely on 7/3/02 at Club Kaya when we (myself and Lt. Biello) went there to attempt to take statements with the typewriter. Officer Beasely stated to us that he recalled the incident involving Ms. Allen. He further stated that Ms. Allen was inside the club and was extremely intoxicated. She was overturning tables inside the club which were stacked with expensive bottles of champagne. Security guards escorted Ms. Allen outside the club but did not wish to prosecute her for the damage. They merely wanted her to leave the property. He then stated that Officer Lucas gave Ms. Allen several (at least four) opportunities to simply leave the property and that Ms. Allen refused to comply with Officer Lucas's lawful orders. He then stated that Officer Lucas placed Ms. Allen under arrest after a brief struggle.

I was unable to talk with the other security guard at Club Kaya, (Officer Jones) who was a witness to this incident also.

66. On 5-17-02 while working a city approved extra-JOB at 1068 Peachtree ST. N.E. I encountered Mrs. Allen when she was escorted out of the club By Security Officer Beasely. Once outside he told the suspect to leave the property. Mrs. Allen refused. Mrs. Allen Stood in the exit of the club and was on her cell phone. I was later notified by Radio communications that they had a irrate caller at Club Kaya. I spoke with the 911 operator because Mrs Allen gave me the phone, After speaking with the 911 operator I spoke with Mrs allen and explained to her that I was a city of Atlanta police officer and I was going to be handling her Complaint. Mrs. Allen ignored me and continued to dial 911 on two more occasions. I spoke with the security officers who advised that Mrs. Allen and another female

were inside the clubs V.I.P. Area. The Security officer reported that while inside the V.I.P. The females continued to disturb patrons of the club. The Security Officer then told Ms Allen that she was in a restricted area of the club and without credentials she would have to leave. Ms. Allen refused to leave the restricted area. The security officer reported that He asked her on four occasions to exit and she refused. The security officer then went to move Ms. Allen and she began to knock over tables and act in a violent manner. He then physically remove Ms. Allen from the area and explained that she had to leave the club. Ms. Allen refused. She was then escorted outside by Security officer Beasley. Once outside Ms. Allen was asked by me to exit the property and it was explained that the club reserved the right to deny entry to anyone. Ms Allen was not pleased with this and she called 911. The operator disabled me on the call and Ms. Allen was not happy with that so she called 911 again. Her constant calling created a nuisance to the 911 center and I explained that to her. However Ms. Allen was completely irrational, she refused to listen to reason and she refused to leave the property as requested by the clubs staff. After all attempts to have Ms. Allen cooperate with me failed I explain to her that she would be arrested if she did not leave the property, She still refused. Therefore she was arrested. While trying to arrest Ms. Allen she failed to listen to verbal commands she also swung her arms and resisted slightly, after a brief struggle she was subdued and charged with the listed charges and taken to Jail. Both security officer were subpoened to court.

Ms. Allen's demeanor was very irrational. I also could smell that she had the strong odor of alcohol was emitting from her breath She also acted Hostile and had blood shot red eyes.

RE: **INVESTIGATION AND DISPOSITION OF COMPLAINT NUMBER 04-C-0217-CTSY**

An investigation of the allegations of this complaint and any other allegations, which arose during the investigation, has been completed. **The following represents the findings of this investigation:**

I. INVESTIGATIVE DISPOSITION

a. of the Complaint against Officer Nathan Lucas

[X] **Not Sustained** for Rule: 2.33 (Conformance to Directives)

II. POLICY OR PRODECURAL CHANGES, TRAINING, RECOMMENDATIONS, AND/OR COMMENTS

On January 8, 2004, the Atlanta Police Department Office of Professional Standards received an anonymous complaint against Officer N. P. Lucas. The complaint did not indicate a specific date of the incident, which brought about the complaint nor did it specifically site the manner in which he was not courteous or professional. The complaint alleges that Officer Lucas took some kind of inappropriate action on behalf of the nightclub that he worked part time job for. Because there was no name on the complaint or contact number for follow up questioning, Officer Lucas was called into the office and questioned about any unusual incidents or confrontations at the club. Officer Lucas states, there was only one that he could remember for which he provided an incident report. The suspect on that report was contacted in an attempt to determine if he was the author of the complaint and he advised that he was not.

Based on the lack of information, and the inability to obtain further statements or information I recommend violation of work rule **2.33 (Conformance to Directives)** be **Not Sustained.**

III: INVESTIGATIVE SUMMARY:

A. COMPLAINT ALLEGATION:

An unknown citizen alleges that Officer Nathan Lucas was rude and discourteous while working an extra job at a Buckhead nightclub.

B. ACCUSED EMPLOYEE'S RESPONSE:

Officer Nathan Lucas denies the allegation.

C. WITNESS (ES):

Lieutenant William E. Charles states that on November 30, 2003 at 0030 hours that Officer Lucas requested a supervisor to meet him at Crescent Avenue and 11th Street. Lieutenant Charles states when he arrived he observed Officer Lucas wearing his Class "A" uniform.

D. PHYSICAL EVIDENCE:

None.

E. INVESTIGATIVE FINDINGS:

This investigation finds that:

On December 29, 2003 an anonymous letter was received by the Atlanta Police Department regarding Officer Nathan Lucas enforcing house rules of nightclubs and being rude and discourteous to citizens.

The anonymous letter did not give the date or the location of the occurrence of the alleged behavior of Officer Lucas.

A review of incident report written by Officer Lucas during the period of the anonymous letter indicates that Officer Lucas stopped a person by the name of Charles Scott Nyland at 1015 Crescent Avenue with police paraphernalia.

I contacted Charles Scott Nyland, but he denied writing the anonymous letter to Chief Pennington, but did indicate when he was stopped by Officer Lucas that he (Lucas) was not wearing an official police uniform.

A statement by Lieutenant Charles, supervisor at the scene, indicates that Officer Lucas was wearing his Class A Uniform when he confronted Charles Scott Nyland on November 30, 2003.

Since the identity of the complainant, location, or date of incident can not be established and due to the fact that the anonymous letter was vague as to the specific action of Officer Lucas there is no further action that can be taken in regards to this investigation.

This file is being submitted for your review and recommendation.

Respectfully,

M.D. Lewis

Richard J. Pennington
Chief of Police

Dear Chief Pennington:

I strongly encourage your Atlanta Police Officer N.L. Lucas to take a refresher class both in Constitutional Law and common courtesy. I hope this instruction will reacquaint him with the principles of The Bill of Rights and the United States Constitution.

Apparently, he does not comprehend that while wearing his police uniform, yet working privately at midtown nightclubs, neither the fourth nor the fourteenth amendments are abolished by the erratic whims of his part-time employer. Judging by his recent conduct, officer Lucas seems to believe that while on a private payroll his obligation is not to uphold federal and state law, but to advocate the illegitimate and unlawful requests of any person who puts him on an hourly wage.

Using his badge and gun in this way is not only illegal, actionable, and fraudulent, it is also extremely rude to the citizens of Atlanta.

My personal advice is that if officer Lucas would prefer to be a private security guard or nightclub bouncer, he should resign from the Atlanta Police Department. In this way he can renounce his oath to uphold the law, and continue to behave as a foul-mouthed, disrespectful mercenary without denigrating either the uniform or the department.

Sincerely yours:

A Concerned Atlanta Resident

MEMORANDUM

TO: **File**

FROM: **Investigator M.D. Lewis**

DATE: **January 15, 2004**

RE: **Telephone call from Charles Scott Nyland**

On today's date at 1030 hours I received a telephone call from Charles Scott Nyland. I informed Mr. Nyland that the Office of Professional Standards was conducting an investigation on Officer Nathan Lucas because an anonymous letter was sent to Chief Pennington regarding possible inappropriate misconduct. I informed Mr. Nyland that the letter was vague on the exact allegation on Officer Lucas. I asked Mr. Nyland if he sent in the anonymous letter to Chief Pennington and he said that he did not.

Mr. Nyland stated the he was confronted by Officer Lucas because he was wearing a shoulder holster and some police attire, but he was in no way representing himself as a police officer. Mr. Nyland stated he got upset with Officer Lucas when he took his honorary Fulton County Police Identification and Badge from him without telling him what he was going to do with it. Mr. Nyland stated that Officer Lucas told him that he was going to check to see if he was a police officer, but Mr. Nyland advised Officer Lucas that he was not a police officer. Mr. Nyland indicated that a supervisor arrived on the scene and that he told him that Officer Lucas was wearing black fatigue pants while on his extra job and that he was out of uniform. Mr. Nyland indicated that the supervisor did nothing when he brought this information to his attention. Mr. Nyland indicated that supervisor told him that Officer Lucas was not wearing black fatigue pants.

Mr. Nyland stated that he has not seen Officer Lucas back at his club in fatigue pants since this incident, but if he observes him again he is going to take a still photograph and provide it to the Office of Professional Standards.

TO: MAJOR S. M. O'BRIEN

FROM: LIEUTENANT V. M. BOWSER

DATE: MARCH 30, 2001

RE: INVESTIGATION AND DISPOSITION OF COMPLAINT NUMBER 00-C-0487-MISC

An investigation of the allegations of this complaint and any other allegations which arose during the investigation has been completed. The following represents the findings of this investigation:

1. **INVESTIGATIVE DISPOSITION:**

a. of the Complaint against **Officer Bennie Bridges**
[X] Not-Sustained for Rule: **1.01 (Appropriate Action Required)**
[X] Not-Sustained for Rule: **4.04 (Operation Of City Vehicles)**

b. of the Complaint against **Officer Nathan Lucas**
[X] Exonerated for Rule: **1.01 (Appropriate Action Required)**

c. of the Complaint against **Sergeant Derrick Bailey**
[X] Exonerated for Rule: **1.01 (Appropriate Action Required)**

Additionally, there is sufficient evidence to indicate Sergeant Bailey and Officer Lucas took the appropriate action with Ms. Niecie Lawrence. According to Sergeant Bailey, he responded to the scene after he heard Officer Bridges transmit that he needed an ambulance and additional officers for crowd control. Upon his arrival, Sergeant Bailey stated he instructed the officers to disburse the crowd. Sergeant Bailey indicated he observed Ms. Niecie Lawrence standing in the roadway cursing at the officers; and she also refused to move the roadway while he attempted to secure the crime scene. Sergeant Bailey stated he refused to allow Ms. Lawrence to ride in the ambulance due to her refusal to identify herself; and she never requested information regarding Mr. Lawrence's injuries. When Ms. Lawrence began to repeatedly direct profanity towards Sergeant Bailey, he informed her she was under arrest, and she resisted by kicking and scratching him. Officers Lucas and Bridges advised they witnesses Ms. Lawrence attacking Sergeant Bailey and assisted him in bringing her under control. Sergeant Bailey stated he sustained minor scratches to his arm, but did not seek medical attention. Ms. Lawrence indicated in her video interview she is still experiencing pain in her shoulders, arms and chest; she did not have any visible injuries or bruises; and she has not sought any medical treatment. Therefore, I recommend 1.01 (Appropriate Action Required) be ruled **Exonerated** against Sergeant Bailey, and Officer Lucas.

The officer didn't say anything to me he acted as if he was dumfounded. I said my brother is a minor and could I ride with him in the ambulance and I was told no get out the street in a nasty tone. I told the 0officer I wanted to speak to his superior when he get's here because somebody has to tell me something. Please be advised that your statement and/or your testimony may be needed at a future time for use in a civil service hearing or court of law.

On September 19, 2000, at approximately 5:20 p.m., when class had changed, me and my cousin, Xavier Barnes, had walked to the BP gas station. When we walked up there, we had walked inside of the store and I got me a drink and a bag of Doritos. When I came back out of the store, the police had pulled in and we were walking around the store. We hadn't even been up there at the gas station store. All the people started leaving the store when the police pulled in. they were like just walking away. Everybody just started walking away. We were going toward KFC, which is right beside the BP gas station. The police were coming around the gas station and they slowed up in front of us. He didn't call me or nothing. He pulled up and he stopped. Xavier walked toward the police car and I was walking pass the driver's door. When I walked pass, the police was sitting inside of the patrol car and when I walked by, he just grabbed me by my arm and I was like, "Let me go, man, what you grab me for?" The officer wasn't saying nothing, he was just holding on to me. Then his female partner got out of the car and I snatched away from the officer that was holding me and I started running across the gas station and I ran across the street and wasn't no cars in the street, no cars. The lady officer was chasing me on foot and she was crossing the street, too.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

Q: Did you witness the officers speaking with Ms. Niecie Lawrence?

A: I was knocked out. I don't know nothing else that happened.

Q: Prior to the patrol unit striking you, can you identify approximately how fast was the officer driving?

A: He was going about 50 to 60 mph. He was coming fast. I heard the engine how it sounded.

Q: The officer that initially made contact with you in the parking lot, was he the same officer that struck you with the patrol unit?

A: Yes.

Q: In your attempt to flee from apprehension running westbound on ML King, were you zigzagging in and out of traffic looking back at the officer on foot prior to the patrol unit striking you?

A: No sir. I was running straight. I was trying to get across the street. I was running straight and when I heard the engine and when he squealed his tires coming out of the gas station, I looked to the right. I saw a police car coming toward me and she had stopped right behind me and the car hit me.

On 9-19-00, myself and my partner, Officer S. E. Bell, was investigating suspicious person at number 3 Ashby Street, Southwest, when I observed the arrested subject, Mr. Lawrence in a hand to hand drug transaction where he pulled a bag of marijuana out of his left pocket and showed it to another subject. I then pulled around the parking lot to him where I told him to stop. At which point, he attempted to run. I grabbed Mr. Lawrence and he broke away from me by coming out of his shirt. My partner, Officer Bell, began to give chase on foot. I then took my patrol car and pulled out onto ML King to get closer to the subject who was running westbound on ML King in the eastbound lanes in between traffic. At which point, I pulled around and stopped my patrol car and began to exit. At which point, the subject who was looking back at my partner and zigzagging through traffic, ran into the front driver's side fender of my then stopped patrol car. At which point, he fell to the ground. I then handcuffed the subject and recovered 5 bags of marijuana and 12 hits of Crack Cocaine, and $205.00 U.S. currency. As I called for an ambulance, instantaneous, an ambulance was sitting at the corner of ML King and Ashby pulled up to my location. Myself and my partner asked them to come and check out the subject that we had just arrested. Sergeant Bailey was called to the scene and advised of what happened and ID also took photographs of the incident.

While we were trying to establish and control the crime scene, an investigation was being done on the incident. A female repeated ran into the street cursing and yelling at the officers. I don't know what her name was. At which point, she asked could she get in the ambulance with the subject who she identified as her brother. I then told her that the subject was under arrest and she was unable to ride with him because of that. She then asked for a supervisor and my name. I then told her that my name was Officer B. E. Bridges and a supervisor was on the way to the scene, and again I asked her to step back over to the sidewalk out of the crime scene. The irate female then walked to the side and continued to yell, scream, curse, and repeated to run back over to the ambulance which was in the middle of the street. After my repeated requests for her to leave the street, she finally left until Sergeant Bailey came to the scene. I then directed her to Sergeant Bailey. I don't know what was said between the female and Sergeant Bailey. After a conversation with her and Sergeant Bailey, I observed him attempting to arrest her. She was snatching away and attempting to resist arrest and not responding to any of his verbal commands. At which point, I went over to assist Sergeant Bailey in arresting the irate female along with Officer Lucas. I then grabbed her left arm and pushed it behind her back. Officer Lucas grabbed her right arm and placed it behind her back and Sergeant Bailey handcuffed her. At that point, I had no further contact with her. Mr. Lawrence was taken to Grady Hospital by ambulance. All drugs were turned in along with the money to City of Atlanta Property Management and Officer J. Hensal of Zone 1 did the accident investigation and cited Mr. Lawrence for pedestrian violation. After that, I pulled back into service.

On September 19, 2000, approximately 5:35 or 5:45 p.m., I responded to assist a unit, Officer Bridges, on a Signal 46 (person hit). When I arrived on the scene, I observed a pedestrian in the middle of the street at ML King Jr. Drive and New Castle Street. The person that was struck was lying beside a patrol vehicle. I went over and started to render aid to the person that was struck. In the meantime, a large crowd had gathered and were screaming and hollering and becoming hostile. At that time, additional units and a supervisor were requested. Other units and Sergeant Bailey responded. When the ambulance that was requested arrived on the scene, they began to treat the subject that was struck. I at that time, began crowd control. I asked everyone to step out of the street onto the sidewalk as to not disturb the crime scene or the EMTs rendering aid. I, at that point, encountered a subject by the first name of 'Fred', who stated to me that was his little brother that the police had just hit. He also stated to me that he wasn't getting out of the street. I also came into contact with Ms. Niecie Lawrence, who also stated that was her little brother. She also asked me what happened. I instructed her that I did not know what happened and that I would do my best to find out what happened for her. I just needed her to step out of the street to the side until I could gather the information for her. Fred became hostile and I had to ask him about 8 to 9 times repeatedly to step out of the

crime scene and he refused and was arrested for obstruction. Fred then said to me, that was not his little brother, it was his friend. While I was placing Fred in the rear of my patrol car, I turned to see Ms. Lawrence fighting with Sergeant Bailey. She was kicking him and failing to comply with his verbal commands. After a brief struggle, Ms. Lawrence was finally subdued and placed into the patrol car until the wagon could arrive on the scene. Once the wagon arrived on the scene, both subjects were placed in the wagon. I then explained to both subjects as well as the subject's parents who had arrived on the scene the reason for them being arrested. Ms. Lawrence also stated to me that she was sorry and she wished that she had listened to me. Fred also acknowledged his charges. Neither subject relayed to me any injuries or complaints of injuries as a result of them being arrested.

Q: Upon your arrival to render aid to the victim, Leon Lawrence, during your assistance did he state what happened or any other statements pertaining to his injuries?

A: No, he did not. He was unconscious and having a seizure.

Q: Can you be specific in describing how Ms. Lawrence was fighting with Sergeant Bailey?

A: She was swinging her arms, kicking, and scratching Sergeant Bailey. She was not adhering to any of the verbal commands that Sergeant Bailey was issuing.

Q: Were photos taken of the injuries on Sergeant Bailey?

A: Not that I know of.

Q: Did you, Sergeant Bailey, or any officer strike or hit the defendant, Ms. Lawrence?

A: No, we did not strike her, but we were utilizing techniques taught to us at the Atlanta Police Academy for subduing combative subjects, which were wrist locks and handcuffing techniques. I think it was about three of us holding her to keep her from swinging and kicking Sergeant Bailey and we were finally able to place her hands behind her back and put handcuffs on her.

Q: Was any other force or techniques used to detain Ms. Lawrence?

A: No, not other than handcuffing techniques.

On September 19, 2000 at approximately 01730 hours, I heard Officer Bridges come over the radio stating that he needed an ambulance and he needed officers for crowd control at #3 Ashby Street. I started for the location and arrived there approximately 10 minutes later. I spoke with Officer Bridges to find out what had taken place and he told me that they were chasing the male suspect on foot in an attempt to apprehend him for a drug transaction they witnessed him make. The suspect ran out into the roadway in the path of Officer Bridges patrol car and was struck by the vehicle. There was a large crowd that was unruly. At that time, I instructed the officers to disburse the crowd. There was a female (Niecie Lawrence) standing in the roadway cursing at the officers. to be patient with her and stated to her, "ma'am I don't have a problem with allowing you to ride down to the hospital in the ambulance with the suspect if he is your brother, but you have to show some proof that you are related to him." She stated " I know my rights and I ain't got to show you a god damn thing". I then told her for the last time, if you refuse to show me any ID and you want step out of the roadway you will be arrested for obstruction of an officer. Her reply again was "fuck you". I told the female she was under arrest. I reached out and took her by her arm. She started kicking and scratching me on my arm. I grabbed her around her waist area by her arms and held her until several officers came over to assist me. One of the officers was Officer Lucas. Officer Lucas escorted her to his patrol car and we placed charges on her. Officer Lucas and several other officers witnessed the whole incident.

Q: Can you identify the other officers as stated in the above statement by name?

A: Officer Lucas, Officer Bridges, a white female officer who I don't know by name who is Officer Bridges' partner.

Q: Were you injured in any way?

A: Yes I received several scratches on my arm.

Q: Did you receive medical attention or plan on receiving medical attention?

Are you providing this statement freely and voluntarily, without any promises, threats, or duress to provide information in an investigation being conducted by the Atlanta Police Department and are you aware that ANYTHING you say may be used in a civil service hearing or court of law? YES.

On Tuesday, September 19, 2000, we were coming from school at about 5 p.m. We went into the BP gas station at Ashby and MLK to get some snacks. We got snacks and we came back out the store and was headed back to school. An Atlanta Police car pulled down from behind the gas station and came between the four of us, it broke us in half. He caught us by surprise. He was going fast so all of us jumped out the way. He pulled up on the right of us and told Leon Lawrence to come the car. I stopped and the other guy stopped because he didn't tell us to come to the car. Leon went to the car. I couldn't understand what he was saying to Leon, but Leon was talking to him. Next thing I knew, I seen the police reach outside the car and tried to pull Leon in the car. I heard a big noise and then Leon ripped away out of his shirt. The people that seen it got off the property and went to the same corner. Leon, after he snatched away, he ran down towards the Autozone, in the middle of the street, running towards coming traffic, but there was no traffic coming towards Leon. The police car came out the gas station, and the officer came out the gas station going about 70 or 75 MPH in a school zone. He liked to have wrecked with about 2 or 3 people in there vehicles, but they swerved to get out of his way. He had no sirens on. After he got passed them, he sped on down the street, and hit Leon. Not just hit, he swerved and hit Leon, because he had to go to the other lane to hit Leon. He jumped out and placed Leon under arrest, while Leon was in a seizure. Then they waited for the ambulance to come, and took Leon and yellow taped the scene. The news came and all of that.

Q: How many officers were in the police car?

I am **Sergeant L. Lacoss and Sergeant C. Clements** of the Atlanta Police Department. By your making this statement you are providing information in an investigation being conducted by the Atlanta Police Department. Please be advised that your statement and/or your testimony may be needed at a future time for use in a civil service hearing or court of law.

On Tuesday, at approximately 5:54 pm, class was changing, and we walked to the B.P. to grab some sodas. We left out the B.P., and the police punched (pulled quickly) into the parking lot. He asked me and Leon to approach him. We approached him, the officer was speaking to Leon, but I didn't hear what he said. He grabbed Leon's shirt, and Leon broke up out of the shirt, and came out of the shirt. And he headed towards the street on foot. The officer drove behind him at high speed, Leon ran into the upcoming traffic, and the officer swerved over in to the upcoming traffic and rammed Leon real hard. Leon flew to the other side of the street, and he ran over hi m one more time. The officer stepped out of the car, and put Leon's hands behind his back. At the time he put his hands behind his back, Leon started having a seizure. The officer placed the handcuffs on his wrists, and they called the paramedics. Other officers arrived to the scene, they put Leon in an ambulance. Then his sister approached the scene. Fred had flagged her down, and told her her brother had just been hit by the police. Then she parked the car. She stepped out and approached the officer, and asked him what had happened. He didn't say nothing to her, and another officer told her to back up out of the street. Then she asked the officer can she ride with him in the paramedic truck. The officer still told her to back up. So Fred stepped over towards the paramedic truck. The officer had put Fred's hands up in the air, and wrapped his hands around his neck from the back, threw him on the patrol car, put him on handcuffs, and opened the patrol car door. The police officer set him half way in with the door opened. The officer tried to shut the door. Fred left his leg outside of the door, so the officer opened the door up a little more, then he punched Fred in the face three times. Fred still did not let him shut the door. So he hit him three more times in the chest. Fred finally let him shut the door. They started having problems with Niecie Lawrence, she was still trying to get in the ambulance truck. They wouldn't let her, so she asked the officer don't she supposed to ride with her brother. He told her

to back up, then he told her he was not going to tell her no more, so she was still in the street. And the officer put her in a headlock. As an officer grabbed the right side of her arm, she asked him what the charge was. They told her to shut up, and put your hands behind your back. They didn't read her her rights, and they shut the door. Channel two and Channel five came out. When Channel two got there they transported her to the police paddy wagon, and pulled off with her.

Q: Can you identify how many officers were present during the initial contact with you and Leon?

A: One male officer and one female officer in the same car, but she didn't really do nothing. She jumped out when Leon ran, but she stopped at the end of the parking lot. That's when the male officer went after Leon in the patrol car.

On September 19, 2000, at approximately 5:40 p.m., Officer Bridges and myself were on patrol in the area of 3 Ashby, Southwest. We observed an apparent drug transaction take place involving Leon Lawrence. We observed him with what appeared to be a small plastic bag containing marijuana. He was showing it to an unknown third party. When Mr. Lawrence saw us, he placed his left hand in his left pants pocket and attempted to leave the area. Officer Bridges pulled the patrol vehicle next to Mr. Lawrence and began talking to him. At this time, Mr. Lawrence attempted to break and run and Officer Bridges was able to grab him by the shirt. Mr. Lawrence struggled with Officer Bridges as I exited the vehicle. As I ran around the front of the car, Mr. Lawrence had removed himself from his shirt and began running west through the parking lot. I pursued on foot. Mr. Lawrence ran through the parking lot onto the sidewalk and entered the eastbound lanes of ML King, Jr. Drive. Mr. Lawrence continued eastbound in the lanes of moving traffic, zigzagging and looking back at me throughout the entire pursu. Mr. Lawrence continued across the eastbound lanes into the westbound lanes. As he entered the inside westbound lane, while looking back at me, he struck the left front side of the patrol car driven by Officer Bridges. Mr. Lawrence struck the vehicle as it came to a stop. Officer Bridges was already exiting the vehicle as Mr. Lawrence struck the vehicle. Mr.

