Re: Investigation of Claudia Tupper  
(Lee County S.O.)

Dear Clint:

Per our conversation, I have reviewed the file materials regarding the above-referenced matter. Based on that review, as well as my discussions with you regarding the case, my opinion is that there is not sufficient evidence of criminal conduct to warrant prosecution. At this time, I am closing the file in my office. If you have other questions concerning this matter, or should new evidence be discovered regarding the same, please let me know.

Thank you.

Very truly yours,
