SA MILLS and SA CROSBY conducted an interview with JERMAINE JONES SR, the father of JERMAINE JONES JR. JONES SR was also a witness of the traffic stop that occurred on 10/11/2021. JONES SR stated essentially the following:

JONES SR advised that on 10/11/2021 some time around 6:00-7:00 PM he was leaving Wayne's Towing with his brother in law WILLIE BAKER and son JERMAINE JONES JR. JONES SR advised that an unmarked silver charger pulled behind them and pulled them over on Highland Avenue. JONES SR said that there was already police officers sitting across the street from Wayne's towing when they left. BAKER was driving the vehicle and JONES JR was in the backseat behind JONES SR. JONES SR advised shortly after that 5-6 other narcotics officers were there. JONES SR described the officer that pulled them over as being tall with curly hair and light skin (Investigator CHRISTOPHER BROWN). Investigator BROWN told BAKER that they were pulled over for something with their tag. He also recalled an officer he believed to be named "Scott" who he described as a tall white male with a pony tail (INVESTIGATOR RICHARD RUSSELL). Both of them had vest on.

During the traffic stop JONES SR recalled talking about an interest in cars with the officers. Then BAKER was asked for permission to search the vehicle. BAKER gave consent for officers to search his vehicle and BAKER, JONES SR and JONES JR were all removed from the vehicle. After they exited the vehicle they were all instructed to sit

on the curb a couple inches behind the Tahoe.

JONES SR advised that the curly haired officer (INVESTIGATOR CHRISTOPHER BROWN) said "GUN" and JONES JR got up and went a couple inches from the rear of the car. The tall white male officer (INVESTIGATOR RUSSELL) then tased JONES JR. JONES SR doesn't remember officers saying anything and advised JONES JR didn't say anything to him before he got up. JONES SR recalls a large black male officer hitting JONES JR in the face 3-4 times when they were on the ground with his open hand and closed hand. JONES SR later described that he hit him in the face with the palm of his hand. While they were on the ground JONES JR was handcuffed by deputies. JONES SR advised he didn't know there was a gun in the vehicle and didn't know who the gun belonged to.

JONES SR advised that they wouldn't let him talk to JONES JR after he was tased but he appeared to be fine. JONES JR was walking and speaking with deputies while they took the taser prongs out. JONES SR recalled INVESTIGATOR CHRISTOPHER BROWN talking to JONES JR while he was in the back of a patrol car but no one got into the back of the patrol car with him. JONES SR advised that his daughter called the jail around 11:00 PM on 10/11/2021 and they told her JONES JR wasn't booked in yet. JONES SR advised that he learned that JONES JR was in the hospital and in critical condition from JONES JR's mother at around 10:30 - 11:00 AM.

JONES SR provided no further information. The interview ended at approximately 3:30 PM. For full details of the interview, refer to the video recording attached to this case summary. A copy of the video is on a flash drive that will be placed in the rear of the casefile.

On Tuesday, October 12, 2021, at approximately 4:10 p.m., Georgia Bureau of Investigation Region 7, Special Agent TODD CROSBY and Special Agent KIM KHAN were located at [redacted]. This was in reference to making contact with WILLIE LEE BAKER to conduct an interview. BAKER was present at Use of Force Incident during a traffic stop conducted by the Richmond County Sheriff's Office. The traffic stop occurred in the area of Highland and Clifton Street, Augusta, Georgia on Monday, October 11, 2021. BAKER was a witness to JERMAINE JONES Jr. being tased by a Richmond County Sheriff's Office Deputy when JONES Jr. attempted to run from the traffic stop. The interview with BAKER was digitally recorded and will be attached to this summary. For a true depiction of the interview refer to the attached recording. BAKER stated the following.

BAKER was driving the black, Chevrolet suburban when he was pulled over by Richmond County Sheriff's Office. BAKER was told BAKER was pulled over because of the tag cover over the tag on the vehicle. The officers asked them to get out of the vehicle and "3J" who was later identified as JERMAINE JONES Jr. ran and was tased by an officer. Officers hit JONES Jr. in the back while JONES Jr. was on the ground. The officers then put JONES Jr. in a patrol vehicle and transported JONES Jr. to jail for a probation violation. The officers then let BAKER and JONES Sr. go. About 12:00 p.m. to 1:00 pm today, BAKER's wife called him and told BAKER, JONES Jr. had a brain injury.

