Dr. Beasley,

This is disturbing. This is not the first person that has reported this. Will the BOE be getting an update on this situation? Not only are there serious charges, but parking the CCPS police car in front of Hooters is bad judgment. I told you before that people in the community will take notice when CCPS vehicles are parked.

Hello,

I contacted your school system about rogue police officers before and no one did nothing. After seeing a sergeant in Hooters months ago with your patrol car parked outside during midnight ours I google the county. I found out the sergeant in Hooters were a sergeant named sergeant McClendon. The way he act in Hooters upset me. I don't like police. Police use there titles to get over just like Sergeant McClendon did in Hooters. I saw a posting on Facebook last night about your rogue officers in the system. I google Sergeant McClendon. [REDACTED] My daughters attend a Clayton County elementary school. My daughters are not safe with rogue police around them. The system do not care about my girls but I do. Someone is not doing their job and I will be contacting the media. I will be contacting Georgia Bureau of Investigations. I will be contacting the state superintendent to tell them about fake Doctor Beasley and his police.
