3. Any written policies or guidelines concerning the authorized use of Jefferson County vehicles by the Building Inspector’s Office, including restrictions on out-of-county travel.
4. Any incident reports, complaints, or disciplinary records related to the driver/operator of the aforementioned vehicle.

Please provide the records in electronic format if available. If any portion of this request is denied, please cite the specific legal exemption relied upon.

Good day,  
The Georgia open records act does not require me to fill out a form. Fill the request or I will file a complaint with the attorney generals office.  
FYI, I have never, not once filled out a form, of the thousands of requests I have done, not one single time.

Thanks

Billy Blume