SA CROSBY and SA KHAN then asked BAKER several questions to clarify BAKER'S statement. BAKER was asked who was in the black suburban and where each person

was seated. BAKER was driving the vehicle. JONES Sr. the father of JERMAINE JONES Jr., was in the front passenger side seat and JONES Jr. was seated in the rear passenger side seat. BAKER was taking JONES Sr. to get air in a tire so JONES Sr. could get his vehicle from a salvage yard. BAKER said they never made it to get air in the tire before being pulled over. BAKER described being near Aquinas School, 1920 Highland Ave., when they were pulled over by a black, Dodge Charge with blue lights on the dash. The officer driving the vehicle was described by BAKER as a Mexican looking male with black curly hair. The officer told BAKER he was being pulled over for the tag cover that was covering the tag on the vehicle.

BAKER, JONES Sr. and JONES Jr. were just talking to the officers when an officer asked if the officers could search the vehicle. BAKER told them they could search the vehicle. BAKER, JONES Sr., and JONES Jr. were then removed from the vehicle and were seated on the curb behind the suburban. The officer searching the vehicle, located a gun under the back passenger seat where JONES Jr. was sitting and told all other officers there was a gun. When the officer said he had found a gun, JONES Jr. ran. SA CROSBY will note, BAKER continued to refer to JONES Jr. during the interview as "3J" on the attached audio. BAKER said the gun was not his gun and that BAKER keeps his gun at the house.

When JONES Jr. ran, an officer tased JONES Jr. When JONES Jr. fell, JONES Jr. fell toward his right side. Several officers then jumped on JONES Jr. BAKER saw an officer that he could not describe or identify, striking JONES Jr. with a closed fist in JONES Jr.'s back area. BAKER never saw JONES Jr. get hit in the head by any of the officers. BAKER estimated that BAKER was 15 feet away from where JONES Jr. went down after being tased by the officer. BAKER did not know the officer who tased

JONES Jr. but described the officer as a white male, medium build, wearing a black uniform, with brownish, short hair that had a fade and was spiked.

BAKER heard JONES Jr. saying he could not breath when he was on the ground. BAKER heard JONES Sr. tell the officers to go ahead and arrest JONES Jr. When asked what BAKER thought JONES Sr. meant by that statement, BAKER said, "To go ahead and get it over with". The officers then got JONES Jr. off the ground and put JONES Jr. in a different vehicle than had pulled them over. BAKER described the vehicle as a gray Charger. SA CROSBY asked BAKER how JONES Jr. was acting as JONES Jr. was walked to the vehicle. BAKER stated JONES Jr. was acting normal. BAKER described JONES Jr. as talking to the officers and asking why he had been arrested. BAKER said the officer did not tell JONES Jr. right away why he was being arrested. When JONES Jr. was placed in the vehicle, an officer came over to where BAKER and JONES Sr. was located and told them, JONES Jr. was being arrested for probation violation and something else BAKER could not remember what. BAKER never saw anyone else get in the back seat of the gray vehicle with JONES Jr. BAKER did not know when the officer left the area with JONES Jr. BAKER heard JONES Sr. asked for JONES Jr.'s shoes and phone but was told the officer was already left with JONES Jr.

BAKER said he never saw anyone hit JONES Jr. with anything but fist in the back. JONES Jr. was acting normal when he was walking to the vehicle. Officers did find a "crack" pipe in the vehicle also. BAKER advised the pipe was not his.

BAKER said they were stopped on the next road near the basketball court past Aquinas School on Highland Ave. BAKER said they were coming from Wayne's

Towing where they went to get a tire so JONES Sr. could get his car out of the impound. They were headed to the Shell Station on Wrightsboro Road to get air in the tire but never made it to the Shell Station. When they left the "salvage yard", BAKER saw four patrol cars on the island in the middle of the street near Wayne's Towing. BAKER was unsure if one of those vehicles were the one that stopped them. BAKER said they were stopped because of the tag cover and the gun was located under the back passenger seat. BAKER did not remember JONES Jr. saying anything about he was going to run.

