On February 1st, 2023, at approximately 1107 hours Chatham County Police Department (CCPD) was dispatched to Color Geek Salon, 216 #C Johnny Mercer Blvd. regarding a miscellaneous report. There were no call notes advising any information on the matter.

On scene I made contact with complainant, Susanne Knight. We stepped outside of the salon to speak. She advised the incident occurred on Saturday, January 28th, 2023, at approximately 1530 hours (time retrieved from video evidence). She was working in the salon when a male and female subject walked from next door (Snug Pub) to their truck parked in front of the salons glass door.

Susanne recorded the following incident: The swaying, possibly intoxicated male feeling up on the possibly intoxicated female who's leaned up against what's likely his truck. The male then unzips his pants and exposes his penis to the female. Susanne then walks to the door, opens it, and tells the subjects they need to leave.

In addition to Susanne Knight being in the salon it was also occupied by Evelyn Darling, and Jennifer Lancaster.

When I asked Susanne why she waited to report it. She advised that she didn't think much of it at the time. She told her colleagues in the plaza. They saw the video and identified the male subject as Todd Desautels. Susanne was further advised that he's allegedly a school security officer, and she expressed her concern for this man's future actions around children.

While on scene Patrick Murphy, the manager of Snug Pub stepped outside. He advised that one of his employees were able to identify Todd. The day of the incident Todd, and the female subject came into the Pub. They each had two drinks. He noted that they both used the restroom frequently. After their drinks they both left the Pub. Patrick was able to pull the debit card batch for the female who paid for the drinks. The name Laura E. Warzynski along with her email (see peoples tab) came up. Patrick's family owns the plaza and wants Todd banned.

CRN cards were given. Susanne had to crop the video to just the incident, and her encounter with him. She emailed the video and it was forwarded to CID. I will put in a technical service request for the entire video.

I notified my supervisor, and CID of the incident. The CAD call was changed from a miscellaneous complaint to a sex offense.

My Body Worn Camera was activated. For CID only.

Nothing further at this time.

On 02/01/2023, I was directed to meet detectives at the Port Wentworth Elementary School to assist with an arrest.

On arrival, I met with Detective Cox and Sgt. Dennis who directed me to transport their arrestee to CCDC. I searched his person and placed him in the back of my patrol car where he was transported to the CCDC and released back to Detective Cox's custody with his belongings.

I was called shortly after and advised Todd needed to be transported to Memorial Hospital for elevated blood pressure. I returned to CCDC and transported him to the hospital where he was medically cleared and returned to jail.

My BWC was active.

Incident:

Wednesday, February 1, 2023, at approximately 1200 hours, Sergeant Kevin Elleby received a phone call from Sergeant Keith Dennis from the Chatham County Police Department (CCPD); he advised that his department received a complaint about one (1) of our (Board of Education Police Department (BOEPD)) Ofc. Todd Desautels exposed himself on Saturday, January 28, 2023, in front of the Color Geek Salon, which is located in The Island Mall Shopping Center, 216 Johnny Mercer Blvd. Suite C-1, Savannah, GA 31410 Sgt. Dennis said three (3) witnesses advised that they saw Desautels and an unidentified white female walk from the Snug Pub Bar next door to the Color Greek Salon. They said that Ofc. Desautels and the unknown female stood in front of the salon next to a truck (identified as Ofc. Desautels's vehicle); he unzipped his pants, pulled out his penis, and showed it to the female. Ofc. Desautels then attempted to put the female's hand on his penis and stopped when the salon owner went to the door and told him that people were inside the salon. Sgt. Dennis also stated that Det. Cox had investigated this case and would be securing a warrant for Ofc. Desautels arrest.

Considering the alleged allegations of Ofc. Desautels, Sgt. Elleby, requested the CCPD investigators meet with them at the BOEPD's headquarters building located at 507 Coastal Highway in Port Wentworth, GA, which they agreed to do. Upon arrival, Sgt. Dennis and Det. Cox presented Sgt. Elleby with a copy of the CCPD Case Report (CRN - CC230201004) and video evidence of the incident.

