Natasha Smith

On 5/17/22 at 6:34pm My husband Rondal Smith was stopped by a narcotic officer for taillight. They illegally searched my car with no warrant they also dragged him out the car and fussed him, saying he wasnt being cooperative, a witness rode by and saw him with his hands up and doing everything he told them to do. They also searched my purse without me being there and took my check that I just cashed I had my receipt attached to. They also was being rude, told me to leave before they locked me up because I said they was harassing him they didnt wanna give me my car, purse or house key. I left when I got my car. But I talked to my husband he's bruised up for no reason at all I think this arrest never should of happen.
