Ref: Resignation From the Sheriff's Office

Please accept this as my letter of resignation from the Sheriff's Office. In the past 15 months I have had the opportunity to grow not only as a deputy, but as a person. Having served under some of the most professional supervision in my career it has been a pleasure to be a member of this department. I'm sorry for the short notice, but due to departure date given to me by my next commission it is the longest possible. My last day of work will be the 22<sup>nd</sup> of September 2005. Thank you again for all that you have done for my family and my self

Sincerely:

  
Scott Usry
