On 07/20/2022 at approximately 2012 hours, I responded to 74 Weatherstone Way in reference to a lost/mislaid Glock 43.

Upon my arrival, I met with Joseph Coburn (049564091) who stated that he recently left the Henry County Sheriff's Office and they had issued him a back up Glock 43 9mm. Joseph stated that he kept it inside a small black gun safe and that he never used it. Joseph said that he had moved into 74 Weatherstone Way residence and did not notice that he did not have the gun safe.

Once Joseph began to gather his things to turn back into the Henry County Sheriff's Office, he said he could not locate the safe that had the gun inside. Joseph said they moved into his current residence at 74 Weatherstone Way approximately 6-7 months ago and had not seen the gun since before that.

The gun is an all black Glock 43 9mm with the serial number AFVK928. Joseph wanted the Glock to be entered into GCIC/NCIC, and he will continue to look for the gun. If Joseph locates the gun he will call us back to report it.

The Glock will be entered into GCIC/NCIC as missing. BWC was activated.