I am Sergeant C. T. Clements of the Atlanta Police Department. You are being questioned as an accused in an official investigation by the Department. Also present is: None.

All employees must answer questions and make available relevant materials or sworn statements concerning an investigation of employee work rule violations when directed to do so by a disciplinary authority or duly appointed investigator. Employees may obtain representation but cannot delay questioning for more than three hours beyond the time he or she was notified of the questioning. On September 19, 2000 at approximately 1744 hours I was called to investigate a pedestrian motor vehicle accident involving a Zone 1 patrol vehicle. The location was M. L. King and New Castle Street. When I arrived on the scene the pedestrian had been removed from the roadway and placed in the ambulance. I was told that he pedestrian suffered from a head injury and needed to be transported immediately. I therefore was unable to speak to the pedestrian. I proceeded with the accident investigation at the scene and interviewing the other parties involved to include Officer Benny Bridges who was the operator of the patrol vehicle. Officer Beth Bell who was his partner and who pursued the pedestrian on foot. A witness, Ms. Faye Davis, was also interviewed at the scene. Statements were obtained from these parties and a state motor vehicle accident report was completed.

It was my conclusion, as investigator of the scene, that through witness statements and physical evidence at the scene that the pedestrian, Mr. Leon Lawrence, did in fact run into the side of the patrol vehicle and had not been run down by the patrol car as was being portrayed by bystanders at the scene.

Statements taken from witnesses: Ms. Davis stated that she was westbound on M.L.K. and had to slow down to let Officer Bridges' vehicle exist from #3 Ashby (service station) onto the roadway. She stated that the pedestrian. Mr. Lawrence, came running out into the runway just

prior to the patrol vehicle coming out. She stated that the pedestrian ran in a diagonal direction across from the service station in a northwest direction across the roadway. She stated that she stopped her vehicle in the road next to the service station because she was unsure of what was going on. She stated that she saw the patrol car accelerate towards the pedestrian and then she lost sight of the pedestrian. She saw the patrol view strike the pedestrian and saw the pedestrian's head come up above the roofline of the vehicle. She was unable too tell me the position of the vehicle to the pedestrian prior to the impact but only saw the pedestrian's head after he was hit. Ms. Davis seemed unsure of the events after the patrol car pulled in front of her but did state that she felt like the patrol vehicle deliberately struck the pedestrian.

Officer Bridges was interviewed about the accident and stated that he did pull out of #3 Ashby Street in pursuit of the suspect, Mr. Lawrence. He stated that his intention was to get in front of the suspect and stop his vehicle, exit the vehicle and make the apprehension. As he pulled up along side the suspect, the suspect abruptly turned and ran into the side of his vehicle. The suspect went up onto the hood of the vehicle and when the brakes were applied, the suspect slid off the front of the vehicle. Officer Bridges stated that the suspect appeared to have a seizure while he was on the ground. The suspect was handcuffed and taken into custody. Medical attention was immediately rendered as the rescue squad was sitting at the traffic light of MLK and Ashby.

Officer Bell was interviewed concerning the accident and she stated that she pursued the suspect on foot out of #3 Ashby and did not run out into the street but stayed closer to the sidewalk. She stated that she was off on an angle to the suspect's left rear. She stated just prior to the accident, the suspect looked over his left shoulder to see where she was and immediately upon seeing her cut to this right and into the side of the police vehicle.

Upon examination of the accident scene, there was very little physical evidence present. The only items to ascertain the point of impact were the clothing left from the suspect during his medical treatment. The patrol vehicle remained in the same position it was after the impact. The only real evidence found to credit or discredit the statements of the driver and witness were impact and scuff marks on the hood of the patrol vehicle. Examining

this evidence showed the initial point of contact, the path that the pedestrian went across the hood and the path that he took coming off the hood when the brakes were applied. Comparing this physical evidence with the injuries received by the pedestrian would be consistent with the statements as reported. In addressing the seizure and the head injury, it is believed that this was the result of contact with the roadway upon leaving the front of the vehicle. The dent found just over the front driver's wheel was indicative of a forearm (left) striking the vehicle upon impact. Sweat marks were streaked laterally across the hood from his point where the suspect apparently went onto the hood. From this point scuffed marks were seen coming down vertically towards the front of the hood. This would be consistent with the abrasions to the suspect's hip and forearm. After the sweat was rubbed off going across the hood, the friction factor increased between the suspect's skin and hot hood causing the abrasions,. The injury to the rear left of the suspect's head was most likely caused when the suspect was ejected from the hood and landed backwards striking the interior part of his head on the roadway.

It was my determination in relation to motor vehicle accident that the pedestrian ran out into the roadway and violated Georgia Code with regards to pedestrian duties. He was therefor cited for two violations of the Georgia State Code. This was in addition to other charges brought against the suspect by the pursuing officers.

Q: Was there any damage to the city vehicle?

A: The only damage noted was a small dent mentioned over the driver's front tire on the hood.

Q: Was ID called and photos taken?

A: Yes they were.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

EMPLOYEE STATEMENT

EMPLOYEE: Unknown Officers OPS # 00-C-0487-MISC

Q: What knowledge or training do you have in relation to this type of investigation?

A: I have completed all courses offered by the State of Georgia in accident reconstruction and specifically taken a course on pedestrian accident investigation in Jacksonville, FL.

Q: Can you identify the traffic lane and the position of the vehicle the officer was traveling prior to striking the pedestrian (Leon Lawrence)?

A: As indicated in the diagram section, the Georgia State motor vehicle report, Officer Bridges' vehicle was westbound on the inside lane of M.L.K. right next to the double yellow lines. Just prior to impact, Officer Bridges had exited the parking lot of #3 Ashby and come across on a diagonal path to the point of impact. He was in the travel lane of M.L.K for maybe 25 feet prior to the impact.

Q: Based on the investigation, were you able to determine the possible speed Officer Bridges was traveling prior to impact?

A: There was no physical evidence to indicate positively the speed of the vehicle. The only indication of any kind of speed would have been the distance the suspect was projected from the front of the vehicle. From what I saw, this distance was not very great perhaps 5 feet and this would not, in my estimation, indicate an excessive speed.

Q: Have you had the opportunity to interview the pedestrian Leon Lawrence during or prior to the accident?

A: No because of his medial needs and subsequent transportation to juvenile facility. I was unable to interview him. The case was turned over to the hit-and-run investigator, SPO Kelly so I called him out to the precinct to confer about he evidence on the hood of the vehicle before it was lost to the weather.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

witnesses veh [redacted] officers vehicle [redacted] turned west on M.L. King in an attempt to get in front of the suspect. Once in front of the suspect he intended to stop his vehicle exit and make the apprehension. Officer Bridges stated that the suspect was zig-zagging in the roadway in an attempt to elude the pursuit of the officers. As officer Bridges pulled near the suspect he abruptly turned northerly in his escape attempt. The suspect struck the left front of the patrol vehicle just forward of the spotlight. The suspect went up onto the vehicles hood at which time the officer hit the brakes causing the suspect to slide off the hood onto the roadway.

Upon investigation of the accident site the exact point of impact was difficult to determine. There were no deceleration or skid marks from the vehicle. Also absent were any marks that would indicate lateral movement of the vehicle indicating evasive maneuvers were made. The only damage to the vehicle was a small dent on the hood of the vehicle and some scuff marks. These marks and dent were believed to have come from the suspects elbows/arms. The evidence appears to indicate that the suspect went up on the hood of the vehicle over the drivers side fender. He went onto the hood face first and slid off backwards striking his head on the pavement. This impact with the surface of the road is most likely the cause of the contusion and laceration on the left rear of the suspects head. The suspect was transported to Grady Hospital for treatment.

The witness who was proceeding west on

M.L. King Jr. [redacted] stated that the officers vehicle came out of the B.P. Station and pulled in front of her. She stated that she saw the man come running out into the street ahead of the officer. She didn't know what was going on so she stopped her vehicle in the west bound inside lane of traffic. She saw the man running East on M.L. King and diagonal across the roadway. She stated that she could not see the man running very well, but when the officer got next to him it appeared that the officers vehicle ran into the runner. She said that all she saw of the suspect was his head when he struck the patrol car and was up in the air. The witness could not say what the suspects actions were just prior to the impact. She did say that she left the officers vehicle struck the suspect.

Based on the evidence at the scene there was nothing to indicate that the officer turned into the suspect. The evidence does support the statements that the suspect ran into the side of the patrol vehicle.

HEAD W/O CONTRAST CT

History: Status post motor vehicle accident with left head hematoma and seizure after accident.

Procedure: Multiple axial images were obtained from the skullbase to the vertex without intravenous contrast. Additional axial images were obtained from the skullbase through the cervical spine to the C7/T1 level.

Findings: The images are degraded by patient motion. The brain parenchyma is grossly normal and there is no evidence of intraparenchymal hemorrhage or acute infarction. The ventricles are normal in size and configuration. The basal cisterns are patent. The paranasal sinuses and mastoid air cells are clear. No definite fractures or bony lesions are identified. However, a small fracture may be missed secondary to motion.

IMPRESSION:
Impression: Normal noncontrast head CT somewhat limited by patient motion.

Cervical spine: No fractures are identified.

No reformatted images were obtained secondary to patient motion. There is no definite evidence of fracture or subluxation.

Impression: Normal cervical spine.

This finding was discussed with the trauma service.

HEAD W/O CONTRAST CT

History: Status post motor vehicle accident with left head hematoma and seizure after accident.

Procedure: Multiple axial images were obtained from the skullbase to the vertex without intravenous contrast. Additional axial images were obtained from the skullbase through the cervical spine to the C7/T1 level.

Findings: The images are degraded by patient motion. The brain parenchyma is grossly normal and there is no evidence of intraparenchymal hemorrhage or acute infarction. The ventricles are normal in size and configuration. The basal cisterns are patent. The paranasal sinuses and mastoid air cells are clear. No definite fractures or bony lesions are identified. However, a small fracture may be missed secondary to motion.

IMPRESSION:
Impression: Normal noncontrast head CT somewhat limited by patient motion.

Cervical spine: No fractures are identified.

No reformatted images were generated secondary to patient motion. There is no definite evidence of fracture or subluxation.

Impression: Normal cervical spine.

These findings were discussed with the trauma service.

FROM: LIEUTENANT V. M. BOWSER

DATE: MARCH 30, 2001

RE: INVESTIGATION AND DISPOSITION OF COMPLAINT NUMBER 00-C-0487-MISC

An investigation of the allegations of this complaint and any other allegations which arose during the investigation has been completed. The following represents the findings of this investigation:

1. **INVESTIGATIVE DISPOSITION:**

a. of the Complaint against **Officer Bennie Bridges**
[X] Not-Sustained for Rule: **1.01 (Appropriate Action Required)**
[X] Not-Sustained for Rule: **4.04 (Operation Of City Vehicles)**

b. of the Complaint against **Officer Nathan Lucas**
[X] Exonerated for Rule: **1.01 (Appropriate Action Required)**

c. of the Complaint against **Sergeant Derrick Bailey**
[X] Exonerated for Rule: **1.01 (Appropriate Action Required)**

Additionally, there is sufficient evidence to indicate Sergeant Bailey and Officer Lucas took the appropriate action with Ms. Niecie Lawrence. According to Sergeant Bailey, he responded to the scene after he heard Officer Bridges transmit that he needed an ambulance and additional officers for crowd control. Upon his arrival, Sergeant Bailey stated he instructed the officers to disburse the crowd. Sergeant Bailey indicated he observed Ms. Niecie Lawrence standing in the roadway cursing at the officers; and she also refused to leave the roadway while he attempted to secure the crime scene. Sergeant Bailey stated he refused to allow Ms. Lawrence to ride in the ambulance due to her refusal to identify herself; and she never requested information regarding Mr. Lawrence's injuries. When Ms. Lawrence began to repeatedly direct profanity towards Sergeant Bailey, he informed her she was under arrest, and she resisted by kicking and scratching him. Officers Lucas and Bridges advised they witnesses Ms. Lawrence attacking Sergeant Bailey and assisted him in bringing her under control. Sergeant Bailey stated he sustained minor scratches to his arm, but did not seek medical attention. Ms. Lawrence indicated in her video interview she is still experiencing pain in her shoulders, arms and chest; she did not have any visible injuries or bruises; and she has not sought any medical treatment. Therefore, I recommend **1.01** (Appropriate Action Required) be ruled **Exonerated** against Sergeant Bailey, and Officer Lucas.

On September 19, 2000, at approximately 5:20 p.m., when class had changed, me and my cousin, Xavier Barnes, had walked to the BP gas station. When we walked up there, we had walked inside of the store and I got me a drink and a bag of Doritos. When I came back out of the store, the police had pulled in and we were walking around the store. We hadn't even been up there at the gas station store. All the people started leaving the store when the police pulled in. they were like just walking away. Everybody just started walking away. We were going toward KFC, which is right beside the BP gas station. The police were coming around the gas station and they slowed up in front of us. He didn't call me or nothing. He pulled up and he stopped. Xavier walked toward the police car and I was walking pass the driver's door. When I walked pass, the police was sitting inside of the patrol car and when I walked by, he just grabbed me by my arm and I was like, "Let me go, man, what you grab me for?" The officer wasn't saying nothing, he was just holding on to me. Then his female partner got out of the car and I snatched away from the officer that was holding me and I started running across the gas station and I ran across the street and wasn't no cars in the street, no cars. The lady officer was chasing me on foot and she was crossing the street, too.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

male officer said, "If you hadn't ran, you wouldn't be in this." I said, "I probably still would have went to jail." I was like, "What if you had killed me when you hit me with that police car?" The black male officer said, "You shouldn't have ran. You ran into the police car. It's your word against mine in Court." He was saying a lot of stuff that I can't remember. He was saying stuff like, "Yea, you're in pain now. You weren't in pain yesterday. You were a big man yesterday." I asked what was the probable cause for him grabbing me and he said, "You made a false move" to make him come messing with me. I told him all these people in this gas station and you're going to come and pick me. The female officer wasn't really saying too much. I asked her, Yo don't think he was wrong for hitting me with that police car?" She said that was the probable cause of him catching me by hitting me with the police car.

On 9-19-00, myself and my partner, Officer S. E. Bell, was investigating suspicious person at number 3 Ashby Street, Southwest, when I observed the arrested subject, Mr. Lawrence in a hand to hand drug transaction where he pulled a bag of marijuana out of his left pocket and showed it to another subject. I then pulled around the parking lot to him where I told him to stop. At which point, he attempted to run. I grabbed Mr. Lawrence and he broke away from me by coming out of his shirt. My partner, Officer Bell, began to give chase on foot. I then took my patrol car and pulled out onto ML King to get closer to the subject who was running westbound on ML King in the eastbound lanes in between traffic. At which point, I pulled around and stopped my patrol car and began to exit. At which point, the subject who was looking back at my partner and zigzagging through traffic, ran into the front driver's side fender of my then stopped patrol car. At which point, he fell to the ground. I then handcuffed the subject and recovered 5 bags of marijuana and 12 hits of Crack Cocaine, and $205.00 U.S. currency. As I called for an ambulance, instantaneous, an ambulance was sitting at the corner of ML King and Ashby pulled up to my location. Myself and my partner asked them to come and check out the subject that we had just arrested. Sergeant Bailey was called to the scene and advised of what happened and ID also took photographs of the incident.

While we were trying to establish and control the crime scene, an investigation was being done on the incident. A female repeated ran into the street cursing and yelling at the officers. I don't know what her name was. At which point, she asked could she get in the ambulance with the subject who she identified as her brother. I then told her that the subject was under arrest and she was unable to ride with him because of that. She then asked for a supervisor and my name. I then told her that my name was Officer B. E. Bridges and a supervisor was on the way to the scene, and again I asked her to step back over to the sidewalk out of the crime scene. The irate female then walked to the side and continued to yell, scream, curse, and repeated to run back over to the ambulance which was in the middle of the street. After my repeated requests for her to leave the street, she finally left until Sergeant Bailey came to the scene. I then directed her to Sergeant Bailey. I don't know what was said between the female and Sergeant Bailey. After a conversation with her and Sergeant Bailey, I observed him attempting to arrest her. She was snatching away and attempting to resist arrest and not responding to any of his verbal commands. At which point, I went over to assist Sergeant Bailey in arresting the irate female along with Officer Lucas. I then grabbed her left arm and pushed it behind her back. Officer Lucas grabbed her right arm and placed it behind her back and Sergeant Bailey handcuffed her. At that point, I had no further contact with her. Mr. Lawrence was taken to Grady Hospital by ambulance. All drugs were turned in along with the money to City of Atlanta Property Management and Officer J. Hensal of Zone 1 did the accident investigation and cited Mr. Lawrence for pedestrian violation. After that, I pulled back into service.

Q: Who was driving the police vehicle when you initially pulled into the parking lot and observed Mr. Lawrence pull a bag of marijuana out of his left pocket?

A: I was.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

On September 19, 2000, approximately 5:35 or 5:45 p.m., I responded to assist a unit, Officer Bridges, on a Signal 46 (person hit). When I arrived on the scene, I observed a pedestrian in the middle of the street at ML King Jr. Drive and New Castle Street. The person that was struck was lying beside a patrol vehicle. I went over and started to render aid to the person that was struck. In the meantime, a large crowd had gathered and were screaming and hollering and becoming hostile. At that time, additional units and a supervisor were requested. Other units and Sergeant Bailey responded. When the ambulance that was requested arrived on the scene, they began to treat the subject that was struck. I at that time, began crowd control. I asked everyone to step out of the street onto the sidewalk as to not disturb the crime scene or the EMTs rendering aid. I, at that point, encountered a subject by the first name of 'Fred', who stated to me that was his little brother that the police had just hit. He also stated to me that he wasn't getting out of the street. I also came into contact with Ms. Niecie Lawrence, who also stated that was her little brother. She also asked me what happened. I instructed her that I did not know what happened and that I would do my best to find out what happened for her. I just needed her to step out of the street to the side until I could gather the information for her. Fred became hostile and I had to ask him about 8 to 9 times repeatedly to step out of the

crime scene and he refused and was arrested for obstruction. Fred then said to me, that was not his little brother, it was his friend. While I was placing Fred in the rear of my patrol car, I turned to see Ms. Lawrence fighting with Sergeant Bailey. She was kicking him and failing to comply with his verbal commands. After a brief struggle, Ms. Lawrence was finally subdued and placed into the patrol car until the wagon could arrive on the scene. Once the wagon arrived on the scene, both subjects were placed in the wagon. I then explained to both subjects as well as the subject's parents who had arrived on the scene the reason for them being arrested. Ms. Lawrence also stated to me that she was sorry and she wished that she had listened to me. Fred also acknowledged his charges. Neither subject relayed to me any injuries or complaints of injuries as a result of them being arrested.

Q: Upon your arrival to render aid to the victim, Leon Lawrence, during your assistance did he state what happened or any other statements pertaining to his injuries?

A: No, he did not. He was unconscious and having a seizure.

Q: Can you be specific in describing how Ms. Lawrence was fighting with Sergeant Bailey?

A: She was swinging her arms, kicking, and scratching Sergeant Bailey. She was not adhering to any of the verbal commands that Sergeant Bailey was issuing.

Q: Did you or any officer receive any injuries relating to the arrest of Ms. Lawrence?

A: Yes. Sergeant Bailey received scratches to his hands and arms and I'm not sure if he received any bruises to his lower extremities from her kicking him.

Q: Were photos taken of the injuries on Sergeant Bailey?

A: Not that I know of.

Q: Did you, Sergeant Bailey, or any officer strike or hit the defendant, Ms. Lawrence?

A: No, we did not strike her, but we were utilizing techniques taught to us at the Atlanta Police Academy for subduing combative subjects, which were wrist locks and handcuffing techniques. I think it was about three of us holding her to keep her from swinging and kicking Sergeant Bailey and we were finally able to place her hands behind her back and put handcuffs on her.

Q: Was any other force or techniques used to detain Ms. Lawrence?

A: No, not other than handcuffing techniques.

On September 19, 2000 at approximately 01730 hours, I heard Officer Bridges come over the radio stating that he needed an ambulance and he needed officers for crowd control at #3 Ashby Street. I started for the location and arrived there approximately 10 minutes later. I spoke with Officer Bridges to find out what had taken place and he told me that they were chasing the male suspect on foot in an attempt to apprehend him for a drug transaction they witnessed him make. The suspect ran out into the roadway in the path of Officer Bridges patrol car and was struck by the vehicle. There was a large crowd that was unruly. At that time, I instructed the officers to disburse the crowd. There was a female (Niecie Lawrence) standing in the roadway cursing at the officers. I am unsure what her name was but it was the same female that was arrested. At that time, we roped off the crime scene and attempted to move all the people back to the sidewalk and out of the crime scene area. The female refused to leave the roadway. She stated that the suspect that was struck by the vehicle was her brother. At that time I asked her to show identification. She stated, "I don't need to show you a motherfucking thing." I am Sergeant J. Cummings of the Atlanta Police Department. Are you providing this statement freely and voluntarily, without any promises, threats, or duress to provide information in an investigation being conducted by the Atlanta Police Department and are you aware that ANYTHING you say may be used in a civil service hearing or court of law? **YES.**

On Tuesday, September 19, 2000, we were coming from school at about 5 p.m. We went into the BP gas station at Ashby and MLK to get some snacks. We got snacks and we came back out the store and was headed back to school. An Atlanta Police car pulled down from behind the gas station and came between the four of us, it broke us in half. He caught us by surprise. He was going fast so all of us jumped out the way. He pulled up on the right of us and told Leon Lawrence to come the car. I stopped and the other guy stopped because he didn't tell us to come to the car. Leon went to the car. I couldn't understand what he was saying to Leon, but Leon was talking to him. Next thing I knew, I seen the police reach outside the car and tried to pull Leon in the car. I heard a big noise and then Leon ripped away out of his shirt. The people that seen it got off the property and went to the same corner. Leon, after he snatched away, he ran down towards the Autozone, in the middle of the street, running towards coming traffic, but there was no traffic coming towards Leon. The police car came out the gas station, and the officer came out the gas station going about 70 or 75 MPH in a school zone. He liked to have wrecked with about 2 or 3 people in there vehicles, but they swerved to get out of his way. He had no sirens on. After he got passed them, he sped on down the street, and hit Leon. Not just hit, he swerved and hit Leon, because he had to go to the other lane to hit Leon. He jumped out and placed Leon under arrest, while Leon was in a seizure. Then they waited for the ambulance to come, and took Leon and yellow taped the scene. The news came and all of that.

Q: How many officers were in the police car?

I am **Sergeant L. Lacoss and Sergeant C. Clements** of the Atlanta Police Department. By your making this statement you are providing information in an investigation being conducted by the Atlanta Police Department. Please be advised that your statement and/or your testimony may be needed at a future time for use in a civil service hearing or court of law.

On Tuesday, at approximately 5:54 pm, class was changing, and we walked to the B.P. to grab some sodas. We left out the B.P., and the police punched (pulled quickly) into the parking lot. He asked me and Leon to approach him. We approached him, the officer was speaking to Leon, but I didn't hear what he said. He grabbed Leon's shirt, and Leon broke up out of the shirt, and came out of the shirt. And he headed towards the street on foot. The officer drove behind him at high speed, Leon ran into the upcoming traffic, and the officer swerved over in to the upcoming traffic and rammed Leon real hard. Leon flew to the other side of the street, and he ran over hi m one more time. The officer stepped out of the car, and put Leon's hands behind his back. At the time he put his hands behind his back, Leon started having a seizure. The officer placed the handcuffs on his wrists, and they called the paramedics. Other officers arrived to the scene, they put Leon in an ambulance. Then his sister approached the scene. Fred had flagged her down, and told her her brother had just been hit by the police. Then she parked the car. She stepped out and approached the officer, and asked him what had happened. He didn't say nothing to her, and another officer told her to back up out of the street. Then she asked the officer can she ride with him in the paramedic truck. The officer still told her to back up. So Fred stepped over towards the paramedic truck. The officer had put Fred's hands up in the air, and wrapped his hands around his neck from the back, threw him on the patrol car, put him on handcuffs, and opened the patrol car door. The police officer set him half way in with the door opened. The officer tried to shut the door. Fred left his leg outside of the door, so the officer opened the door up a little more, then he punched Fred in the face three times. Fred still did not let him shut the door. So he hit him three more times in the chest. Fred finally let him shut the door. They started having problems with Niecie Lawrence, she was still trying to get in the ambulance truck. They wouldn't let her, so she asked the officer don't she supposed to ride with her brother. He told her

to back up, then he told her he was not going to tell her no more, so she was still in the street. And the officer put her in a headlock. As an officer grabbed the right side of her arm, she asked him what the charge was. They told her to shut up, and put your hands behind your back. They didn't read her her rights, and they shut the door. Channel two and Channel five came out. When Channel two got there they transported her to the police paddy wagon, and pulled off with her.

Q: Can you identify how many officers were present during the initial contact with you and Leon?

A: One male officer and one female officer in the same car, but she didn't really do nothing. She jumped out when Leon ran, but she stopped at the end of the parking lot. That's when the male officer went after Leon in the patrol car.

Q: Can you describe the male officer?

A: He is a black male, in his late thirties, I think he had a receding hairline, he weighed about 210lbs., and about 5'9". He was brown skinned.

Q: Can you describe the female officer?

A; She was a white female with low cut "bob", and it was shaved in the back. It was blonde and black. She was about 160 lbs., and about 5'6", and I think she was knock knee. They both had on full black fatigues with no hat on and high tech boots.

