wow, another all \$0 columns, incredible. Can you give me a real invoice? One that states what I am being charged for, is that too much to ask? Does that exceed your mental capacity? Or are you just that lazy? ? Do you know what prior restraint is? It is when you charge ridiculous fees to prevent me from publishing my story, it's any action taken to do so, strange I am explaining law to a law man Your fee's are way out of line. I really don't have time to report you to the AG so consider this a letter of intent to do so. Please provide an invoice with actual materials, numbers, costs for what I am paying for. Understand I have most of what you are giving me, In regards to these cops I have already published a couple of those videos without your help.

I am guessing you don't have to redact as it has already been redacted, how do I know? Because I got the records from Jill Dalon at the Georgia POST Council. Your redactions should be extremely limited bud. <http://shieldsofshame.com/open-records/> notice how you are in the red, you know why you are in the red? Because your agency can't get it together. Not even for a simple invoice. The lack of knowledge at your agency is mind boggling. One of your shamed cops <https://www.youtube.com/watch?v=U93Mo1c00KE&t=1s> Here is Brian Thomas https://www.youtube.com/watch?v=Xa_H_2Jyy98&t=39s

Now, follow the law because you are NOT above it!

The estimate clearly states 8.25 hours for "# Of Hours to Search, Review, Copy". The row with \$0 clearly falls under " additional costs may apply", which you were not charged. If you would like to move forward with this request, please follow the instructions provided. If not, please advise and I will close out your request.

Best,

Your invoice states hours, not materials. WHAT AM I PAYING FOR? Body cam, documents?? for you to assess the hourly rate surely you based that off the knowledge of existing materials to redact and release, what are they????

Mr. Blume,

You have been extremely rude, and incredibly disrespectful. Due to that, this will be my last communication with you unless you would like to move forward with this request. The hours estimated are for the time it takes our unit and additional units to search, gather, review, redact, and provide the information you requested. So again, if you would like to move forward with this request, please follow the instructions provided. If not, please advise and I will close out your request.

Please escalate this request to internal affairs for review and also my complaint of excessive fee's with no real way for me to ascertain what I am paying for. So This is a complaint and I am asking you to forward this to IA, also refrain from interjecting your feelings while you are acting on behalf of the Atlanta Police Department. I suggest you visit the 1st amendment. You are expected to take criticism as the supreme court has upheld many times as protected speech. Your rattitory remarks are in violation of my 1st amendment as you took action to prevent it.

I look forward to hearing from Internal Affairs on this matter.

Billy