SA CROSBY then asked BAKER for permission to take pictures of the outside of the black suburban parked in the yard of the residence. BAKER gave SA CROSBY and SA KHAN permission to take pictures of the vehicle. SA CROSBY then took ten (10) pictures of a black Chevrolet suburban displaying Georgia Tag# PTC6057. The ten (10) images will be attached to this summary. (Images 5762 thru 5771)

On Thursday, October 14, 2021, at approximately 12:42 P.M., SPECIAL AGENT IN CHARGE (ASAC) TANYA CALES met with SPECIAL AGENT (SA) BRANDON MITCHELL at the GBI Southeastern Regional Drug Enforcement Office (SRDEO) in Metter, Georgia, for the purpose of conducting Taser download related to this investigation. At that time, SA MITCHELL provided SAC CALES access to a Taser that previously collected.

SAC CALES retrieved a Taser X2 bearing serial number X29000V07 and listed on GBI Receipt for Property E-537691. SAC CALES conducted a spark test as well as a 5 second trigger pull, and the device appeared to be in proper working order. After the device was spark tested, the device was then connected to a computer with Evidence Sync software installed, and the resulting download report has been attached with this summary (see attached). At the time of download the internal clock of the device was synced from 10-14-2021, 12:44:09 hours to the current time of 10-14-2021, 12:57:18 hours, indicating the clock for the Taser had been 13 minutes and 9 seconds behind the actual time. The time difference should be accounted for when reviewing individual entries on the log. Lines 1736 through 1740 on the log are from 10-11-2021 (Date in Question) indicated a total of 1 trigger activation for 4 seconds (see report for exact detail). SAC CALES disconnected the device from the computer. After the device was disconnected, it was returned to SA MITCHELL's custody at approximately 1:04 P. M. The following is a list explaining the terms seen on the attached report.

- Event Column:
  - Armed – means the Taser safety was off.

On Friday, October 15, 2021, at approximately 9:17 AM SPECIAL AGENT KAITLYN MILLS and SPECIAL AGENT ANNIE MOORMAN were located at 254 N Belair Rd, Evans, GA 30809 (Attorney Chad Medlin's Office) in reference to interviewing INVESTIGATOR CHAD RUSSELL. Also present for the interview was INVESTIGATOR RUSSELL's attorney CHAD MEDLIN. MEDLIN previously contacted SA MILLS to advise that INVESTIGATOR RUSSELL consented to an interview. The interview was audio recorded.

Prior to the interview SA MILLS advised INVESTIGATOR RUSSELL the following: This investigation is being conducted in order to determine whether any criminal laws had been violated during the use of force incident. It is not an administrative or disciplinary inquiry. You are not being compelled to give any statements or answer any questions. His cooperation in this investigation is voluntary. After being advised of the admonishment, INVESTIGATOR RUSSELL agreed to continue with the interview. INVESTIGATOR RUSSELL stated essentially the following:

INVESTIGATOR RUSSELL advised that he has been employed by the Richmond County Sheriff's Office since 2015. INVESTIGATOR RUSSELL began working in the jail then in 2017 he was assigned to road patrol. He began working as a narcotics investigator in 2021. INVESTIGATOR RUSSELL had no law enforcement experience prior to 2015.

INVESTIGATOR RUSSELL advised that on Monday, October 11, 2021, he was working an ongoing narcotics investigation at Magnolia Park Apartments.

INVESTIGATOR RUSSELL advised that his normal shift is considered 8:30 AM - 5:00 PM. However, he advised his hours vary and it is normal for INVESTIGATOR RUSSELL to work late. INVESTIGATOR RUSSELL advised that he had 8+ hours of sleep prior to coming into work and was not under the influence of any alcohol or drugs.

