Speaker 3 Wants a phone. Dad,

Speaker 7 Do you have uh, issue with anybody else in the

Speaker 5 *House? No. No issue? We don't have issues. Issues, man. I'm just Well, it's just all the neighbors are tired of here. You yelling.*

Speaker 3 *They didn't want you to get*

Speaker 7 *Beat up and we let you out because somebody was threatened to, to beat*

Speaker 3 *You up once. Bro. Can you please do, uh, plan beat for me? It's gonna be name and date of birth. I*

Speaker 5 *Mean, I don't remember, but I have memory. I have memory problems. What's your birthdate ma'am?* [REDACTED]

Speaker 1 *Go ahead.*

Speaker 3 *1, 2, 4. You*

Speaker 8 *Got his id. Okay.*

Speaker 5 *My social number too.*

Speaker 3 *1, 2, 4. First name is gonna be Juliet Alpha. Charlie, Oscar Bravo. Middle initial is gonna be Delta. If*

Speaker 5 *You have a pending*

Speaker 3 *Last name is gonna be Bravo.*

Speaker 5 *My registration suspension for insurance*

Speaker 3 *Uniform.*

Speaker 5 *Can you drive with insurance until you get that resolved? If it's not active*

Speaker 3 *Date of birth, what's your*

Speaker 5 *Date of birth?* [REDACTED]

Speaker 3 [REDACTED] *Thank*

Speaker 8 *You. Say your question again.*

Speaker 5 *So like, okay. I have, I didn't have insurance for like three weeks, huh? Because I didn't have a job and then I just started a new twin Peak. Um, somebody gave me some money. I have insurance. I looked at my registration, my license plate, and it says there's an active or a pending cancellation due to insurance. Um, finance responsibility. So it says on the 30th, my license,*

Speaker 3 *26 bucks*

Speaker 5 *Send approved. I sense it, but it hasn't gone through yet. I guess. Who's*

Speaker 8 *Your insurance company before?*

Speaker 5 *It's the same cheap company with Hugo.*

Speaker 3 *Okay.*

Speaker 8 *I was gonna say, generally whenever, whenever you lapse on your rent insurance or you, or you cancel it or anything, they immediately report to the state that you don't have it anymore. Yeah.*

So then they, they generally, uh, we suspend your license based off of that. Um, I would recommend that you not until you're able to provide the proof to the state. Right? Um,

Speaker 5 Well I provided it. They just didn't update my registration. Yeah,

Speaker 8 Well until that happens, until you have your accurate information. Yes sir. Technically you can still get in trouble for that. Right?

Speaker 5 Alright. Good enough. That's why I was asking. I don't wanna lose anything. I have, you know, I worked hard for that truck. Mm-Hmm. <affirmative>.

Speaker 3 Yep.

Speaker 5 I'm gonna, I'm gonna work hard to get

Speaker 8 It back. Right, because if you're, if you're unregistered or if you're uninsured, then at that point we would have to tow the vehicle. Would

Speaker 5 You take me to jail if I didn't have insurance? If I was just going to work

Speaker 8 Generally for traffic stuff as much as we can. I can't speak for the sheriff's office as much as we can to try to give notices to people. So you get court date, right? You're still getting arrested for stuff? Yeah. You

Speaker 5 Generally get that court date

Speaker 8 Depending on your actions. Right?

Speaker 5 Why I got pulled over?

Speaker 8 Like kind of how things escalated today for no reason? Yes sir. Depending on your actions that can change. Yes sir. Okay, perfect. Are we allowed to Yes. Yes. Do we try not to? Yes. Yes, sir. Okay. Like you said, you, you getting emotional and everything that can get the better of you. Yeah. And then we make poor decisions. It has before. Well, poor decisions equal more charges and then you go to jail for everything.

Speaker 5 Okay. I don't want to go to jail.

Speaker 3 I you sit up over here, you can't just sit down. Okay. Sit up. No, you calm down. Now you know that you are not

Speaker 5 Criminal.

Speaker 3 I mean anybody, I mean, anybody can be a criminal, however you are, you calm down. Yeah.