Det. Cox said Ms. Jennifer Lancaster (witness) captured the incident on video. Upon reviewing the video Sgt. Elleby observed Ofc. Desautels and an unknown female are standing in the third parking spot from the far left in front of the salon. The two were located outside, centered in front of the salon's right side's two-way clear window, which spanned almost entirely from the floor to the roof. At the time of the incident, the salon's customers and staff were located in the stations on the right side of the salon behind the window where Ofc. Desautels and the female were positioned.

Ofc. Desautels removed his penis from his pants, placing it outside in plain sight of the public; then, he stepped forward and pressed his penis against the female. At this point, Ms. Knight walked to the salon's front door and instructed the two (2) to leave the property. They began to laugh but did comply. Ofc. Desautels places his penis back into his pants and closes the fly, and then both subjects enter the vehicle. Ofc. Desautels then drove away from the shopping center.

Sgt. Elleby then informed Lieutenant Devin Guilford about the allegation involving Ofc. Desautels. Lt. Guilford was then instructed to call Ofc. Desautels and have him report to headquarters upon Ofc. Desautels arrival Deputy Chief Rob Rodriguez advised him about the alleged allegations that the county police were investigating involving him.

Deputy Chief Rodriguez advised him that he was being placed on Administrative Leave. Ofc. Desautels surrendered his weapon, duty belt, keys, vehicle, and police identification. Sgt. Dennis and Det. Cox then arrested Ofc. Desautels on the charges of Indecent Exposure. He was transported to the Chatham County Jail without incident.

Possible Policy Violations:

- (1) Rules of Conduct, Section III Paragraph (A) Page 1
- (2) Rules of Conduct, Conduct Unbecoming, Section III Paragraph (A) (1)

(See initial report of complaint for complete details regarding the allegations)

On February 16, 2023, I was assigned this case. I then scheduled interviews with all of the witnesses identified with this case. I then scheduled interviews with all witnesses identified in CCPD's case report. Witnesses included Ms. Jennifer Lancaster, Ms. Susanne Knight, Ms. Evenly Darling, Mr. Patrick Murphy, and Daniel Merritt.

Interviews:

On Thursday, February 28, 2023, at approximately 0945 hours, Sgt. Elleby and I went to The Island Shopping Center, to interview all the above-listed witnesses at both Snug Pub and Color Geek Hair Salon (216 Johnny Mercer Blvd. Suite C-1 and C-2). Interviews were audio-recorded and surveillance footage from within Sung Pub was recovered. Video surveillance shows Ofc. Desautels and his unidentified female companion prior to the cell phone footage that was provided by Ms. Lancaster.

Daniel Merritt: Although Mr. Merritt was not present on the day of the incident, he asked if he could comment on Ofc. Desautels' character. I asked how he knew the Ofc. and what kind of relationship they had. Although Ofc. Desautels was not a friend or family member, Mr. Merritt had known him from their children's karate classes and from frequenting the Sung Pub. According to Mr. Merritt, he has never seen Ofc. Desautels was drinking/drank outside the Snug Pub property. Mr. Merritt believes Ofc. Desautels has "more of a drinking problem than a pulling out his dick problem." Mr. Merritt knew that Ofc. Desautels had been involved in "some situations" outside the pub, in the parking lot. Several years ago, when their children were enrolled in karate, he always seemed to have his personal life in order and was a good person. Mr. Merritt also stated that the Snug Pub bartenders feel uncomfortable with Ofc. Desautels's behavior and persistence in his sexual advances. Ofc. Desautels asked them to spend time with him outside of the bar/their place of employment and "hits on them" even after he had been asked to stop.

Susanne Knight: Ms. Knight stated that she is the Manager of the Color Geek Salon, and when Ofc. Desautels and his female companion arrived, they parked in one of her reserved parking spots near the hair salon's front door. Ms. Knight said that these reserved spots feature a floor-to-ceiling bay window. Ms. Knight said that she did not pay much attention to their behavior initially because it was regular public displays of affection, such as standing very close and some light touching. However, when Ofc. Desautels removed his penis from his pants, and she stepped outside to tell them they were in public, and clients inside could see them through the window, so they had to leave. Ofc. Desautels chuckled, and they entered the vehicle they arrived in and left without further incident.