On September 19, 2000, at approximately 5:40 p.m., Officer Bridges and myself were on patrol in the area of 3 Ashby, Southwest. We observed an apparent drug transaction take place involving Leon Lawrence. We observed him with what appeared to be a small plastic bag containing marijuana. He was showing it to an unknown third party. When Mr. Lawrence saw us, he placed his left hand in his left pants pocket and attempted to leave the area. Officer Bridges pulled the patrol vehicle next to Mr. Lawrence and began talking to him. At this time, Mr. Lawrence attempted to break and run and Officer Bridges was able to grab him by the shirt. Mr. Lawrence struggled with Officer Bridges as I exited the vehicle. As I ran around the front of the car, Mr. Lawrence had removed himself from his shirt and began running west through the parking lot. I pursued on foot. Mr. Lawrence ran through the parking lot onto the sidewalk and entered the eastbound lanes of ML King, Jr. Drive. Mr. Lawrence continued eastbound in the lanes of moving traffic, zigzagging and looking back at me throughout the entire pursu. Mr. ..wrence continued across the eastbound lanes into the westbound lanes. As he entered the inside westbound lane, while looking back at me, he struck the left front side of the patrol car driven by Officer Bridges. Mr. Lawrence struck the vehicle as it came to a stop. Officer Bridges was already exiting the vehicle as Mr. Lawrence struck the vehicle. Mr.

A MedStat Ambulance was sitting at the red light at ML King and Ashby. They were waved to the location and Mr. Lawrence received immediate medical attention. A supervisor was requested to the scene as well as ID. Sergeant Bailey responded as well as numerous other officers to secure the scene and provide crowd control. Mr. Lawrence was transported to Grady Detention for treatment.

I am Sergeant C. T. Clements of the Atlanta Police Department. You are being questioned as an accused in an official investigation by the Department. Also present is: None.

All employees must answer questions and make available relevant materials or sworn statements concerning an investigation of employee work rule violations when directed to do so by a disciplinary authority or duly appointed investigator. Employees may obtain representation but cannot delay questioning for more than three hours beyond the time he or she was notified of the questioning. On September 19, 2000 at approximately 1744 hours I was called to investigate a pedestrian motor vehicle accident involving a Zone 1 patrol vehicle. The location was M. L. King and New Castle Street. When I arrived on the scene the pedestrian had been removed from the roadway and placed in the ambulance. I was told that he pedestrian suffered from a head injury and needed to be transported immediately. I therefore was unable to speak to the pedestrian. I proceeded with the accident investigation at the scene and interviewing the other parties involved to include Officer Benny Bridges who was the operator of the patrol vehicle. Officer Beth Bell who was his partner and who pursued the pedestrian on foot. A witness, Ms. Faye Davis, was also interviewed at the scene. Statements were obtained from these parties and a state motor vehicle accident report was completed.

It was my conclusion, as investigator of the scene, that through witness statements and physical evidence at the scene that the pedestrian, Mr. Leon Lawrence, did in fact run into the side of the patrol vehicle and had not been run down by the patrol car as was being portrayed by bystanders at the scene.

Statements taken from witnesses: Ms. Davis stated that she was westbound on M.L.K. and had to slow down to let Officer Bridges' vehicle exist from #3 Ashby (service station) onto the roadway. She stated that the pedestrian, Mr. Lawrence, came running out into the runway just

prior to the patrol vehicle coming out. She stated that the pedestrian ran in a diagonal direction across from the service station in a northwest direction across the roadway. She stated that she stopped her vehicle in the road next to the service station because she was unsure of what was going on. She stated that she saw the patrol car accelerate towards the pedestrian and then she lost sight of the pedestrian. She saw the patrol view strike the pedestrian and saw the pedestrian's head come up above the roofline of the vehicle. She was unable too tell me the position of the vehicle to the pedestrian prior to the impact but only saw the pedestrian's head after he was hit. Ms. Davis seemed unsure of the events after the patrol car pulled in front of her but did state that she felt like the patrol vehicle deliberately struck the pedestrian.

Officer Bridges was interviewed about the accident and stated that he did pull out of #3 Ashby Street in pursuit of the suspect, Mr. Lawrence. He stated that his intention was to get in front of the suspect and stop his vehicle, exit the vehicle and make the apprehension. As he pulled up along side the suspect, the suspect abruptly turned and ran into the side of his vehicle. The suspect went up onto the hood of the vehicle and when the brakes were applied, the suspect slid off the front of the vehicle. Officer Bridges stated that the suspect appeared to have a seizure while he was on the ground. The suspect was handcuffed and taken into custody. Medical attention was immediately rendered as the rescue squad was sitting at the traffic light of MLK and Ashby.

Officer Bell was interviewed concerning the accident and she stated that she pursued the suspect on foot out of #3 Ashby and did not run out into the street but stayed closer to the sidewalk. She stated that she was off on an angle to the suspect's left rear. She stated just prior to the accident, the suspect looked over his left shoulder to see where she was and immediately upon seeing her cut to this right and into the side of the police vehicle.

Upon examination of the accident scene, there was very little physical evidence present. The only items to ascertain the point of impact were the clothing left from the suspect during his medical treatment. The patrol vehicle remained in the same position it was after the impact. The only real evidence found to credit or discredit the statements of the driver and witness were impact and scuff marks on the hood of the patrol vehicle. Examining

this evidence showed the initial point of contact, the path that the pedestrian went across the hood and the path that he took coming off the hood when the brakes were applied. Comparing this physical evidence with the injuries received by the pedestrian would be consistent with the statements as reported. In addressing the seizure and the head injury, it is believed that this was the result of contact with the roadway upon leaving the front of the vehicle. The dent found just over the front driver's wheel was indicative of a forearm (left) striking the vehicle upon impact. Sweat marks were streaked laterally across the hood from his point where the suspect apparently went onto the hood. From this point scuffed marks were seen coming down vertically towards the front of the hood. This would be consistent with the abrasions to the suspect's hip and forearm. After the sweat was rubbed off going across the hood, the friction factor increased between the suspect's skin and hot hood causing the abrasions,. The injury to the rear left of the suspect's head was most likely caused when the suspect was ejected from the hood and landed backwards striking the interior part of his head on the roadway.

It was my determination in relation to motor vehicle accident that the pedestrian ran out into the roadway and violated Georgia Code with regards to pedestrian duties. He was therefor cited for two violations of the Georgia State Code. This was in addition to other charges brought against the suspect by the pursuing officers.

Q: Was there any damage to the city vehicle?

A: The only damage noted was a small dent mentioned over the driver's front tire on the hood.

Q: Was ID called and photos taken?

A: Yes they were.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

Q: What knowledge or training do you have in relation to this type of investigation?

A: I have completed all courses offered by the State of Georgia in accident reconstruction and specifically taken a course on pedestrian accident investigation in Jacksonville, FL.

Q: Can you identify the traffic lane and the position of the vehicle the officer was traveling prior to striking the pedestrian (Leon Lawrence)?

A: As indicated in the diagram section, the Georgia State motor vehicle report, Officer Bridges' vehicle was westbound on the inside lane of M.L.K. right next to the double yellow lines. Just prior to impact, Officer Bridges had exited the parking lot of #3 Ashby and come across on a diagonal path to the point of impact. He was in the travel lane of M.L.K for maybe 25 feet prior to the impact.

Q: Based on the investigation, were you able to determine the possible speed Officer Bridges was traveling prior to impact?

A: There was no physical evidence to indicate positively the speed of the vehicle. The only indication of any kind of speed would have been the distance the suspect was projected from the front of the vehicle. From what I saw, this distance was not very great perhaps 5 feet and this would not, in my estimation, indicate an excessive speed.

Q: Have you had the opportunity to interview the pedestrian Leon Lawrence during or prior to the accident?

A: No because of his medial needs and subsequent transportation to juvenile facility. I was unable to interview him. The case was turned over to the hit-and-run investigator, SPO Kelly so I called him out to the precinct to confer about he evidence on the hood of the vehicle before it was lost to the weather.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

witnesses veh [redacted] Officers vehicle [redacted] turned west on M.L. King in an attempt to get in front of the suspect. Once in front of the suspect he intended to stop his vehicle exit and make the apprehension. Officer Bridges stated that the suspect was zig-zagging in the roadway in an attempt to elude the pursuit of the officers. As officer Bridges pulled near the suspect he abruptly turned northerly in his escape attempt. The suspect struck the left front of the patrol vehicle just forward of the spotlight. The suspect went up onto the vehicles hood at which time the officer hit the brakes causing the suspect to slide off the hood onto the roadway.

Upon investigation of the accident site the exact point of impact was difficult to determine. There were no deceleration or skid marks from the vehicle. Also absent were any marks that would indicate lateral movement of the vehicle indicating evasive maneuvers were made. The only damage to the vehicle was a small dent on the hood of the vehicle and some scuff marks. These marks and dent were believed to have come from the suspects elbows/arms. The evidence appears to indicate that the suspect went up on the hood of the vehicle over the drivers side fender. He went onto the hood face first and slid off backwards striking his head on the pavement. This impact with the surface of the road is most likely the cause of the contusion and laceration on the left rear of the suspects head. The suspect was transported to Grady Hospital for treatment.

The witness who was proceeding west on

M.L. King Jr. [redacted] stated that [redacted] officers vehicle came out of the B.P. Station and pulled in front of her. She stated that she saw the man come running out into the street ahead of the officer. She didn't know what was going on so she stopped her vehicle in the west bound inside lane of traffic. She saw the man running EAST on M.L. King sort of diagonal across the roadway. She stated that she could not see the man running very well, but when the officer got next to him it appeared that the officers vehicle ran into the runner. She said that all she saw of the suspect was his head when he struck the patrol car and was up in the air. The witness could not say what the suspects actions were just prior to the impact. She did say that she left the officers vehicle struck the suspect.

Based on the evidence at the scene there was nothing to indicate that the officer turned into the suspect. The evidence does support the statements that the suspect ran into the side of the patrol vehicle.

RE: Investigative Extension Request

I respectfully request a three (3) week extension in order to complete the OPS compliant package on Officer Nathan Lucas "00-C-0541-SOP".

The reason being, Officer N. Lucas is attending training at the Forsyth Police Academy for the next 2 weeks, his statement is still pending in this matter. The other concerned parties (Grady EMT's and social worker from Grady Hospital) have been identified and contacted; however, their work schedules have prevented them thus far from meeting with me so I can document their statements and resolve this matter.

Thank you in advance.

I am Sergeant C. Clements of the Atlanta Police Department. By your making this statement you are providing information in an investigation being conducted by the Atlanta Police Department. Please be advised that your statement and/or your testimony may be needed at a future time for use in a civil service hearing or court of law.

On October 14, 2000, approximately 4:30 p.m., I was sitting down with a few friends on the corner of Payne Street or Avenue and Simpson Road in the back yard drink a couple of beers with a few friend. When it was time for me to leave, I walked across the grass going toward Simpson. While I was walking through the grass, there were a few guys less than five, no more than five. I heard them talking. Then a huge guy came up to me. I knew his face, I knew his first name, Wayne, and he said something to me and then I felt somebody grabbed me from behind. When somebody grabbed me from behind, he hit me in my face more than once. It might have been once, twice, or it might have been three times. I fell to the ground. I spit out a tooth and some blood. I tried to stand up, stumbled again. I heard somebody in the background say, "Leave him alone." I made it to my feet, walked over across the street in a staggering mode like I was stung. My head was shook up. I went to the phone booth on the corner of Ashby and Simpson right by the liquor store. I dialed 911. I got the 911 operator and said that somebody hit me, they hit me in my jaw, they hit me in my face, they took my money, and I need a police officer. Then I hung up the phone and I laid down what use to be a gas station isle. I laid there and I was trying to wait for the police. Somebody asked me did I need an ambulance and I said, yes. I laid there and the ambulance came. The people in the ambulance asked me what happened. They put me in the ambulance, started examining me. During the examination, I saw a police uniform when I looked up because he called my name, "Mr. Richardson." I could not see his face. He said, "When you get out of the

Q: Mr. Richardson, what is your specific complaint against this officer?

A: That he did not make a report.

Q: Has the report been filed since this incident occurred?

A: Yes, today, October 20, 2000.

Q: How were you able to determine that unit 3113, Officer Lucas, was the officer that responded to the original scene?

A: I went to the 5th Precinct, Zone 5 Precinct, to make a report because that is what I thought I needed to do because that is what he told me. Sergeant Shaw went to check to see if there was a report already made before he made another one. He found out there wasn't one made and he called around and he was able to pull up the information, 911 information, stating that I did make the call, what time I made the call, and what unit responded.

Q: Did the delay in the reporting result in any monetary lost in your behalf?

A: Not as of yet.

Q: Is there anything else you wish to add to your statement at this time?

A: No.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

On 10-14-00 at or about 1703 hours I was dispatched by radio on a person injured ambulance in route call at Ashby street and simpson street . Upon my arrival, I observed a Grady ambulance on the scene. I went to the ambulance and attempted to gather information about the call however, the patient in the ambulance was extremely intoxicated he was also agitated and was acting hostile. I asked him for his name and because of his drunken state myself and the E.M.T.'S could not understand him and he was unwilling to give me the pertinent information to file the report. I contacted my supervisor and advised him of the situation. The medical E.M.T"s stated to me that he was stable, I also asked how they thought that he sustained his injuries and they said that it was not known that he could have fallen and hit his mouth. They also stated that when they arrived he was lying on the ground in a drunken state.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

Re: **Transcription of Audio Tape**

At 17:03:50 hours Officer Lucas comes on the air and raises Sgt. Bailey" Radio raise unit 3196" unit 3196 eventually acknowledges with "Go Ahead" 20 seconds later.

During his next transmission at 17:04:20 he advises Sgt. Bailey of the situation on call "I have a person who has been beaten up who is extremely drink who refuses to give me any information even his name".

Officer Lucas then states his request to pull in C-9E, "request to pull-in code 9e". The tape ends after a click of the mic and the transmission is not clear.

INVESTIGATION DISPOSITION FORM

EMPLOYEE: Off. Nathan Lucas OPS CONTROL #: 00-C-0541-SOP

I. FINDING OF FACT: *(LIST FACTS IN SIMPLE SENTENCES; DO NOT INCLUDE DISCIPLINARY ACTION RECOMMENDATIONS.*
II. PROCEDURE, POLICY OR TRAINING RECOMMENDATIONS: *(DO NOT RECOMMEND DISCIPLINARY ACTION)*

I received a call from Mr. Thomas, a Grady Hospital Social Worker who advised me of Mr. Richardson's situation and that he was handling his case. Mr. Thomas told me of the 72-hour deadline for reporting these types of claims, including the monetary settlement Mr. Richardson would miss out on because of the date on the police report.

When I went to request the identities of the Grady EMT's who transported Mr. Richardson I was able to gain from my conversation with them they recalled Mr. Richardson and his hostile demeanor. They also recalled how belligerent he was with them and the responding officer.

The Grady EMT who handled the call remembers Mr. Richardson stating "some people tried to rob me but I fought them off" while he was lying in the back of the ambulance being treated.

The tape clearly states Mr. Richardson would not give Officer Lucas any information on his incident or his name.

Officer Lucas advised his supervisor of the situation as required by SOP and requested to pull-in C-9E when he couldn't get enough information to make a police report

MEMORANDUM

TO: File

FROM: Sgt. T.L. Carter

DATE: 1 June 1998

RE: Complaint File #97-C-0758-MISC

On 14 April 1998 I forwarded the listed complaint file to you for review. You reviewed and forwarded the package on 14 April 1998 to the next level of command, who in turn reviewed and forwarded through their respective levels on 15 April 1998. This file was reviewed by four supervisors, who either "exonerated" or "not sustained" the complaint. Neither of the reviewing supervisors requested additional information concerning the file or the complaint.

On 19 April 1998 Deputy Chief B.J. Rocker reviewed the file and concurred with the findings of the four supervisors on the lower levels. He did not request additional information to the file.

On 14 May 1998 a memo was forwarded to Maj. Robinson from Lt. R.G. Christian requesting that the file be altered and information added to the file. These additions are after the officers in question have received their notices of action from O.P.S., which "not sustained" their complaint. Since the information requested does not alter the findings of the investigating supervisor, it is inappropriate for any information to be added to a file that file unless the information would alter the original findings of the investigating supervisor.

Lt. Christian requested that the Preliminary Complaint Form be altered to reflect the names of the officers involved. That has been completed; however, I would point out that the original Preliminary Complaint Form was initiated in O.P.S. by Inv. Cedric Greenway and not by the investigating supervisor. If the investigating supervisor is responsible for updating information forwarded to them by O.P.S., then it would be of value should O.P.S. forward a computer disk with the original forms to eliminate having to completely redo a form. The alterations could be made on the disk.

Secondly, Lt. Christian requests "a medical report regarding the incident . . . ." The investigating supervisor never requested any medical information. The medical release

form was initiated by O.P.S. by Inv. Greenway. The form specifically requests that the information be forwarded directly to: "Officer C.N. Tyus, Office of Professional Standards, 70 Fairlie Street, Suite 500. Atlanta, Ga. 30303." Since O.P.S. requested that the information be forwarded directly to its office, then O.P.S. should determine if they have the information before sending a memo to the investigating supervisor.

While it is the responsibility of O.P.S. to oversee all investigations, it has become a cumbersome task for field supervisor's to conduct investigations of their officers and maintain a finger on the pulse of their respective sectors. This becomes especially true, when nearly every package completed and reviewed by command personnel is being sent back for additional information.

This information should not be requested for nor added to any package that has been completed and reviewed by command personnel, unless it can be shown that the information would significantly alter the findings of the original package. I feel that the continued practice of adding information to files, after they have been completed is not in the best interest of the officer or the department. It furthers the schism between the field officers and the investigators of O.P.S. and leads to less cooperation between the two.

I am Inv. Cedric Greenway of the Atlanta Police Department. Are you providing this statement freely and voluntarily, without any promises, threats, or duress to provide information in an investigation being conducted by the Atlanta Police Department and are you aware that ANYTHING you say may be used in a civil service hearing or court of law? YES.

On December 9, 1997, approximately 8:15, I heard a car pulled in front of my house and I look out my upstairs window and I saw my daughter and her boyfriend. I look out the window and told the young man what I had said to him the other night, I meant it. I told him if he come in the house, I was going to call the police on him. After I heard my security chimes, I waited about 5 minuets and I went downstairs to my daughter's bedroom door. I asked her to open the door, she didn't so I hit up against the door with my hip. In doing so I couldn't get the door open so I dialed 911. After about 15 minutes, I dialed them again. The officers arrived 5 minutes after the second call. There were two white male officers and one black male officer. When they entered the front door, the black officer asked who dialed 911 and what was the problem. I told them that I asked this young man not to come in my house, and he came in anyway and I want my daughter and the young man out of my house. The black officer said why, I said, "I said all I had to say I want them out my house." The black the officer said explain to me, I said, "Until this young man has respect for me in my home don't come back in here." At this time the young man's mother arrives. She comes in and grabs her son by the hand and making innuendoes about the kind of home and the type person I was. The shortest of the two white officers told me to shut up. I said, "You can't tell me to shut up and yall the handled the situation wrong. He again told me to shut up and that I was a junky and that I was on dope. I said, Man you don't know me and what's your supervisor's name. Then Officer Youngblood pulled his flashlight out and shined it in my face, and I told him to get the light out of my face. Then I said I still want to know who your supervisor is. Officer Youngblood

On 12-09-97 at 2018 hours I responded to 2691 Hood Ave., N.W. concerning a dispute between a father and daughter. Officers N. Lucas and C. Juhls arrived on the scene with me. Upon arrival I noticed a black male at the front door of the location. As I approached the house I could hear a male yelling inside the house. Officer Lucas, Juhls and I knocked on the door and were let in by Mr. Norman Champion. Officer Lucas began questioning Mr. Champion concerning the problem in the home. Mr. Champion answered by yelling that the wanted his daughter and her boyfriend out of his house. We inquired whether or not the daughter lived in the house and found that she did. We attempted to explain to Mr. Champion that he could not force his daughter out of his house and he became more angry. Officer Juhls requested that Mr. Champion calm down by sitting on his sofa. Mr. Champion responded to our request by getting in Officer Juhl's face and screaming that we could not tell him what to do in his house. We were finally able to get Mr. Champion calmed down and he did sit on his sofa while we spoke with all parties involved.

According to Mr. Champion's daughter, he had gotten angry with her and her boyfriend. Mr. Champion's daughter stated that she had gone in her room and Mr. Champion kicked the door in. Mr. Champion's daughter stated that she was afraid of what her dad might do when we left. She stated that both she and her mother were afraid of him because he might be high on crack cocaine. Mr. Champion's wife did not comment much on the scene. Mr. Champion's daughter stated that her mother was afraid to speak up because he would beat her if she did.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

The boyfriend remained on the porch the entire time,until his mother arrived.

After speaking with all parties involved we determined that the appropriate action to be taken was to place Mr. Champion under arrest. I advised Mr. Champion that he was being arrested and he stood up from the sofa. Officer Juhls and I placed the handcuffs on Mr. Champion. While cuffing Mr. Champion he resisted refusing to allow us to get both arms in the cuffs. Once in the cuffs Mr. Champion stated that he had a shoulder problem and wanted the cuffs removed. I advised him that I could not remove the cuffs, but I double-lock them so that they would not tighten when he leaned against them. After Mr. Champion was cuffed he requested that he be allowed to put some shoes on. A family member got him some shoes which he slipped on but did not tie. When I asked Mr. Champion to walk to my patrol vehicle with me he refused and had to be physically pushed to the vehicle.

Once at the vehicle we assisted Mr. Champion into my vehicle. Because Mr. Champion is extremely tall, he was having difficulty. I recommended that he slide in and lay across the seat and he again stated that he had a shoulder injury. I then recommended that he lay on his good shoulder which he did. I also advised Mr. Champion that we had to make one stop to have a supervisor sign the citation and then we would be enroute to pretrial where I could remove the cuffs.

When we arrived at pretrial the corrections officers asked Mr. Champion if he was injured and he responded that he wasn't.

Mr. Champion was irate practically the entire time of the incident. While arguing with his daughter he pointed and threw his arms around violently. I do no recall which supervisor signed the citation nor do I recall any requests to see a supervisor. The only time I had my flashlight on was at the beginning of the call to walk to the door. Once inside the home I placed it back in my belt to free my hands. Never at any time did I, Officer Juhls or Officer Lucas act towards Mr. Champion in an inappropriate manner. After being arrested, Mr. Champion constantly complained that we had arrested the wrong person, that we couldn't come in his house and arrest him, and that we handled the situation wrong.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

On December 9, 1997, I backed up Officer Youngblood on a working 29. When we pulled up, we were greeted by several subjects out front of the house. While we were talking with the subjects outside of the house, we could hear an argument coming from inside of the house. Officer Youngblood and Officer Lucas went to the door of the house and spoke with the people inside. I was on the front porch, talking with Mr. Champions' daughter and her boyfriend, along with the boyfriend's mother. They stated that Mr. Champion, her father, had kicked in her bedroom door, attempting to remove her boyfriend from the house. Mr. Champions' daughter stated that she believed that her dad was under the influence of crack cocaine and she was concerned that her dad (Mr. Champion) would beat up on her mother again, which has bone in the past. Mr. Champion was still yelling and screaming, inside the house, at which time I entered the house and attempted to talk to Mr. Champion and get him to calm down. Mr. Champion stated " I don't have to calm down, this is my house. I just won't my daughters boyfriend out of the house." I talked to Mrs. Champion, she stated that she was afraid of how Mr. Champion was acting. I explained to Mrs Champion, the daughter and the boyfriend their options and they expressed that they wanted to press charges against Mr. Champion. I conferred with Officer Youngblood outside the residence, then returned inside and Officer Youngblood advised Mr. Champion that he was being arrested for disorderly conduct. Mr. Champion continued to yell. Officer Youngblood told Mr. Champion to stand up from the couch several times. Mr Champion then stood up and he was taken into custody.

Q. Did you observe Off. Youngblood or any other officer act in a discourteous manner towards Mr. Champion?

Upon questioning the individuals present about the damage to the door, they advised that Mr. Champion had chased his daughter into the bedroom . When she refused to open the locked door, he kicked it in. Mrs. Champion and her daughter expressed a concern for their safety, because they believed that Mr. Champion was under the influence of "crack" cocaine. Myself, Off. Youngblood, and Off. Juhls made several attempts to calm Mr. Champion down by talking to him in a calm and control manner. But, he refused to calm down. Mrs. Champion and her daughter then stated that they would press charges against Mr. Champion, so he was arrested for "Disorderly Conduct - Violent towards persons and Property." Myself and Off. Youngblood approached Mr. Champion and he took a defensive stance. We were able to take Mr. Champion into custody using minimal force to overcome his resistance. He was walked outside and placed in the rear of the patrol car. I went back into service.

Q. What damage did you observe in the house?

NARRATIVE

on 120997 at 2146 hours I responded to 2691 Hood avenue concerning a domestic dispute between father and daughter. Upon arrival I found Mr. Norman CHAMPION arguing with his wife and daughter. Both his wife and daughter state that Mr. CHAMPION had put his hands on their face while arguing with them. They also state that Mr. CHAMPION chased his daughter to her room and attempted to get in by kicking the door. Both Zebrina and Vanessa CHAMPION expressed their fear of Mr. Norman. Mr. Norman was irate and officers were unable to calm him until he was placed under arrest.

