Tatum, Sheep damage Stewart + Bowen

To: The Shift Commander: Cpl Tatum From Inmate: LeTron Bell Block & cell: 5B7

Part 1 - Grievance

To the inmate: Please give the names of persons involved, the date of the incident, the location where it happened, and the witnesses involved:

Grievance:

To day Cpl Tatum told me the kitchen didn't make my sandwiches and he gave me Clint Williams lunch which was 2 wraps. One was peanut butter and other was No Proc meats, I told him I couldn't eat the peanut butter. He told me he was going to get me another sandwich + go ahead on eat the wrap, Deputy Sheep damage let me out for rotation around 12:10, I asked him if he had my food, He said no and put it on the Kiosk, I told him on my last grievance they told me to tell the deputy if my food wasn't right so that the kitchen could fix it right there, He said OK and I never seen again, Deputy Stewart come in to put me up him + Bowen, I told them about my lunch and Stewart said I will give you an extra dinner tray even if I have to get it from buying then Bowen said he is a man of his word. I never got my sandwich or dinner tray, the week before this I seen the cpl on duty and deputy's give an inmate extra sandwiches + trays, If they didn't

Solution desired:

give it to him, he would throw feces out on the day room floor, They let him out to clean his shit up and give him 2 sandwiches as a reward, The next day he ask if he could clean up, they told him no and gave him extra sandwich and cookies, You don't bring my food or give it away and make me go without meals, is not right and unbulful and will stop, If it don't I will let my folks on the outside know and get involved, The deputy's are just as wrong for not doing anything at the kitchen,