INVESTIGATOR RUSSELL advised that during his shift on Monday, October 11, 2021, he was wearing plain clothes consisting of a t-shirt, blue jeans, and tennis shoes. Over the plain clothes INVESTIGATOR RUSSELL was wearing a black in color vest that said "sheriff". He was also wearing a badge on the upper left side of his vest. INVESTIGATOR RUSSELL's Richmond County Sheriff's Office issued Taser was in a holster on the upper left side of his vest. He was driving a white in color impala with no markings equipped with emergency blue lights.

INVESTIGATOR RUSSELL advised that on the evening of Monday, October 11, 2021, there were multiple investigators and crime suppression deputies in the area of Magnolia Park Apartments due to the ongoing investigation in the area. Following that investigation, INVESTIGATOR CHRISTOPHER BROWN initiated a traffic stop on a vehicle (later identified as a black in color 1997 Chevrolet Tahoe displaying GA Tag PTC6057) that was leaving quickly from the area around Magnolia Park Apartments. INVESTIGATOR RUSSELL advised that the vehicle left around the time that a target of the investigation was possibly leaving the area. The type of vehicle the target would be driving was unknown. INVESTIGATOR RUSSELL advised that INVESTIGATOR BROWN made the decision to make the traffic stop. INVESTIGATOR RUSSELL described the traffic stop as an investigative stop with the goal to confirm or eliminate the vehicle (and occupants) of being involved in the narcotics investigation. INVESTIGATOR RUSSELL advised they were able to develop probable cause to

make the traffic stop due to the vehicle having a tinted tag cover. INVESTIGATOR RUSSELL recalls the traffic stop taking place around 7:00 PM when it was dusk outside.

INVESTIGATOR RUSSELL arrived as the third deputy on scene at the traffic stop. Due to contact already being made with the occupants by INVESTIGATOR BROWN and DEPUTY JOHN TARPLEY, INVESTIGATOR RUSSELL did not identify himself as law enforcement to the occupants. INVESTIGATOR RUSSELL noted that DEPUTY TARPLEY was in a Richmond County Sheriff's Office Crime Suppression Team uniform and was driving a marked patrol vehicle.

When INVESTIGATOR RUSSELL arrived on scene he recalls INVESTIGATOR BROWN being on the passenger side of the vehicle and DEPUTY TARPLEY on the driver side of the vehicle. INVESTIGATOR RUSSELL went to the passenger side of the vehicle. There were three (3) occupants in the vehicle, a driver, a front seat passenger and a back seat passenger behind the front seat passenger. INVESTIGATOR BROWN was standing near the window of the front passenger and INVESTIGATOR RUSSELL was standing near the window of the back seat passenger. INVESTIGATOR BROWN engaged the occupants of the vehicle in small talk conversation. INVESTIGATOR RUSSELL noticed that the rear passenger was concealing himself by leaning back in the seat and not engaging in conversation with deputies. The window had dark tint and wouldn't roll down all the way. Once INVESTIGATOR RUSSELL got a flash light he noticed that the rear passenger had rapid and shallow breathing which he perceived as a stress reaction. INVESTIGATOR RUSSELL noted that he has interacted with a lot of people and believes the rapid and shallow breathing is indicative criminal activity or stress. INVESTIGATOR RUSSELL and INVESTIGATOR BROWN stepped back for a

second to discuss the response time of the K9 deputy that was enroute. While they stepped away from the vehicle he noticed the rear passenger (JERMAINE JONES JR) leaned up and whispered something to the front passenger (JERMAINE JONES the father of JERMAINE JONES JR). JONES JR began to unlock his phone and INVESTIGATOR RUSSELL told JONES JR to not use his phone. INVESTIGATOR BROWN asked the driver of the vehicle (identified as WILLIE BAKER) for permission to search the vehicle. BAKER gave consent for deputies to search his vehicle.