Jennifer Lancaster: Ms. Lancaster stated that the unidentified female appeared to be highly intoxicated and had trouble standing up without the support of the truck. Ms. Lancaster pulled out her cell phone and started recording Ofc. Desautels and the woman because she felt he was making unwanted advances toward the female. Ms. Lancaster said that after Ofc. Desautels pulled out his penis, Ms. Knight went to the door and told them that they had to leave.

Patrick Murphy: Mr. Murphy stated that he was the General Manager of the Snug Pub Bar and Restaurant. On the incident date, he did not know anything had happened outside in the parking lot until after Ofc. Desautels and the female had left. Mr. Murphy states that besides Ofc. Desautels making unwanted advances at the bartenders and arriving at the Snug Pub already partially intoxicated, he did not notice any behavior he would note as out of the ordinary for a bar. I inquired how he knew Ofc. Desautels was already drinking. He said that his experience and training in the bar industry and Ofc. Desautels's body language and speech indicated he may have had "a few" drinks before he arrived at the bar. Mr. Murphy then stated that the footage from the bar's surveillance cameras showed Ofc. Desautels and the female interactions while they were inside the establishment. Sgt. Elleby and I watched the video and downloaded it to a USB jump drive.

Evenly Darling: Darling was present when Lancaster proved her statement and stated she had not witnessed anything beyond what Lancaster had just said during her interview moments earlier. Darling stated Knight and Lancaster were the more involved witnesses from within the salon, however, I requested that she nonetheless provide a statement. Darling said she was working at her station in front of the large bay window when Ofc. Desautels and the unidentified female arrived and left. Though Darling did not recall any specific details about his arrival, she did observe the couple when they left. Darling noticed Ofc. Desautels and the unidentified woman in the parking lot near Ofc. Desautels' car as they began their public displays of affection outside the salon. In the salon, Darling's colleagues observed the couple (both looked intoxicated). Intoxicated, the female appeared to struggle to maintain her balance; their public displays of affection continued to increase. Lancaster began recording the incident on her cell phone as the incident escalated. Darling continued, upon Ofc. Desautels removing his penis from his pants, Knight immediately opened the salon's front door and instructed the couple to leave. As a result of Knight's directive, during which she noted that the employees/clients could see them, the couple chuckled amongst themselves, Ofc. Desautels repositioned his genitals into his pants and zipped his fly, then both entered Ofc. Desautels's vehicle and left the shopping center.

Throughout the morning I, Administrative Assistant Ms. Washington, and Sgt. Elleby attempted to reach Ofc. Desautels numerous times via phone and email to schedule his follow-up interview. Ofc. Desautels was not responsive to the phone calls or emails, till approximately 1200 hours. At that time Ofc. Desautels returned the call by way of Ms. Washington, who then transferred the call to Sgt. Elleby. Ofc. Desautels agreed to meet and stated he could be at the police department in approximately 30 to 45 minutes.

However, at approximately 1214 hours, Sgt. Elleby received and notified Sgt. Mervin of an email from Ofc. Desautels. Ofc. Desautels stated that he wanted to forgo the scheduled meeting and resigned, effective immediately.

Findings of fact:

On January 28, 2023, Ofc. Desautels and an unknown female walked from the Snug Pub Bar next door to the Color Geek Salon. While in the salon's parking lot, Ofc. Desautels pulled out his penis, attempted to put the female's hand on his penis, and stopped when the salon owner went to the door and told him that people were inside the salon.

Ms. Knight, Ms. Lancaster, and Ms. Darling stated that Ofc. Desautels pulled out his penis in the salon's parking lot and attempted to place the female hand on it that he was with.

There is video footage of Ofc. Desautels pulled out his penis in the salon's parking lot and showed it to the unknown female he was with.

Conclusion:

Based Upon all information obtained during this investigation, the evidence collected, and the statements during this investigation- sufficient evidence is present to sustain this complaint.

(1) The complaint regarding Ofc. T. Desautels's actions are **SUSTAINED**.

