DEPUTY: Richard S. Parker EMPLOYEE ID: 16542
 DATE OF VIOLATION: 11/07/2016
 VIOLATION OF S.O.P. #: Body Worn Cameras 5.3-7

On 11/07/16 at 1634 hours, Dep. Richard Parker was dispatched to the 3500 block of Trudyshire Drive in reference to shots being fired in the area. Deputy Parker stopped two juveniles in the area and "Terry Frisked". I later received a complaint from the juvenile's mother about her children being stopped. I went to review the BWC footage from Dep. Parker's camera and discovered his camera was not activated during the encounter. The camera did come on as Dep. Parker was getting back into his car after talking with the juvenile. I spoke with Dep. Parker and inquired why his camera wasn't on during the encounter and his response was that he thought his camera was on. He activated it before he got out of the vehicle to talk to the juvenile and does not know why it wasn't recording. There was another deputy on scene who did have his BWC activated during the encounter and in that video I did not see Dep. Parker manipulate his camera while he was getting into his vehicle, but he did go out of the other deputies view for a moment.

It is unknown if Deputy Parker failed to activate his BWC before arriving on scene or if the camera malfunctioned. Deputy Parker was advised to activate his BWC before arriving on scene and to ensure the camera is recording and working properly before exiting his vehicle.

DEPUTY: Richard Parker EMPLOYEE ID: 16542

DATE OF VIOLATION: February 24, 2016

VIOLATION OF S.O.P. #: Body Worn Cameras 5.3-7

On February 24, 2016 at 1204 hrs. Deputy Parker responded to 2612 Martingale Ct. for a Trouble with a Subject. Upon arrival deputies found the subject standing in the front yard of the residence with an AK47 Rifle, wearing a Tactical Vest, and had a Pistol in a holster in the vest. Deputies engaged the subject until he dropped all weapons. Deputy Stallings approached the suspect to secure him in custody and due to his behavior Deputy Stallings tazed the subject. Deputy Parker stated as he arrived on scene he attempted to activate his body camera but it did not start recording and he did not notice it was not recording until after the incident, as he was returning to move his vehicle closer to the scene. Deputy Parker has been advised of the Body Camera Policy and that in the future he may need to activate the camera and verify it is recording before arriving on scene.