When the K9 deputy, DEPUTY LORA HUCKO, arrived the K9 did a free air sniff of the vehicle and gave a positive alert. At that point all occupants were removed from the vehicle. INVESTIGATOR BROWN removed JONES, DEPUTY TARPLEY removed BAKER and INVESTIGATOR BROWN removed JONES JR. INVESTIGATOR RUSSELL told them to sit on the curb behind the Tahoe and all three complied. BAKER, JONES and JONES JR were sitting on the curb and INVESTIGATOR RUSSELL was standing behind them. INVESTIGATOR RUSSELL noticed when JONES JR got out of the vehicle he got out with his hands up and kept his hands up until he was told to put his hands on the vehicle. BAKER, JONES, and JONES JR were patted down for weapons. INVESTIGATOR RUSSELL noticed JONES JR checking his surroundings when he got out of the vehicle and took a seat on the curb which he perceived as a "pre-flight indicator". JONES JR pulled his legs in, pulled his socks up, was looking in both direction and leaned over to say something to JONES. JONES JR also kicked his shoes off. INVESTIGATOR RUSSELL advised that he could not hear what JONES JR said but that he was later told by DEPUTY GAITER that he said he was about to run. JONES JR then got on his feet and immediately tried to take flight. When JONES JR made the move to escape INVESTIGATOR RUSSELL deployed a single cartridge of his Taser towards JONES JR. The Taser probes hit JONES JR just below

his shoulder blade and mid-back. INVESTIGATOR RUSSELL noted that the taser had its desired effect and he deployed the taser before JONES JR got far or picked up speed. INVESTIGATOR RUSSELL advised that he only pulled the trigger on the Taser one time. He recalls JONES JR falling on his left side as he was trying to take a turn while running around the vehicle. DEPUTY LESLIE GAITER was then able to grab JONES JR and they went to the ground together.

INVESTIGATOR RUSSELL walked to wear JONES JR was on the ground and advised DEPUTY LESLIE GAITER was on the ground with him trying to get him into handcuffs. At this point, INVESTIGATOR RUSSELL heard a clothing disconnect and de-activated the Taser. DEPUTY GAITER and DEPUTY PARKER LEATHERS were struggling with JONES JR on the ground to handcuff him. Almost simultaneously, INVESTIGATOR BROWN was completing his search of the vehicle and located a firearm. INVESTIGATOR BROWN announced that he found a gun in the vehicle but INVESTIGATOR RUSSELL advised what he specifically heard was "gun" and that was all he was able to process at the time. He was unsure if JONES JR had a gun. INVESTIGATOR RUSSELL advised JONES stood up from the curb and yelled while deputies were wrestling with JONES JR. INVESTIGATOR RUSSELL pointed his taser at JONES and told him to sit back down. JONES complied with INVESTIGATOR RUSSELL's commands. INVESTIGATOR BROWN began watching JONES and BAKER on the curb. INVESTIGATOR RUSSELL then turned his attention back to JONES JR and deputies on the ground. DEPUTY GAITER had a mounted position on the hips of JONES JR and DEPUTY LEATHERS was able to control his feet. INVESTIGATOR RUSSELL was near his head and placed his left knee on his shoulder. He advised that he did not put any pressure on his shoulder. CORPORAL AARON PHILLIPS than began giving commands to JONES JR to give deputies his hands.

INVESTIGATOR RUSSELL told JONES JR to give deputies his hands or he would re-energize the Taser. Once JONES JR was handcuffed deputies got off of JONES JR and JONES JR was stood up and taken to the car. INVESTIGATOR RUSSELL did not recall who handcuffed JONES JR but did recall he was handcuffed behind the back. INVESTIGATOR RUSSELL advised he had the Taser in his hand until JONES JR was up and the Taser Cartridge was removed. The taser probes were taken out of him and he was able to have a conversation. INVESTIGATOR RUSSELL advised nothing seemed wrong with him and he had no injuries. JONES JR was then placed in the rear of DEPUTY GAITER's patrol car.

INVESTIGATOR RUSSELL advised when JONES JR was in the back of the patrol vehicle he conducted an informal interview with JONES JR about becoming a confidential informant. He advised he turned his body worn camera off for the interview. INVESTIGATOR RUSSELL spoke to JONES JR while standing outside of the patrol vehicle with JONES JR's door open. He advised he never got into the vehicle with JONES JR. JONES JR advised he didn't know anyone specifically to help INVESTIGATOR RUSSELL but that he could try. JONES JR was unable to provide any relevant information and the decision was made that he was going to jail. INVESTIGATOR RUSSELL recalls JONES JR saying if he let him go that he could help him later. INVESTIGATOR RUSSELL advised the interview was not meant to incriminate or gather evidence against JONES JR and did not pertain to the crime he committed. Shortly after that DEPUTY GAITER transported JONES JR to the jail. DEPUTY GAITER was in a marked patrol vehicle.

