Good Afternoon, Sir:

You have two different dates on this particular ORR. Please provide the correct date and I will be happy to assist you with your request.

Mr. Blume:

I represent Wilcox County and the Wilcox County Sheriff's Office. I thought that I sent an email advising that I was in possession of the documents requested and was redacting confidential information (such as SSNs, telephone numbers, etc.) prior to forwarding the document to you. I see now that the email was still in the sent box and I do sincerely apologize for that. Because I did not have a mailing address, this was the only means that I have for contacting you. Hopefully, you will receive this email and I will be finished with the redaction very soon.

Thanks.
