NARRATIVE

On October 14th, 2017, at approximately 1700 hours I, Officer Tucker, was dispatched to 1585 Rome Highway in reference to a shoplifter in custody. Upon arrival, I met with asset protection who advised that Mrs. Jamie White was observed on camera not properly scanning all items that she possessed. After passing all points of sale, asset protection then approached Mrs. White. Asset protection advised me that when Mrs. White was approached, she began removing more items from her purse that were not paid for. Mrs. White was then placed into custody and transported to the Polk County Sheriff's Office for booking. Times and transport mileage were logged with Polk County 911 dispatch.

Asset protection manager, Tiffany Gray, also made a written statement about the situation. Asset protection also provided a copy of surveillance footage, a citizens arrest and request for transport form, and a voided receipt of stolen merchandise. All of these items were placed into a file and turned over to Stacy Cooper at the Cedartown Police Department.
