Dear Mr. Blume,

I write in regard to your open records request, assigned GovQA number SO11032-051624. You have requested, "All Internal Affairs case numbers and the first page of each report for the past 12 months." The cost of responding to your request will be approximately \$175.41, but the exact cost is unknown until search, retrieval, review, and redaction takes place. The cost is broken down as follows:

- \$21.64 per hour x 8 hours for search, retrieval, review, and redaction (Minus first quarter hour) = \$167.71.
- 77 pages x \$.10 per page = \$7.70

Please be advised that the estimated costs are for all closed Internal Affairs files for the past 12 months. These are the only releasable files currently per O.C.G.A. § 50-18-72 (a) (8). The open files will be subject to release ten days after the Internal investigation concludes.

Once you have agreed to pay the estimated cost of search and retrieval (estimated at \$175.41), the responsive records will be compiled and made available for your review. We estimate the compilation will take approximately ten (10) working days.

Very Respectfully,

Kenya B. Minnie
