Narrative	On Tuesday, 14 July 2020 at 1235, Mr. Billy Blume Jr. was approaching the Main Canopy on the Roybal Campus in his red 2013 Dodge Charger when he was stopped and questioned by Security Officer (b)(7)(C) (b)(7)(C). Mr. Blume stated he was "just taking pictures" when S/O (b)(7)(C) observed a CANON EOS M50 camera with a telephoto lens in Mr. Blume's hand. S/O (b)(7)(C) states that Mr. Blume made an attempt to remove the camera from S/O (b)(7)(C) reach, and S/O (b)(7)(C) removed the camera from the passenger seat of the vehicle. S/O (b)(7)(C) immediately notified Inspector (b)(7)(C) with Federal Protective Services and Sergeant (b)(7)(C). Upon arrival Sgt. (b)(7)(C) observed Mr. Blume being interviewed by Inspector (b)(7)(C). S/O (b)(7)(C) relinquished the camera to Mr. Blume and requested that Mr. Blume delete the photos of Buildings 21 and 46. Mr. Blume deleted the photos and departed the campus without further incident.
