Mr. Blume-

I have been contacted by our Open Records Unit to try and assist with your open records request regarding the Jermaine Jones case. The ORU is sending me a copy of all documentation that they have sent you regarding your request. I will be happy to meet with you at the GBI Office to review the information provided to you pursuant to your request. If there is any information that you did not receive, I will make arrangements to get it to you.

I will be out of the office the remainder of this week but should be back the following week. Please provide me with a couple of dates that will work with your schedule, and I will get back with you on a date and time to meet.

Thanks.