I. PURPOSE

- A. The Department's reputation within the community and its integrity as a professional law enforcement agency are dependent to a large degree on our ability to effectively respond to citizen complaints regarding the services rendered by the Department and/or the conduct of its personnel. No such complaint can be ignored; regardless of the apparent lack of validity of the complaint, the mere existence of the complaint indicates dissatisfaction with the Department by a member of the public to which we are responsible for the provision of effective services.
- B. The processes outlined in this directive are designed to insure (1) that the Department responds appropriately to any public disapproval of its services and/or activities, and (2) that the personal rights and professional interests of Department personnel are adequately protected in the investigation of allegations of misconduct.
- C. Department personnel are required to fully cooperate in Department investigations of complaints, to respond fully and truthfully to all inquiries directed to them in the context of a complaint investigation, and to comply with all lawful orders for participation in investigative procedures. No employee will intervene or participate in any complaint investigation without specific authorization from the assigned investigator.
- D. The procedures which follow address complaints filed by private citizens. Complaints regarding the conduct of Department personnel which originate

within the Department will be processed and investigated by the same procedures as if the complaint originated outside the Department. Suggestions for improvements in Department operations or services which originate within the Department are encouraged and will be directed through the normal chain-of-command internal communications processes.

- E. An annual review of all complaints received by the Department, during the applicable school year, will be conducted by the Chief of Police or assigned designee.

II. POLICY

- A. To ensure that the services rendered to the community meet all reasonable expectations for performance of the Department.
- B. To protect the professional integrity and public reputation of the Department.

11. IA investigates complaints against the SCCBOEPD employees. IA investigators are responsible for the investigation. They are strictly fact finders. They DO NOT make recommendations regarding findings or penalty.

1. **Supervisory Discipline:** This type of discipline is usually generated through the first line supervisor, and depending on the violation or misconduct, may require a formal investigation.
2. **Citizen Complaints:** Depending upon these verities of the allegation, such complaints may require a formal investigation. Should a citizen's complaint be so severe as to merit a formal investigation, it will then be labeled as an Internal Investigation.

3. **Internal Investigations:** The more serious allegations usually require a formal investigation and may include the advisement of rights pertaining to an administrative investigation which is known as the Garrity Warning.
- C. **Supervisory personnel are authorized to investigate violations involving:**
1. **Minor violations of policy and procedure;**
 2. **Allegations of rudeness to citizens;**
 3. **Insubordination;**
 4. **Tardiness or abuse of leave.**
- D. **A comprehensive investigative report shall be prepared on all investigations. This report will include:**
1. **A summary of the complaint or alleged act of misconduct.**
 2. **A description of the incident, physical evidence, and other pertinent information.**
 3. **Non-edited investigative statements.**
 4. **Evaluation of the complaint with a statement indicating what can or cannot be substantiated.**
- E. **Internal Affairs Investigators shall conduct investigations into:**
1. **Civil liability suits against members of the Department.**
 2. **Allegations of corruption.**
 3. **Gross misconduct.**
 4. **Allegations of the use of excessive force or brutality.**
 5. **Use of deadly force and firearms.**
 6. **Violations of civil rights.**
 7. **Allegations of criminal misconduct.**
 8. **Incidents requiring investigation that are extremely lengthy, time consuming, involve multiple units or divisions, or when other investigative resources are unavailable.**
 9. **All other Administrative Investigations assigned by the Chief of Police.**

IV. COMPLAINT PROCESS

- A. **Allegations of police misconduct are received as complaints from both citizens and SCCBOEPD personnel. All complaints against the SCCBOEPD and its personnel will be documented and investigated, including anonymous complaints.**

- B. Citizens wishing to register a complaint will be referred to the employee's immediate supervisor. If the immediate supervisor is unavailable, a supervisor within the employee's division shall be notified.
- C. The supervisor processing the complaint will record pertinent information regarding the complaint on the SCCBOEPD Complaint Form.
- D. All complaints will be investigated, including complaints where the complainant is unwilling to complete or sign the complaint form.
- E. The complainant shall be documented and, as soon as practical, the supervisor must telephone or e-mail IA for a control/tracking number.
- F. Upon receipt of a complaint the IA Investigator will provide the complainant with documentation that states that the complaint was received and provide a description of the process.
- G. Once a tracking number has been assigned and a brief synopsis given to the IA Investigator, it will be determined by the Deputy Chief of Police if the investigation will be conducted by a supervisor of this Department or by an IA Investigator.
- H. The person recording the complaint shall provide the complainant with a copy of the Complaint Form.
- I. When an employee is notified that they have become the subject of an IA investigation, the employee shall be issued a written or electronic notice of the allegation and the employee's rights and responsibilities relative to the investigation.
- J. The Internal Affairs Investigator will have thirty (30) days to complete investigations upon receipt of the complaint. The Chief of Police may grant an extension whenever extenuating circumstances exist.

