Good morning Billy,

That doesn't appear to be one of our units, but I will reach out to our investigations department for clarity. Do you have a case number pertaining to this accident?

If you need further information, please contact me.

Respectfully,

Good day,

I do not have a case number as this incident happened yesterday, 3.26.
It states sheriff on that white truck so I assumed it was DCSO.
If you can confirm that would be great.

Thanks

Billy

Who handles the 911 calls and radio communication for DCSO and Bakers County?
Can you give me information on who to request the CAD sheet and radio communication for the motorcycle chase that took place on 3.26.25 please.
Bakers county had to have notified DCSO he was entering into Dougherty County where the chase ended.
You were correct, it was Bakers county.

Thanks

Billy Blume