Speaker 5 So I'm not like that man. I just have these little stinks sometimes. Mm-Hmm. <affirmative>. She gets this attitude to me and it just, it sets something off. It pushes a button that nobody else can put. Yeah. That was good. It's not good. Yeah.

Speaker 8 Un unfortunately, generally

Speaker 5 You that you re

Speaker 8 When that ends that you recognize it unfortunately is someone goes to jail for domestic violence. Yes. So you either need to be the bigger person to separate yourself or so something's gotta get done. Yeah. Because like, like what you just described, she presses that one button that nobody can Well

Speaker 5 There's another button

Speaker 8 *That that end that ends badly and then you go to jail.*

Speaker 5 *I never heard that girl. Man. I've been with her five years and we're only 23 mm-Hmm. I've known somebody five years. It's crazy. We lived together the entire time. We're not from this state. Mm-Hmm? We're from Georgia. Georgia, okay. Yes sir. So it's like we came here to do better.*

Speaker 1 *We*

Speaker 8 *Don't worry about what they're doing. Real*

Speaker 1 *Quick.*

Speaker 5 *What's up?*

Speaker 8 *Talking to my partner.*

Speaker 1 *This*

Speaker 8 *Guy right here. Your dad*

Speaker 5 *Try to hold, how old is it? 58 something. I dunno. I just need it. You can*

Speaker 8 *Smile. You can smile for his camera*

Speaker 5 *If you want. Yeah, it's not, no. Yeah, I know. He's trust me. The It's*

Speaker 8 *Okay. We're all recording, so No,*

Speaker 5 *I don't.*

Speaker 8 *It's part of the job.*

Speaker 5 *Job. I willing it*

Speaker 8 *Who's that other, that that other guy lives with you too.*

Speaker 5 *This is*

Speaker 8 *An apartment. It's like split the house.*

Speaker 1 *All split up in*

Speaker 5 *House. Yeah. It's all split up and locked up. So. Gotcha. They hear us all the time. We*

Speaker 8 *Y y'all share a wall or something*

Speaker 5 *And we hear them all the time, but he didn't want to admit it right then. But dude, they wake me up every morning. I don't care. Gotcha.*

Speaker 8 *I, I, yeah, unfortunately in close living situations, that's,*

Speaker 5 *It's gonna happen. And I was your first cell.*

Speaker 1 *Standby. Excuse me.*

Speaker 5 *So*

Speaker 8 *What's up?*

Speaker 5 Always be you heard about the new Twin Peaks? On what side? Twin Peaks. Smoke bones used to be where smoke bones used to be. Mm-Hmm. <affirmative> Twin Peaks is kind of like a hooter type thing. Right? Way better. Dude. It's huge too. Brand new kitchen. We just opened it, we opened Monday. So right now we're doing like friends and family one. Yeah.

Speaker 4 So

Speaker 5 Just uh, put in a, uh, Smith's car and then, uh, do you anything else sir? Am I gonna jail? No, no, no. You're not even gonna jail. What did I do? I got, I I got gloves. Jacob, is this your wallet? Yes sir. This is gonna go with you. We're just taking you up to the hospital. Okay. You gonna get mentally evaluated on the Baker Act. I'm getting Baker Act. Mm-Hmm. <affirmative>. Yes, sir. I just woke up. That's it. You're not in trouble. I dunno what I say. Well, I'll, uh, put it on your form and everything the doctor can discuss with you. Okay? I didn't do anything. This isn't her doing this, doctor isn't, you're not in trouble. I'm getting bang. I don't want to go to a mental house, but I got the job to get to brother. All right. I'm not mental. Once you get in there, you can call 'em.

Speaker 5 If everything checks out, call your job. Wait, I'm going in somewhere. Mm-Hmm. <affirmative> going to the hospital, man. Are they gonna clear me if I'm clear? If you're good, it depends on, that's between you because I haven't said anything that gets, I know my name and birthday. I know that I'm not suicidal. I don't plan on hurting anybody. So please, why are we doing this all? Well, I'll go ahead and let the doctor know that that's what you're saying and you can discuss that. I do want get checked out for my ear because that's getting infected. Can you get there? All right. Come on my bed too. Yeah. Yeah. I'm gonna leave it. I'm gonna leave it here. You.