V. INTERNAL AFFAIRS INVESTIGATIVE TECHNIQUES

- A. The complainant shall be interviewed as soon as practical regarding the complaint. The recorded complaint interview will be retained in the same manner as established for the internal file from which it was taken.
- B. The Complainant shall be asked to read and sign the Complaint Form.
- C. The Complainant shall write the complaint on the approved Complaint Form.
- D. The supervisor shall conduct a preliminary investigation, including interviewing the complainant and any witnesses readily available in person. The supervisor

- shall also advise the subject employee of the complaint, when appropriate.
- E. An effort will be made to locate and interview each person who may be a witness or have information relevant to the incident.
 - F. When an employee is under investigation and subject to a formal interview, the interview shall be conducted under the following conditions:
 - 1. The interview should be scheduled during the employee's normal duty hours, when practical.
 - 2. Employees being interviewed or writing a statement concerning an internal investigation may not have an attorney, supervisor, or Commander present.
 - 3. The employee will be informed of the name and rank of the interviewer and all other persons present during the interview.
 - 4. The employee will be informed of the nature of the investigation before the interview begins.
 - 5. The employee will be informed of all the complaint(s), unless there is a compelling reason not to do so.
 - 6. The interview should be audio/digital recorded by the interviewer.
 - 7. Questions asked during the interview should be relevant to the investigation and should be within the area of knowledge the employee is thought to possess.
 - 8. If an interview extends into a normal mealtime, the interview should be suspended while the employee has a meal period.
 - 9. If the interview continues beyond the normal tour of duty, the employee should be allowed to make phone calls to notify such persons as necessary.
 - 10. Employees will be allowed to use toilet facilities as necessary.
 - G. In addition, an employee may be required to:
 - 1. Be photographed, to participate in a lineup, and/or to submit a financial disclosure statement when the actions are material to a particular IA investigation being conducted by the SCCBOEPD.
 - 2. Submit to a medical or laboratory examination, at the expense of the SCCBOEPD, when the examination is specifically directed and narrowly related to a particular IA investigation being conducted by the

SCCBOEPD.

3. Submit to a polygraph examination in the course of an IA investigation. The use of the polygraph will be restricted to those issues narrowly related to a particular internal investigation. Generally, the citizen or witness must submit to and pass the polygraph examination before such examination will be considered for the employee.
 4. An employee shall be ordered not to divulge any information about the interview until the disposition of the investigation, if the progress of the investigation would be otherwise hampered.
 5. Employees may not refuse to provide a statement to IA.
- H. All complaint investigations will be completed, regardless if the employee retires or resigns prior to the conclusion of the investigation.

VI. INVESTIGATIVE FINDINGS

- A. When the investigation is completed, a report will be completed by the assigned investigator.
- B. This report will contain all information pertinent to the investigation and will also contain a conclusion concerning the merits of the allegations and any evidence that corroborates or refutes the allegation.
- C. The internal affairs investigator will not make any disposition regarding the investigation.
- D. The report will be forwarded to the Chief of Police who will have responsibility for convening a meeting of the Professional Standards Committee (Command Staff).
- E. This committee will review the content of the investigation, decide whether the allegation(s) are sustained, not sustained, unfounded, policy failure or that the employee shall be exonerated. In addition, a recommendation for appropriate disciplinary action will be made.
- F. The Chief of Police and the Committee will use discretion in considering aggravating or mitigating circumstances, as well as discipline history, in arriving at their recommendation.
- G. Once a finding is reached, the subject officer will be notified by the investigating Division Commander, or designee. The subject officer shall receive a complete copy of the investigative file.
- H. If the complaint is sustained and the penalty is above a written reprimand, the

subject officer can respond, either verbally or in writing, within 3 days, to the allegations (Cleveland Board of Education v Loudermill).

