8-12-19	1132	Spoke to Haley Truener, said assured by Sgt. Chester that no one would know that a report was filed. Danielle is now receiving txt msgs from Kristen about incident. Said fiance just completed drug court, and for past week have been drinking + partying. Danielle tried to txt Kristen + Brisson about noise prior. Even neighbors have complained. Could see that Danielle's message was looked @ but no response. During confrontation Brisson stepped up in her face w/ hands up + cursed her. She said she was shaking + scared. She is 5' tall + Brisson stepped to her. Kristen came out + bucked up to her + pushed her right shoulder w/ her left hand. Then a B/F came out + pulled her into Apt. Kristen said "we are the police!"
