Dear Mr. Blume,

I am responding to your open records request received on May 20, 2024, and assigned GovQA reference # SO11070-051824. You have requested, "All Garrity and Miranda on file for McFadden."

Prior to January 2023 our agency did not have a searchable query for Garrity and Miranda as they are not kept within the personnel file. Officer McFadden has been employed with the Cobb County Sheriff's Office since 1999, which covers a time frame of 25 years. The search for this time frame would greatly rely on a manual search of files that are archived. As you may be aware, the time frame for a manual search is lengthy; however, if you could give us a specific date/time frame to search, case number, or specific incident, this will greatly speed up the responsive document search and lower the cost estimate.

Please let me know if you wish to provide a more specific date/time frame to search, case number, or specific incident and we will provide a cost estimate for same.

Very Respectfully,

A handwritten signature in blue ink that reads 'Robin E. Clements'. The signature is written in a cursive style.