RE: Investigation OPS Control # 97-C-0758-MISC

On March 28, 1998 I attempted to contact Ms. Norman Champion, nee Vanessa Champion, and Miss Sabrina Champion. I left a note on the front door of the residence at 2691 Hood Ave., N.W. asking that they contact me concerning the complaint filed by Norman Champion against Off. J. Youngblood. I received no message from either.

On March 29, 1998 I attempted to contact both parties by having Southern Bell Security to locate and dial the unlisted number of the Champions. On that date I spoke with Mr. Champion, who refused to give a phone number for contact, and asked that he have his wife and daughter - referenced above - to call me at the precinct to determine a time for me to interview them for this investigation. He said that he would have them to contact me.

I researched our incident reports and found a copy of the incident involving Mr. Champion's arrest in December, 1997. The report listed a phone number and I called the number on the report. On March 30, I spoke with a male subject at this number and again asked that wife and daughter contact me about his complaint. He said that he would and hung up.

As of today's date I have received no response from either party. Efforts today to contact them have gotten the same results - none. Therefore, to close this investigation I have determined that the wife and daughter have no desire to participate in this complaint. I have researched the history of this address and have found two other calls to this address, one of which Ms. Champion complained of violence by Mr. Champion towards others.

Due to lack of cooperation on the part of the family I am closing this investigation.

INVESTIGATION DISPOSITION FORM

EMPLOYEE: Off. Jeffrey A. Youngblood OPS CONTROL #: 97-C-0758-MISC

I. FINDING OF FACT: *(LIST FACTS IN SIMPLE SENTENCES, DO NOT INCLUDE DISCIPLINARY ACTION RECOMMENDATIONS.*

Off. Youngblood and two other officers responded to a signal 29 domestic involving a father and daughter and her boyfriend (unidentified). The father had become outraged at the daughter and chased her into her bedroom and tried to kick in her bedroom to gain entry to the room. When the officers arrived Mr. Champion was continually combative and argumentative. This being a domestic violence situation, where one or more parties in the household were afraid for their personal safety, the officers determined that a violation of the law had occurred and in compliance with directives effected an arrest upon the aggressor in this situation. According to the officer's report " . . . both Sabrina and Vanessa Champion expressed their fear of Mr. Norman (sic)." Mr. Champion was transported to Pre-trial Detention and accepted by corrections officers.

MEMORANDUM

TO: Major L.J. Robinson

FROM: Lieutenant W.C. Stalcup WS

DATE: April 14, 1998

RE: **OPS Complaint # 97-C-0758-MISC**

Upon review and consideration of the above mentioned complaint alleging Officer J. Youngblood failed to take appropriate action, I concur with the observations of Sergeant T.L. Carter.

I do not however believe he proved the Officers to have fulfilled all of the requirements of the written directives. I do believe if the complainant and family had cooperated with Sergeant Carter, the complaint could have been proven as either Sustained or Exonerated. There is no other cooperating evidence to prove or disprove either the Officers statements or the Complainants statement. In addition to Sergeant Carters' investigation, I did request Sergeant W.R. Jackson to come to the precinct and make a statement to address the complaint. His statement does not provide any additional information, except; he is a Supervisor and if the complainant wanted to speak to a supervisor, he certainly had the opportunity.

I therefore recommend this complaint to be disposed of as "Not-Sustained." There is insufficient evidence to sustain this complaint.

On 12-09-97, I met Officer J. A. Youngblood at the rear of the Zone One precinct to sign an arrest ticket. I don't remember anyone requesting to speak to a supervisor. Officer Youngblood didn't request that I speak to the complainant, nor did the complainant say that he wanted to speak to me while I was standing beside the patrol car.

I am Sgt. Hughey of the Atlanta Police Department. Are you providing this statement freely and voluntarily, without any promises, threats, or duress to provide information in an investigation being conducted by the Atlanta Police Department and are you aware that ANYTHING you say may be used in a civil service hearing or court of law? YES. DM.

On May 14, of 98 I was on my way home from (Glit Products) work with my co-worker named Mike. I stopped at the stop sign and a officer drove right through his stop sign and I told him very nicely that he ran the stop sign. We were going opposite directions. Trying to get home I keep going and look in my rear view and he was behind me (he turned around) I knew then he was going to pull me over for telling him he broke the law by running the stop sign.

Right then his lights start flashing and his noise maker came on so I pulled over. He came over to the car and said he pull me over for no seat belt and ask for license and insurance. I give him my insurance but told him I forgot my driver license at home. Then he told me to get out the car and put my hands on the roof and spread-em. This is when I got real nervous and terrified wondering what is he going to do. Then he began feeling on me, I jump to turn around because I felt violated and scared and he jerk me back around and told me to shut up and let him do his job and that his boss said he could touch me with the back of his hands. Then he put me in the back of the police car. After about 5 minutes he told me to get out the police car and put my hands behind my back so he can cuff me because he couldn't search me for weapons. But he searched me already ! He hurt my left shoulder trying to cuff me behind my back so he went ahead and cuff me in the front and stuck me back in the car. He call my tags and license in and my license came back clean. Then he said I will take the cuff off in a second cause you are clean " I thought I would have to take you to jail. Then a wrecker pull up and he went and talk to the guy for about 4 minutes. The he came over and open the door while I was leaning on it with and head through back, and he told me to get out, he took those painfull cuff off and told me to sit in my car and wait for my tickets. A few seconds later he give me my ticket and I was free to go with my pride totaly damaged feeling violated and harassed. Because I know and I know he know I would have not been stopped if I did not said he ran the stop sign. So he broke the law and show me that there ain't a dam thing I can do about it but to take his two ticket and his abuse and go home and cry.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

On May 14, 1998, I was travelling northbound on Sunset Ave. After I crossed over Jones Ave. I observed a white BMW with a black female driver without a seat belt on. I turned my patrol unit around on Sunset and headed southbound on Sunset to catch up with the violator. I then activated my blue lights and siren to stop the BMW. As I did this I also notified radio of my traffic stop. I then exited my vehicle and approached the suspect's vehicle. I then identified myself as Officer Lucas of the Atlanta Police Department. I also stated that I pulled you over because you are violating the seat belt law. I then asked the B/F driver for her license and proof of insurance and she stated that she had left her license at home, but she did hand me a valid insurance card. I asked her if she had any other type of identification and she stated that she did not. I then asked her to exit her car until I could determine her identity. I also ran the suspect Mrs. D. A. Mike on ACIC by her name and DOB. She came back with a valid Class C license. ACIC also provided a description that matched Mrs. Mike. I then advised her that she had a valid license and that if she could find some other form of picture I.D. that I would release her on a copy of charges. I also advised Unit 2194, Sgt. Cooper. I also advised radio to cancel the wrecker, which the dispatcher did. The wrecker driver however came on the scene and I went over to him and briefly explained that I did not need him and I also told him that it was possible that another unit could use him because our zone was operating a clean sweep. I then let Mrs. Mike out of the patrol car and removed the handcuffs and advised her to have a seat in her car which she did. Sgt. Cooper and Officer Caddle then arrived on the scene. I issued Mrs. Mike a citation for the safety belt violation and Driving without License on Person and she was allowed to leave without further incident. At no time during this traffic stop did Mrs. Mike request a supervisor, and when Sgt. Cooper arrived on the scene, she did not ask to speak to him. At no time during this traffic stop was I ever disrespectful or discourteous to Mrs. Mike. I conducted myself professionally throughout the entire traffic stop. The court date was set for June 12, 1998, 1530 hrs.

At the time of the pickup he had stopped a white BMW and was writing the driver a citation. Officer Caddle got out of our vehicle and took the tickets from Officer Lucas and I had no contact with Officer Lucas or the driver of the BMW. This is a question and answer session with Officer Lucas concerning the Dalia Mike matter.

Q- Did you tell mrs. Dalia Mike to put her hands on top of the vehicle and spread them?

A.- NO, I did not.

Q.- What are the areas of Mrs. Mike's person did you search?

A.- I did not search Mrs. Mike, I did a frisk for weapons with the back of my non-shooting hand as taught at the Atlanta Police Academy. And the area frisked was the pocket of her outer garments and her outside belt area.

Q.- What made you decide to put her in the back seat of your police vehicle?

A.- Mrs. Mike did not have a license on her person or any other type of identifications so I placed her in the back seat so that I could identify her. This was done for my safety.

Q.-Did you feel threathen at any point?
A.-Yes

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

I am Sergeant J. Martin, Jr. of the Atlanta Police Department. Are you providing this statement freely and voluntarily, without any promises, threats, or duress to provide information in an investigation being conducted by the Atlanta Police Department and are you aware that ANYTHING you say may be used in a civil service hearing or court of law? YES.

On April 18, 1999, at approximately 1:30 a.m., my brother and I went to Club ESSO in Atlanta. We stood in line for a long time Freaknik weekend. The cover charge for that night in the club was $35.00. We got up to the desk and there were something sort of discrepancy about the price. My brother and Officer Lucas was kind of going back and forth. We ended up paying the money, $35.00 each. At that time, my brother and Officer Lucas continued to talk back and forth. I pulled my brother's arm and told him to come on. At that time, Officer Lucas told me, "Don't pull him, you see me talking to him." I said, "I'm just trying to stop the argument and get on in the club." At that time, Officer Lucas told me and my brother to leave the property. I said, "What about the $70.00 that we just paid." He said, "Just get out." I asked him can I talk to the club owner or someone because we're out of $70.00. Officer Lucas said no, just leave the property. At this time, my brother and I went across the street to the parking lot. We got into my car and I was driving. The parking lot is located directly in front of the club. I pulled out of the club took a right turn and yelled out of the window verbatim, "That's mess up 'Fat Boy'". At that time, Officer Lucas pointed to another officer who was sitting in the patrol car and they pulled us over. After pulling us over, a swarm of cops rushed the car and immediately told me to get out of the car and they put me in handcuffs. At that time, Officer Lucas asked me, "Where's your license?" I replied, in my back pocket. At that time, Officer Lucas reached in my back pocket and took out my wallet. Officer Lucas said, "You're going to jail." At that time, my brother asked Officer Lucas if he could take my car keys and drive my car home. Officer Lucas said, "No, you have been drinking." That was not the case because we had just arrived at the club and we had not

goes in yet. I was in the back of the patrol car for a while while Officer Lucas wrote up his tickets. I was later transported to a paddy wagon. At that time, Officer Lucas came over to the paddy wagon and threw my license through the top of the paddy wagon but he did not give me my wallet back and I had $400.00 in my wallet. I asked him, "Where is my wallet?" He just kept walking away. At that time, I asked the driver of the paddy wagon which was another cop about what was going on with my wallet. He said that he would go ask Officer Lucas. He left and came back and said that Officer Lucas said that you didn't have a wallet. After that, they took me to jail.

Q. What is your basic complaint?

A. My first complaint is that we paid $70.00 to get into the club and we were just kicked out for an argument. No one was fighting or irate, there was just a disagreement about the price. I asked to speak to an owner or someone about possibly getting our money back if we had to leave the premises and we didn't get our money back. My second complaint is I got falsely arrested. Basically, Officer Lucas arrested me because I called him "Fat Boy", and that is not illegal. I feel that Officer Lucas fabricated charges just to stick it to me. My third complaint is I got arrested for charges that usually warrants tickets citations and that were not true anyway. My fourth complaint is Officer Lucas gave me two tickets, one for impeding the flow of traffic. As I said before, the parking lot was located directly in front of the club and at the time that I pulled out of the parking lot, there was no traffic and at no time did I slow down. My personal opinion is that Officer Lucas was just upset because I yelled out, "Fat Boy". The next complaint is that he gave me a ticket for no proof of insurance and he never asked me for my insurance, he just immediately arrested me. My next complaint is that Officer Lucas did not give back my wallet which contained $400.00, Visa card, banking card, military reserve ID, health insurance card, and various others important items. My next complaint is that in addition to being falsely arrested, I had to pay a substantial amount of

money to get out of jail, bail my car out of impound that my brother could have driven home, and find a way to catch up on various bills that I didn't have the money to pay for after my wallet was stolen.

Q: Did you or your brother use any profanity toward the employees of ESSO or Officer Lucas?

A: No sir.

Q: Did any of the employees of ESSO advise you to leave?

A: Not to my recollection. It was loud in the club and the only person I heard advise us to leave was Officer Lucas.

Q: How many times were you advised to leave the club?

A: I don't remember because after we were advised to leave, we were trying to negotiate with Officer Lucas about getting our money back.

Q: Are you indicating that you did not leave upon request?

A: We were talking and walking. We were leaving and at the same time we were asking can we have our money back..

Q: Did you leave the premises immediately upon request?

A: No, because I asked him, "Can I ask you a question"? Officer Lucas replied, "Yes."

YES.

On April 18, 1999, at approximately 1:30, me and my brother Otis Dorsey came into Club ESSO. We stopped at the door to pay the cashier. It was $35.00 to get in. I think that there was a discrepancy on the change that we were suppose to get back. The security guard came over when he heard the discussion going on. He turned to me and my brother and he mentioned that he saw the transaction and he agreed with the cashier that she gave my brother the correct change. At that point, the security guard who I think was a police officer. He started to approach and just started talking kind of heavily and aggressive. He asked us to leave the club. At this point, we had no problem with that but they wouldn't agree to give us our money back. We never left the register to walk into the club. We were parked across the street in the parking lot and when we were pulling out, the arresting officer was standing outside. When we were pulling out, my brother have a flashy car which everybody was looking that way, and the officer was looking at my brother. I'm not familiar directly with what they said to each other but Freaknix traffic was kind of back up and my brother was turning out to go to the right to get into traffic. When I turned around to my brother and asked him what did the officer say? At that point, there was a police car that was sitting there and he pointed to the police car and he pointed to our car and as soon as he pointed, the police officer that was in the car pull us over, about 50 yards up the street. Immediately, he asked my brother to get out of the car. He didn't ask for any information like insurance or anything like that. As soon as my brother got out of the car, they turned him around and handcuffed him. They started to walk back toward that way and I'm not sure what they were saying at that point because I was still in the car. But another officer came around to my side and he asked

me to get out of the car. I asked him for what reason and I need to get out of the car. I just went on and stepped out of the car. So we walked toward the police car where they were talking to my brother and the police officer that was talking to me asked me to see my ID. I pulled out my ID and he told me that he was going to check and see if there were any warrants for my arrest and if there were, he said, "He was going to knock my head off." This was a different officer from the arresting officer. All the time that this was going on, I was not really paying attention to the officer because I knew that I hadn't committed any crimes. I was really conversating with the other two officers that was trying to arrest my brother. Since my brother hadn't been in any criminal situation, I was trying to basically find out what they were arresting him for. The police officer was telling me to be quiet or they were going to arrest me. At this point, the officer that was at the club had his wallet. When the officer returned his license, he still had his wallet in his hand. All I remembering hearing is my brother saying, "Give me my wallet." I didn't hear the officer saying anything back to him. At this point, the tow truck had arrived. I asked the officer to give me the keys to my brother's car so that I could drive the car home. He told me, no, because I was drunk, which I hadn't had any alcohol. We hadn't even been in the club yet. AT this point, I begged the officers on several occasions to give me an alcohol test if they were proclaiming that I was drunk. At this point, they told me that it was at the officer's discretion and if I didn't start walking down the street they were going to arrest me. That is when I think they got the insurance charge from. They never asked to see any insurance.

Q: Did an employee from the ESSO Club advise you or your brother to leave the property?

A: No, it was the police officer.

Are you providing this statement freely and voluntarily, without any promises, threats, or duress to provide information in an investigation being conducted by the Atlanta Police Department and are you aware that ANYTHING you say may be used in a civil service hearing or court of law? YES.

On Saturday night, 4-17-99, Club E.S.S.O opened about 9 P.M. that night. I am not sure what time Officer Lucas reported to the club but it was near midnight. During the course of the night several different parties of patrons had discrepancies involving the cost of admission into the club. Most parties were not allowed admission into the club, due to either none payment or no co-operation with the cashier. I do remember two black males who were not cooperative at all. I was called by the cashier and the counter to escort them out of the club. They did not comply with my orders so I called for Officer Lucas's assistance. Me and Lucas talked the two mem out of the club. After that point I left Lucas and the other officers explain that they would not be allowed i the club for their mis-conduct. I left the front area for about 5 or 10 minutes and returned to see that someone had been arrested. I did not know exactly who it was that was arrested. All occurrences that occured that night happened at the cashier position. In many cases persons disrespect the cashier or counter by swearing at them or cursing at them. These persons are asked to leave because they cannot conduct themselves properly. Officer Lucas has worked with ' Big Boy Security ' for more than a year and a half and has never conducted himself in an aggressive manner unless he has to increase his force. We have a hands off approach and we ask the officers to do the same. Officer Lucas has always been working with me at Club E.S.S.O. at least for a year. He has been a great person to work with because he cares about the people enjoying their night. He would not arrest anyone if he did not have to.

The following is a question and answering session between Sgt. Hughey and Mr. Mumphery.

Q - Did you see Officer Lucas force either of the Dorsey brothers out of the club?
A - Yes, I did see Officer Lucas talking to them outside the club.
Q - Do you know if either brother was arrested?
A - I did not see the arrest, the talk looked peaceful, they were listing to Officer Lucas as he was explaining why they had to leave.
Q - Did you see Officer Lucas take a wallet off of either of the Dorsey brothers?
A - No.

Do you understand this? YES N.d.L.

On April 18, 1999 at or about 0130 hours while working a city approved extra job at city 489 Courtland St. (Club ESSO), I was standing outside at the sidewalk entrance to the establishment when I was summoned by a security guard who is employed by Big Boy Security Company who are hired to provide private security at Club ESSO. They advised me that they had two gentlemen at the cash register which is located at the club entrance that failed to move on and clear the cash register. The cashier was advising me that they did not want to pay the admission price but that they also did not want to leave the club. I then approached both subjects, Mr. Otis Dorsey and Mr. Derrick Dorsey. I was speaking to Derrick Dorsey who was very belligerent and irate. I could also smell the strong odor of alcohol on his breath and his speech was slurred. Mr. Derrick Dorsey was causing a commotion and was asked by the security guard stationed at the front door to exit the cash register area and clear the fire exit. He was asked four times by the security guard to exit prior to me being summoned. I then told Mr. Derrick Dorsey as indicated by the security guards who are representatives of the club that they wish that he leave the business because of this demeanor and he failed to leave. I then asked Mr. Derrick Dorsey again and he again stated that he was not going any where. Then his brother, Mr. Otis Dorsey, came and grabbed Mr. Derrick Dorsey and attempted to pull him into the club in hopes of mixing into the crowd that was in the club. I then asked Mr. Derrick Dorsey and at this time Mr. Otis Dorsey who also had the very strong odor of alcohol on his breath came to me stating that my brother has not done anything and I am going to take him into the club. I stated that if Mr. Derrick Dorsey does not exit immediately he will be arrested for criminal trespassing. After they heard this both subjects exited the club but continued to remain on the front stoop of Club ESSO and

considered to interrupt the club's business. They were asked again by me at least four more time to leave. I was asking them to leave in order to avoid them being arrested if I could because of the crowd at the club that night which was during the Black College Spring Break time period. Finally both subjects turned and walked away. Just prior to their leaving I explained that if they returned for any reason then they would immediately be arrested. Mr. Otis Dorsey was very agitated and retorted to me stating" this is fucked up fat boy". I then advised him to go ahead and continue to exit the premises, in which he did. Myself and the security officer was more than cordial in dealing with both of these subjects, but they continued to refused to comply. Nevertheless, I extended them the courtesy to go ahead and leave even after being asked eleven different times to leave. At this point both subjects left and I thought that the altercation had been disposed of but approximately five minutes later I observed a black Acura integra speed up going southbound on Courtland and come to a screeching halt at which traffic screeched to a halt behind them. The subject then stayed in the third lane of traffic causing other motorists to honk their horns and reverse to go around the black vehicle. I then heard a "that is fucked up fat boy!" come from the vehicle. That is when I noticed Mr. Otis Davis was operating the black vehicle. This was directly in front of Club ESSO and traffic was backed up at least a hundred feet or more. I motioned with my flashlight for the vehicle to move on and he at that time flipped me off with an obscene hand gesture. He continued to sit in the third lane of traffic causing a significant traffic jam. I then motioned to Officer Veasey who was on patrol and assigned to Zone 5 Morning Watch occupying a marked patrol vehicle to initiate a traffic stop on the violator's vehicle which was the black Acura which had moved only after he observed the marked patrol car approaching. The vehicle was stopped by the marked patrol car and I approached the driver. I asked the driver for his driver's license at which time he reached into his back pocket and gave me his license. I did not observe him remove his license from a wallet or binder as I only received the license. I then asked for the driver's proof of insurance and at that time he could not produce any proof of insurance for the vehicle. I then advised him to step out of the vehicle because he was under arrest for impeding the free flow of traffic ,creating an unnecessary safety hazard to other motorists and pedestrians, and no proof of insurance as well as failing to move his vehicle out of traffic when asked by the police. I advised the sector supervisor, unit 1596, and Mr. Otis Dorsey was arrested an transported to jail by unit 1515. I do not recall seeing or receiving a wallet or any other valuables from Mr. Dorsey at any time. An inventory of the vehicle prior to its impounding did not turn any items of value. Mr. Derrick Dorsey asked if he could drive his brother's vehicle home. I stated "No" because of his demeanor. I thought that at that time he was a less safe driver, under the O.C.G.A. 40-6-391 (A1) , so therefor he was not allowed to operate a vehicle. The vehicle was subsequently impounded and the violator was taken to jail.

RE: Cooperation from Extra Job Employers

As a result of off-duty employment with Club Esso, an administrative complaint was filed against an Atlanta Police Officer alleging misconduct. Numerous unsuccessful attempts were made by command to contact one of the club's employees, a witness to the complainant's encounter with the off duty Atlanta Police Officer. Multiple Atlanta Police Officers work off duty for this club. As you know, extra jobs are a privilege both for the employee and the business and as such the department has always required the full cooperation of the employee's extra job employer. Without such cooperation, the department has limited ability to monitor and investigate complaints to ensure the standards the department requires of its officers are upheld. Please review all the extra job permits you have granted at Club Esso located at 489 Courtland Street to determine if this business, which has failed to cooperate with the department, should continue to enjoy the privilege of off-duty Atlanta Police Officers working at this location.

I have attached a copy of the complaint investigation involving this club for your review.

Thank you for your assistance with this matter.

I am Investigator B. Jones of the Atlanta Police Department. Are you providing this statement freely and voluntarily, without any promises, threats, or duress to provide information in an investigation being conducted by the Atlanta Police Department and are you aware that ANYTHING you say may be used in a civil service hearing or court of law? YES. SP

On October 17, 1999, at approximately 1:00 a.m., I went to the club with my family. I was the only female and I was with my brother and my cousins. The procedure at the nightclub is that the women do not have to stand in line, so I got inside before the rest of my party. I was waiting by the register for my brother to come in because they were paying my way. There was an off-duty officer standing by the register and he came up to me and asked me why was I standing there. I told the officer that I was waiting for the rest of my party. A few seconds later he said, "Are you going in or not?" I then told the officer that they let the women in before the men and I was with an all-male party and I was waiting for them. The officer came to me again and said, "Well, you're in the way." I stood in the exit area and when my brother came through the door, I went over to my brother and I said, "Let's hurry up and get through the line so I don't have to hear his (officer) mouth anymore. The officer was in my face the whole time. The officer overheard what I had said to my brother and as we were attempting to pay the officer said, "You can't go in now." I said, why not. The officer said, "Because I don't like your attitude." The officer then told me to leave. I told him that there were other people with me. A couple of my cousins were in front of my brother so they had just paid and went inside. The officer said, "No, you need to leave." At that point, I left the club and went outside and waited out on the sidewalk. My brother who had been beside me went into the club to get my cousins. While my brother went in to get my cousins, the police officer came outside. The officer said again, "You need to leave." This was the second time that he asked me to leave. I told the officer that I had left the club, I'm on a public sidewalk, and I'm waiting on the rest of my party. It had been like 2 or 3 minutes when

my cousins had paid to go in and they were at the register trying to get their money back. It took them a minute to get outside. During the time that my brother was inside, the police officer was continuing to harass me. While the officer was doing that, I just turned my back to him and didn't say anything to him. When my brother and my cousins came out of the door, we proceeded to leave and the officer said, "You can't leave now." I said, why not. The officer said, "Because you're under arrest, and the officer put handcuffs on me. I asked the officer why was I under arrest and he didn't answer me and just continued to put the handcuffs on me. I asked him again why was I under arrest and the second time that I asked him he said, "You're under arrest for trespassing." I told the officer that he asked me to leave the club and he followed me outside and how can I be under arrest for trespassing at a club that I left when I was outside on the sidewalk. The officer just still said that I was under arrest for trespassing. The officer told me that he owned the entire area as if to say that even if I was on the sidewalk he could still arrest me. When the officer put the handcuffs on me, the jewelry that I had on was cutting me because the bracelet was caught up in the handcuff and it was cutting me. When I asked the officer could he loosen the handcuffs up because they were cutting me, he grabbed my arm and tightened them down as far as they would go onto my arm. The officer pushed my hands up into my back and he pushed me down on the car and then opened the back door with his other hand and then he turned me around and pushed me in the car by my head instead of letting me step into the car so my bottom was on the seat but my legs was out of the patrol car. The officer was yelling for me to get into the car and attempting to close the door on my legs while he was telling me to get into the car and he was attempting to close the car door at the same time. I was trying to tell him that I couldn't get into the car the way that he had sit me in the car. As I was telling the officer this, the other officer went around to the passenger's side of the car, opened the door, grabbed me by the back of my strapless dress, and pulled me across the seat into the car. When the other officer did that, my dress being strapless, was up around my waist and I was exposed. I'm handcuffed so I can't pulled my dress down. They slammed the door and the window was down about a quarter of the way and I was still speaking out of the

window asking him to please loosen up the handcuffs because they were cutting me. They were cutting me the whole time. The officer came back over to the car and I thought that he was getting ready to assist me, but he opened his door and rolled up my window. All my family was out there trying to talk to the officer to find out why he was doing this to me. They were upset because they had seen the officer throw me on the car and the other officer that dragged me across the seat. When they said something about it, the other officer that had came pulled out his maze and they told my brother and cousins that if they didn't back up the same thing was going to happen to them. When the officer rolled up the window, my brother couldn't hear me anymore. My brother looked into the patrol car and I made eye contact with him and I was crying and he could see that I was in pain. My brother said something to the officer and the officer came and opened the door and took the handcuffs off. When the officer took the handcuffs off, was able to pull my dress down and my right wrist was swollen and cut. Then the officers took me out of that police car and put me in a paddy wagon. When they took me out of the car, my brother was asking me where were they taking me because they were all from North Carolina and the officers wouldn't give them any information about where they were taking me. The officers put me in the paddy wagon and they took me to Grady Hospital. When I got to Grady, they put shackles around my legs. I had to walk to the Hospital with these things on my legs. I saw the doctor. The part of the Hospital that they took me to there was correctional officers sitting in the back of the room that they brought me into and I was harassed by them too. When I left the hospital and they took me down to where they book you and take your picture and stuff, the correctional officers there read my charges to me and he said that I was being charged with Criminal Trespassing, Obstruction to an officer, and Assault on an officer. That was the first time that I even knew about the Obstruction or the Assault because he told me that he was arresting me for Trespassing. I didn't resist, and the only thing that I was telling him is that the handcuffs were cutting me the whole time. I also would like to say that from the time that he told me I was under arrest is when he handcuffed me. I was handcuffed the whole time, I didn't resist, and I didn't touch the officer.

