RE: Written Reprimand

(Violation of Standards of Conduct) Section B-1 Violation of Law
States that "The violation or attempted violation by and employee of any Federal, State, County or
Municipal Law is prohibited."

Violation of General Operating Procedures and Regulations # 35
Policy states that "Each member of the Sheriff's Office must be quiet, orderly and civil in his conduct and
department. He must, at all times, refrain from violent or profane language while on or off duty and must
always maintain full command of his temper."

On July 18, 2020, it was reported by Deputy Kyle Jones of the Sheriff Department, that you were driving
(speeding) 108 miles in a 55 -mile zone. Upon stopping you it was reported that you became very belligerent
toward the deputy and pulled away. It was also reported that you went on to contact the dispatcher and at
some point during the call you use profane and or derogatory language toward her.

You're receiving this written reprimand for reasons being that this type of behavior is unbecoming as an
officer here at the sheriff's department. For this reason I'm requesting a suspension of two days. Wednesday
July 29th and Thursday July 30th.

By signing below you're acknowledging that you fully understand all contents in this report and that if this
type of behavior happens again you will be taken for and administrative hearing and possibly terminated
from the department.
