In response to the above request, the following response is for the above requests:

Did James Ashdown fill out a Use of Force report for the 1.22.25 incident involving David Marineau? He clearly made physical contact with the subject.

Currently there is no Use of Force report on file.

Does James Ashdown's have a dash cam in his patrol truck and does the dash cam work and is there any footage from that incident?

The patrol vehicle that Deputy Ashdown was using on the date of 22 Jan 2025 does have a dash camera equipped. The dash camera is in disrepair due to a hard drive failure.

Is there any body cam from that incident?

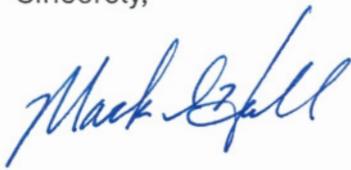

There is no body camera footage from this incident.

Do you really have an IA case (Derived from a public complaint) that has been ongoing for 11 years?

There have been no IA cases from 11 years ago. 2014 would be the year that you are referring to in this question. This would have taken place to any employment of Deputy Ashdown with this Office.

If you have any further questions, or requests. Please do not hesitate to contact me by email or telephone.

Sincerely,