Q: How was Officer Lucas harassing you when you were standing on the sidewalk prior to being arrested?

A: He came outside to where I was and said to me, "I told you to leave." I told Officer Lucas that I had left the club and I was on a public sidewalk and that I was waiting on the rest of my party. When he asked me for this information, I didn't answer him, I just stood there and waited for my brother and cousins to come out.

Q: Did you strike Officer Lucas?

A: No. Before my brother and my cousins came out of the club, Officer Lucas was talking to me and I didn't say anything else to him. Officer Lucas just continued to ask me questions and I did not answer. I turned my back to him because he was in my face and I didn't say anything to him. The other officer told me that Officer Lucas had more years on the force then he did and there was nothing that he could do. I said again to Officer Lucas that the handcuffs were cutting me and at that point, is when Officer Lucas grabbed my arms and he pushed/tightened the handcuffs all the way.

Q: Where were you when you asked the other officer to come and talk to you?

A: I was still on the sidewalk handcuffed where Officer Lucas had arrested me when the other officer came up. He came up in uniform and he was in his personal vehicle, a black SUV (Sport Utility Vehicle).

Q: What is the name of that officer?

A: I didn't get his name.

Q: Give me a description of the officer that came up in his personal vehicle, a black SUV (Sport Utility Vehicle).

Q: When did he loosen the handcuffs?

A: After I was in the car for about 5 or 10 minutes and my brother finally got Officer Lucas to come and take the handcuffs off.

Q: Were you injured as a result of being arrested by Officer Lucas?

A: Yes. From the time he handcuffed me until the patrol car got there and then I was in the car for about 10 minutes before he came. The handcuffs were tight down on my arm for about 30 minutes I would say. As a result of the handcuffs, my right wrist was swollen and cut.

Q: What area of your wrist that was cut?

A: It was all the way around of my right wrist. It was like a circled imprint from the handcuffs and the bracelet that went all the way around my right wrist. Both of my bracelets were broken because of the handcuffs.

Q: What is the name of the officer that pulled you by your dress across the back seat of the patrol car?

A: I was never directly face to face with him so I could never see his face. I did asked what his name was but I wasn't given an answer. He was a Chinese or Japanese guy. That was the officer that drove up in the patrol car.

On October 17, 1999 at approximately 12:30 AM, I was working a city approved extra job at 489 Courtland Street (which is Club Esso). I am hired by Club Esso to provide a police presence, I was doing so on the night in question when I was summoned by the cashier and the Club's front doorman. They advised me that there was a black female standing in the club's entrance, who didn't want to pay the admission charge. I was asked by the doorman (Troy) if I could speak with her. I went to the cash register and observed Ms. Potter standing at the cash register. I spoke with Ms. Potter and she advised that she didn't have any money and that she was waiting for her brother to come and pay the cover charge. At that time I very politely explained to her that the club's entrance is the club's exit as well and that she couldn't continue to stand there, and that she was creating a safety hazard. She acknowledged that she understood, but she insisted that she would enter the club as soon as her brother came to pay the cover charge. With that she was allowed to stand there off to the side until her brother got to the register. Once her brother got to the register he was told that the cover charge was $15.00, per person. He refused to pay $15.00 per person, he said it was too much. They continued to stand at the cash register and debated with each other on whether or not they wanted to enter the establishment. The doorman (Troy) explained to them that they needed to make a decision to come inside the club or leave. After that time they continued to stay at the cash register and debate. I then asked them to step out of the club. Once outside the doorway they remained on the property of the club, which is a porch (or a stoop) and continued to obstruct the free access to the club by other patrons. They were then given another opportunity to either get in line and pay the admission charge, their response was to still stand on the porch and deliberate. Ms. Potter then stated to me,

"let's go ahead and pay the cover charge because I'm tired of hearing his fucking mouth. She displayed a hostile demeanor. She was then asked by me to go ahead leave the establishment for the evening. I reached that decision to prevent any further escalation of hostility and potential incident. From that point I asked her on six (6) different occasions to please leave the club's property. And she flat out refused, stating, "I ain't leaving, why I've got" leave?" I then in an attempt to exercise extreme patience, asked officer Mitchell (who was also working [illegible] on the night in question) to ask Ms. Potter to leave the establishment. He also ask her to leave approximately six (6) times, even telling her that a failure to leave would result in her arrest. She blatantly refused to leave. At that point myself and officer Mitchell advised Ms. Potter that she was under arrest for Criminal Trespass. At that point she said, "Okay I'll leave." But the decision had already been made and she had been extended several opportunities prior to that point. Ms. Potter then became very belligerent and struggled physically to keep from being handcuffed. Myself and officer Mitchell gave Ms. Potter several verbal commands to place her hands behind her back, so that we could safely place the handcuffs on her. She refused to comply with any of these commands. She was finally handcuffed after struggling with myself and officer Mitchell. I then requested from APD radio to send zone wagon to transport our suspect to the city jail. Ms. Potter continued to be very violent, loud and combative. Therefore I requested that APD radio send the closest beat car, to assist in securing Ms. Potter. Officer O'Donnell (Zone 5) responded within minutes. And upon his arrival I asked Ms. Potter to walk toward the marked patrol vehicle. She refused. This was asked several times. I then utilized a one arm come along technique that I was taught at the APD police academy to get Ms. Potter to the patrol vehicle. Ms. Potter was still very combative and was stating, "I ain't going to jail." Once at the patrol vehicle Ms. Potter was asked to sit in the rear of the patrol vehicle. She then stated, "No!" And kneed me in my groin with her left leg. This assault was witnessed by officer Mitchell, who was assisting me with getting Ms. Potter into the patrol vehicle. Ms. Potter then sat only her backside on the seat of the patrol vehicle and would not place her legs inside the patrol vehicle. She was asked by myself on four (4) different occasions to please place her legs inside the vehicle. She remained non-compliant. Officer O'Donnell went to the other side of the patrol vehicle and gently pulled Ms. Potter fully inside the vehicle. She was then secured. And when the wagon arrived she had calmed down considerably, her handcuffs were removed, and she was placed in the wagon and transported to jail.

On October 17, 1999 upon working a city approved extra job at Club ESSO, 459 Courtland Street NE, Atlanta I noticed a female standing next to a male in front of the entrance of the club. Both were asked to move by security. And officer Lucas asked both subjects to move out of the doorway six times. At that time the female refused to leave and began to argue with officer Lucas. Officer Lucas advised the women that she needed to leave and walked away. The female approached me and asked, "Why is the officer acting like an ASSHOLE?" I stated that the officer is not acting like an ASSHOLE, he asked you to leave for a reason. And she yelled, "What reason is that?" I told her, "First, you are blocking the entrance and exit to the club and that's a safety hazard. And the second reason is that when security and the officer told you to remove yourself from the doorway you became loud and boisterous. The female was then asked to leave by me and she refused. I then advised the female that she could be arrested for Criminal Trespass if she did not leave. The female replied that I could not lock her up because she did not do nothing wrong. I then explained to her that she was told to leave by security and refused and also officer Lucas and refused. and that you can be arrested for Criminal Trespass. The female began to argue with me at that time officer Lucas then advised the women that she was under arrest. I attempted to place handcuff's on the female and she pushed me and stated, "Don't touch me." I then told the women to turn around and place your hands behind your back. She said, No!" I then grabbed her by the arm and officer Lucas placed a pair of handcuff's on the female. She began to kick and struggle with myself and officer Lucas. I then advised Zone 5 radio to start a wagon or a vehicle with a screen to the location. Unit 1506 (officer O'Donnel) arrived and we (officer Lucas and myself) attempted to place the female in the back of the patrol

On October 17, 1999 at approximately 12:30 AM or 12:45 AM (whenever it was that they called for a unit) I, officer ODonnell arrived at 489 Courtland to assist the two off duty officer's (officer Mitchell and officer Lucas). And as I got on the scene I noticed that officer Lucas had a black female in handcuffs standing on the sidewalk. As I got out of my patrol car I could hear the female cursing very loudly at officer Lucas, while officer Mitchell was trying to calm down the other people in the crowd, officer Lucas had opened up the left, front side of my patrol car door and then asked the female to step in. She refused twice and continued to curse and act very belligerent. Finally after three to five minutes she went ahead sat in the patrol car with her legs outside of the vehicle. Officer Lucas the asked her to put her legs inside. She continued to be belligerent. Then officer Lucas asked me to go around to the other side of the car and told me that we were going to slide her in. That's when I went to the other side. I went into the car and grabbed her two arms with my two hands and slid her in the seat.

Q. What was officer Lucas' demeanor on the evening in question?

A. Very calm and very patient.

Q. What was the nature of the scene when you arrived?

On October 17, 1999 at approximately 1:00 AM I was driving down Peachtree Street monitoring my APD radio on the way home, when I heard a 59 call at 489 Courtland, Club ESSO. When I arrived I saw officer Lucas was at the location with a female cuffed and several males arguing with him. I exited my vehicle, ran over to officer Lucas and asked, "Are you Okay , what's going on?" From there I maintained my position beside officer Lucas to help maintain order from the hostile group that was there. Approximately three to five minutes a squad car arrived and officer Lucas attempted to order the female to the car, she refused his order. The males that were engaged in this ordeal started talking to me and asked, if I was "officer Lucas' Sergeant, because he must be a rookie." I answered him, "No, I am not a sergeant." He then stated, was I "officer Lucas' superior of any kind?" I stated, "No." After minutes of dealing with the female. I heard the door to the squad car close and I looked and saw that she was in the rear of the car. A short time later the paddy wagon arrived and there were three, maybe four officer's on the scene. I asked officer Lucas, "was he Okay?" He stated, "Yeah, I'm okay." At that time I got in my personal vehicle and proceeded to go home.

Q. How would you describe officer Lucas' demeanor throughout the time you were on the scene?

A. He was able to compose himself even though the female was resisting and several males were arguing and cursing at him.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

RE: Troy Smith

On 01-03-00 I was assigned to do a follow-up investigation on Officer Lucas. Specifically, I was asked to obtain a statement from Troy, an employee of Club Esso. I made several attempts to contact Troy at Club Esso, the phone number is (404) 872-3776. The attempts were unsuccessful and my messages went un-returned.

On 01-09-00 I spoke to a Mr. Stewart at Club Esso. Mr. Stewart stated that Troy is a part time employee and was not there. Troy was identified as Troy Smith and his phone number,
(770) 603-2754 was provided.

I have attempted to contact Mr. Smith five times. The calls were unanswered and the messages that i left have gone un-returned.

I am Sgt. Vernon Sands of the Atlanta Police Department. You are being questioned in an official investigation by the Department:

All employees must answer questions and make available relevant materials or sworn statements concerning an investigation of employee work rule violations when directed to do so by a disciplinary authority or duly appointed investigator. Employees may obtain representation but cannot delay questioning for more than three hours beyond the time he or she was notified of the questioning. Except as authorized or required, an employee shall not interfere with nor contact persons involved in an internal investigation nor disclose or discuss with anyone except the designated Departmental authority the existence or facts of an internal investigation. This restriction will not be construed to prohibit an employee from discussing any aspect of the investigation with his or her representative. Administrative statements made by employees and evidence gained by reasons of such statements may not be used against the employee in criminal proceedings involving the employee except in cases of perjury.

Do you understand this? Yes

Q. Can you tell me about the accident that you were involved in on May 9, 2000 at 622 English Ave. while driving city vehicle # 20852.

A. Yes, I was working unit 3145 wich is a zero tolerance unit charged with preventing and apprehending perpertraitors of part one crimes. I was on patrol on English Ave. which is beat 111.This beat is one of the most problematic beats in the city for the perpetration of part one crimes. At that particular time I observed a black Oldsmobile with a busted vent window , the vehicle also had a doughnut tire on it. I in an attempt to see if the vehicle was stolen began to run the tag on my city issued mobile data terminal. The terminal in the vehicle is mounted on a computer mount which sits in the vehicle at seat level,the MDT when in it's mount does not extand very high at all and in order to run a tag or any other information through the MDT you must lean down in order to enter the information. I was not trained in any typing classes by the Atlanta Police Department and I must look at the key board when entering information on the MDT. I also brought to the attention of the Atlanta police training section while being trained on the MDT third module. that the mounts in the vehicle were too low and that this was an officer safety issue. On the particular date and time I was utilizing the MDT when I looked down to run a tag. When I finished inputing the information I looked up to see my vehicle approaching very close to a parked vehicle at the aforementioned location, in a reactionary motion I pulled my car away from the parked vehicle and my vehicle's right front tire struck the listed vehicle. That contact was the only point of contact on my vehicle and the parked vehicle. I had no damage to the city patrol car's body I only

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

had damage to the vehicle's tire which was a transfer of paint from the parked car to the tire of my vehicle. I was traveling at approximately two to three miles per hour when the accident took place. At this speed I felt that I was operating my patrol car in a safe manner.

Q. **Do you think that it is safe to operate the MDT while the patrol car is in motion?**

A. Yes, it is necessary for patrol officers to use the MDT while in operation to apprehend suspected car theives, and if I stop my vehicle to run a tag I will lose sight of the suspect vehicle and not recover the vehicle nor apprehend the suspects.I was operating the vehicle at what I thought to be a safe speed I was only traveling two to three miles per hour.

Q. **Do you think that it is important for a driver to keep his/her eyes on the roadway while driving?**

A. Yes, however, as a certified police officer I am required by my police department to do several things while operating a patrol car, such as responding to radio, utalizing MDT's and ETC. I was not trained in any of my driving courses through the Atlanta Police Academy on how to perform the tasks that I am reqiured to perform while operating a patrol vehicle.

Q. **Couldn't you have easily had the tag of the suspect's vehicle checked on ACIC or by your zone dispatcher while you safely followed the vehicle until the needed information was provided?**

A. yes, however, during the course of the day I attempted to have several tags checked in this manner and I was advised by my zone dispatcher to switch to A.C.I.C. as she could not check tags for me. I also swithced to A.C.I.C. and she advised me to stand by because of the high number of units doing checks on A.C.I.C. so in order to quickly check the suspect vehicle I attempted to use my MDT.

Q. **ACIC gives priority to units requesting immediate information on vehicle registration(ex. rolling checks). Why didn't you ask radio for this request?**

A. I was advised to stand by and I couldn't get on the air so therefore I thought it was more expidient to use my MDT.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

Re: Vehicle Accident Involving Officer N.L. Lucas (Case # 001302182)

On May 9, 2000, I responded to 622 English Ave. in reference to an accident involving Officer Lucas. When I arrived, I noticed Officer Lucas's patrol car parked parallel to the victim's car. I noticed that the parked vehicle had minor damage to the left rear quarter panel. There appeared to be minor damage to the right bumper of the patrol car. I asked Officer Lucas what happened and he told me that he was driving southbound on English Ave and he came upon the victim's car. Thinking that the vehicle may have been stolen, Officer Lucas pulled up next to the parked car and started entering the tag information into his mobile terminal. Seconds later Officer Lucas noticed that his vehicle was moving and he stopped the patrol car but not before the right front tire of the patrol car scrapped the left rear quarter panel of the parked car.

Officer Lucas was cited for striking a parked vehicle and I have concluded that the accident could have been prevented if he had placed his vehicle in park prior to entering the vehicle's information into the terminal. Therefore, I recommend that an OPS package be initiated involving the safe operation of city vehicles.

I concur - LT RC Sutton 5-22-00

Chief Complaint: Pain in left shoulder.

History of Present Illness: Mr. Champion is a 40-year-old male who states that he was involved in a motor vehicle accident in December of 1989. He was seen at Grady Hospital and told that he had a bad shoulder sprain. He did fairly well until about a month-and-a-half ago when he started having increased pain in the lateral side of the shoulder and about the shoulder blade. He is taking Naprosyn currently, and occasionally Darvocet. No other chronic medical or surgical problems are described by the patient. No other injury can be recalled.

Examination of the shoulder reveals no bony or soft tissue abnormalities. Full range of motion of the left shoulder is noted except for a positive impingement. No tenderness over the AC joint. Minimal over the bicipital tendon. No mass can be palpated over the shoulder or scapula.

Radiographs he brings with him, including AP and trauma view of the shoulder, reveal no bony or soft tissue abnormality noted except for possibly a defect about the supraspinatus insertion about the humeral head.

Impression: Probable impingement syndrome, left.

Plan at this time is to try injecting the subacromial bursa with a small amount of Aristospan and Lidocaine to see if that relieves his symptoms. We will plan to see him back in three weeks and if this does not relieve his symptoms, we will proceed on with MRI. (DFP/jc) cc: KAISER

October 11, 1993: He returns. He was throwing a basketball a week ago and had some discomfort in the anterior aspect of the shoulder. He has crepitus on motion of the shoulder today passively through a full range of motion. Old films were reviewed, and again, no evidence of obvious fracture. Plan is to proceed with MRI of the shoulder to rule out any evidence of rotator cuff injury. We will see him back once this is completed. (DFP/jc) cc: KAISER

Date of Exam: 11/13/93

MRI OF THE LEFT SHOULDER: Multiple axial, sagittal and coronal oblique views of the let shoulder were obtained using a T1 and T2 weighted sequence. 3-D FT acquisitions were also obtained for ViStar manipulation.

There appears to be a Hill Sachs deformity involving the humeral head. Despite the Hill Sachs deformity suggesting previous anterior dislocation, I do not see evidence of an associated labral tear as the anterior and posterior lips of the labrum appear intact. The subscapularis and biceps tendons appear intact. There does appear to be a tear of the infraspinatus tendon associated with some atrophy of the infraspinatus muscle.

There is a complete rotator cuff tear. There is also fatty atrophy and retraction of the supraspinatus muscle. There is some increased signal within the superior labrum consistent with internal degeneration, but I do not see definite evidence of an associated slap tear.

IMPRESSION: THERE IS A COMPLETE ROTATOR CUFF TEAR AS BOTH THE INFRASPINATUS AND SUPRASPINATUS TENDONS ARE TORN. THIS IS ASSOCIATED WITH RETRACTION AND ATROPHY OF BOTH THE SUPRASPINATUS AND INFRASPINATUS MUSCLES. THERE APPEARS TO BE A HILL SACHS DEFORMITY OF THE HUMERAL HEAD, BUT I DO NOT SEE EVIDENCE O FAN ASSOCIATED LABRAL TEAR.

ANSWERED ON 17 [redacted] 083196

Champion, Herman HR#0031962 49-455.0

November 30, 1993: SURGERY. Mr. Champion was admitted through A.M. procedures and taken to the operating room under general anesthesia where he underwent repair of his left rotator cuff with acromioplasty. He had a split between the infra and supraspinatus tendons and a transverse defect at the tendon's insertion of the supraspinatus into the greater tuberosity. There were no intra-operative complications. His arm was positioned by his side, without undue tension on the repair. It is anticipated that he will be able to go home tomorrow. (DFP/jc) cc: KAISER

December 2, 1993: Discharged in good condition today. He will be seen back in the office in one week. He will remain in his arm immobilizer. (DFP/jc) cc: KAISER

December 10, 1993: He returns. He is doing fairly well. The wound is healing nicely. No erythema. No drainage. He will continue working on his external rotation exercises. No active abduction at this time. He will use his arm immobilizer full time. We will see him back in the office in two weeks and begin slowly advancing his exercise program. (DFP/jc) cc: KAISER

DECEMBER 22, 1993: He returns. He is doing fairly well. His incision is clean, healing primarily. At this point we will begin active flexion, internal rotation, passive abduction and external rotation gently done. We will begin with therapy. We will see him in about three weeks. (DFP/ks) CC: Kaiser

January 12, 1994: He returns. He is six weeks out from his rotator cuff repair. He is doing fairly well. No other changes at this point other than gradually increasing his range of motion of the shoulder. We will see him back in about a month and allow him to go on to regular activities at that time. (DFP/jc) cc: KAISER

February 9, 1994: He returns. He has lost of some abduction and external rotation. He had to discontinue his physical therapy for some reason. I attempted to reinject the subacromial bursa with a small amount of Aristospan and Lidocaine to help him with the discomfort, and could not get into the bursa, which makes me concerned he may have scarred down somewhat in the subacromial bursal area. We will get him more involved with physical therapy over the next few weeks and see him back in about a month. (DFP/jc) cc: KAISER

August 2, 1994 (MPB) He is 4 days status post debridement and partial repair of his rotator cuff with a wide acromioplasty. He is still having some moderate pain.

P.E.: On exam today his incisions are clean, dry and healing well. There is some swelling in the soft tissues and ecchymosis. He has not been doing any significant exercise. In the office we reviewed his exercise program and did some pendulums in forward flexion, both standing and supine to 90 degrees which he tolerated fairly well.

PLAN: The plan is for a home exercise program, ice and anti-inflammatories. I will see him back in a week for staple removal. I would like an outlet view at that time./jao

Igust 11, 1994 (MPB): He is now two weeks s/p debridement and partial rotator cuff repair left ioulder, still having some soreness with overhead activity but he ; doing his passive range of motion to 165°. On exam today, his :tive forward flexion is to 90° and passive is to 165°. His icision is healed nicely. Swelling has resolved. His strength is ie distal extremity is 5/5 except for his biceps with 5-/5, limited pain. Neurologically he is intact.

May 5, 1997: (MPB) Piedmont Office

Norma is back today for a new problem, right shoulder surgery. He underwent a left rotator cuff decompression 3 years ago and has made good progress. His new injury occurred on 04/14/97 when he was using a jack-hammer and lifting heavy rocks at his home to reconstruct his driveway. He developed a sharp pain in the right shoulder and has been unable to lift it without discomfort. He has been on Percocet, Ibuprofen and Tylenol #3, all of which have not helped significantly. He is right hand dominant, works construction. Past medical history otherwise is negative.

EXAM: On exam, he has full range of motion of both shoulders. His strength on the left is 5/5 in abduction, and 3/5 in external rotation; 5/5 in internal rotation. There are negative impingement signs. His muscle tone is good. On the right, he has marked impingement with crepitus in the subacromial space. Diffuse tenderness in the subacromial space. Strength is 4/5 throughout, limited by pain. He has full range of motion.

X-RAYS: Three views of the shoulder were reviewed. There is some cystic change in the greater tuberosity. Mild narrowing of the acromiohumeral interval.

IMPRESSION: New onset right shoulder pain in a patient with a previous rotator cuff tear.

PLAN: I have ordered an arthrogram to further evaluate the shoulder. I will see him back once this is available. Continue with the Advil, ice and avoid heavy lifting./sy

I am SGT.C.J.Mills of the Atlanta Police Department. You are being questioned as a accused in an official investigation by the Department. Also present is: none.

All employees must answer questions and make available relevant materials or sworn statements concerning an investigation of employee work rule violations when directed to do so by a disciplinary authority or duly appointed investigator. Employees may obtain representation but cannot delay questioning for more than three hours beyond the time he or she was notified of the questioning. Except as authorized or required, an employee shall not interfere with nor contact persons involved in an internal investigation nor disclose or discuss with anyone except the designated Departmental authority the existence or facts of an internal investigation. This restriction will not be construed to prohibit an employee from discussing any aspect of the investigation with his or her representative. Administrative statements made by employees and evidence gained by reasons of such statements may not be used against the employee in criminal proceedings involving the employee except in cases of perjury.