- I. When discipline is issued the employee will be notified of their right to appeal.
- J. If the employee fails to appeal to the Chief, this non-response will constitute a waiver of the right to appeal and the discipline will be imposed.
- K. Final disciplinary action reports (DAR) shall be forwarded to IA for recordkeeping purposes.

VII. DISPOSITION

- A. Investigations into allegations of policy violations or employee misconduct will conclude with one of the following findings:
 - 1. **EXONERATED** - The investigation supported the conclusion that the incident did occur, but the employee's actions were legal, proper, and reasonable.
 - 2. **UNFOUNDED** - The investigation supported the conclusion that the employee did not engage in the alleged conduct and did not violate a rule by doing so.
 - 3. **POLICY FAILURE** - Policy or procedure does not properly address the allegation or procedure which led to the alleged conduct and the investigation reveals recommended policy or procedural changes.
 - 4. **NOT SUSTAINED** - The investigation didn't prove or disprove the alleged conduct.
 - 5. **SUSTAINED** - The investigation supported the conclusion that the employee engaged in the alleged conduct and violated a rule by doing so.
- B. Appropriate disciplinary action will be taken, when warranted, and a complete file maintained by the SCCBOEPD IA Office.
- C. Investigative findings for those employees that have since retired or resigned will be forwarded to the Chief of Police or designee. Depending upon the final disposition of the investigation the Chief of Police or designee will change the former employee's separation status accordingly.
- D. Upon conclusion of the investigation, the involved employee(s) will receive, in writing, notification of the results of the investigation.
 - 1. This will also include those employees that have retired or are no longer employed with the SCCBOEPD.

2. This notification will be done by certified mail and with a return/receipt.

VIII. OFFICE OF INTERNAL AFFAIRS ROLE IN CRIMINAL INVESTIGATIONS

- A. If during an Internal Administrative Investigation there appears that there is, or that there may have been, a violation of criminal law, the investigation by IA may be suspended and the Chief of Police promptly notified.
- B. No further administrative investigative effort will normally be made until after the Chief of Police has determined whether to assign the matter for criminal investigation.
- C. Employees under investigation for alleged criminal law violations will be afforded those rights guaranteed by the Constitution of the United States and the policies and procedures of the SCCBOEPD.
- D. Generally, criminal investigations will be conducted by the appropriate investigative unit or agency unless IA is directed by the Chief of Police to conduct the criminal investigation.
- E. Deadly force cases will be investigated in accordance with the SCCBOEPD's Use of Force policy.

IX. ADMINISTRATIVE INVESTIGATION FILES

- A. The Internal Affairs Investigator shall be responsible for maintaining all records regarding internal investigations.
- B. The Internal Affairs Investigator shall take all proper precautions to ensure the security of these records. These records shall be stored separate and apart from personnel records.
- C. All complaints received by any member of the Department, against the Department or an employee, shall be assigned a complaint control number. IA will assign control numbers and will enter them into a computer data base.
- D. IA shall prepare a file for every complaint assigned. The file shall contain the original report, audio tapes of IA interviews, incident reports, photographs, and other pertinent documentation.
- E. Folders shall be filed numerically by control number and kept secure while in the custody and control of IA.
- F. No one may access the files without the permission from the Chief of Police.
- G. No portion of the file shall be copied or reproduced by anyone other than IA personnel.

Chief Enoch,

When I was placed on administrative leave I was not informed in writing or verbally this administrative leave would be without pay.

In my experience, individuals placed on administrative leave pending investigation are compensated until the investigation is concluded and employment status has ceased.

I submitted my resignation, effective February 28, 2023 however I did not receive pay for the periods of 2.1.23 through 2.15.23 and 2.16.23 through 2.28.23.

Thank you for your attention to this error.

This morning, about 1130, I reviewed a voice-mail. left an hour earlier about scheduling an interview with IA. A few minutes ago, I received a call and spoke to Sgt. Elleby about coming to HQ for an interview.

I am going to forego this procedure and the additional time I'll be waiting for a IA conclusion. Please see the attached resignation letter.
