Narrative

Sir/ma'am,

On 100813 around 1530hrs.while on duty in plain clothes and in an unmarked police unit, I became involved in a moving vehicle surveillance (vehicle follow) involving a silver Toyota Tundra (GA BQJ 1716). I listened to and followed the radio traffic that was being relayed by the primary following officer until I assumed the lead at Montgomery/Park Ave. I then broadcasted the vehicle's current location and direction of travel to other units (marked and unmarked) in the area. As I followed the vehicle and we approached the intersection at Montgomery/W.Gwinnett St., I observed as the driver (Notto, Fabian) switched over to the left hand turning lane and used it to continue travelling straight and then passing the vehicle that was in front of him. At this time, I advised officers that were in marked police units of Mr.Fabian's moving traffic violation in reference to Improper Lane Usage (40-6-48) at that intersection. I then continued following the vehicle while relaying its location and direction of travel until Apo.Fikes initiated a traffic stop of Liberty St. between Whitaker and Barnard St. (see supplemental report).