Do you understand this? YES

On May 10,1997 at or about 2215 hours while operating city vehicle #19494 I was dispatched with unit 3103 on a signal 29/69 at 1017 Ashby Grove Cir. S.W. Unit 3103 arrived on the scene and advised radio to have his back up unit to "STEP IT UP", radio acknowledged but did not put in a signal 59 right away for unit 3103 so there fore I did not feel justified in responding code 3. I had just turned on to Ashby St.. from Bank-Head Hwy. going southbound on Ashby St.. I could see that there was no traffic going southbound on Ashby St.. and my lane was clear. Upon approaching Jett St.. I observed a black vehicle protrude into the intersection of Jett St.. and Ashby St.. with the front of his vehicle in the south bound lane. Upon seeing the vehicle I attempted to stop, but the vehicle I was operating went into a skid. I used all measures to avoid the vehicle that had protruded into the intersection of Jett and Ashby St. I attempted to enter into the north bound lane but could not due to the fact that there was vehicles approaching in the north bound lane. I then attempted to bring the vehicle that I was operating to a stop but could not and therefore collided with the vehicle that had obstructed the intersection. Upon speaking to the driver of the vehicle that protruded into the intersection he advised that he could not see around the huge utility pole that sits on the corner of Jett and Ashby St. so he pulled into the intersection to see if he could proceed. He also stated that he tried to reverse but he could not.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

RE: Officer N. Lucas accident

In reviewing the accident package of Officer Lucas, I find that due to the situation involving a fellow officer, Officer Lucas felt an urgent need to respond as quickly as possible. He felt it necessary to exceed the speed limit to the extent the report indicates that he should have operated his emergency equipment. Had the officer done this then the other party could hear the police vehicle approaching thus avoiding the accident.

Rule 4.04 A states "Employees shall operate a city vehicle at all times in such a manner as to avoid injury to persons or damage to property."

MEMORANDUM

TO: Lt. G. Pierce

FROM: Sgt. C. J. Mills

DATE: May 11, 1997

RE: Auto Accident - N. Lucas - City Vehicle #19494

On May 10, 1997, at approximately 2220 hours, Officer Lucas advised Zone One radio that he was involved in an accident at Ashby St. and Jett St. and there were no injuries. Officer Dean had just arrived on a 29/69 at 1017 Ashby Grove and Officer Lucas was enroute to back him up. While enroute, Officer Dean came over the air stating "have the unit step it up" in a manner that indicated he needed back up as soon as possible. While continuing Southbound on Ashby St. to back up Officer Dean, without his blue lights or siren operating, a citizens vehicle pulled out in front of him from Jett St. causing the collision to occur. Officer Lucas stated he did not operate his emergency equipment due to the fact that it was not a help call but did exceed the posted speed limit of 35 miles per hour in an effort to reach Officer Dean. Officer Lucas stated there were no vehicles in front of him and traffic was very light in the southbound lane of Ashby St. Officer Lucas stated he could almost see to Simpson St. and there were no other vehicles southbound in his view. Officer Lucas stated while traveling southbound he observed a vehicle pull out of Jett St. in front of him and he did attempt to stop his vehicle, laying down 147 feet of left tire skid marks and 137 feet of right tire skid marks. These skid marks average out to 55 miles per hour of traveling speed. Officer Lucas stated when he saw the citizens vehicle enter the roadway and begin to apply his breaks, he also attempted to take evasive action by steering his vehicle into then northbound lane of Ashby St. but was unable to due so because he did observe a vehicle approximately one half of a mile down the road and was apprehensive that he would be able to slow his vehicle down in time to avoid a collision with that vehicle. The citizen stated he did stop at the stop sign on Jett St. at Ashby St. but had to pull out into the intersection to see if the road was clear. The citizen stated a utility pole obstructed his view and this was the only way he could determine if the road was clear. Once he entered the

roadway and saw the police vehicle, he attempted to put his vehicle in reverse and back up. The citizens vehicle is 17 years old and has a manual transmission and he stated he encountered difficulty placing the vehicle in reverse. The citizen stated Officer Lucas did not have his blue lights or siren in operation. When Officer Browning arrived on the scene she asked the citizen if he was injured and he stated he was not. When I arrived on the scene and asked him if he was injured he stated he was. Grady EMS arrived on the scene and transported him to Grady for further treatment. There were no visible signs of injury but when I arrived he stated his neck hurt. His vehicle was privately impounded to A-Tow for safekeeping.

Officer Lucas was enroute to assist another officer on a serious call and the officer asked him to "step it up". It was late at night and there were no vehicles in front of him when he exceeded the posted speed limit. State of Georgia Uniform Rules of the Road Act (Chapter 40-6 of the State Code) state " The driver of an authorize emergency vehicle may: (1) Park or stand, irrespective of the provisions of this chapter; (2) proceed past a red or stop signal or stop sign, but only after slowing down as my be necessary for safe operation; **(3) exceed the maximum speed limits, so long as he or she does not endanger life or property;** (4) disregard regulations governing direction of movement or turning in specified directions. " This law further states " The foregoing provisions will not relieve the driver of an authorized emergency vehicle from the duty to drive with due regard for the safety of all persons. " Officer Lucas was exceeding the posted speed limit but I believe his speed was not so excessive considering the call he was responding to. The call he was enroute to was one step below a help call and as a result the speed he was traveling was justified and appropriate for this situation and the conditions of the roadway. It was late at night and there were no vehicles traveling in front of him that he could see. These conditions were ideal for anyone forced to make the decision to exceed the posted speed limit by 20 miles per hour to assist a fellow officer in need. The citizen clearly states his vision was blocked by a large utility pole which caused him to enter the intersection blindly. This utility pole is large and as such blocked Officer Lucas's ability to view the citizens vehicle. If the citizen was unable to see Officer Lucas due to the position of the utility pole it is clear and apparent that Officer Lucas was unable to see him and as such can not be held accountable for the accident. In any situation, even this case where there is a clear obstruction, anyone traveling on Ashby St. has the right of way to anyone entering the roadway from a side street, who must yield to the traffic on Ashby St. As such I find Officer Lucas not at fault in this accident and recommend no further action in this matter.

NARRATIVE

On the listed time and date while responding to 29/69 with Unit # 3103 asking for a unit to continue to his location. I was at Ashby St. approaching Tett street, when I observed a Black Nissan 280 zx proceed into the intersection with the front of his car sticking out onto Ashby Street. I attempted to brake but could not avoid a collision with the vehicle that entered into the roadway. The right front of vehicle #19494 was damaged on the head light and grill. Mr. Williams had a 5 gallon bucked of paint in his vehicle that was secured at the home of Mrs. R. Loy who resides at 454 Ashby St. Mr. Williams advised us that he wanted Mrs. Riley to secure his property.

On June 28, 1997, Officer Nathan L. Lucas was at 2867 Bankhead Highway interviewing witnesses in reference to a six year old missing child.

The dog used to guard the location ran threw an opened gate and jumped on Lavita Daniels. After being fended off by Ms. Daniels, the dog began to pursue the mother of the reported missing child.

Officer Lucas, in fear that the dog would cause serious bodily harm to the child, drew his weapon and fired one shot at the attacking dog. The dog was hit ending his attack. The dog later died as a result of this injury.

There was no injury to people in the area or damage to property as a result of this discharge.

On 06-28-97 at 1730 I was interviewing Lavita Daniels at 2867 Bankhead Hwy. in reference to a signal 56. While at this location, I observed a large dog between the weight of 75 to 85 pounds in a six foot fence. The dog was secured inside the fence and was barking and growling and acting vicious toward people walking by the location. I observed Kenniethe Brooks open the fence containing the dog. I then heard the dog growling, as I turned I observed the dog jump on Lavita Daniels, as he jumped on top of her he was making attempt to bite her by quickly snapping at her. The victim was able to push the dog off of her and run. The dog then continued to pursue the victim along with Deneen Smith and Erick Smith. The dog was growling and barking in a vicious manner as he pursued the victims. The dog was attempting to attack the victims when I drew my weapon. I feared that the dog would have caused very serious bodily injury to the six year old male that he was trying to attack. At the time I drew my weapon I noticed that there was no one in the line of fire except the animal. To the rear of the animal was a concrete building with no other person around that could be harmed by my round. I fired one shot which immediately stopped the unsecured animal. The victims were then able to clear the attacking dog. I then notified radio and Sgt. Padgett who responded to the scene. Kennieth Brooks advised that the dog belonged to the business of Mitchell Construction Co. in which he was employed. Radio notified Animal Control who advised that they would not respond to charge Mr. Brooks and take over the scene. I charged Mr. Brooks with the appropriate charge and released him on a copy. The victims advised that they were not injured and refused treatment.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

YES.

On June 28, 1997, I was at the Auto Parts Store on Bankhead. I was walking past with Little Darius coming from the pool on Dogwood. I didn't know the man had left the gate open and the dog ran out and jumped up on me. I started fanning the dog down and screamed. The dog ran over to where the police officer was. The police officer was there with Little Darius's Mother and Father. Little Darius' Mother and Brother started running. The dog chased them. Before the dog got to them the Police Officer shot the dog.

Q: How many times did the officer shoot at the dog?

TO: CHIEF E. J. HARVARD

FROM: MAJOR S. M. O'BRIEN

DATE: APRIL 20, 1998

RE: INVESTIGATION AND DISPOSITION OF COMPLAINT NUMBER 97-C-0193-UAF

An investigation of the allegations of this complaint and any other allegations which arose during the investigation has been completed. **The following represents the findings of this investigation:**

1. **INVESTIGATIVE DISPOSITION:**

a. of the Complaint against **Officer Nathan L. Lucas**

[X] **Not-Sustained** for Rule: **2.50 (Maltreatment Or Unnecessary Force)**

II. POLICY OR PROCEDURAL CHANGES, TRAINING RECOMMENDATIONS, AND/OR COMMENTS

I have read the investigative complaint file and recommend that the investigative disposition of the complaint against Officer Nathan L. Lucas for violation of Employee Work Rule 2.50 (Maltreatment Or Unnecessary Force) be ruled **Not-Sustained**.

The complainant alleges Officer Nathan L. Lucas used unauthorized force against him on April 21, 1997.

Officer Nathan L. Lucas denies the complainant's allegations.

A review of the complaint file revealed the following information. On April 21, 1997, while operating radar on Jackson Parkway, Officer Lucas observed the complainant driving a blue Cadillac driving 52 mph in a 40 mph zone. Officer Lucas initiated his emergency equipment in an attempt to stop the complainant, but he refused to stop. Officer Lucas followed the complainant onto Wedgewood Drive where he threw a cup out of the window. After the complainant finally came to a complete stop, Officer Lucas exited the patrol vehicle and began to walk towards the complainant's vehicle. The complainant then sped off. During the time Officer Lucas pursued the complainant, the complainant slammed on his brakes in an attempt to cause Officer Lucas to strike his vehicle in the rear. Officer Lucas advised he was able to avoid the complainant's vehicle, but then the complainant rammed his Cadillac into the patrol vehicle, sped up, slammed on brakes again, and then bailed out and ran. Officer Lucas indicated he then chased the complainant on foot. The complainant approached a Deputy Sheriff who brought him under control, after he was taken to the ground and then handcuffed, after a brief struggle.

Officer Lucas indicated he called for an ambulance and a supervisor, after he noticed blood on the complainant's leg, just below the knee. Sergeant Mills indicated in her investigation that it is unclear how the complainant sustained the two deep cuts to his left leg. Further investigation revealed that the area where Officer Lucas chased the complainant was wooded and there were also fences down. Officer Lucas also sustained injuries to his leg, face and arm during the time he pursued the complainant. ID Technician Arnold photographed the accident scene.

MEMORANDUM
PAGE THREE
97-C-0193-UAF

The complainant's Medical Record indicated he arrived at Grady Hospital by car at 0440 hours. His left leg was treated for bruises, puncture wounds, and he received several stitches. There was also an abrasion on his abdomen. He was then released to be returned to the jail at 0530 hours.

The information contained within the complaint file indicate there is insufficient evidence at this time to prove or disprove the complainant's allegation.

III. INVESTIGATIVE SUMMARY:

A. ALLEGATION:

Lendale Smith alleged Ofc. Nathan L. Lucas used unauthorized force against him on April 21, 1997.

B. ACCUSED EMPLOYEE'S RESPONSE:

Ofc. Nathan L. Lucas denies any wrong doing.

C. PHYSICAL EVIDENCE:

Medical records

D. WITNESSES:

Lendale Smith alleges Officer Lucas hit him with his fists and kicked him. Mr. Smith denies driving the vehicle and indicates Officer Lucas struck him with the patrol vehicle as he was standing near his vehicle. He also indicates he couldn't have run a stop sign on Jackson Pkwy because there are no stop signs on Jackson Parkway.

Deputy Rajl Allen indicates on April 21,1997 at approx. 2230 hours he was working private security for Kelly Security Inc. in the Bowen Homes Housing complex when he observed the complainant running across an open field directly towards him. Deputy Allen then noticed what appeared to be an Atlanta Police Officer chasing the first subject.

Deputy Allen states he observed the complainant carrying something in his hands as he approached his location. Deputy Allen indicates he drew his weapon and ordered the complainant to stop and place his hands over his head. At that point the complainant stopped and then attempted to run again when the complainant fell face forwards. Deputy Allen indicates he was able to holster his weapon and hold the complainant down until the pursuing officer could place handcuffs on the subject. Deputy Allen further states a few moments later several Atlanta Officers arrived on the scene and secured the suspect in a vehicle and then drove away. Deputy Allen reveals at no time did he observe any one strike the complainant or place a weapon at the complainant's head.

Sergeant Carrie Mills indicates this incident began as a traffic stop where Officer Lucas clocked the complainant on his radar traveling 52 miles per hour in a 40 mile per hour zone on Jackson Pkwy. Officer Lucas initiated his blue lights and siren in an attempt to get the violator stopped. When the complainant pulled over he threw a cup out of the window. As Officer Lucas approached the vehicle on foot the complainant drove off and Officer Lucas pursed the complainant to Wedgewood Drive and St. James where he slammed on brakes causing the officer to take evasive action and pull parallel to the complainants vehicle.

At that point Sergeant Mills reveals the complainant rammed the officer's vehicle as indicated in the accident report. The complainant exited his vehicle and fled on foot. Officer Lucas chased the complainant for approximately 1/4 of a mile before he was apprehended by Deputy Allen.

Sergeant Mill indicates she spoke with the complainant at the scene and Mr. Smith stated he sustained the injury to his leg when Officer Lucas struck him with his vehicle. Sergeant Mills described the complainant's injuries as two deep cuts that she believes occurred when the complainant fell down a embankment as reported by Officer Lucas.

Sergeant Mills also indicates she spoke to witness Goldie Marshall who verified Officer Lucas's account of the complainant stopping and then driving off as the officer approached his vehicle.

Deputy Rodney Ryan indicates he was working off duty for Kelly Security Inc. at the Bowen Homes Housing complex when he saw two Atlanta Police patrol vehicles speed past him heading towards the rear of the complex. When Deputy Ryan arrived at the scene he saw several Atlanta Police Officers and Deputy Allen and a black male setting on the ground with handcuffs on. Deputy Ryan states he noticed a gash on the suspect's leg near his ankle which he heard the suspect injured himself when he jumped a fence attempting to flee the police. Deputy Ryan indicates he never saw anyone strike or hold a gun to the suspect's head.

Officer Steven Dean and his partner arrived at the Bowen Home location after the suspect had been apprehended. Officer Dean indicates he spoke to Officer Lucas and asked him if he was okay and, then he and his partner left the location. Officer Dean states he neither saw anyone strike or place a weapon at the complainant's head.

Officer Adrienne Prince advises she and Officer Dean were riding together when they heard Officer Lucas indicate he was chasing a suspect on Jackson Parkway. Officer Prince states she and Officer Dean went to the rear of the Bowen Homes complex near the school where they both knew of a opening in the fence line leading to the rear of the complex. Officer Prince advises by the time she and Officer Dean arrived the suspect was sitting on the ground handcuffed. Officer Prince advised she and Officer Dean did not participated in the suspect's apprehension nor did they see anyone strike or place a weapon to the suspect head.

Officer Douglas Dickinson states he was the wagon driver that night and transported the complainant to the Wedgwood location where the vehicles involved in the accident were left. Officer Dickinson further states the complainant was treated by EMT's on Wedgwood and then he transported the complainant to the Zone 1 precinct where a morning watch wagon transported the complainant to Grady hospital for treatment. Officer Dickinson stated he did not observed anyone striking or placing a weapon to the complainant's head.

Officer Scott Roberson indicates he arrived at the Bowen Homes complex after the complainant had been apprehended and spoke to Officer Lucas who advised him the complainant had thrown something out of the car on Wedgewood, like a cup or something. Officer Roberson states he went to that location and located a empty red plastic cup in the street. While Officer Roberson and Officer Murphy checked the complainant's vehicle, an insurance card was found and the vehicle checked out ok. A few moments later, the wagon driver that brought the complainant to the Wedgewood Drive location.

Officer Roberson reveals while the EMT's team were treating the complainant he spoke to the complainant and asked him, whose car was he driving and other pertinent questions. The complainant advised Officer Roberson he didn't have a license and was trying to get the car home. Officer Roberson indicates he didn't witness any portion of the car chase, foot chase or the complainant's arrest.

Officer David Quinn states he was not involved in the arrest of the complainant, and reveals when he arrived on the scene he observed the complainant handcuffed and secured with two Sheriff Deputy's and Officer Lucas standing by. Officer Quinn states he did not see anyone strike or place a weapon at the complainant's head and only noticed the complainant's injured ankle which had a bandage on it.

E. INVESTIGATIVE FINDINGS:

On April 21,1997 Officer Lucas was operating radar on Jackson Parkway when he observed a Blue Cadillac traveling at 52 miles per hour (as indicated by radar) in a 40 mile per hour zone. Officer Lucas initiated his emergency equipment in an attempt to pull the listed vehicle over for the traffic violation. The driver refused to stop and continued north on Jackson Parkway and then turned right onto Northwest Drive and then made a right turn onto Wedgewood Drive where the suspect slowed down and threw a cup out of the window. Once the suspect had come to a complete stop Officer Lucas exited his vehicle and approached the suspect's vehicle. As Officer Lucas approached the vehicle the suspect sped off. Officer Lucas pursued the suspect and the suspect slammed on the brakes in an attempt to caused Officer Lucas to strike the suspect's vehicle in the rear.

Officer Lucas was able to avoid the suspect's vehicle by maneuvering his patrol vehicle to the left side of the roadway almost parallel with the suspect's vehicle. At that point Officer Lucas indicated the suspect rammed his patrol vehicle causing the patrol vehicle to swerve. Officer Lucas says after gaining control of his vehicle he noticed the cadillac as it sped up. Officer Lucas indicates he observed the driver's side door come open and the suspect slammed on the brakes again and bailed out of the cadillac and ran. As the officer attempted to stop his patrol he indicates he inadvertently stuck the door on the driver's side of the cadillac. Officer Lucas gave chase.

While chasing the suspect Officer Lucas states at some point he fell over a large tree injuring his left knee after crossing Jackson Parkway , when he attempted to climb the fence and then fell and injured the left side of his face.

Officer Lucas states as he continued the foot pursuit and maintained visual contact with the suspect , the suspect approached a Sheriff's Deputy who detained the suspect near 1065 Wilkes Cir. Officer Lucas indicates the suspect struggled with the deputy and was brought under control after he was taken to the ground and then handcuffed.

At that point Officer Lucas noticed blood on the suspect's leg, below the knee, and then called for an ambulance to treat the suspect's injury.

Sergeant Mills indicates her investigation reveals the injuries the suspect sustained possibly occurred when the suspect fell while attempting to flee. The area where the officer chased the suspect was wooded and there were fences down where the officer also injured himself.

The suspect's medical report reveals he was treated for injuries on his left leg and received several stitches. There was an abrasion on his abdomen.

Officer Lucas and Deputy Allen were the only law enforcement officers at the scene involved in the physical arrest of the suspect. In their statements, Officer Lucas and Deputy Allen indicated the suspect was restrained and handcuffed. Deputy Allen advises he drew his weapon when he saw the suspect running from Officer Lucas with something in his hand, and holstered his weapon when he assisted Officer Lucas in subduing the suspect.

On April 21, 1997, at approximately 1030:p.m. I was operating a radar unit on James Jackson Parkway when I observed a blue Cadillac going above the speed limit. I then confirmed with my radar unit the speed he was going which was 52 miles per hour in a 40 mile per hour zone. I could tell that the driver of the vehicle was a black male with red hat on. Upon getting behind the Cadillac I activated my blue lights. The driver did not stop. At that time I activated my siren, he continued to go North on Jackson Parkway toward Cobb County and made a right on Northwest Dr. He then continued on Northwest Drive and made a right hand turn onto Wedgwood. Once on Wedgewood the Cadillac slowed to a stop. When he slowed to a stop, I exited my vehicle. As he slowed he threw something out the drivers window. As I stepped out of my vehicle to approach the Cadillac, the Cadillac sped off. I returned to my patrol unit and resumed pursuit. Once I resumed pursuit, the driver of the Cadillac slammed on his brakes in an attempt to cause me to strike his vehicle in the rear; however, I had maintained a safe distance and was able to go into the left lane in order to avoid striking the vehicle. I was still coming to a stop in the left lane as was the Cadillac in the right lane. As my patrol unit came almost parallel, the driver of the blue Cadillac turned left into my patrol unit causing me to temporarily loose control of my unit. As I gained control, the blue Cadillac step up. At that time I noticed the

interior light on, I could tell that the door was partially ajar. I could see the interior light on the inside of the Cadillac's door. After gaining control and assuming a safe position behind the blue Cadillac, he slammed on the brakes again, threw the car into park, and at the same instant slung the door wide open and bailed out running. As I was attempting to stop, I inadvertently struck the driver's side door that he had slung open. I stopped, put my car in park and gave chase on foot. As I was chasing him through a wooded, sticker briar area with a lot of fallen trees and downed fences, I was giving him verbal commands to stop. He failed to comply. While I was chasing him I fell over a huge fallen tree and injured my left knee. I got up and assumed chasing him. He crossed Jackson Parkway and would have had to climb over gone through a fence. As I approached the fence, I attempted to climb it and fell and injured the left side of my face above my left eye. I made it over the fence on my second attempt and began pursuit again. I had been able to maintain visual contact with the suspect. Then I observed the off-duty Sheriff's unit in Bowen Homes arrive in a black vehicle. At that time the Deputy Sheriff's got out of the vehicle as the subject was running towards them. At 1065 Wilkes Circle, they attempted to apprehend the subject , but he became violent and started fighting with the off-duty Deputies. I was able to catch up with the Sheriff's Deputies, the subject was still fighting us and we had to take him to the ground. I had his arm or wrist and used a wrist lock and told him to get on the ground. He then started going to the ground, by squatting down. We placed the subject on his stomach. At that time I brought both of his hands to the rear of his back and placed hand-cuffs on him. By this time other APD units arrived on the scene. I noticed that the subject had a large laceration to on of his legs, below the knee. I called an ambulance for the subject and myself. A short time later, Grady Ambulance arrived on the scene and treated both the suspect and myself. After placing the suspect into the wagon, he stated to me that the reason he ran was because he had no drivers license and he did not want his wife's car impounded. YES.

On April 21, 1997, at approximately 10:30p.m. I was patrolling Bowen Homes Apartments. While driving a black vehicle owned by Kelley Security, I approached the east side of the apartments where I noticed a figure running across an open field towards me. I immediately noticed another figure behind the first one, also running. The second figure seemed to be an Atlanta Police Officer. As the first person ran towards me I noticed he had something in his right hand. At that time I drew my weapon and pointed my flashlight into his direction. While concealing myself behind the vehicles door I shouted, "Fulton County Sheriff, stop and place your hands above your head." As the subject walked towards my light I noticed he had a hat in his hand. At that time the subject attempted to run again but fell face first. I then holstered my weapon and held the subject on the ground with my knee centered in the upper torso of his body. Almost simultaneously an Atlanta Police Officer, who was involved in the foot pursuit with this subject, came over and placed handcuffs on the subject. Seconds later several Atlanta Police Officers arrived on the scene and then secured the subject in a vehicle and drove away.

On April 21, 1997, at approximately 2220 hours, Officer Lucas was running radar when he clocked Mr. Lendale Smith traveling 52 miles per hour in a 40 mile per hours. Mr. Smith was traveling North on James Jackson Parkway, north of Bankhead Highway. Officer Lucas then turned on his blue lights and siren in an attempt to stop him. Mr. Smith refused to stop and was pursued to Wedgewood Drive and Saint James Place, where he slowed down and threw a red cup out the window. Officer Lucas then stopped and exited his vehicle on foot to approach the car. As he walked towards the vehicle it sped away and Officer Lucas quickly returned to his vehicle and once again began pursuing Mr. Smith. Officer Lucas once again got behind Mr. Smith and as he approached Mr. Smith he slammed on his brakes causing Officer Lucas to take evasive action by swerving to the left of Mr. Smith's vehicle. As a result of taking the evasive action Officer Lucas's vehicle ended up somewhat parallel to Mr. Smith's vehicle and Mr. Smith then rammed the patrol vehicle in an attempt to flee. Once Officer Lucas was rammed he began to slow down and at this time Mr. Smith also slowed down and while still moving, opened his door as if to bale out and threw the car in park. At this point, Officer Lucas was still recovering from being rammed by Mr. Smith's vehicle and his vehicle was still moving forward and as a result the right front of his vehicle struck Mr. Smith's open door. Mr. Smith then fled out of the passenger side door and ran from the scene. Officer Lucas chased Mr. Smith on foot at full running speed for approximately one quarter of a mile before he was caught in front of the elementary school by off-duty Sheriff units working security in Bowen Homes. Mr. Smith sustained two puncture time wounds to his left leg and was treated on the scene by Grady EMS. Officer Lucas stated Mr. Smith fell down an embankment however it is unclear how Mr. Smith sustained his injuries. Mr.

