

Adel Police Department Critical Incident Review Form

INSTRUCTIONS: This form is to be completed for every incident where a vehicular pursuit took place or where an officer threatened or used force in the line of duty. Reportable use of force is that where more force than merely handcuffing a prisoner was required. An incident is reportable if an officer had to struggle with a person, use a pain compliance hold, strike a person, use pepper spray, an impact weapon, or pointing a firearm, the use of a K-9 where more than mere presence was necessary, or any act which would be considered a felonious assault under Georgia statutes. The information gathered from this form will be used to evaluate the implementation of the vehicular pursuit and use of force policies, equipment, tactics, and training utilized by the officer(s). This form is to be completed with the greatest attention to detail. The handling of this form will be in accordance with General Order O-10, Section D, Paragraph 3.

SECTION F

On 04/18/20 I, Sergeant Futch, as well as several APD officers attempted to pick up a wanted Felon for the FBI. I followed Sgt Hancock to MLK & W. 5th ST where the informant had advised Sgt Hancock the suspect was located. While there a male later identified as Gary Thomas (10/18/71) began to resist. Officers Sgt Hancock and Sgt Hancock while they were attempting to detain him. I tried to assist these officers in getting off on the man but he was actively resisting. Thomas was kicking and swinging his arms around while sitting on a bench so I grabbed his legs and pulled him from the bench in order to gain control of Thomas. Thomas continued to kick me in the chest as I ~~tried~~ ^{tried} to lay him down in an attempt to prevent him from causing further injury. After Thomas continued fighting officers trying to catch him I moved to his torso where I was able to pull him right off then his left arm from under Thomas. He was placed on the ground without further incident. EMT checked Thomas at the jail for his hand numbness complaint & they advised he was OK. I treated my own injuries. My body cam was active during this incident.
