Dear Billy Blume,

This is in regard to your [Request Number: 2025-1939](#). The Open Records Unit is in receipt of your request. Please note that due to our current request volume, we will not be able to process your request until the week of March 24, 2025. Larger requests, including requests for video, may take longer and may result in a cost for production and redaction. If your specific request will take longer to fulfill and/or may include a fee of more than \$25, our next communication will include the projected date of completion and the pre-retrieval cost estimate. We will not initiate the production of the request without first confirming the approximate cost with you.

Thank you,
