The number called is 404-370-0923 (Brittney Robertson 1222 Lavista Drive Monroe, GA) At about 5 minutes 15 seconds into the recording, Robertson begins talking about the incident but tells the person on the other line that she couldn't talk too much about the incident because of being recorded. She mentioned using another inmate's PIN to tell her more. She hand the telephone off to Bridney Johnson. Johnson "dances around" telling about the incident. I am monitoring other female inmate conversations in the pod to see if I can catch the follow-up conversation.

Could you provide me with these inmates facesheets. I may need to interview them as well.