ATLANTA POLICE DEPARTMENT
EMPLOYEE STATEMENT

EMPLOYEE: LUCAS, NATHAN OPS #:

Smith stated that he sustained the injuries when Officer Lucas hit his open door with his vehicle however the cuts were fairly deep and it is inconceivable to me how he could have ran as long and far as he did if he had sustained the injuries during the impact with the police vehicle. When I arrived on the scene, he could sustain no weight to his injured leg and it appears only logical that the injuries were sustained at some point during the end of the foot chase. Grady treated Mr. Smith on the scene and he was later transported to Grady Detention by Officer Johnson. ID Teach Arnold came to the scene and took photographs of the accident scene. I was able to speak with an alleged witness, Mr. Oliver Reid, who resides at 1093 Wedgewood Drive. Mr. Reid originally claimed that he was an unbiased witness who did not know Mr. Smith. Mr. Reid stated that Officer Lucas did not have on his blue lights or siren and that his vehicle struck Mr. Smiths vehicle after it had stopped. Mr. Reid stated he did not know that Mr. Smith had fled the scene. Mr. Smith himself stated to me that Mr. Reid was his uncle and he was a frequent guest at his home. He also stated he knew he was going to jail and was trying to make it to Mr. Reids home in an attempt to keep his wife's vehicle from being impounded. When confronted with what appeared to be a blatant lie to me, Mr. Reid stated Mr. Smith was lying. I find Mr. Reid's statement not reliable due to the fact that he lied to me about his relationship with Mr. Smith.

I then located a second witness Ms Goldie Marshall who resides at 1158 Wedgewood Drive, Ms Marshall is a 21 year employee with the Department of Corrections and stated that although she did not witness the accident, she did witness the portion of the car chase where the vehicles turned on Wedgewood Drive. Ms Marshall stated that Officer Lucas did have his blue lights and siren on and she verified Officer Lucas's assertion that the perpetrator did stop at one point and Officer Lucas got out of his car. She stated at this point he turned off his siren but blue lights were still on. She stated she then heard both cars leaving quickly and did not know what occurred after this point. A witness who wishes to remain anonymous stated to me in the presence of Ms Marshall that she observed "dope boys" enter Mr. Smith's vehicle and removed drugs while Officer Lucas was chasing Mr. Smith. This witness stated she fears for her life due to the fact that Mr. Smith is a "dope boy" and these individuals are very dangerous.

As a result of these findings, it is my belief that Officer Lucas is not at fault in this accident. There were no skid marks and no indication from reliable witnesses that the incident did not occur in the fashion described by Officer Lucas. He stated on the radio that he was "43'd" during the chase and this would support his version of the incident. Ms Marshall also supports his version refuting Mr. Reid's statement that Officer Lucas did not have on his blue lights or siren. Mr. Reid also stated that Mr. Smith never stopped initially however Ms Marshall states he did. The damages to the vehicle also support Officer Lucas's statement and as a result I recommend no further action in this matter. It should be noted that as I was completing this memorandum Officer Johnson notified me

Are you providing this statement freely and voluntarily, without any promises, threats, or duress to provide information in an investigation being conducted by the Atlanta Police Department and are you aware that ANYTHING you say may be used in a civil service hearing or court of law? YES.

On April 21, 1997, I was working an extra job at Bowen Homes Housing Projects. I was standing at the entrance of Bowen Homes (off Bankhead), along with a security guard from Kelly Security, when I observed two City of Atlanta patrol vehicles speed past me heading towards the rear of the housing projects. I told the security guard that I was going to go and see what was happening and he came along. When we arrived on the scene, I observed several City of Atlanta police officers, Deputy R. Allen, a second security guard from Kelly Security, and a black male setting on the ground with his hands handcuffed to the rear of his body. I observed a gash on the leg (around the ankle area) of the male placed under arrest, which was said to have happened when the perpetrator jumped a fence while attempting to flee from police. Minutes later, the perpetrator was placed into the police van to be transported. The officers thanked me for showing up on the scene and I then resumed my post at the entrance of Bowen Homes.

Q. Did you observe any Atlanta Police Officer strike Mr. Lendale Smith, the arrested person?

A. No.

Q. Did you hold a gun to Mr. Smith's head or observe any other officer hold a gun to his head?

A. No.

Q. Is there anything else you wish to add to your statement at this time?

On April 21, 1997, Officer Lucas came over the radio and said that he was chasing someone. You could hear him breathing heavy over the radio while he was chasing the suspect. He said that he was running down James Jackson Parkway and that he (the suspect) was running through the fence. I can't remember if he came over the radio and said that he was running toward Bowen Homes or the school, but I knew the fence had an opening that led to the school in the rear of Bowen Homes. My partner, Officer Steven J. Dean, and I started toward the school. When we got there we got out of the car and saw the suspect sitting on the ground in handcuffs. I asked Lucas if he was okay because he was lifting up his pant leg. It looked like he had scrape marks on his leg. He told us that he had fallen while he was going through the fence. We were there about two minutes and then left because it was shift change.

Q. Exactly where was the suspect when you arrived on the scene?

A. He was sitting on the ground with his back propped up against a patrol car.

On April 21, 1997, Officer Lucas was involved in a car and then a foot chase with a suspect named Lendale Smith. I arrived at Bowen Homes location where the suspect had been apprehended. When I arrived I asked Officer Lucas if he was okay and if everything was under control. He said that his patrol vehicle needed to be secured. Officer Lucas had told me that Smith had thrown something in a cup out the car window about 100 feet from where the car stopped. I then left that area and went back to Wedgewood, where the accident had taken place. At that location I found a red plastic cup that was empty. I went to the blue Cadillac in order to check for an insurance card. I think Officer Murphy found an insurance card. The car tag was checked and found not to be reported as stolen. By this time the wagon driver had brought Lendale Smith to the Wedgewood location. A male named, Morris, and another young black male came outside to our location and said that they had seen the whole incident. One of the men with Morris later admitted to Sgt. Mills that he had not seen anything happen. Morris said that he had seen the whole thing. Grady Ambulance was on the scene treating Smith and I went to the back of the wagon to talk to Smith. I asked him who's car it was and other pertinent questions. He advised that he did not have a license and was just trying to get the car home.

NARRATIVE

ON The listed date and Time I was operating Radar Unit # AA 5264 on James Jackson PrKwy N.W. When I observed a Blue Cadillac going above the Posted Speed Limit. I then confirmed it with my radar unit and clocked him at 52 m.p.H. in a 40 M.P.H zone. The driver of the vehicle was a Black male with a Red Hat. Upon getting Behind the cadillac I activated my Blue Lights and the driver refused to stop his vehicle. at this time I turned on my siren and the driver turned Left onto North west drive from James Jackson PrKway. The driver then continued east on North west Drive where he then turned right onto Wedgewood dr. N.W. The driver then slowed to a stop at Wedgewood and ST. James Place. As I exited my vehicle the suspect sped off I returned to my vehicle and pursued the subject, as I was in pursuit of the Blue Cadillac the driver slammed on Breaks in an attempt to make the officer wreck his patrol car. I then swerved to the left to keep from striking the vehicle in the rear as I swerved to the left the subject turned his vehicle to the left and struck my patrol vehicle at this point he sped off again. and I pursued him. The defendant then opened his vehicles door on the drivers side, but continued to roll South Bound on Wedgewood at a high rate Of speed/above speed limit. He then slammed on breaks again in an attempt to make officer wreck. As I swerved to miss his vehicle a second time, he simultaneously (at same time he slammed on Breaks) open this door all the way and I attempted to stop but could not and struck the

MEMORANDUM

TO: Lt. G. Turner

FROM: Sgt. C. J. Mills

DATE: April 21, 1997

RE: Auto Accident - N. Lucas

On this date, at approximately 2220 hours, Officer Lucas was running radar when he clocked Mr. Lendale Smith traveling 52 miles per hour in a 40 mile per hour zone. Mr. Smith was traveling North on James Jackson Parkway North of Bankhead Hwy. Officer Lucas then turned on his blue lights and siren in an attempt to stop him. Mr. Smith refused to stop and was pursued to Wedgewood Dr. and St. James Pl. where he slowed down and threw a red cup out of the window. Officer Lucas then stopped and exited his vehicle on foot to approach the car. As he walked towards the vehicle it sped away and Officer Lucas quickly returned to his vehicle and once again began pursuing Mr. Smith. Officer Lucas once again got behind Mr. Smith and as he approached Mr. Smith he slammed on his brakes causing Officer Lucas to take evasive action by swerving to the left of Mr. Smith's vehicle. As a result of taking the evasive action Officer Lucas's vehicle ended up somewhat parallel to Mr. Smith's vehicle and Mr. Smith then rammed the patrol vehicle in an attempt to flee. Once Officer Lucas was rammed he began to slow down and at this time Mr. Smith also slowed down and while still moving, opened his door as if to bale out and threw the car in park. At this point Officer Lucas was still recovering from being rammed by Mr. Smith's vehicle and his vehicle was still moving forward and as a result the right front of his vehicle struck Mr. Smith's open door. Mr. Smith then fled out of the passenger side door and ran from the scene. Officer Lucas chased Mr. Smith on foot at full running speed for approximately one quarter of a mile before he was caught in front of the Elementary School by off- duty Sheriff units working security in Bowen Homes. Mr. Smith sustained two puncture time wounds to his left leg and was treated on the scene by Grady EMS. Officer Lucas stated Mr. Smith fell down an embankment however it is unclear how Mr. Smith sustained his injuries. Mr. Smith stated that he sustained the injuries when Officer Lucas hit his open door with his vehicle however the cuts were fairly deep and it is inconceivable to me how he could have ran as long and far as he did if he had sustained the injuries during the impact with the police vehicle. When I arrived on the scene, he could sustain no weight to his injured leg and it appears only logical that the injuries were sustained at some point during the end of the foot chase. Grady treated Mr. Smith on the scene and he was later transported to Grady Detention by Officer Johnson. ID Tech Arnold came to the scene and took photographs of the accident scene.

P-16-3-14

I was able to speak with an alleged witness, Mr. Oliver Morris Reid who resides at 1093 Wedgewood Dr. Mr. Reid originally claimed that he was an unbiased witness who did not know Mr. Smith. Mr. Reid stated that Officer Lucas did not have on his blue lights or siren and that his vehicle struck Mr. Smiths vehicle after it had stopped. Mr. Reid stated he did not know that Mr. Smith had fled the scene. Mr. Smith himself stated to me that Mr. Reid was his uncle and he was a frequent guest at his home. He also stated he knew he was going to jail and was trying to make it to Mr. Reids home in an attempt to keep his wife's vehicle from being impounded. When confronted with what appeared to be a blatant lie to me, Mr. Reid stated Mr. Smith was lying. I find Mr. Reid's statement not reliable due to the fact that he lied to me about his relationship with Mr. Smith.

I then located a second witness Ms. Goldie Marshall who resides at 1158 Wedgewood Dr. Ms. Marshall is a 21 year employee with the Department of Corrections and stated that although she did not witness the accident, she did witness the portion of the car chase where the vehicles turned on Wedgewood Dr. Ms. Marshall stated that Officer Lucas did have his blue lights and siren on and she verified Officer Lucas's assertion that the perpetrator did stop at one point and Officer Lucas got out of his car. She stated at this point he turned off his siren but the blue lights were still on. She stated she then heard both cars leaving quickly and did not know what occurred after this point. A witness who wishes to remain anonymous stated to me in the presence of Ms. Marshall that she observed "dope boys" enter Mr. Smith's vehicle and remove drugs while Officer Lucas was chasing Mr. Smith. This witness stated she fears for her life due to the fact that Mr. Smith is a "dope boy" and these individuals are very dangerous.

As a result of these findings, it is my belief that Officer Lucas is not at fault in this accident. There were no skid marks and no indication from reliable witnesses that the incident did not occur in the fashion described by Officer Lucas. He stated on the radio that he was "43'd" during the chase and this would support his version of the incident. Ms. Marshall also supports his version refuting Mr. Reid's statement that Officer Lucas did not have on his blue lights or siren. Mr. Reid also stated that Mr. Smith never stopped initially however Ms. Marshall states he did. The damage to the vehicles also support Officer Lucas's statement and as a result I recommend no further action in this matter. It should be noted that as I was completing this memorandum Officer Johnson notified me that he believes Mr. Smith gave an incorrect name due to the fact that family members called Grady Hospital inquiring about a Lendale McCane.

NARRATIVE

On The listed date and Time I was operating Radar Unit # AA 52164 On James Jackson Pkwy NW. When I observed a Blue Cadillac going above the Posted Speed Limit, I then continued it with my radar unit and clocked him at 52 m.p.h. in a 40 M.P.H. zone. The driver of the vehicle was a Black male with a Red Hat. Upon getting Behind the Cadillac I activated my Blue lights and the driver refused to stop his vehicle, at this time I turned on my siren and the driver turned Left onto North west drive from James Jackson Pkwy. The driver then continued east on North west Drive where he then turned right onto Wedgewood dr. N.W. The driver then slowed to a stop at Wedgwood and ST. James Place. As I exited my vehicle the suspect sped off. I returned to my vehicle and pursued the subject, as I was in pursuit of the Blue Cadillac the driver slammed on Breaks in an attempt to make the officer wreck his patrol car. I then swerved to the Left to keep from striking the vehicle in the rear as I swerved to the Left the subject turned his vehicle to the left and struck my patrol vehicle, at this point he sped off again and I pursued him. The defendant then opened his vehicles door on the driver side, but continued to roll South Bound on Wedgewood at a high rate of speed/above Speed limits. He then slammed on breaks again in an attempt to make officer wreck. As I swerved to miss his vehicle a second time, he simultaneously (at same time he slammed on Breaks) opened his door all the way open attempted to stop but could not and struck the

TO: MAJOR S. M. O'BRIEN

FROM: LIEUTENANT V. M. BOWSER

DATE: FEBRUARY 16, 2001

RE: INVESTIGATION AND DISPOSITION OF COMPLAINT NUMBER 00-I-0636-FA

An investigation of the allegations of this complaint and any other allegations which arose during the investigation has been completed. The following represents the findings of this investigation:

1. **INVESTIGATIVE DISPOSITION:**

a. of the Complaint against **Officer Brian Reid**
[X] **Exonerated for Rule:** **6.09 (Use Of Firearms**

b. of the Complaint against **Officer Nathan Lucas**
[X] **Not-Sustained for Rule:** **6.09 (Use Of Firearms**

II. POLICY OR PROCEDURAL CHANGES, TRAINING RECOMMENDATIONS, AND/OR COMMENTS

The Department requires a review of the firearm discharges by Officers Brian Reid and Nathan Lucas on December 11, 2000.

A review of the complaint file indicates the following. While working approved extra jobs, Officers Mitchell and Lucas, while in the accompany of Officer Reid who was working Street Heat, were alerted by an unidentified citizen of three subjects who just attempted to rob him. The citizen pointed towards three subjects who were occupying a SUV. The officers notified the dispatcher, approached the subjects' vehicle in Officer Reid's marked patrol vehicle, and commanded the subjects to exit with their hands above their heads. The driver placed his hands in the air, but failed to exit the vehicle. Officer Reid opened the driver's door and attempted to gain control of his left arm, but the driver jerked his arm back. The driver then reached into the area of his waist band with his right hand, produced a weapon, and pointed it at Officer Reid. Officer Reid yelled, "Gun," and fearing for his safety, fired three rounds at the armed subject. The subjects proceeded to flee in their vehicle, and while doing so, began to accelerate and steer the vehicle directly towards Officer Lucas. Fearing for his safety, Officer Lucas also fired one round at the driver. At the time the shots were fired, Officer Mitchell was seeking cover near the patrol car, but indicated he observed the subjects' vehicle backing up and attempting to strike Officer Lucas. After the shots were fired, the subjects' attempted to flee in their vehicle again, but struck a taxicab, and then a utility pole. Two of the subjects were arrested at the scene. The third subject was subsequently arrested by Officer Mitchell. Of those portions he was privy to, Mr. Owens corroborated Officers Reid's and Lucas' statements. The unidentified citizen reporting the robbery could not be located. All three subjects were treated for minor injuries which occurred either from resisting arrest, during their vehicular accident, or while attempting to elude the officers while on foot. There were no injuries resulting from the firearm discharges. The subjects' vehicle was struck by several bullets. While secured in the back seat of the patrol car, Mr. Tucker damaged the door by kicking it. Mr. Tucker had a black holster in his waist band and two hits of suspect ecstasy on his person at the time he was apprehended. Two hand guns were recovered from inside the subjects' vehicle. Lieutenant Dalton, and Sergeants Sturdivant and Keeble responded to the scene. The appropriate incident reports were generated. Lieutenant Dalton indicated Officer Reid fired three rounds of city issued ammunition from his service weapon, Officer Lucas fired one round, and Officer Mitchell did not discharge his weapon. There is sufficient evidence to indicate Officer Reid discharged his weapon at the driver to protect his own life, after the driver produced a handgun and pointed it at Officer Reid. Therefore, I recommend rule **6.09** (Use Of Firearms) be **Exonerated** against Officer Reid. Additionally, there is sufficient evidence to indicate Officer Lucas discharged his weapon at a moving vehicle which was trying to strike him while occupied by three subjects whose use of force was the vehicle, and not a firearm.

MEMORANDUM
PAGE THREE
06-I-0636-FA

According to Officer Lucas, as he neared the front of the subjects' vehicle, the driver revved the vehicle's engine, quickly accelerated the vehicle directly at him and he discharged one round at the driver. Due to recent court rulings, I recommend rule 6.09 (Use Of Firearms) be **Not-Sustained** against Officer Lucas.

III: INVESTIGATIVE SUMMARY:

A. COMPLAINT ALLEGATION:

The Department requires a review of the firearm discharges by Officer Brian Reid and Officer Nathan Lucas on December 11, 2000.

B. ACCUSED EMPLOYEE'S RESPONSE:

Officer Brian Reid

Officer Reid stated he and Officers Mitchell and Lucas were attempting a felony vehicle stop on possible armed robbery suspects. He said that the occupants of the vehicle originally would not comply with their verbal commands, but the driver of the vehicle finally put his hands up in the air. Officer Reid said he opened the suspects' driver side door, and had gotten one handcuff on the driver's left arm when the driver pulled out of his grip, reached in to his waistband, and produced a handgun. Officer Reid stated the driver was pointing the handgun at him and, fearing for his safety, he fired his service pistol three times at the driver.

Officer Nathan Lucas

Officer Lucas said that he, along with Officers Mitchell and Reid were attempting a felony stop on possible armed robbery suspects. The suspects were not responding to verbal commands. Officer Lucas stated that, because of the position of the patrol vehicle and the suspect's vehicle, he had to approach the passenger's side door by walking in front of the suspect's vehicle. Officer Lucas said he was next to the suspect's right front fender when he heard Officer Reid yell, "Gun!" and shots fired. Officer Lucas stated he saw the driver turn the vehicle

directly towards him and accelerate. Officer Lucas said he feared for his life, and fired one round at the driver.

C. WITNESS (ES):

Officer Quinton Mitchell

Officer Mitchell stated he, Officer Lucas and Officer Reid were attempting to make a felony vehicle stop on possible armed robbery suspects in the 300 block of Courtland Street. Officer Mitchell said they gave several verbal commands to the occupants of the vehicle, but the suspects did not comply. Officer Mitchell said Officer Lucas approached the suspect's vehicle on the passenger's side, Officer Reid approached on the driver's side, and he was about 15 feet away from Officer Reid when he yelled, "Gun". The driver of the vehicle then put the vehicle in drive and attempted to strike Officer Lucas, who fired his weapon. After the suspects' vehicle wrecked, Officer Mitchell caught the fleeing driver at 490 Piedmont Road.

Mr. Curtis Owens

Mr. Owens said he was talking to the officers when a citizen approached them and said that someone had just attempted to rob them, and the suspects were in a green truck across the street. He said the officers drove across the street and instructed the occupants of the green truck to "show your hands". Mr. Reid said the truck then tried to run over an officer, and shots were fired. Mr. Owens stated he took cover, and saw the truck wreck into a pole. He stated he could not see the suspect's actions inside their vehicle.

On December 10, 2001, around 0353 hours, Officers Mitchell and Lucas were working city approved extra jobs at 489 Courtland Street. Officer Reid was working street beat in Zone Five.

The officers were talking at the intersection of Pine Street and Courtland Street when a citizen approached them and said three black armed black males in a green Nissan Pathfinder had just attempted to rob them. The citizen then pointed out the green Pathfinder to the officers.

The three officers got into Officer Reid's marked patrol vehicle, and approached the suspects' Pathfinder, which had pulled in a parking lot at 390 Courtland Street.

The Pathfinder had pulled to the edge of the lot, and was stopped perpendicular to Courtland Street. The officers stopped their patrol vehicle parallel to the curb on Courtland Street, in front of and to the driver's side of the suspects' Pathfinder.

The officers gave loud verbal commands to the occupants of the Pathfinder, instructing them to put their hands above their heads and exit the vehicle. The occupants did not comply with the commands.

Officer Reid stated he exited the patrol vehicle, went around the rear of the patrol vehicle, and took cover behind an unoccupied parked vehicle, facing the driver of the Pathfinder. He then approached the driver's door of the vehicle.

Officer Reid said the driver initially did not comply with their commands, but the driver eventually put his hands in the air over his head.

Officer Reid said he was approximately one foot from the driver's door. The driver refused to exit the vehicle. Officer Reid holstered his weapon, opened the driver's door, and attempted to gain control of the driver's left wrist.

Officer Reid stated he lost control of the driver's left arm when the suspect jerked his arm back, and reached into his waistband area with

his right hand. The suspect produced a black semi automatic pistol from his waistband, and pointed it at Officer Reid.

Officer Reid said he was in fear for his life, and he re-drew his city weapon, firing three rounds at the armed suspect. The suspects' vehicle then accelerated out of the parking lot.

Officer Lucas stated he exited the passenger's side of the patrol vehicle, and began to approach the passenger's side of the Pathfinder. Because of the positioning of the Pathfinder and the patrol vehicle, Officer Lucas approach took him in front of the Pathfinder.

Officer Lucas stated he was about three to five feet from the front right corner of the suspect's vehicle when he heard Officer Reid yell, "Gun!" At the same time Officer Lucas said the driver of the Pathfinder put the vehicle into drive, turned the steering wheel, pointed the vehicle at him, and began to accelerate towards him.

Officer Lucas stated that he was in fear of being run over by the Pathfinder, and he fired one round from his city issued weapon at the driver as he quickly moved out of the path of the vehicle. Officer Lucas said at the same time, he heard Officer Reid fire several rounds.

Officer Mitchell said he exited the patrol vehicle and he was about fifteen to twenty feet behind Officer Reid, facing the left side of the Pathfinder.

Officer Mitchell stated Officer Reid approached the driver's door, and yelled, "Gun!"

Officer Mitchell said the driver of the Pathfinder sped off and struck another vehicle. The driver then put the vehicle in reverse, looked back, and began to drive in reverse towards Officer Lucas, intentionally attempting to strike him with the vehicle. Officer Lucas fired one time at the vehicle.

Mr. Curtis Owens stated he was talking to the three officers when a gentleman approached the officers and said that someone just tried to

rob them with a gun. The citizen then said the suspect was in a green truck across the street.

Mr. Owens said he saw the officer drive to the truck, and yell repeatedly at the occupants to "Show your hands".

Mr. Owens said the officers approached the vehicle, and he heard several shots fired, and saw the vehicle attempt to strike one of the officers.

Mr. Owens said he was approximately 10 to 15 feet from the vehicle, but he could not see the occupants' actions.

After the shots were fired, the Pathfinder accelerated from the parking lot onto Courtland Street, and into oncoming traffic. The vehicle struck a taxicab, and then a utility pole.

The driver of the vehicle, Saquan Tucker, fled the scene on foot, and was apprehended a short time later by Officer Mitchell. Mr. Tucker had a black holster in his waistband when he was arrested, and two hits of suspected ecstasy in his wallet.

The passengers, Ricky Johnson and Kevin Thomas, were arrested at the scene. A 9mm pistol was recovered from the driver's side seat in between the console of the Pathfinder. A .357 caliber pistol was recovered from the passenger's side floorboard.

The crime scene photographs indicated the Pathfinder had one bullet hole in the windshield, and three bullet holes in the driver's side of the vehicle.

The citizen who approached the officers and said the occupants of the Pathfinder had attempted to rob him could not be located after the suspects were arrested.

Officers Mitchell and Lucas had approved extra job permits for 489 Courtland Street.

INVESTIGATIVE SUMMARY: #00-1-0636-FA
ACCUSED: OFFICER Nathan Lucas
ACCUSED: OFFICER Brian Reid
DATE: February 9, 2001

Saquan Tucker was charged with five counts of aggravated assault on a law enforcement officer, four counts of reckless conduct, possession of a controlled substance, criminal damage to government property, possession of a firearm by a convicted felon, obstruction of a law enforcement officer, carrying a concealed weapon, possession of a firearm during the commission of a crime, and carrying a pistol without a license. All charges were waived over to Fulton County Superior court.

Ricky Johnson was charged with carrying a concealed weapon, possession of a firearm during the commission of a crime, carrying as pistol without a license, and three counts of party to the crime of aggravated assault. The three counts of party to the crime of aggravated assault were merged with the other charges, and boundover to Superior Court of Fulton County.

All charges against Kevin Thomas were dismissed in Municipal Court.

The crime scene photographs show that the Pathfinder sustained three bullet holes in the driver's side of the vehicle, and one bullet hole in the windshield, but the rounds injured none of the occupants.