INVESTIGATOR RUSSELL advised that he drew his Taser with his right hand when he began noticing the pre-flight indicators from JONES JR. He advised that when he took

his Taser out it was kept down by his leg and not pointed at anyone. INVESTIGATOR RUSSELL advised that while JONES JR was on the ground with deputies he was screaming that he couldn't breathe but at no point asked for medical help. INVESTIGATOR RUSSELL advised there was no indicators that he needed medical attention. INVESTIGATOR RUSSEL advised he is a certified basic Emergency Medical Technician (EMT).

After the incident while discussing the use of force report, INVESTIGATOR RUSSELL learned from DEPUTY GAITER that while JONES JR was on the ground refusing to give deputies his hands DEPUTY GAITER struck JONES JR 3-4 times in the head with his open palm. DEPUTY GAITER expressed that when he heard INVESTIGATOR BROWN shout "gun" he was unsure if JONES JR had a gun or if there was one in vehicle. DEPUTY LEATHERS also used 3 closed fist strikes to the inner thigh attempting to gain compliance. INVESTIGATOR RUSSELL did not observe the above described strikes because his attention was on JONES.

INVESTIGATOR RUSSELL got a phone call from DEPUTY GAITER at around 10:00 PM on October 11, 2021, that JONES JR was at the hospital not doing well. The next morning on October 12, 2021, INVESTIGATOR RUSSELL came into work around 8:00 AM for training. Around 9:30 AM he told to go to meet with Richmond County Sheriff's Office MAJOR PATRICK YOUNG. INVESTIGATOR RUSSELL turned his Taser and body worn camera over to MAJOR YOUNG.

INVESTIGATOR RUSSELL advised that he is familiar with the Richmond County Sheriff's Office Policy on Taser and Use of Force. INVESTIGATOR RUSSELL receives training on the Taser every year and the last time he had training on the Taser was at

in-service in 2020.

INVESTIGATOR RUSSELL advised that he decided to deploy his Taser to prevent the escape of JONES JR, to prevent JONES JR from getting hurt and to prevent others from getting hurt. INVESTIGATOR RUSSELL advised that JONES JR was detained at the time of the incident.

INVESTIGATOR RUSSELL noted the following officers on scene: INVESTIGATOR CHRISTOPHER BROWN, DEPUTY JOHN TARPLEY, DEPUTY PARKER LEATHERS, DEPUTY LORA HUCKO, DEPUTY LESLIE GAITER and CORPORAL AARON PHILLIPS. No deputies were injured during the incident.

DEPUTY RUSSELL advised that his body worn camera was on during the incident other than when he had the above described conversation with JONES JR in the back of the patrol car and a brief period where he left the scene.

INVESTIGATOR RUSSELL provided no further information. The interview concluded at approximately 10:31 AM. For full details of the interview, refer to the audio recording attached to this case summary.

DR PAYNE was told that JONES JR began to act strange and it was believed that he was faking seizures once they got to the jail.

DR PAYNE saw JONES JR as a patient when he was in the emergency department. He recalled that JONES JR did not have a lot of external injuries other than marks from the handcuffs, a scrape on his head and a few small scrapes on his chest and shoulder. DR PAYNE recalled JONES JR getting restrained due to him being combative. DR PAYNE also heard a muscular heavy set African American officer say he would tase JONES JR again if he didn't calm down.

DR PAYNE recalled that JONES JR had blood in all four areas of his brain and he believed it to be unlikely that the injury was from a fall after being tased. He also recalled trouble getting an officer to take the handcuffs off of JONES JR to provide care. He did not recall seeing anything out of the ordinary from hospital security. DR PAYNE advised that after JONES JR went to surgery he was no longer involved he was not involved in
