Good day,

Times up! Your agency is not in violation of the law, that means you are now a criminal. Remember only criminals break the law. 50-18-71 (b) (1) (A) You have also made the process difficult and obfuscated and if you read 50-18-74 that is a crime too.

But I am not as concerned with that as I am the potential federal crimes taking place against me. A violation of the First Amendment under the freedom of press. By withholding records you are actively preventing me from publishing my story.

Here is a timeline of my documented requests.

Fri, Jun 28, 9:14 AM I am requesting records related to Nkenge Green sent to Nkenge N Green ngreen@gsp.net,

Open Records <openrecords@gsp.net>

Mon, Jul 1, 3:53 PM Nkenge N. Green ngreen@gsp.net asked if I was still interested in my request for her

Jul 2, 2024, 9:47 AM I responded "Yes I still want the request I made."

Fri, Jul 5, 8:58 AM I received an email from openrecords@gsp.net

50-18-71 (b) (1) (A) Agencies shall produce for inspection all records responsive to a request within a reasonable amount of time not to exceed three business days of receipt of a request

This email has traveled through quite a few people, Patience Patterson, openrecords@gsp.net, Nkenge Green, who all have actually seen this request?

I am asking for this to be escalated to a supervisor higher than Patterson and this complaint to be placed in Nkenge Green's file.

Again, my request is related to Nkenge Green

Image on file

disciplinary file

Public complaints

and Garrity or Miranda on file.

Thank you

Sounds good, why is it so difficult to obtain Greens records? Green does not need to be handling open records or she needs to be trained, I'm already paying your TECH that makes \$73 an hour via taxes!!
If your open records staff can't perform the task then relocate them! I'll never pay those kinds of fees and never have ..
I do hundreds of requests a month.

Thanks

Billy Blume

Mr. Blume:

I apologize for all delays in this matter. I am assisting the Open Records Unit while the attorney manager is on extended leave for the next several weeks.

As Ms. Green's direct supervisor, I know up front that she has no employee disciplinary records or corrective measures actions. If you want her personnel file, please let me know. The cost of obtaining it and making the necessary redactions for confidential/personal information is estimated at \$5.00, which is the cost of the lowest salaried employee capable of locating, pulling, redacting, and providing the responsive documents, with an expectation of 20 pages in the file. If the file contains more than 20 pages, then the costs will be an additional .025

per page, which is not a copy fee. It is the lowest calculable cost as stated above.

Per the Open Records law, I need to obtain your consent to pay prior to the records being pulled. Please let me know,