According to a February 7, 2001 article in the Atlanta Journal Constitution, Aubrey Allen Kenan, aka Saquan Tucker, was improperly released from the Atlanta jail. He was found fatally shot on January 21, 2001 on Morris Brown Drive.

CONTINUATION:
POLICE FIREARMS DISCHARGE
OPS COMPLAINT FILE # 00-I-0636-FA

On Saturday, December 10, 2000, at approximately 0400 hours Atlanta Police Officers were involved in a shooting at 390 Courtland St, NE. I met Sergeant J. Sturdivant at the scene. Sergeant Sturdivant told me that Officers N. Lucas, and Officer Q. Mitchell were working an extra job at 489 Courtland St. and Officer B. Reid of the Auto Theft Task Force was working Zone a Zone 5 Street Heat assignment. The Officers were at Pine St. and Courtland St. when a motorist that said that he had been the victim of a robbery attempt, flagged the Officers down. While talking to the motorist he pointed out the vehicle that the suspects were driving. The vehicle, a green Nissan Pathfinder, containing 3 black males, armed with handguns, was driving south on Courtland St. Officers Lucas and Mitchell got into Officer Reid's marked patrol car and drove south on Courtland St. The Pathfinder pulled into the parking lot at 390 Courtland St. The Officers approached the vehicle with their weapons drawn. As Officer Reid approached the vehicle on driver's side, Officer Lucas approached on the passenger side. Officer Reid said that the driver (Saquan Tucker)had his hands above his head. Officer Reid said he holstered his service weapon and opened the driver's door. Officer Reid said he took the driver by the left wrist to pull him from the vehicle after the driver refused to exit. Officer Reid said the driver then jerked his hand away, reached into his waistband with his right hand a pulled out a black semi-automatic handgun and pointed it at Officer Reid. Officer Reid said he drew his weapon and ordered the driver to drop his gun, and fired three (3) shots from his city issued weapon at the driver (Saquan Tucker). No one in the vehicle was struck by any of the rounds.

Officer Lucas who was standing at the right front of the vehicle said the driver pointed the vehicle at him and accelerated in an attempt to strike him and escape. Officer Lucas fired one (1) round from his city issued weapon at the driver of the vehicle. Officer Lucas's round struck the right center of the windshield of the vehicle. No one was struck or injured by the round.

The vehicle pulled out into oncoming traffic and struck another vehicle and then a utility pole. One passenger, Kevin Thomas, was apprehended immediately, and driver (Saquan Tucker) and the front seat passenger (Ricky Johnson) were captured after a foot chase.

I am Lieutenant J. R. Dalton of the Atlanta Police Department. You are being questioned as a witness in an official investigation by the Department. Also present is: E. T. "BUD" WATSON, P.B.A.

All employees must answer questions and make available relevant materials or sworn statements concerning an investigation of allegations of employee misconduct when directed to do so by a disciplinary authority or duly appointed investigator. Employees may obtain representation but cannot delay questioning for more than three hours beyond the time he or she was notified of the questioning. Except as authorized or required, an employee shall not interfere with nor contact persons involved in an internal investigation nor disclose or discuss with anyone except the designated Departmental authority the existence or facts of an internal investigation. This restriction will not be construed to prohibit an employee from discussing any aspect of the investigation with his or her representative. Administrative statements made by employees and evidence gained by reasons of such statements may not be used against the employee in criminal proceedings involving the employee except in cases of perjury.

ON 12-10-2000, AT APPROXIMATELY 0353 HOURS, I, OFFICER B. REID WAS ON PATROL WORKING AN AUTHORIZED STREET-HEAT ASSIGNMENT IN ZONE 5. I WAS APPROACHED BY A PRIVATE CITIZEN AT THE INTERSECTION OF PINE ST. AND COURTLAND ST. THE CITIZEN ADVISED ME THAT 3 BLACK MALE SUBJECTS OCCUPYING A NISSAN PATHFINDER WITH NEW YORK LICENSE PLATE HAD JUST ATTEMPTED TO ROB HIM AND HIS FRIENDS AT GUNPOINT. WHILE DESCRIBING THE SUSPECT AND SUSPECT VEHICLE TO ME, THE CITIZEN POINTED AT A VEHICLE AND STATED "THAT'S THEM RIGHT THERE, OFFICER, IN THE BLUE PATHFINDER!" I THEN TURNED IN THE DIRECTION THAT THE CITIZEN WAS POINTING AND OBSERVED A VEHICLE MATCHING THE DESCRIPTION THAT THE CITIZEN HAD ADVISED ME OF. AT THIS POINT, MYSELF, OFFICER LUCAS AND OFFICER MITCHELL, WHO WERE WORKING AN EXTRA JOB AT 489 COURTLAND ST. APPROACHED THE DESCRIBED VEHICLE IN A MARKED CITY OF ATLANTA POLICE VEHICLE. I ACTIVATED MY BLUE LIGHTS AND SIREN, AT WHICH POINT WE EXITED THE PATROL VEHICLE AND ADVISED ZONE 5 DISPATCH OF OUR LOCATION AND SITUATION. WE THEN ADVISED THE DRIVER AND PASSENGERS OF THIS VEHICLE, IN A LOUD AND CLEAR COMMAND VOICE, THAT WE WERE ATLANTA POLICE OFFICERS AND TO TURN OFF THE VEHICLE AND PUT THEIR HANDS ABOVE THEIR HEADS. WE CONTINUED TO ADVANCE ON THE VEHICLE, WITH WEAPONS DRAWN, AS THOUGH CONDUCTING A FELONY TRAFFIC STOP. ON SEVERAL CONSECUTIVE OCCASIONS, WE GAVE THE DRIVER AND PASSENGERS VERBAL ORDERS TO PUT THEIR HANDS ABOVE THEIR HEADS AND EXIT THE VEHICLE SLOWLY. AT THIS POINT I WAS WITHIN APPROXIMATELY 1 FOOT OF THE SUSPECT'S VEHICLE AND THE DRIVER REFUSED TO EXIT THE VEHICLE, STATING TO ME "OFFICER I AIN'T DID NOTHING, I AIN'T GETTING OUT OF MY CAR." AT THIS POINT, THE DRIVER'S HANDS WERE ABOVE HIS HEAD. I HOLSTERED MY WEAPON AND OPENED THE DRIVER'S DOOR... I GAINED CONTROL OF THE DRIVER'S LEFT WRIST. THE DRIVER THEN JERKED AWAY FROM ME CAUSING ME TO LOSE CONTROL OF HIS WRIST. HE THEN REACHED INTO HIS WAISTBAND WITH HIS RIGHT HAND AND PRODUCED WHAT APPEARED TO ME TO BE A BLACK SEMI-AUTOMATIC HANDGUN AND POINTED IT DIRECTLY AT ME. I THEN DISENGAGED MYSELF FROM THE SUSPECT VEHICLE WHILE ORDERING HIM TO DROP HIS WEAPON, AND SIMULTANEOUSLY RE-DREW MY CITY-ISSUED WEAPON. UPON FURTHER OBSERVATION, I SAW THE DRIVER OF THE VEHICLE STILL IN POSSESSION OF HIS WEAPON, AND BECAUSE I WAS IN GRAVE FEAR FOR MY LIFE AND FOR THE POTENTIAL INJURY TO OTHER PERSONS WHO WERE IN THE IMMEDIATE AREA. I, OFFICER B. REID,

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

Q: Where exactly, did you make the vehicle stop of the Nissan Pathfinder?

A: It was in the parking lot at the intersection of Courtland and Pine.

Q: How did you approach the suspect's vehicle?

A: I exited my patrol vehicle, proceeded to the rear of my patrol vehicle because if I had advanced on them from the front, I would have been in the line of fire. In that position, I'm still facing the driver of the vehicle with my weapon drawn continuing to give orders.

Q: Where exactly were you when you fired your weapon?

A: Approximately within one foot of the driver's side door of the suspect's vehicle.

I have read or had read to me the above statement and I swear or affirm that it is true to the best of my knowledge and belief.

At approximately 03:53 hrs, Officers B. Reid, Q. Mitchell, and myself were at the intersection of Pine Street and Courtland Street. Officer Mitchell, and myself were on our city approved Extra job. All three of us were in full police uniform. All three of us were speaking with the parking lot attendant when a citizen drove up in a vehicle and stated to us that three black males in a green Nissan Pathfinder had just tried to rob them at gun-point. He indicated that all the occupants of the vehicle had guns. He also stated that the vehicle had traveled westbound on Pine Street and made a left turning South onto Courtland Street. At that point the citizen looked and saw the vehicle sitting in the parking lot and he stated to us "Hey, that's the vehicle right there." vehicle I advised radio that we had a possible "44" (armed robbery suspects) at Pine and Courtland. We then exited the patrol car and attempted to make a felony stop. We all had our weapons drawn at that point as this was a felony stop. We instructed the driver of the vehicle and the passengers to place their hands in the air. We also requested for them with loud, clear, lawful commands to step out of the vehicle. They initially hesitated but then raised their hands but refused to step out of the vehicle as lawfully ordered to do. Officer Reid and myself approached the vehicle cautiously fearing that they possibly had weapons. Officer Reid approached the driver's side of the vehicle and I approached the passenger side of the vehicle. Officer Mitchell was providing us with cover from the driver's side of the suspects' vehicle. As I neared the front right side of the vehicle I heard I believe I heard Officer Reid shout "Gun". At the same instance the driver of the vehicle revved the engine of the vehicle and put it in gear taking off quickly aiming the vehicle at me. I, being afraid for my life, then fired one shot from my city issued Smith and Wesson pistol, serial number : TEP4859, using city issued ammunition at the driver of the vehicle as he was attempting to run me over. There were no officers or civilians in my line of fire other than the driver of the vehicle. Officer Reid also at that same instance fired several (two or possibly three) shots at the driver of the

On December 12, 2000 while working a city approved extra job at 489 Courtland Street I observed Officer Reid, while on routine patrol, make a traffic stop at the intersection of Courtland and Pine Street. I, along with Officer Lucas, walked towards Officer Reid to make sure he was allright. While standing there with Officer Reid, a citizen drove up to us and advised that three black males in a dark green Nissan Pathfinder had attempted to rob them at gunpoint. After we spoke to the citizen, he saw the vehicle, and pointed it out to us, and said, "There they go", pointing towards a green Pathfinder. At that time myself, Officer Reid and Officer Lucas got into Officer Reid patrol vehicle, and went south on Courtland Street. We observed the Green Pathfinder inside a parking lot on Courtland Street. We all got out of the patrol vehicle, identified ourselves as Atlanta Police officers, and asked the subjects inside the vehicle to place their hands in the air. All three of the individuals refused. We then asked them again, giving loud verbal commands. They refused again. Officer Reid approached the vehicle on the driver's side, and Officer Lucas approached on the passenger's side. Officer Reid shouted "Gun!" and as he did the driver of the green Pathfinder placed the truck in drive, and attempted to drive away, going the wrong way on Courtland Street, striking another vehicle. After striking the vehicle, he placed the vehicle In reverse, he turned looking back, and being to drive backwards towards Officer Lucas. Officer Lucas fired his service weapon, and the driver turned the vehicle around, and attempted to flee again, travelling south on Courtland Street, striking a utility pole. After striking the utility pole, the driver bailed from the vehicle. I gave chase, and

Please be advised that your statement and/or your testimony may be needed at a future time for use in a civil service hearing or court of law.

Q: Describe what occurred on December 11, 2000, at 498 Courtland Street around 4 a.m.?

A: I was talking to the three officers at the time and a gentleman approached the officers and said that someone tried to rob them and the officers ask him did they have a weapon and the gentleman stated yes. The officer asked the gentleman where was he and the subject stated he was in a green truck across the street. The officers got into the car, drove across the street. The first officer got out and stated to the subject, "Show you hands" and the other officer got out and said, "Show your hands, show your hands" about several times. The officer in the rear opened the door with his right hand. The first officer that was driving the car approached the vehicle and kept saying, "Show your hands." The other officer got out on the passenger's side and he stated the same thing, "Show your hands, show your hands". At that time, it seemed like the vehicle tried to hit one of the officers. Shots were fired and I was running. I looked back and a vehicle exited the parking lot, struck a taxicab on the right hand side, and hit a pole. The passenger got out of the car and started running. He started running down the street. I didn't see him jump the fence. The next thing that I knew, the officers found the guy that had jumped the fence. I didn't see any injuries, nor did the officers beat anyone up.

Q: Did the person tell the police officers when he came out of the club that the suspects had any weapons?

A: Yes. He said that those guys in that vehicle, the green truck (I think it was a Pathfinder) just tried to rob them.

ON 12-10-00 AT OR ABOUT 03:53 HOURS MY SELF AND OFFICER Q. MITCHELL WERE WORKING A CITY APPROVED EXTRA JOB AT 469 COURTLAND STREET. OFFICER B.REID WAS ON ROUTINE PATROL IN THE AREA . WE WERE AT THE INTERSECTION OF PINE STREET AND COURTLAND STREET WHEN A PRIVATE CITIZEN APPROACHED US AND STATED THAT THREE BLACK MALES IN A DARK GREEN NISSAN PATHFINDER HAD ATTEMPTED TO ROB HIM AND HIS FRIEND AT GUN POINT HE ALSO STATED THAT THE SUBJECTS WERE ALL ARMED. AS WE SPOKE TO HIM THE CITIZEN SAW THE SUSPECT VEHICLE AND STATED TO US " THERE THEY GO RIGHT THERE" MYSELF AND OFFICER REID AND MITCHELL GOT INTO OFFICER REIDS MARKED PATROL UNIT AND WENT SOUTH ON COURTLAND ST. FROM PINE (WHICH IS THE WAY THE SUSPECT VEHICLE TRAVELED). WE OBSERVED THAT THE VEHICLE PULLED INTO A PARKING LOT AT 390 BLOCK OF COURTLAND STREET. OFFICER REID STOPPED THE PATROL CAR AND WE ALL EXITED THE VEHICLE AND ATTEMPTED TO EXECUTE A FELONY STOP ON THE SUSPECTED ARMED ROBBERS VEHICLE. AS WE DID SO I BEGAN TO GIVE LOUD VERBAL COMMANDS FOR ALL OF THE OCCUPANTS OF THE VEHICLE TO PUT THEIR HANDS IN THE AIR AL THE SUBJECTS REFUSED I AGAIN IDENTIFIED MY SELF AND STATED FOR THEM TO PLACE THEIR HANDS IN THE AIR , AFTER A BRIEF HESITATION ALL OF THE OCCUPANTS FINALLY COMPLIED,HOWEVER, THEY WOULD NOT STEP OUT OF THE VEHICLE AS ORDERED. MY SELF AND OFFICER REID APPROACHED THE VEHICLE WITH OUR WEAPONS DRAWN FEARING THAT THE OCCUPANTS WERE ARMED. AS OFFICER REID APPROACHED THE DRIVER SIDE OF THE VEHICLE I APPROACHED THE PASSENGER SIDE AND AS I DID SO I HEARD OFFICER REID SHOUT "GUN" AND AS HE DID THE DRIVER OF THE PATHFINDER(MR.TUCKER) GUNNED THE ENGINE OF THE CAR, I ALSO HEARD OFFICER REID FIRE HIS WEAPON AT THE DRIVER OF THE VEHICLE. THE DRIVER OF THE VEHICLE ALSO AIMED THE VEHICLE AT ME, AND ATTEMPTED TO RUN OVER ME AS I WAS AT THE FRONT RIGHT SIDE OF THE VEHICLE. I AT THAT TIME FEARING FOR MY LIFE FIRED ONE SHOT THROUGH THE FRONT WINDSHIELD AIMING FOR THE DRIVER OF THE VEHICLE. THE DRIVER THEN CONTINUED FLEEING IN THE VEHICLE AT A HIGH RATE OF SPEED WHERE HE EXITED THE PARKING LOT AND STRUCK A VEHICLE WHICH WAS OCCUPIED AND THEN CRASHED INTO A POLE . THE DRIVER MR. TUCKER THEN JUMPED OUT OF THE VEHICLE AND FLED ON FOOT. OFFICER MITCHELL GAVE CHASE TO HIM, MYSELF AND OFFICER REID TOOK THE FRONT PASSENGER(INTO CUSTODY) AFTER I SECURED THE SUSPECTS I FOUND IN THE VEHICLE A BLACK 9MM HAND GUN WHICH WAS ON THE DRIVER'S SIDE SEAT IN BETWEEN THE CONSOLE. NARRATIVE

Topic: Information About Incident

00345032 ON 12-10-2000 AT APPROXIMATELY 0353 HRS, I OFFICER B. REID WAS ON PATROL WORKING AN AUTHORIZED STREET HEAT ASSIGNMENT IN ZONE 5. I WAS APPROACHED BY A PRIVATE CTIZEN AT THE INTERSECTION OF PINE ST. AND COURTLAND ST. THE CITIZEN ADVISED ME THAT 3 THREE BLACK MALE SUBJECTS OCCUPUYING A NISSAN PATHFINDER WITH A NEW LICENSE PLATE HAD JUST ATTEMPTED TO ROB HIS FRIEND AT GUNPOINT. WHILE DESCRIBING THE SUSPECTS AND SUSPECT VEHICLE TO ME, THE CITIZEN POINTED AT A VEHICLE AND STATED " THAT'S THEM RIGHT THERE, OFFICER, IN THE BLUE PATHFINDER!" I THEN TURNED IN THE DIRECTION THAT THE CITZEN WAS POINTING AND OBSERVED A VEHICLE MATCHING THE DESCRIPTION THAT THE CITIZEN HAD ADVISED ME OF. AT THIS POINT, MYSELF OFFICER LUCAS AND OFFICER MITCHELL , WHOM WERE WORKING AN EXTRA JOB AT 489 COURTLAND ST APPROACHED THE DESCRIBED VEHICLE IN A MARKED CITY OF ATLANTA POLICE VEHICLE. I ACTIVATED MY BLUE LIGHTS AND SIREN. AT WHICH POINT WE EXITED THE PATROL VEHICLE AND ADVISED ZONE 5 DISPATCH OF OUR LOCATION AND SITUATION. WE THEN ADVISED THE DRIVER AND PASSENGERS OF THIS VEHICLE, IN A LOUD AND CLEAR COMMAND VOICE, THAT WE WERE ATLANTA POLICE OFFICERS AND TO TURN OFF THE VEHICLE AND PUT THEIR HANDS ABOVE THEIR HEADS. WE CONTINUED TO ADVANCE ON THE VEHICLE WITH OUR WEAPONS DRAWN, AS THOUGH CONDUCTING A FELONY TRAFFIC STOP. ON SEVERAL CONSECUTIVE OCCASIONS, WE GAVE THE DRIVER AND PASSENGERS VERBAL ORDERS TO PUT THEIR HANDS ABOVE THEIR HEADS AND EXIT THE VEHICLE SLOWLY. AT THIS POINT I WAS WITHIN APPROXIMATELY 1 ONE FOOT OF THE SUSPECT'S VEHICLE AND THE DRIVER REFUSED TO EXIT THE VEHICLE STATING TO ME " OFFICER I AIN'T DID NOTHING, I AIN'T GETTING OUT OF MY CAR." AT THIS POINT THE DRIVER'S HANDS WERE ABOVE HIS HEAD. I HOLSTERED MY WEAPON AND OPENED THE DRIVER'S DOOR. I GAINED CONTROL OF THE DRIVER'S LEFT WRIST, THE DRIVER THEN JERKED AWAY FROM ME CAUSING ME TO LOSE CONTROL OF HIS WRIST. HE THEN REACHED INTO HIS WAISTBAND WITH HIS RIGHT HAND AND PRODUCED WHAT APPEARED TO BE BLACK SEMI-AUTOMATIC HANDGUN AND POINTED IT DIRECTLY AT ME. I THEN DISENGAGED MYSELF FROM THE SUSPECT VEHICLE WHILE ORDERING HIM TO DROPHIS WEAPON, AND SIMULTANEOUSLY RE-DREW MY CITY ISSUED WEAPON. UPON FURTHER OBSERVATION, I SAW THE DRIVER OF THE VEHICLE STILL IN POSSESION OF HIS WEAPON, AND BECAUSE I WAS IN GRAVE FEAR FOR MY LIFE AND FOR THE POTENTIAL INJURY TO OTHER PERSONS WHO WERE IN THE IMMEADIATE AREA; I, OFFICER B. REID DISCHARGED MY WEAPON APPROXIMATELY 3 THREE TIMES WHILE AIMING AT THE ARMED SUSPECT. THE DRIVER THEN SIMULTANIOUSLY ACCELERATED HIS VEHICLE FROM THE PARKINGLOT OF THE INCIDENT ONTO COURTLAND ST. INTO ONCOMMING TRAFFIC . HE STRUCK A TAXI-CAB THAT WAS SOUTHBOUND ON COURTLAND ST., THEN LOST CONTROL OF HIS VEHICLE AND STRUCK A UTILITY POLE, CAUSING EXSTENSIVE DAMAGE TO THE SUSPECT VEHICLE. AT THAT POINT THE DRIVER BAILED OUT OF THE VEHICLE AND FLED ON FOOT BUT WAS LATER APPREHENDED BY RESPONDING UNITS WHO CAME TO THE SCENE AS A RESULT OF THE SIGNAL 63 ISSUED BY ME ON ZONE 5 RADIO. MYSELF AND OFFICER LUCAS CONTINUED TO APPROACH THE VEHICLE WITH EXTREME CAUTION AND DID SECURE THE REMAINING 2 TWO PASSENGERS IN HANDCUFFS AND ATTEMPT TO RENDER AID AND ACESS INJURIES. NONE OF THE REMAINING PERSONS IN THE VEHICLE COMPLAINED OF ANY INJURIES. AT THIS POINT AN AMBULANCE WAS REQUEASTED TO THE SCENE TO OFFER MEDICAL CARE. SGT. J. Y. STURDIVANT AND SGT. S. KEEBLE RESPONDED TO THE SCENE TO FURTHER INVESTIGATE THE INCIDENT. ALL 3 THREE SUSPECTS WERE PLACED UNDER ARREST AND TRANSPORTED TO ATLANTA PRE-TRIAL DETENTION. O.P.S. LT. J.DALTON AND I.D. UNIT 7347 ALSO RESPONDED TO THE SCENE. DURING THE COURSE OF THIS INCIDENT I OFFICER B. REID LOST 1 ONE PAIR OF CITY ISSUED HANDCUFFS. UPON CONDUCTING A SEARCH OF THE CRIMESCENE AREA I WAS UNABLE TO FIND MY HANDCUFFS.

THE UNDERSIGNED, BEING DULY SWORN, UPON HIS OR HER OATH, DEPOSES AND STATES THAT THE FOREGOING IS TRUE, CORRECT, COMPLETE AND LEGIBLE TO THE BEST OF HIS/HER KNOWLEDGE AND BELIEF.

Reporting Supervisor:	Sgt. S. R. Keeble	Address:	

On 12/10/00, at approximately 0353 hours, A.P.D. Officers: B. Reid (Zone-5), Q. Mitchell (Zone-1), and N. Lucas (Zone-1), were working an extra job at Club Esso, located 489 Courtland Street NW. The officers were flagged down by a citizen who stated that they were the victims of a robbery attempt and promptly pointed out the perpetrators by directing the officers to a green Nissan Pathfinder. As the officers approached the vehicle (occupied by three armed black males), Officers Reid and Lucas discharged their weapons. The vehicle was struck at least once. The driver attempted to flee the scene, and in doing so, struck a taxi cab and then hit a telephone pole . The vehicle was disabled upon impact and the three suspects fled on foot. The officers broadcast a signal 25/63 via Zone 5 radio. The officers gave chase and all three suspects were captured. No injuries were sustained as a result of the gunfire. Two handguns were recovered from the scene.

Sgt. Sturdivant and Sgt. Keeble arrived on scene and directed the officers to maintain the crime scene which encompassed the intersection of Courtland Street and Pine Street. Courtland Street was blocked for approximately two and ½ hours pending processing by the I.D. unit. O.P.S. was contacted and Lt. Dalton arrived at approximately 0530 hours. The driver of the Taxi cab remained on the scene and was listed as a witness to the incident as was off-duty Fulton County Deputy C. Owens. The victims of the robbery attempt left the area during the incident and could not be located. All three perpetrators were charged with Aggravated Assault and transported to Atlanta Pre-Trial Detention pending a court date of 12/11/00.

Probe focuses on how man got out of jail, and who killed one of them

By Joshua B. Good

28-year-old Atlanta man was released by mistake or whether a jail guard illegally let Kenan go, said Lt. Gail Middlebrook, spokeswoman for the jail.

Internal investigators at the jail are interviewing jail employees and looking over jail records, Middlebrook said.

Police have no suspects in his slaying, said Atlanta homicide Detective Steve Walden. Investigators do not believe Kenan's release from jail is connected to his death, said Sgt. Scott Bennett.

Atlanta police arrested Kenan on Dec. 10 following an attempted armed robbery in Midtown. The victim said Kenan and two other men pointed guns at him, but the victim got away and flagged down three officers.

The officers spotted Kenan and the two other men in the 400 block of Courtland Street and surrounded their vehicle. The officers shot at the vehicle when it surged forward. Kenan and the two other men were captured. No one was shot.

Kenan, who also used the name Sequan Tucker, was charged with aggravated assault and drug and weapons charges. His bail was set at $78,000.

On Jan. 21, Kenan was found fatally shot on Morris Brown Drive. He had been shot in the head, shoulder and back.

Aubrey Allen Kenan was released from the Atlanta jail under mysterious circumstances. Twelve hours later he was dead.

Officials have two investigations. They are trying to find his killer and they are trying to figure out who let him out and why.

So far, Atlanta jail officials don't know whether the
