Sheriff Primus

Hancock County Sheriff's Office

Subject: Georgia Open Records Act

Dear Sheriff Primus,

Under the provisions of the state Open Records Act, I am requesting access to, and copies of, the following public records:

- A complete list of all currently employed personnel in the Hancock County Sheriff's Office. This list should include the full names, ranks, and current salaries of these employees.
- The full disciplinary record of Deputy Marlin Primus, including any findings, outcomes, or actions taken as a result.
- The first page of all use-of-force incident reports involving Deputy Marlin Primus.
- The arrest history of Deputy Marlin Primus.
- A detailed record of all arrests made by Deputy Marlin Primus during his tenure at the Hancock County Sheriff's Office.

If there are any fees for searching or copying these records, please inform me in advance if the cost exceeds \$_____ (determine a reasonable amount based on your state's fee schedule). If there are any portions of this request that you wish to discuss, particularly regarding the specificity of my request, please do not hesitate to contact me at [Your Phone Number].

If access to the records I am requesting will take longer than the standard time outlined by the state law, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of any appeal procedures available to me under the law.

Thank you for your time and attention to this matter.

Sincerely,
Good Citizen

Good afternoon,

The County Attorney, Adam Nelson, and I are in receipt of your open records request directed to the

Hancock County Sheriff's Office. Our office and the Sheriff's Office have reviewed the same, and it will require significant time to collect, review, and redact the voluminous set of documents responsive to these requests. Pursuant to O.C.G.A. 50-18-71(c)(1), a reasonable charge may be imposed for processing of open records requests equal to the prorated hourly salary of the lowest paid full-time employee who has the necessary skill and training to fulfill the request. Based on the quantity of records and necessary redactions, the Sheriff's Office estimates that the cost to fulfill your request will be five hundred and seventy two dollars (\$572.00). The Hancock County Sheriff's Office has requested prepayment of costs prior to beginning work on this request, as authorized under O.C.G.A. 50-18-71(d), as estimated costs exceed \$500.

Please direct the prepayment amount of \$572 to our office. If you wish to proceed with your request, please notify Mr. Nelson and myself, such that we may provide further information and instructions on how best to tender payment. Upon receipt of the estimated cost, the Sheriff's Office will begin preparation of the responsive records for disclosure.

Sincerely,

Tom Watkins

This is a modified request.

1. A complete list of all currently employed personnel in the Hancock County Sheriff's Office. This list should include the full names, ranks, and current salaries of these employees. **This is always free as it takes less than a couple minutes to produce.**

2. The full disciplinary record of Deputy Marlin Primus, **this request has been modified, again, this is a free to \$3.00 to fee in most cases.**

3. The first page of all use-of-force incident reports involving Deputy Marlin Primus. This is an easy and should be in the 15 minute mark

4. The arrest history of Deputy Marlin Primus. For most agencies this is also an easy email to send.

5. Remove this request - A detailed record of all arrests made by Deputy Marlin Primus during his tenure at the Hancock County Sheriff's Office.

I also need a breakdown of your fee's. For this request and the last request for \$572. I can't wait to see how you got that number.

Remember lawyer, you are acting in an official capacity for the city as a lawyer in the state of Georgia. Act in good faith. I detect prior restraint I hope you can prove those fee's.

I have paper and a stamp ready!

Thanks
